Plan Survey Of City Fees

Winfield C. Anderson, chairman of franchises and licenses committee of the Newton Board of Aldermen has announced that his committee will make an intensive survey of license fees of Massachusetts cities and towns in the hope that the revenue of the City of Newton might be increased from this source.

Mr. Anderson stated that something is definitely wrong with the city's licensing procedure when the revenue from dog licenses practically equals the total monies received from all other licenses issued by his committee. He added that although many license fees are set by state statutes, other cities and towns of Massachusetts receive a comparatively larger income than Newton from license fees.

The survey by the committee will continue for the next two months and it is hoped that the recommendations of the committee will be presented to the full board before the end of the year.

Members of the franchise and licenses committee are: Mr. Anderson, chairman, Ward 7; Stoddard V. Bigelow, Ward 4; Leo M. Cannon, Ward 1; Joseph B. Davis, Ward 3; Riley J. Hampton, Ward 2; John B. Osborn, Ward 6; and Edwin A. Terkelson, Ward 5.

Parents Are Invited to Schools

In observance of American Education Week, November 11-17, Newton High School and Newton Trade School are inviting parents to come and visit classes any time during that week. Since many of the fathers will be unable to attend classes, Newton High School and Trade Schools have arranged open house on Wednesday, November 14, from 7 p.m. to 9:30 p.m. There will be

Co-chairman Of GOP \$100 Plate Dinner

A Newton resident, Mr. "Lou" Washburn, is co-chairman of the committee on arrangements for the G.O.P. \$100-a-plate "Preparedness Dinner" to be held in Boston November 13. Mr. Washburn, secretary of the Massachusetts Republican policy advisory group, is well known in political circles as a "go-getter" and successful fund collector.

A regional vice-chairman of the Republican national finance committee in the New England states since 1949, "Lou" Washburn showed his fund-raising talents last year when his region topped all others in the country in piling up their quotas.

After serving as an officer in World War I, he became director of Red Cross clubs overseas in Europe in that capacity.

"Lou," as he is called by his many friends, has been very active in demanding greater racial representation in Republican party leadership.

Time for Stickers Has Expired

Police Chief Philip Purcell, in cooperation with Rudolph F. King of the Registrar of Motor Vehicles, stated that starting today (Thursday), all members of the Newton Police Department and inspectors of the Registry of Motor Vehicles will be on the road to apprehend and prosecute the driver of every motor vehicle not displaying a current inspection sticker.

This sticker is required by law to be displayed on the windshield on all motor vehicles registered and operated in Massachusetts prior to November 1.

Display that sticker!

With the results of the first day's solicitation in the Residential Division last Sunday tallied, Newton has reached 38.5 percent of its goal, \$20,404 has been subscribed in this division and this amount, added to \$102,996 officially reported by the other divisions, brings Newton's subscriptions to date to \$123,400. An additional \$17,200 was reported at the "Kick-Off" dinner last Thursday night. This amount, though actually pledged in the Manufacturing and Mercantile Divisions, had not been received at headquarters in time to be included in the official figures, but is expected to be in by the next report.

Each of the Advance Divisions made reports at the "Kick-Off" Dinner and their percentages attained were as follows: Public Schools Division, S. Everett Polard, chairman, 83 percent; Women's Mercantile Division, Mrs. H. Lloyd Boss, Jr., chairman, 84 percent; Manufacturing Division, William F. Wingard, chairman, 76 percent; Men's Mercantile Division, Dwight Colburn, chairman, 68 percent; Municipal Division, Harold A. Wooster, chairman, 65 percent; and Advance Gifts Division, Norman H. S. Vincent, chairman, 56 percent.

Six hundred persons were in attendance at the dinner, where Edward B. Hanify, past general campaign chairman, was the principal speaker. Mr. Hanify described the Community Fund

VOTER'S INFORMATION brought to the people of Newton when five Vote-mobiles driven by members of the League of Women Voters of Newton covered Newton railroad stations, shopping centers and factories distributing candidate information for the coming city election Tuesday. League Vote-mobile drivers and assistants are, left to right: Mrs. Max Wasserman, Mrs. Nissie Grossman, Mrs. Seymour Getter, Mrs. C. F. Hovey, Mrs. David B. Rost, Mrs. Roger Feldman, Mrs. Herbert Morrison, Mrs. Myron Stone, Mrs. John C. McClintock, and Mrs. Manuel Beckwith.

Former Local Woman Names Colby College Beneficiary

Colby College has been named the future beneficiary of a perpetual trust fund estimated at \$300,000. The fund was established by the late Gertrude Illsley Padelford of Claremont, Cal. and Robinson, Me., and a resident of Newton from 1922 to 1944 where she was a member of the First Baptist Church of Newton. Mrs. Padelford died May 9 of this year.

Its income will go to certain members of Mrs. Padelford's family during their lifetimes. Ultimately the entire income will be received by Colby.

The fund was designated by Mrs. Padelford as a memorial to eight members of her family who graduated from the college, several of whom have been prominent in its history.

She asked that the trust be named the Illsley-Padelford Memorial Fund, "in memory of the following relatives of the donor who have graduated from Colby College: my great uncle, Silas Illsley, 1834; my father, George Boardman Illsley, 1863; my brother, Reuben Lowell Illsley, 1891; my sister, Grace C. Illsley Padelford, 1894; my husband, Frank William Padelford, 1894; my nephew, Morrill Leonard Illsley, 1917; my grand-nephew, John Lowell Illsley, 1945; and the donor, class of 1896."

Mrs. Padelford willed that the income be used "for the education of young women in such ways as the Board of Trustees of Colby deem best, either as educational scholarships or as additional appropriations to enhance the value of education given to women."

She was born in Springvale, Me., in 1873, and married in 1922. Her husband, Dr. Frank W. Padelford, was for thirty years executive secretary of the Board of Education of the Northern Baptist Convention.

Dr. and Mrs. Padelford were widely known in Baptist institutions throughout the country. They had travelled extensively in Japan, Burma, and India, visiting missions in connection with education and church assignments.

S. S. Pierce Co. Buys Riverside Railroad Yard for Retail Store

The S. S. Pierce Realty Company have purchased from the Boston & Albany Railroad their Riverside Yards in Newton, comprising approximately one million square feet of land with frontage of twelve hundred feet on Grove street and six hundred feet on the new Route 128 circumferential highway.

It is the intention of the S. S. Pierce Company to build one of the most modern grocery warehouses in the country on this site, with one of their attractive retail stores with ample parking facilities.

This sale was negotiated through the office of C. W. Whittier & Bro.

Toys and Food for Germany Dedicated at Ceremony

Toys and food contributed by the church school before being sent to Bremen, Germany, were dedicated in a special ceremony at the Sunday morning service at the First Unitarian Society in Newton. The children and their teachers formed a procession ahead of the choir, leaving their gifts at the altar of the West Newton church. The children remained to part of the adult service instead of having their usual junior church service in the parish house.

Opening of bids for the construction of the Neighborhood School on Murray road, Auburndale last week, revealed that less than \$24,000 separated the six bidders for the \$300,000 contract, according to Building Commissioner Arthur Campbell.

The lowest bidder for the contract was J. F. Rand and Son of Boston, with a bid of \$291,831. Other bids submitted for the proposed elementary school contract were: Park Construction Company of Boston, \$299,300; A. J. Martini Company of Medford, \$299,700; Bossi Construction Company of Boston, \$307,721; Chandler Construction Company of Boston, \$313,770; and Tornabene Brothers Company of Newton Centre, \$315,000.

Five classrooms, a kindergarten, a playroom, offices, and store rooms will be built at the new school. It will be used for classes through the fourth grade, to relieve congestion in the Burr and Williams Schools.

Little Interest Aroused In Quiet City Campaign

All indications point to a light vote at the City election Tuesday with only eight contests being scheduled for the 22 offices to be filled including those of Mayor, Aldermen-at-Large, Ward Aldermen and School Committee.

Little apparent interest in the election has developed to date despite the fact that in the contest for Mayor, Walter A. Hodgdon seeks to replace Mayor Theodore R. Lockwood who is a candidate for re-election to a third term. Mayor Lockwood is seeking re-election on his record and doing little or no campaigning.

Most observers believe that Hodgdon, despite his radio addresses attacking Mayor Lockwood's administration has made little appreciable inroad or aroused the electorate.

In the Aldermanic contests, five aldermen-at-large contests loom while for Ward Aldermen, only two contests are on the ballot out of the seven Wards. The contests for Aldermen-at-Large will be held in Wards 2, 3, 5, 6 and 7. In Ward 2, Gordon L. Hawes, William R. Mattson, and Arthur S. Scipione will seek the two places. In Ward 3, Ernest G. Angevine, Kenneth E. Prior and Francis M. Morris, will contest for the two places with Angevine and Prior seeking re-election. In Ward 5, Wendell R. Bauckman, Neil J. McCallion, Edward F. Osborne, Edward A. Terkelson and Alice M. Waters contesting for the two places. In Ward 6, John B. Osborne, George Peters, Helen L. Ring and Stanton J. Ten Broeck, Jr., will be opponents.

New Peirce School Is Dedicated

At the dedication exercises held in the auditorium of the newly-completed Peirce School in West Newton last week, over 400 persons were in attendance and inspected the new educational unit of the public school system.

Brief addresses were given by Ward Alderman Ernest G. Angevine, Mayor Theodore R. Lockwood, Supt. of Schools Harold B. Gores, Howard Rich, architect of the building; Melvin J. Dangel, president of the Peirce P.T.A.; Rev. Ernest Kuebler and Miss Ann L. Caldwell, principals of the school.

Special guests at the dedication exercises included Dr. James Palmer, chairman of the school committee; Aldermen Joseph B. Davis and Kenneth E. Prior; Charles O. Richter, assistant superintendent of schools; Chief Philip Purcell and Safety Officer Charles Feeley of the Police Department; William F. Clark, director of business services in the Newton schools; Recreation Commissioner C. Evan Johnson and Arthur Campbell, public buildings commissioner.

Open house was held after the program and parents talked with teachers in their classrooms. Dis-

Greatest Hallowe'en Celebration in History Of City Entertains Over 12,000 Youths

Last night's Hallowe'en celebration—the eleventh successive observance of the traditional "fun night" in Newton—topped all those of previous years from every standpoint. More than 12,000 school children of all grades from kindergarten through high school participated in the 240 separate parties held in 40 key locations of the city.

It would be an impossibility to choose the best of the parties; they were all "best"—at least the verdict of every pupil at every party was that that particular party left nothing to be desired. All, from the tiny tots having their daytime parties, to the staid senior high schoolers dancing amid soft lights to dreamy music at the Teten Pole Ballroom, were as one in their enthusiasm for the happy hours they were experiencing.

Since the detailing of the myriad delightful program—events planned by hard-working committees would involve endless space, let it suffice to say that the 1951 Hallowe'en parties will be happily recalled for months to come.

Naturally, such an outstanding enterprise as Newton's vast civic Hallowe'en celebration did not just happen. It called for a tremendous amount of deep, earnest thinking and energetic attention to innumerable details on the part of more than 1500 sincere and unselfish men and women. It called, moreover, for the willing and generous cooperation of many leading citizens and, particularly of City officials and administrative departments.

In the forefront was Mayor Theodore R. Lockwood, who has been a major factor in these vast celebrations ever since their inception. To his farsightedness in visualizing the long-range benefits to Newton of our controlled Hallowe'en parties—and to his steadfast backing of Mrs.

City and Vets Give Fifteen Newton Boys Send-off

Last week fifteen Newton boys were given a send-off, sponsored by the United Veterans' Organization, supervised by Chairman William J. Maloney, assisted by Elmer E. King, PC, of Thos. Burnett Camp No. 10 USWV, at Newton Selective Service Headquarters, 430 Walnut street, Newtonville.

The original list contained 17 names but Thomas P. Connors, of 127 Comm. avenue, Chestnut Hill, enlisted the previous day in the Navy and John Pfeiffer Jr., of 20 Leslie road, Auburndale was transferred to a Georgia list from where he will be inducted.

Of the 15 inducted, two were volunteers, Chas. W. Brown 3d, of 97 Essex road, Chestnut Hill and John A. Cousins, 18 Ripley terrace, Newton Centre.

The roll was called by Judge Donald Mayberry and Thomas Bresnahan, assisted by Clerk Patricia Brennan, of Board 116 and Theresa Evangelista of Board 115.

The principal speaker, representing the city of Newton, was Alderman C. Casady. Edmund T. Dungan, Commissioner of Veteran Service and Com-

mander-elect Pierce Gaddis of Newton Post A. L., also spoke. Maloney, acting as toastmaster also introduced Reverend Gustave H. Todrank, also a World War II vet and at present rector of the North Congregational Church, who spoke to the boys advising them to get acquainted with their Chaplains when in the service and to keep in touch with their families. Rev. Todrank also gave the blessing.

Each boy was presented with a pen and pencil set by Commissioner Dungan, a gift from the City of Newton and Elmer E. King presented each boy with a going away card from the commanders of the member posts of the United Veterans' Organization.

Also in attendance were John J. Martin, SVC elect of Newton Post A. L., and Charles Duke also a member of the A. L. Coffee was served by Newton Chapter Red Cross, under the supervision of Mrs. Norman McCutcheon and Mrs. Fred G. Fisher.

Following the ceremonies, the boys entrained at Newtonville for the Boston Army Base from where they were shipped to Fort Devens for assignment.

Junior College Opened Social Season With Outing October 25th

Newton Junior College opened its social season October 25 with an outing at Cedar Hill in Waltham. The entire affair was sponsored by the Students Association of the college and over half of the student body was able to get outdoors to enjoy one of the last of the beautiful afternoons of Fall.

The outing serves the Students Association as an informal mixer and as a prelude to the coming

elections. On November 7, nine young men and women will be elected to the Executive Council of the Association. The Council will represent the students in meetings with the college administration and it will plan the year's social activities. The four persons who are representing the student body until elections are completed include two sophomores, Jo-Anne Cardinal and Tom Nolen, and two freshmen, Vir Fahey, and two freshmen, Vir Fahey, and two freshmen, Vir Fahey.

The outing began at 2 p. m. when the first arrivals were seen hauling food into the large Council Bowl at Cedar Hill. Several games of football and baseball were immediately underway, while a few cornet enthusiasts promptly sent music rolling around the woods. By four o'clock six fires were burning in the Bowl, and supper was begun shortly thereafter.

Many members of the college Faculty attended the outing. The Director, James D. Laurits, said,

Everything in Readiness For Harvest Festival

In these times when a dollar is worth roughly the equivalent of 56c, a completely home-cooked, full course dinner for only 99c is noteworthy; yet this meal will be served from 5:30 p. m. tomorrow (Friday) in the Normandie Room, Norumbega Park. The occasion for this food lover's dream is the "Harvest Festival", annual parish fair of the Church of the Messiah, Auburndale, open to the public from 10 a. m. to 10 p. m. The menu will include baked Virginia ham, mashed potatoes, green peas, rolls, apple pie, coffee or milk.

A luncheon, consisting of clam chowder, hot dogs, hamburgers, assorted sandwiches, a variety of desserts and beverages, also is planned, with afternoon snacks of cake and ice cream being sold. Handling the details of the "Restaurant", as well as a good share of the cooking feats, are Mr. and Mrs. Clifford H. Beecher and Mr. and Mrs. Robert H. Smith (who are also co-chairmen for the day's activities), assisted by Mrs. Richard Barnes, Mrs. Charles Knapp and Mr. and Mrs. Reginald Smith.

With the Beechers and Smiths other planning committee chairmen are: Mrs. Frederick B. Jackson, publicity; Mr. and Mrs. Ray Simpson, decorations; Mr. Albert Marshall, property; Rev. Frederick W. Rapp, Rector, ex-officio. Mr. and Mrs. Harry Thompson have capably aided the Simpsons in decorating and constructing the Normandie Room to resemble as closely as possible a real harvest festival with pumpkins, scarecrows, corn husks and turkeys as the theme.

At the Festival there will be many variety booths with gifts to use and amuse, many of them handmade or hand-decorated. Mrs. Gregory Samoylenko's Kitchen Korner will feature anything to make housekeeping easier and the "heart of the home" a more attractive room. Assisting Mrs. Samoylenko are Mrs. Milo Clark, Mrs. Henry F. Keever, Mr. and Mrs. Byron Pierce (who will supervise an old-fashioned cheese bar), Mrs. Irwin Ross and Mrs. Ross Weir.

Selling hand-sewn aprons for all sizes and ages is Mrs. Frederick Jackson with Mrs. Waldo B. Hutchinson on hand to help. At the baby and knit table Mrs. W. B. Morehouse, along with Mrs. Arnold S. Bovenzi, Mrs. Albert Everett, Mrs. Byron Pierce, Mrs. James Storen and Mrs. Harold Young, will direct the sale of all sorts of knit goods for children and adults, toddler dresses and bibs. Mrs. Earl Ordway and Mrs. Philip Bridgeman will handle household goods and miscellaneous articles.

Dolls, big and little, dressed simply and ornately, as well as doll furniture and stuffed animals, can be bought from Mrs. Albert Marshall. To aid fond parents in selecting their little girls' hearts' desires are Mrs. Alan Eldredge, Mrs. Ernest Flagg, Mrs. W. H. Perry, Jr., Mrs. Elmer Smith and Mrs. George Smith.

Mrs. Charles Higgins will show anyone how easy it is to have a green thumb, as she sells her assorted house plants. With her are Mrs. Lyman Beggs, Mrs. John Day, Mrs. George Smith, Mrs. John Sundborg and Mrs. John Wallstrom. Mrs. Ralph Hall plans, with the assistance of Mrs. Clifford Beecher, Mrs. Muriel Clark, Miss Ann Hazel Hobbs, Mrs. Richard Packard, Mrs. R. Curtis Reed, Mrs. Reginald Smith and Mrs. Norman Walker, a tempting array of candy, all sorts of mouth-watering treats, also including candied apples, lollipops, popcorn balls and hot buttered popcorn. With the Tuesday Evening Club members serving on her committee, Mrs. Irwin Ross' white elephant table will be a sure-fire hit. Something new will be hand-decorated wastebaskets, sold by the Tuesday Evening Club, made largely by Mrs. Robert Smith, Mrs. Reginald Smith and Mrs. W. H. Perry, Jr.

The proceeds are to be used by the Newton Highlands Garden Club for the purchase of shrubs, bulbs and plant material to beautify the grounds around and establish a flower garden in back of the new Highlands branch library at 20 Hartford street.

The Merrys, formerly of Newton Highlands, have many beautiful colored pictures, which will be shown by Mr. Merry and described by Mrs. Merry a former president of the Highlands Garden Club.

Junior Community Club to Hear Miss Lillian Fletcher

LILLIAN R. FLETCHER

The Newton Junior Community Club will have as their guest speaker Miss Lillian R. Fletcher, director of airline stewardess training at the Ward School of airline training at Worcester next Monday evening.

Few women anywhere along the nation's airways are better qualified to discuss air travel and air passenger service than Miss Fletcher, former supervisor of stewardesses for Northeast Airlines and American Airlines.

In September, 1948, she was appointed to the faculty of the Ward School of airline training at Worcester. Since that time, Miss Fletcher has had complete direction of the Stewardess Training program. Her work at Ward has been instrumental in bringing national recognition to the course.

Miss Fletcher has flown almost a million miles and has served as a stewardess for more than 56,000 passengers. American Airlines, for long and dutiful service, presented her at termination of service with their coveted gold wings. Automatically grounded by marriage, she became supervisor of stewardesses for Northeast from February, 1942 to February, 1946, when she transferred to the Public Relations Department as assistant director. She is one of aviation's foremost ambassadors of good will.

There will be various other speakers including Miss Barbara Shaw, from the Massachusetts Federation of Women's Clubs.

This will be an open meeting and all are cordially invited. The meeting will be held at the Newton Y.M.C.A. building, 276 Church street, Newton 58, at 8 p. m.

Scholarship Fund Party Successful

The Scholarship Fund party held last Friday at the Auburn-dale Woman's Club was well attended and proved a financial success.

Many events took place during the serving of refreshments. Appreciated was the lecture on hair styling given by Woodrow O. Ross of the Anthony Davis Salon. Mr. Ross used his charming model to illustrate and demonstrate simplicity and femininity as the current fashion.

Attendance prizes went to Mrs. Richard Barnes, shampoo treatment and finger wave, Mrs. Edwin Harkins, chrysanthemum plant, Mrs. Ramon Gustin, pin-up lamp, Mrs. William P. DeWitt, flowered table cloth. Local merchants donated many lovely gifts used in the silent auction. Miss Mary Digges, Miss Norma Heep, Miss Ruth Easterlind, Lasell College girls, sold candy.

Mrs. Albert E. Holdridge, chairman of education, gratefully acknowledges the assistance of her fellow workers, Mrs. Charles S. Butler, Mrs. Thomas E. Crosby, Mrs. John Kinnevan, Mrs. Walter White, Mrs. Raymond Woolston, Mrs. Ulnont Jones and Mrs. Waldo Hutchinson.

Pomroy House Has Halloween Frolic

The Pomroy House on Hovey street, Newton, was the scene Monday afternoon and evening of Halloween fun and frolic.

During the afternoon, the Friendship Group under the direction of Mrs. Ralph Somers appeared 100 percent in costumes. This group of oldsters enjoyed games, songs and refreshments.

During the evening, the Wene-cocemo Club of the West Newton Community Center was entertained by the Pomroy House Mothers' Club with Mrs. Frank Larrabee, president, and Miss Helen I. Sandstrom, executive worker, as hostesses.

Prizes in the costume review were won by Mrs. Frank Larrabee as the prettiest, Mrs. Charles Walker, the most unusual and Mrs. Ann Cardarelli as the funniest.

There were games and square dances to liven the evening after which Mrs. Theresa Gallo, chairman, assisted by Mrs. Jennie Proia, Mrs. Annabel Cabozzi, Mrs. Elvira Costa and Mrs. Clarice Proia served refreshments to the guests.

The Rev. Hamilton M. Gifford of the Methodist Church will speak on "With Heads and Hearts Uncowed" on Sunday morning at eleven o'clock.

New Voters to Be Honored At Exercises Sunday

Sunday at 4 p. m. exercises will be held at the War Memorial Building, City Hall, honoring all new voters in the City of Newton.

These exercises are being sponsored by eight Newton organizations, the Newton Community Council, Rotary, Kiwanis, Lions, United Veterans' Organizations of Newton, Newton Teachers' Federation, Newton League of Women Voters and the Federation of Women's Clubs. A committee with representatives from each of these organizations has been organizing this coming event with William Powers of the Newton Teachers' Federation as Chairman.

All new voters, their families and friends, members of community organizations and public officials are invited to attend and the principal speaker will be Francis Keppel, Dean of the Graduate School of Education at Harvard University also a member of President Truman's Committee on Morale of the Armed Forces. Mr. Keppel is also associated with the Ford Foundation.

Music will be furnished by the Newton High School Band, the invocation by Rev. Richard M. Schoolmaster of the Newton Council of Churches and the benediction by Rev. Francis X. Bransfield, former Chaplain in World War II, present Chaplain in the National Guard and assistant Pastor of Our Lady's Church, Newton.

Following the ceremony, William J. Maloney, chairman of the United Veterans' Organization, invites the audience to visit the Hall of Flags in the Memorial Building after which refreshments will be served by the UVON in the cafeteria under the direction of Mrs. Etta Haverty, President of the Newton Chapter of Gold Star Mothers.

The Master of Ceremonies will be Charles L. Peltier, president of the Newton Teachers' Federation who stated: "We believe that becoming a voter is a great event in an American man or woman's life and should be recognized accordingly. We are bothered with the fact that many of our people do not take an active interest in his or her benefit to vote. We are, therefore, attempting to create more interest in voting and all other responsibilities of citizenship. We also know that a citizen doesn't become a voter merely by reaching the age of twenty-one years. He must register, therefore, we have tried through the members of all cooperating organizations, to contact these new twenty-one-year-olds, urging them to register in time to vote in the November 6 elections."

Training Course For Gray Ladies To Start Monday

A training course for Gray Ladies for the Newton-Wellesley Hospital will begin Monday at 7:30 p. m. Gray Ladies are volunteers who, under professional guidance, provide a variety of friendly and helpful services to the sick and convalescent. Besides their hospital duties, they serve at the Blood Centers.

There is room in the class for those women who feel they have the special traits which fit them to join a service which contributes so much to the morale of the sick. Training begins with the Orientation Course Monday evening, and continues thereafter with classes on Monday and Thursday mornings from 9:30 until 12. The dates are November 8, 15, 19 and 26.

For further information, call Mrs. Ralph Stober LA 7-7864, or Mrs. E. K. Mentzer, LA 7-4617.

P. O. Needs Trucks for Christmas

Some 350 extra vehicles for delivery of parcel post are required by the Post Office Department in the Boston Postal District during the 1951 Christmas season.

The Post Office Department is presently soliciting, by competitive bidding, proposals to furnish one ton, 1½ ton and two ton vehicles of approximately 300 cubic feet carrying capacity.

Proposals must be submitted in sealed envelopes and marked, "Proposal to Furnish Truck." They must be filed not later than 12 noon, November 9.

Proposals should not include the salary of the operator of the vehicle as he will be paid the prevailing hourly postal salary rate. Applications may be secured from the Superintendents at the local postoffices or at the Christmas Truck Unit, Room 410, Federal Building, Boston, said Joseph P. Finn, acting postmaster.

Paintings to Be on Exhibit This Week

On invitation from the West Newton Community Club, Miss Florence M. Alexander of Newtonville is exhibiting her paintings at the West Newton Public Library during Art Week, Nov. 1 through Nov. 7.

Miss Alexander is a graduate of the Massachusetts School of Art, and for many years has held one man shows of her work in Boston and in Newton.

It's Your Duty

Tuesday, citizens of Newton eligible to vote, will have the opportunity of exercising their American franchise, for on that day the city election will take place.

How many will exercise that franchise Tuesday, is problematical. Unfortunately there is every reason to believe that many will refrain from exercising their duty as American citizens. This is unfortunate and to a large degree this indifference is having its effect on the very way of life in this country.

True, the election Tuesday is solely a city election yet it is just as important to secure competent and qualified men for city offices as it is for State and National offices. The very basis of true Democracy is in the individual citizen.

There have been, and will continue to be until Tuesday, many pleas for the eligible voters to go to the polls and cast their ballots for candidates of their choice. Whether there are any great number of spirited contests should have no bearing on the number of votes which will be cast. The issue involved far transcends this consideration. The issue really is the issue of a free electorate having the opportunity to vote in a free democracy.

Polls will be open from 7 a.m. until 8 p.m., Tuesday. Surely every voter can find a few minutes of these thirteen hours to go and cast their ballot. Surely no one possessing the privilege of being able to vote should fail in their effort to cast their ballot Tuesday. If they do, they have little cause to criticize and less to complain about the affairs of their community.

Remarks to Inductees Leaving Newton

By ALDERMAN CLYDE S. CASADY

A few years ago, the then President of these United States warned of approaching war and predicted that this generation had a "rendezvous with destiny." Long since, we have seen his prophesy come true and each of our lives, in many ways, has been affected by the mobilization of our manpower and resources for a continuing war of liberty and liberation.

We are still engaged in a struggle to defend certain ideals, liberties and heritages, which the people of this nation believe indispensable to civilized society, and to liberate millions of human beings in countries conquered by a ruthless, dominating force which intends to condemn them to serfdom. The existence and expansion of such an ideology jeopardizes the eventual freedom and well-being of free men everywhere. There can be no compromise with oppression and exploitation. It must be opposed wherever and whenever it exists.

No thinking person wants to leave his family and friends in a peaceful society to go and fight. But sometimes war is not of our making nor of our own choice. Then the call to arms becomes a duty—the price of future peace and security. Men called upon to assume such responsibilities go willingly only if they believe that resort to force has become unavoidable and if they believe that out of the shattered ruins of the old world will come a lasting peace where liberty, justice and equality of opportunity will become more universal. Men of courage and of good will who have enjoyed even a measure of the four freedoms want them extended everywhere in the world.

This country has never achieved its ideals of political democracy, nor has our economic system ever fulfilled its maximum possibilities. Individual selfishness and human frailties are ever present barriers. Nevertheless, we have been free to define our goals, to change them at the will of the majority, and to strive to attain them. With all its faults, our way of living and working together has come nearest to giving men truly representative self-government, freedom of thought and speech, and opportunity for self development.

As a member of the United Nations, this democracy is now involved in a war not to preserve our society as it was or is, but to keep our own freedom in order to mould a better one in the fu-

ture. That is the price of the sacrifice of those who do not come back, and the obligation to those who do.

Tomorrow there will be a crying need for leadership by able men of integrity, free to speak and to act, and worthy of confidence of their fellow men. In these times every thoughtful, self-respecting man hears the call to his "rendezvous with destiny" as an opportunity to earn his right to be heard in the future. The stronger his convictions, the more eager he is to get the job of destruction done and to begin the renaissance. Such men, looking toward a better society in the future, believe with Ralph Chaplin—

"Don't mourn the dead
Nor the captive.
But rather mourn the apathetic
throng
The cowed and the meek
Who see the world's great an-
guish and its wrong
But dare not speak."

Great tasks provide great opportunities. The vastness of the problems ahead make it an intriguing time to be tackling them. In every heart is the hope to do one's part well whatever it may be. That is the personal challenge which each of us must meet.

A Growing Force

Girl Scout Week is celebrated nationally every year to honor the memory of Juliette Low, the founder of the Girl Scout Movement. From the year 1912, Girl Scout membership has grown to more than a million and a half, and its program is carried on throughout the United States, its territories and possessions. They belong to an organization that is both national and international in scope, yet in which each individual is important.

The history of growth and development is convincing proof that Girl Scouting has become an integral part of American life—a pledge that builds great people and strengthens nations—a symbol of our faith in the future and our belief in girls as citizens of our democracy.

In their troops Girl Scouts learn to plan their own activities, to respect one another's opinion, to work together and with adults. Girl Scouts learn dozens of worthwhile and exciting skills, from cooking a meal to sailing a boat. They put on plays and learn the folksongs and dances of other peoples. They give service to their families and communities by taking responsibility for household tasks, raising and canning food, helping in day nurseries and hospitals. Together they camp out under the stars, hike along mountain streams and discover the wonders of nature. These are pursuits that help them to develop self-reliance, broader interests, greater appreciations.

Girl Scouting has had its major growth in times of national emergency. It is at these times that communities urgently demand Scouting to safeguard our nation's greatest single resource—youth. At the same time girls demand Scouting because it provides useful and challenging outlets for their energy in appropriate and effective service.

Today, in this country, approximately ten out of every hundred girls, seven through seventeen years, are Girl Scouts. But hundreds of thousands more are waiting to be Girl Scouts. The girls in your community can become members only when more women volunteer their services and support in order to strengthen the Girl Scout program and form new troops. Information can be obtained by calling the Girl Scout office at Bigelow 4-3050.

Claude Dowell of Tulsa, Okla., serving a jail sentence for drunkenness, was released in time to help his wife move to their new home in the unused jail at suburban Garden City which she had purchased from the city for \$500.

Hester Haring, 59, who was arrested in Baltimore for writing number plays, paid her \$762 fine with 6000 pennies, 1100 nickels, 200 dimes, 680 quarters, 480 50-cent pieces and \$216 in folding money.

When Paul Piroosko, a Cleveland barber brought suit for \$5000 against a man who called him a "butcher," Judge B. D. Nicola, a one-time butcher's apprentice, dismissed the case with the observation: "It takes no little skill to be a butcher."

By RALPH AND TUNNI COOLIDGE

LIEUT. CLARK adjusts 1880 Amoskeag Steamer, part of his collection. (Photo by Ralph S. Coolidge).

If you see a 1915 Horse-Drawn Pumper bumping along the road, don't call your psychiatrist; your mind isn't reverting to yesteryear. The Fire-Fighter will be headed for 29 Richardson street, Newton, where it will join Larry Clark's collection.

There'll be a twinkle in this man's eyes as he locks his latest prize in the enclosure behind his house, for Mr. Clark is a man of purpose. He is planning the establishment of a Museum, dedicated to educating the public in Fire-Prevention.

The Museum will be unique in that it will contain the first representation of fire-fighting technique and equipment, from earliest times. Actual apparatus will be displayed, together with scale models, created by the enterprising Mr. Clark.

His models are a challenge to anyone interested in fine workmanship. In the days of the horse-drawn vehicle, the "Wagon Maker" did not use plans to build fire-apparatus. Mr. Clark must himself first measure and sketch the original. Many parts, such as a steamer's stack, are turned on his own lathe; others are cast. Each model is perfection to the most minute detail, even to the elaborate paintings that were a manifestation of the competitive rivalry between fire departments in the "good old days."

During Fire-Prevention week, Mr. Clark exhibited seven different displays throughout the Newtons. Last Fourth of July, seven horses magnificently paraded his fire-fighters. He has made about 25 models of apparatus, to date.

Mr. Clark is most interested in American items, but has models of pumps used when Rome burned; also, hand-operated Swiss pumps, which were carried by four men, used about 1880. His model of the Holland Pump is of the type brought to Philadelphia by the first settlers. Another interesting model is that of a horse-drawn Ladder Pump, built on runners. This apparatus ran smoothly over snow in the days before streets were plowed. Other models are steamers, ladders, hose wagons, and early American tubs (usually carried by firemen to a blaze).

His model of the "Bolton Quick Step" is a single horse-drawn Pump Engine. The original was devised by Mr. Wheeler of Berlin, Mass. It was manually pumped, sideways, instead of the usual up and down method. This apparatus was used in the first Boston fire.

His home is filled with items for the future Museum. Fire buckets, lanterns, (that formerly swung from fire-wagons), pictures of apparatus, 205 firemen's badges, and some of the Berlin, Mass. fire alarms, are only a few of the articles in the collection. Of especial interest are the German and Italian hat badges, and American belts, which were ornately designed. We particularly noted the brass English helmet, and water-shedding hood of an American helmet, used about 1880; also, the handsome decor of the 135 year old speaking trumpet.

How does his wife react to the housing of Museum pieces? "Alice isn't just tolerate of my aims, she is enthusiastic," says

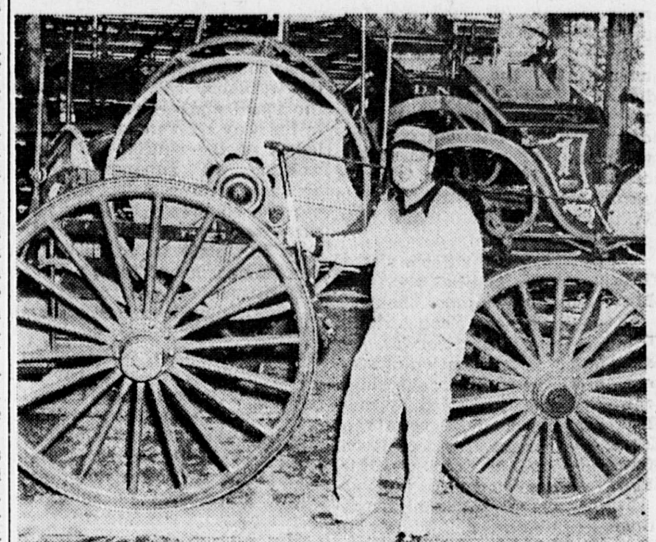

Mr. Clark. "She bought my first steamer." She joins Mr. Clark on his trips when he seeks a new piece of equipment, and helps him bid.

He tried 22 years to get the Ladder No. 1 truck from Athol, Mass., that is now one of the seven "wheels" behind his house. It took him six years to finally obtain his 1885 Hose Wheel, from Revere. A man of fortitude, he borrowed a tractor and after an eight-hour ride, brought back a ladder truck from Fairhaven. Seven lives were once lost because this wagon was "snowed in" at the fire barn, in Montpelier, Vt.

All apparatus have interesting histories. From Lawrence, Mass., Mr. Clark wrangled a horse-drawn hose wagon. It is the only piece in existence that helped put out the great Salem Fire, June 25, 1915. In order to expedite shipment to that fire, it was put on a railroad "flat car" and shipped to Salem. His Gleason and Bailey horse-drawn reel, 1885, came from Revere. When a fire occurred there, the reel cleaner unhitched his horse from the dump wagon, and hitched it to the fire wagon. This fire wagon was once a cause of consternation when lives were lost because it wasn't allowed across the Revere line to help extinguish a fire in Chelsea.

Mr. Clark has recently bought a horse-drawn engine that gained fame at the Prison Fire in Thomaston, Maine. It was also accredited with saving the city of Rockland, Maine.

A fireman 14 years, Mr. Clark is now a lieutenant of the Fire-Prevention Bureau, attached to Newton Fire Headquarters. When a boy, he lived on the old Forge's Estate, in Chiltonville, which had its own fire station. He used to play about the horse-drawn engines, and gained his first interest in fire-prevention, there. He first collected pictures of fire wagons, made models, and then began his fine collection of actual fire apparatus. His

LT. CLARK stands before 1885 Gleason and Bailey horse-drawn reel. (Photo by Ralph S. Coolidge).

interest in saving lives doesn't end with the work-week; it is his life's work. He now lectures both for the Fire-Prevention Bureau, and on his own.

Mr. Clark is looking for more land, on which to house his Museum. A ladder truck, pumper, hose reel, and Provincetown Steamer are in Auburndale, as his enclosure is now filled. His Museum will have to be on a country highway, like Ford's Automobile Museum. Here, he will have room for horses to drive folk around, in the old-time fire wagons. He hopes to hold lectures in the Museum on Fire-Prevention.

Last year, 11,000 lives were lost in fires; over six hundred million dollars went up in smoke. Mr. Clark's Museum may be privately owned, or sponsored. However this may be accomplished, the fact remains, it will promote awareness of the importance of Fire-Prevention. In short, it will be an important contribution to the welfare of mankind.

Suggests Combined Church Services

Editor, Newton Graphic:

The Reformation Day service at the Eliot Church this Sunday was a great success with three churches participating in the one service. If our church leaders have the outlook and breadth of mind necessary we might perform a service for the poor and for religion by holding such services every Sunday. I joined the Eliot Church in 1893 when the present church edifice was new and well filled every Sunday morning, with a good congregation at the Sunday evening services and I do not think the ministers then were any better than they are now. But that was before the day of the automobile and the Golf Club and other entertainments away from the church. Combined church services to-

day would save a lot of money as it costs more money now than ever before to heat a large building and keep it going and this money could be used for charity. A well filled church is more inviting to good work than a half empty church. The music at this Reformation Day service of the combined choirs was more powerful than any one church could provide and it might be that our fine ministers could write better sermons if they did not have to do this every week.

A combination on one church building would not require any change in the organization of the churches taking part but such problems could be readily solved by cooperation of their wise leaders. I suggest that the leading, important men of our village churches hold a meeting at which a combination on one church edifice could be discussed and planned for the good of all of us.

Tribute Foundation Considering Additional Planting in New Area On Commonwealth Ave

The annual meeting of the Newton Tribute Foundation was held last Friday evening in the Library Hall, Newtonville Branch Library. The work of this volunteer, non-profit organization is to establish a living tribute in honor of the men and women of Newton who served and are now serving in the Armed Forces of our country, by a suitable planting on Commonwealth Avenue in the city of Newton. There has been close cooperation with the city of Newton in this plan and program.

The Newton Garden Tour held in May has been an activity of the Foundation which has brought pleasure to many and with memberships has been the source of revenue for the plantings which have been made. It was voted to hold a tour of gardens in May, 1952.

The treasurer, Richard A. Winslow, reported on the receipts and expenditures of the year and gave the balance on hand as \$2,000.

Mrs. Douglass B. Francis reported as to proper signs to identify the plantings. It was announced that an additional planting in a new area on Commonwealth Avenue is under consideration, and will be made in the spring of 1952.

On the recommendation of the nominating committee, the following officers were re-elected for a term of one year: President, Mrs. John F. Brown; vice-president, Mrs. Douglass Francis; treasurer, Mr. Richard Winslow; secretary, Mr. Harold Wooster.

Directors for one year: Mrs. John F. Brown, Mrs. Douglass Francis, Mr. Richard Winslow, Mr. Harold Wooster. Directors for two years: Mrs. George W. Armstrong, Mr. Donald B. Conant, Mrs. M. Fletcher Eades, Mr. Joseph B. Jamieson, Dr. William J. MacDonald, Mr. Richard Moerschner, Mrs. Ernest Rallsback, Mrs. D. Allen Smith, Mr. Clifford Walker, Mrs. Sidney Williamson.

Directors for three years: Mrs. John C. Jones, Jr., Mrs. Allen Brailey, Mr. Louis Bachrach, Mrs. Henry S. C. Cummings, Mrs. Ralph Keyes, Mr. Warren Oliver, Mr. Murray Sholkin, Mrs. Edward Gray Mrs. Orin Skinner, Mr. Eric Bianchi.

Junior Mother's Rest Club to Meet November 7

The Junior Mother's Rest Club of Newton Centre will meet Wednesday, November 7 at the home of Mrs. Tressler W. Callahan of 110 Cedar street for luncheon at 1:15.

Mrs. Henry T. Patch is in charge and will be assisted by Mrs. Foster Cousins, Mrs. E. K. Mentzer and Mrs. Harry Ross Jr.

Color Travelogue To be Presented

Stewart Anderson, well-known New England lecturer and photographer, will take Newton Community Club members on a 10,000-mile trip via his color travelogue, "The Covered Wagon Rolls East," at the next meeting of the club this Monday at the Grace Church Parish House. Desert at 1:30 p.m. and the business meeting at 2 o'clock will precede the lecture.

Mr. Anderson will feature the scenery and big cities along the Great Lakes and Canadian Maritimes. His color photographs will include the St. Lawrence, Ottawa, Montreal, Quebec, the Saguenay, the Gaspe and Cape Breton in Nova Scotia. These regions are not only picturesque, they are historically of interest, connected as they are with the struggle between France and Britain for the possession of Canada.

Second Lecture to Be Given Nov. 9

November 9, at 10 a.m., Mrs. Frank Mansfield Taylor will give the second of her lectures in the Current Events series "Our World Today." 88 women attended the first lecture.

Held in the parlors of the First United Presbyterian Church, corner of Eldredge and Vernon streets, these six lectures are under the auspices of the Newton Community Club, but are open to the public. Single tickets are available, and may be purchased at the door. All proceeds go toward the club's scholarship fund.

Miss Ann Corrigan Married Saturday

In a marriage which took place last Saturday morning in Sacred Heart Church, Miss Ann Elizabeth Corrigan, daughter of Mr. and Mrs. Joseph Corrigan of Newton Centre, became the bride of Mr. Leo Patrick Waters, son of Mr. James Waters of Newton.

Miss Gertrude Corrigan was her sister's maid of honor, and bridesmaids were Miss Cecelia Roche of Newburyport, Miss Marie Kenny of Boston, Miss Irene Ford of Waltham, and Miss Kathleen McGinley of Montpelier, Vt.

Annual Fall Enrollment of Junior Red Cross Opens Today

Today marks the opening of the annual enrollment of the American Junior Red Cross in the Newton schools. Efforts will be made to give every elementary and secondary school an opportunity to enroll for the calendar year of 1952, according to Mrs. Riley J. Hampton, Director of the Junior Red Cross.

Because of the tense world situation, Mrs. Hampton said, it is increasingly important that schools be ready to assist in the traditional services of the Red Cross to men in the service and to the community. Last year the national membership reached a total of 19,334,783 boys and girls in 89,182 private, public, and parochial elementary and secondary schools throughout the United States and its territories. In addition, 34 American schools in Japan and Okinawa—schools for children of U. S. military and civil employees employed on those islands—enrolled in the Junior Red Cross. Over 1200 Newton students are enrolled in the Newton Junior Red Cross.

Junior Red Cross programs and services vary in different communities. Local program plans included—24 Junior Red Cross High School Council members serving as ward helpers at the Newton-Wellesley Hospital; Glee Clubs entertaining at the State Institute and at the Swedish Home; 41 Juniors participating in the Blood Program by driving in blood emergencies, distributing leaflets to recruit blood donors, and helping to recruit for Home Nursing classes. Also 22 Junior High Juniors served as Staff Aides. 11 window displays for the senior fund raising campaign; 20 sets of bed boards for the Newton-Wellesley Hospital; 6 hospital carts for Cushing Veterans Administration Hospital. Cushing also received from the Juniors cribbage boards, afghans, ash trays, jellies, 2,959 tray favors and 200 tray mats; 6 High School Aides arranged favors and decorations at Cushing at Christmas time.

Junior Red Cross members plan to fill gift boxes for distribution to school children overseas. Two hundred and eighty thousand of these boxes, containing school and health supplies, and valued at \$560,000 were filled throughout the nation last year. Children in Newton filled and shipped 717 of these boxes.

Approximately 5,000 pieces of art and nearly 1,000 correspondence albums were exchanged with some 35 foreign countries last year. Included were 50 international school art pictures from the Newton Junior Red Cross; also several correspondence albums made in the Newton schools; 2 Overseas chests, each valued at \$150 and containing educational, medicinal and recreational supplies were sent overseas by our Juniors. 25 "Christmas at Sea" packages were planned and sent.

Mother's Rest Club Meets Wednesday

The Mothers Rest Club of Newton will meet November 7 at the home of Mrs. Henry Marble, 15 Crystal street, Newton Centre.

Luncheon will be served by the following committee: Mrs. George Wight, Mrs. Horace W. Hall, Mrs. George Palmer, Mrs. Hoyt Weston and Mrs. James Munroe.

To Present Play Next Wednesday

The Guild of St. Francis of Newton Centre will present "Luncheon is Served" at the Sacred Heart Parochial School Hall, Wednesday, November 7 at 1:30 p.m.

Mrs. J. Ralph Stuart, chairman, and Mrs. Justin Connor, co-chairman, will be assisted by Mesdames Thomas P. Duffy, H. Clark Enyard, Joseph Gorman, Edward F. Heiden, George Holland, Joseph P. Lynch, Edward Montana, John J. Phalon, Walter F. Piotti and John F. Shea.

Joanne C. Spicher, Beverly Milchen and Rupert Annann, have enrolled at the University of Maine.

Mrs. Oncley In Talks on Schools

Mrs. Genevieve R. Oncley, candidate for School Committee from Ward 2, speaking at house rallies throughout the city last week, answered the question most frequently asked at all meetings, "Why do you think you are qualified to become a member of the School Committee?"

Mrs. Oncley's statement, in part, was as follows: "I have been told that some think I am too young and inexperienced to be a member of the School Committee. While I am naturally flattered by such a statement, anyone who knows that I have a daughter who is a Junior in Newton High School and another who is in the sixth grade at Clafin School, and that I taught school for four years before my marriage, realizes that I have reached an age of some maturity."

"I have always been closely associated with educational problems, both at my home when I was growing up (my father was a Superintendent of Schools and later Professor of Education in Kansas) and since my marriage, with the education of my own children. In this city, I have always worked actively with the PTA, having served one year as president of the Cabot-Clafin PTA, and after that, for two years, as executive secretary of the Newton PTA Council."

"I am very well acquainted with the city's school building problems and the various procedures that are being used in an endeavor to solve these problems. I know the need for maintaining the high level of standards in the teaching staff and teaching methods, and the problem of providing adequate salary to the teachers to maintain this level."

"I am well informed about the city government. I realize the problems of maintaining the streets and sewers, of handling other departments, and of adequately running the city as a sensible cost as possible without too great a tax increase, and of keeping the school budget in comparable balance."

"There are some who think that a woman can't cope with such problems. But women in business today have refuted that thesis. And on the School Committee, an able woman can, in addition, give time and consideration to many details which must be overlooked by men, who must of necessity devote most of their time and effort to personal business problems."

"My opponent feels that he should be elected because he has already served a term on the School Committee. I feel that my own qualifications outrank his in every respect. My educational background is broader; I have had closer contact with all the schools in the city; I have been an active worker in such civic organizations as the Newton Community Council, the Red Cross, Girl Scouts, League of Women Voters, and many others; I have studied and discussed city-wide problems with many well-informed city officials; and I have the time, interest and ability to qualify me to be member of the School Committee from Ward 2."

Miss Ann Elizabeth Corrigan, daughter of Mr. and Mrs. Joseph Corrigan of 168 Ridge avenue, and Mr. Leo Patrick Waters, son of Mr. James Waters of Newton, were married recently in Sacred Heart Church, Newton.

WILFRED F. ELWYN, JR.

Admitted to Mass. Bar

Wilfred F. Elwyn, Jr., son of Mr. and Mrs. W. F. Elwyn of 22 Harrington street, Newtonville, will be admitted to the Massachusetts Bar today (Thursday). Mr. Elwyn served during World War II with the Army Air Force in the Mid-Pacific theatre and is a recent graduate of Boston College and Boston College Law School.

Advocates Centralized Purchasing

At several club meetings and house rallies held in Ward 2, Newtonville, William J. Robinson, candidate for Alderman, stressed the need for a candidate who offers constructive and progressive thinking on matters pertaining to the business management of the City of Newton.

Elaborating on this, Mr. Robinson, who was a purchasing agent of the E. I. duPont Company and is now purchasing agent of the New England Medical Center, said, "I strongly urge the establishment of a centralized purchasing department in the City of Newton. Centralized buying places the responsibility on officials who have the interest and the skill to do the work and whose primary concern is in the performance of this special task. It permits the setting up of uniform policies with respect to vendor relations. It encourages market analysis, the study of price trends and an analysis of vendor's production costs, with the result that purchases are made under the most favorable conditions and at the most advantageous times. It promotes economy by consolidating requirements and by setting up material standards for inventories."

"These are just a few of the many reasons why the City of Newton should establish a central purchasing office."

Hopkins Is Endorsed by Hundreds

In a talk to the Auburndale Women's Club Wednesday afternoon, William E. Hopkins, candidate for Alderman-at-Large, said: "Thank you very much for this afternoon. It is such groups as this and the interest they display in city government which is an inspiration to all of us who are seriously concerned with our municipal affairs."

"It has occurred to me that instead of talking about myself, I should talk about you and your interests which in my opinion can be epitomized in a few words. "You as a citizen are concerned about the integrity and ability of the persons who represent you. The standing of the community and your own reputation are involved. You have a record of my background, training and experience. "You are concerned about the

wise and prudent handling of city affairs. The job of your aldermen may be compared to that of the directors of a large business and operating a city with an annual budget of \$11,000,000 is big business. My job as mechanical engineer for Stone and Webster Engineering Corporation is to advise our clients as to the proper direction they should give their business and to see that their money is spent wisely and carefully for the materials, labor and services most needed.

"You are concerned about preserving the city as one of the out-

standing communities in our nation. This requires foresight, planning and determination. You must know that our city is under great pressure each day to lower its standards. My efforts have and will continue to be to maintain the reputation of our city. "I am extremely proud to have the endorsement of fine citizens from every part of this city."

Among the many well-known citizens of the city who have endorsed Hopkins' candidacy are Ward 1, Miss Adelaide Ball, Senator Richard H. Lee, Samuel Fried, Mr. and Mrs. Herbert N.

A&P to Give \$2,000 in Prizes at Anniversary

More than \$2,000 in valuable prizes including television sets, bicycles, various electric appliances and other items will be given to lucky patrons during first anniversary festival to be conducted at A&P Super Markets, 207 Market street, Brighton, and 50 Watertown street, Watertown, beginning today (Thursday).

Each of the two A&P's will give away 90 identical prizes valued at \$1,000 during the twin celebration which will extend through Saturday, November 17. Drawings will be held daily and all visitors may participate without the necessity of making a single purchase.

In order to accommodate local patrons, both the Watertown and Brighton A&P's will henceforth remain open Thursday and Friday nights until 9 o'clock. Other weekdays, regular business hours will be from 8:30 until 6 p. m.

The opening of the anniversary festival will be observed with appropriate ceremonies at both stores on Thursday. Flowers will be distributed to patrons along with various souvenirs, coupons and samples. Giveaways will include coffee measuring spoons

novelty banks and gum, candy and cigarette samples. Various food demonstrations will be conducted throughout the festival.

Grand prize at each A&P will be a 17-inch television console. In addition, each store will award two bicycles, an electric broiler, three waffle irons, three steam irons, three electric toasters, six bath scales, six cameras, eight sets of kitchen utensils, two pen and pencil sets, ten Super-Right hams, ten coffee makers, ten electric clocks and 25 food baskets.

Both the Brighton and Watertown A&P's were opened just about one year ago. The stores incorporate all of the latest merchandising innovations in the retail food business. Separate self-service departments regularly stock more than 4,000 different items.

Complete self-service meat departments are added features of these two ultra-modern food centers. Large, free parking areas, extra checkout stands, fluorescent lighting and other facilities provide the ultimate in shopping conveniences.

Officials of A&P's New England Division state that the Watertown and Brighton A&P's are among the largest and most modern super markets in the entire company. The firm is the oldest grocery institution in America, having been founded in 1859 by the late George Huntington Hartford with one store in New York City. The A&P policy stresses volume sales of quality foods at the lowest practical prices.

The Brighton A&P, which is

on Market street, near North Beacon, is managed by Frank Macolini. Arthur Redding is manager of the Watertown A&P, which is just across the bridge from Watertown Square.

are sending clothing and concentrated food products.

In addition to an explanation of the project and a dedication prayer by the minister, Rev. John Ogden Fisher, two members of the church school spoke from the chancel steps. They were Marjorie Taplin, sixth grade, and David Ellis, seventh grade.

Besides collecting food and clothing, the West Newton Unitarian Church decided to add toys to their contribution. Hence the new two-hour session of the church school is divided between worship service, class instruction and project work.

Under the direction of John F. Taplin and Robert H. Cobb, the third grade through eighth grade pupils are making ring toss games and wooden toy engines. The second grade pupils are making scrap books depicting life in America.

The religious education committee, of which Mrs. L. Fabian Bachrach, Jr., is chairman, and Dr. Hans Waine, vice-chairman, is cooperating with this project along with Kenneth Mitchell, religious education director, and the entire church school staff.

Hallowe'en...

(Continued from Page 1)

Ragna Hovgaard, supervisor of recreation and chairman of the program committee, in her loyal efforts for so many years—much of the continuing success of the parties is due. And, standing with the Mayor, are the heads of various city departments, who have contributed greatly by their active interest.

Among the latter is C. Evan Johnson, Commissioner of Recreation, whose department sponsors the Hallowe'en parties. Always interested in young people, Mr. Johnson has devoted a great deal of his time and energy to coordinating the various elements needed for the smooth-running of such an intricate endeavor. That his counsel and advice have been invaluable, results most certainly attest.

Also of tremendous value has been the cooperation of the school department, so freely offered by Harold B. Gores, superintendent of schools. Mr. Gores has frequently expressed his conviction that Newton's Hallowe'en celebrations are a most important out-of-school activity—and the impetus he and his staff of teachers have given the affair each year cannot be adequately measured.

Three outstanding celebrations may be cited as tributes to Howard Whitmore Jr., who this year has served for the third time as General Chairman of the all-Newton Hallowe'en Committee. All 1500 members of the numerous neighborhood committees are unanimous in their praise of Mr. Whitmore, and freely express their admiration for his administrative ability and his inspiring leadership. Mr. Whitmore unquestionably typifies the fine civic spirit which is latent in all our citizens.

Without the generous cooperation of the Newton Chamber of Commerce, the machinery of the Hallowe'en celebration would be materially slowed down. Each year, the Chamber has assumed the task of soliciting funds from the general public to help finance the parties. The sum required has been moderate—but, even so, it has been a very necessary requirement.

The Newton Police Department and the Fire Department have strongly backed the Hallowe'en celebrations. Both have been outspoken in their belief that the controlled parties have greatly reduced juvenile delinquency and have greatly cut down the property damage previously resulting from the depredations of irresponsible young people, who felt that Hallowe'en was a license to release their energies in widespread destruction. For that reason, if for no other, Police Chief Philip Purcell has often said that he and his men were "all for the parties."

Newton may well be proud of its Hallowe'en celebrations, and the fame which it has won the country over because of them. Nowhere could there be found a finer example of collective cooperation—and last night's affair once more demonstrates how effective such cooperation can be. Through a large number of individuals deserve the credit for making these parties possible, nevertheless the citizenry at large may accept a share of that credit. For they—all the residents of the city—play their part in supplying the favorable environment without which Newton's unique Hallowe'en celebrations could not have been brought to their consistently high level of success.

as "a moral antidote to national decadence and a vital function in restoring desperately needed old-fashioned American virtues." He said that the "fast dollar" as a national symbol can be destroyed by putting the "charitable dollar" in its place, and we can stem the tide in the moral irresponsibility which threatens to engulf us by mobilizing men and women for the common expression of their individual moral responsibilities.

Harold Russell, double ampu-

tee veteran of World War II and one of the featured players in the memorable film, "The Best Years of Our Lives," spoke on the value of the USO to the men in service, and urged that the citizens of Newton and Greater Boston support the USO program by adding amounts to their regular gifts.

Robert R. Walker, Newton campaign chairman, presided at the dinner; the Rev. Louis E. Ford, pastor of the Myrtle Baptist Church, West Newton, gave the invocation, and Mayor Theodore R. Lockwood read his proclamation. Alan Steinert, general chairman of the Red Feather campaign for Metropolitan Boston, urged increased giving and asked Newton to lead the way in the campaign so that others might follow our lead.

At the first luncheon of the Red Feather campaign, held at campaign headquarters in Boston last Monday, \$1,789,937, or 25 percent of the goal, was reported. Wellesley, Lexington, Norwell and Sherborn all reported that they had reached their goals. This is an outstanding accomplishment for these four towns, and we wish particularly to congratulate our neighboring town of Wellesley for the success of its one-day drive on Sunday, October 21.

The next report luncheon in Boston will be held today (Thursday), and the next report date for the Residential Division in Newton will be tonight at district headquarters.

and in Ward 7, Winfield C. Anderson, John C. Beale, present incumbents, will be strongly opposed for one of the two places by William E. Hopkins.

In the Ward Aldermanic contest in Ward 2, Harry Gath, Jr., William A. Jackson, William R. O'Connell, Robert E. Wombold and William J. Robinson will seek victory. All five candidates will have an open field here because there is no one of them a candidate for re-election.

In the Ward 7 Aldermanic contest, Paul S. Rich, present incumbent, will seek re-election and will be opposed by Edmund J. Cully. In the two school committee contests in Ward 2 and Ward 7, two women will seek to win places on this important board. Genevieve R. Onley will seek victory in the Ward 2 contest over James J. Cahill, present member of the school committee. In the Ward 7 contest, Dora Balos, likewise will seek victory over Gordon B. Russell, who is seeking re-election.

Polling places throughout the city will be open from 7 a. m. to 8 p. m., next Tuesday and despite the present apathy on the part of the electorate, those candidates who have contests on their hands, will make every effort to bring out a sizeable vote. It is apparent that should a light vote be cast, as most ob-

servers believe will happen, those candidates who have contests will make every effort to induce their friends to go to the polls and vote for them for in an election where a light vote results, the candidates doing the most work are very likely to benefit.

Waban Woman's Club to Open Season Nov. 5

The Waban Woman's Club will open the 1951-52 season with a New Member's Day Meeting November 5 at 1:30 p. m. A reception and coffee will be held before the business meeting, at which Mrs. Jerome J. Shuman will preside.

Three gay, young and vital musicians make up a trio for "Musical Portraits." Emmalina DeVita is a lyric coloratura of dramatic brilliance who has had the leading roles in several operas produced by Boris Goldovsky in his New England Opera Company. William Metcalf, a newcomer to the group, is a baritone who has not only been a soloist with Mr. Goldovsky's Company, but also has sung with the New England Conservatory Chorus and Orchestra. Dana Lordly, pianist and composer, is accompanist for the group and writes many of their arrangements.

Birth Announced

To Mr. and Mrs. W. R. Rangnow of Westboro, a daughter, Jennifer Louise, at the Glover Memorial Hospital, Needham, Sunday, October 28. Mrs. Rangnow is the former Marion Fulton of West Newton.

The grandparents are Mr. and Mrs. Gordon Fulton of Hillside avenue, West Newton, and Mr. and Mrs. Adolph Rangnow of Norman road, Newton Highlands.

Deaths and Funerals

Julia E. Wilson

Funeral services were conducted in the Newton Cemetery Chapel last Saturday morning at 10:30 o'clock for Mrs. Julia Elizabeth Wilson, 85, a resident at 77 Hartford street, Newton, for the past 32 years.

Mrs. Wilson was the widow of John W. Wilson who was one of the founders of the Boston jewelry business bearing the name of Wilson Brothers. Previous to coming to Newton, she made her home in Natick for a brief period.

Services were conducted by Rev. Sidney W. Powell, D. D., pastor of Tremont Baptist Church, Boston.

Interment was in the family lot in Newton Cemetery.

Adelbert H. Getman

Adelbert H. Getman, 79, husband of the late Katherine F. (Hynes) Getman, died last Friday morning at his home, 73 Harding street, West Newton, after an illness of several weeks.

Born in Iliou, N. Y., the son of the late William and Mariette (Hubbard) Getman, he had made his home in West Newton for the past 10 years. He was a retired chauffeur.

He is survived by a daughter, Mrs. Katherine E. Doucet of West Newton; three sons, Herbert E. of West Newton; Francis E. of Waltham, and David I. Getman of Philadelphia; and seven grandchildren.

Funeral services were held Monday morning with a high mass of requiem at St. Bernard's Church, West Newton, at 9 o'clock.

Interment was in the family lot in Calvary Cemetery, Waltham.

Mary Parker

Funeral services for Mrs. Mary (Dillon) Parker, 76, of 11 Barnes road, Newton, were held last Thursday morning with a requiem high mass at Our Lady of Presentation Church, Brighton.

Mrs. Parker, widow of Thomas O. Parker, was born in Canada, the daughter of the late John and Mary (Diggins) Dillon.

Celebrant of the mass was the Rt. Rev. Msgr. Charles D. McInnis, and Mrs. Mary Murphy directed the requiem choir.

Mrs. Parker is survived by

three daughters, Mrs. Marguerite Connors and Mrs. Mary Clarke of Newton, and Mrs. Charles W. Bates of Telkoid, Ill., and two sisters, Mrs. Paul F. Butler of Boston, and Miss Elizabeth Dillon of Hendersonville, N. C.

Interment was in the Holy Sepulchre Cemetery, Trenton, Pa.

Laura Goodale

Mrs. Laura (Bugden) Goodale, 59, wife of Raymond W. Goodale, of 148 Cabot street, Newton, died October 24, at her home.

A native of Newfoundland, she had been a resident of Newton since 1927, and prior to that time lived in Watertown. She was a member of Palestine Chapter, O.E.S., of Newton, and of Immanuel Baptist Church of Newton.

In addition to her husband, she is survived by seven children, five of whom served in the armed forces during World War II. There are four daughters, Mrs. Joseph Garafalo of Newton; Mrs. Frank Duris, of Newton; Mrs. Leonard Johnson of Auburndale; and Mrs. William Simmons of Miami, Fla.; and three sons, Raymond, Jr., of Avon, Calvin R., of Newton, and William E. of Ketchikan, Alaska; 17 grandchildren; and two brothers, Edward and Eugene Bugden of Ketchikan, Alaska.

Funeral services were held last Saturday afternoon at her home, with Rev. Douglas B. MacCorkle of the Immanuel Baptist Church officiating.

Interment, following cremation, was in Union Cemetery, Amesbury.

Flexible Steel Re-Inforcing

Our own original method. The most vital part of your living room suite is the spring construction. Our new webbing and under-structure prevents spring sagging.

WHY BRISTOL UPHOLSTERING IS DIFFERENT

- (1) We don't tie springs just 4 or 6 ways—we tie them fully 8 ways and with special twine.
- (2) We don't just glue loose frames—we take out old dowels, replace them with larger and new ones. We add brand new corner blocks.
- (3) We don't tack seams at just the obvious spots—we hand sew seams throughout the piece.
- (4) The seams on the sides and backs aren't blind-tacked—all the seams are hand-sewn.
- (5) We don't use ordinary fibre or excelsior—we use the new, expensive moss filling.
- (6) We don't just repair your cushions—we make brand new cushions, springs and all.
- (7) We don't put the fabric on carelessly—we make sure the pattern matches perfectly.
- (8) We don't just cut from a pattern—we fit your cover as carefully as a tailor-made suit.

Former Needham Resident Weds New Hampshire Bride At Ceremony in Meredith

At a four o'clock double ring ceremony performed by Rev. Francis L. Cooper at the Meredith, N. H., First Congregational Church on Saturday afternoon, October 27, 1951, Miss Barbara Evelyn Kempton, daughter of Mr. and Mrs. Richard M. Kempton of Needham, became the bride of Mr. John W. Rideout, son of Mrs. Margaret E. Rideout of Meredith, formerly of Needham.

Mrs. Lillian Trombley, organist, played the processional and the recessional for the wedding at which the bride was given in marriage by her father. For her wedding, the former Miss Kempton chose a plum gabardine suit with which she wore a jeweled gray velvet hat and black suede accessories. Her sorsage consisted of two white orchids.

As matron of honor, the bride's sister, Mrs. Dorothy L. Cushman of Winthrop wore a navy gabardine suit, navy hat and accessories and corsage of red roses and white pompons. Mrs. Don and then by journeying to the old-H. Locock of Meredith served as best man and ushers were last Mr. Herbert P. Cushman Jr., of Winthrop, brother-in-law of the bride, and Mr. Winston N. Prescott of Stoneham, brother-in-law of the groom.

Guests were entertained at the ceremony at the Sargent Camp in Peterborough, New Hampshire. The children ate, played, and the bride's studied, and slept in close quarters, and their entire weekend gown of electric blue with gray was devoted to the study at Needham length dress with matching hat for an evaluation session, at and corsage of pink roses, which time they offered their Following a wedding trip by motor to the White Mountains visit, and Maine, the bride couple will be at home, after November 17, at 16 Water street in Needham.

The bride is a graduate of Winthrop High School and is currently employed at the Meredith Bank. The groom, a graduate of Needham High School, is a veterinarian for 15 years.

Stephen Palmer Students Have Outdoor Educ. Project

One of the newer phases of modern education is the outdoor education project, now being thoroughly explored by educational experts from Boston University in cooperation with schools in Needham and Needham Heights.

The Stephen Palmer is one of the local institutions which added its sponsorship to the plan. The children begin by studying a subject in the classroom, and then by journeying to the outdoors to investigate further.

Recently, a group of children from the Stephen Palmer who were engaged in nature study, spent the weekend at the B. U. Sargent Camp in Peterborough, New Hampshire. The children ate, played, and the bride's studied, and slept in close quarters, and their entire weekend gown of electric blue with gray was devoted to the study at Needham length dress with matching hat for an evaluation session, at and corsage of pink roses, which time they offered their Following a wedding trip by motor to the White Mountains visit, and Maine, the bride couple will be at home, after November 17, at 16 Water street in Needham.

The bride is a graduate of Winthrop High School and is currently employed at the Meredith Bank. The groom, a graduate of Needham High School, is a veterinarian for 15 years.

Miss Johnson attended Rochester, N. Y. schools and is currently employed at Jackson Fabrics, Needham. Mr. Stoll is a senior at the Fredonia State Teachers College, New York, where he is majoring in music. There are no immediate wedding plans.

U. S. coke production for 1951 is estimated at 78 million tons.

Hospital Aid Notes

A meeting of the Board of Directors of the Glover Memorial Hospital Aid Association was held on Monday afternoon, with Mrs. Karl W. Richards presiding. Her message concerned the importance of gaining a still larger membership as well as a more widespread interest among the townfolk in order to provide the hospital with all the necessary equipment.

After her well-chosen remarks, a motion was made to have the membership drive this month, November, instead of the New Year in order to stimulate the many activities of the Hospital Aid. Consequently, an important meeting of all directors has been called for next Monday, November 5, at the hospital at 2 p. m.

It was voted to sustain the Board recommendation to purchase a table-model electric Gonco suction apparatus for \$125, requested as a vital need. Miss Helen I. Linane, R.N., Superintendent of Nurses, expressed her sincere thanks to Mrs. David E. Mann for a silver service presented for hospital use.

Acknowledgment was also made to the Friendly Society for a subscription to Coronet magazine. Volunteers are now needed to help embroider the markings on the hospital linen. Those interested are asked to call Mrs. Durant in the Supply Room.

The Hospital Aid Association sponsors a Memorial Fund for which gifts will be gratefully appreciated. Information on this may be obtained from Miss M. Helen Fox, corresponding secretary.

Junior New Century

On October 17 at eight o'clock a meeting of the Junior New Century Club was held in the Parish Hall of the Unitarian Church. Miss Richner and Miss Thomas, consultants from Helena Rubenstein Salon, were the guests of the evening.

Miss Richner gave a talk on beauty for the face, body, and hair. Miss Thomas used some club members for models. A few guests from the Senior Club were present.

Sigma Phi Group Joins Husbands in Halloween Party

The Sigma Phi Circle of the Carter Memorial Methodist Church Women's Society entertained their husbands at a Halloween party at the home of Jeanie and Ralph Gaudet recently. A most hilarious time was enjoyed as the members played games and joined in a square dancing. Refreshments were served by the hostesses of the evening.

Those who attended were the Messrs. and Mesdames Howard P. Whitaker, William Haylar, Ralph Winn, Arthur Nickerson, John Walker, Russell B. Rice, Roland McNutt, David Sheets, Arthur Fitch, Jesse Thompson, M.D., Raymond Case, Edward Donald, and Ralph Gaudet.

John Joseph Kerivan of 91 Pennsylvania avenue, Newton Upper Falls, and Miss Elaine Paula Johnson of 66 Marked Tree road, Needham.

Francis Augustus Lewis Jr., of 267 Milton street, East Dedham, and Miss Barbara Ann Troy of 41 La Salle road, Needham.

Schools Follow Middle Road, Educators Tell Gathering at First Open P.S.A. Meeting

More than two hundred Needhamites attended the first open meeting of the Public School Association held on Monday evening, October 29, at eight o'clock at the Senior High School auditorium. Norman Rochester, vice-president, presided at the business meeting in the absence of the president, John Bailey, who was unable to be present.

Myron Smith, immediate past president, introduced the guest speaker, Dr. B. Alice Crossley, assistant professor of education at the Boston University School of Education. Dr. Crossley emphasized the point that educators today are attempting to fit the school to the child and to educate the individual, not the class.

Each child is educated according to his ability and needs, so that his mental skills match his social, emotional, and physical skills. The greatest mistake made by modern educators, she further asserted, is in failing to inform the parents of the school program; that is, in failing to tell the parents of what is being accomplished in the schools, and why.

The panel discussion which followed was led by the six principals of the local elementary schools and touched upon the subject "Modern Education And The Three R's." The principals discussed the remedial reading program in the schools, and the increased emphasis upon phonics in the teaching of spelling. William F. Valinda, vocational guidance director of Needham schools, stated that spelling tests in the higher level grades have recently shown a greater comprehension on the part of the students.

These educators agreed that modern education is following the middle road today, partly between the rigid "learning by rote" method of yesterday which burdened a student with much extraneous material; and the progressive method of recent years which allowed the student to develop at will.

Baby Talk

Mr. and Mrs. Jonathan B. Mitchell of Dover are receiving congratulations upon the birth of their third child, second son, Frederick Gates Mitchell, on October 12, 1951 at Tuessdale Hospital in Fall River.

The new baby is the grandson of Dr. and Mrs. Noel Gates Monroe of Newton Highland and Montgomery, Vermont; and the late J. Bertram Mitchell of Philadelphia and Radnor, Pa., and the late Mrs. Henry S. Howes of Boston and Chatham.

New Century Club

The next meeting of the New Century Club will be held on Wednesday November 7, at 2:15 p.m. at the Village Club Hall. Mr. Dick Crocker, baritone, will entertain by singing popular tunes and ballads from musical comedies and operettas, following the business meeting. Mrs. Raiford Remington will be the hostess.

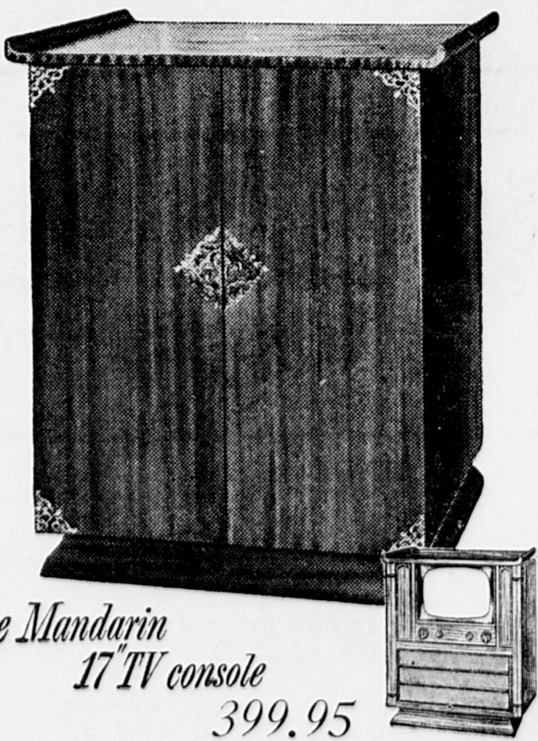

Pledges and a silver collection will be taken up for CARE packages for Korea at this meeting. A conference on inter-group understanding will be held at the Hampshire House in Boston on November 13 at 10 a.m. for all club members who are cordially invited to attend.

Philip Marks has just registered for the winter classes at the Vesper George School of Art in Boston.

A CHALLENGE! TO ALL NEWTON VOTERS

TUESDAY, NOV. 6th

EXCERPT

FROM REPORT OF SESSION
OF N. Y. HERALD TRIBUNE FORUM

You have a privilege that is sacred . . . YOUR VOTING PRIVILEGE! . . . USE IT! If you approve the ideals that this city government stands for, say so by voting . . . if you disagree, say so by voting . . . even though the candidate is unopposed . . . VOTE! . . . in any case it is your duty to SAY SOMETHING! Don't just sit back and "let the other fellow do it." . . . the "other fellow" could be the wrong fellow! Accept the challenge . . . go to the polls next Tuesday and cast your vote for the man of your choice.

We claim loudly and continuously that "no democracy is so precious to its people as ours, but whereas 90 per cent of the benighted Germans, 80 per cent of the Italians and 84 per cent of the British go to the polls, and in Australia you are fined if you stay away—only one qualified American in two bothers to vote."

LET'S NOT FORGET—

Men have fought and died for the right to vote. In our own mothers' day, American women marched and cheered and endured sneers and jeers under their suffragette banners . . . and all for the right to vote.

But now-a-days American men and women . . . secure in their right to vote . . . refuse by the thousands to exercise that right. They rant and rave about dishonest officials, but neglect to vote for honesty.

These Americans forget that failure of the ancient Greeks to elect wise rulers led to the Roman conquest of Greece . . . that public corruption in ancient Rome brought on the reign of the Caesars . . . that befuddled German and Italian voters allowed Hitler and Mussolini to rise to power.

The fathers and mothers of American citizens won for us the precious right to vote. If we use it wisely, we will be secure. Let's all remember that on election day.

Chinese Art Objects to Be Outstanding Feature at Fair

Mrs. Ralph R. Shrader is in charge of an exhibition and sale of rare Chinese art objects which will be one of the outstanding attractions at the third annual Squash End Fair to be held Thursday and Friday, Nov. 8 and 9 at the Second Church in Newton. The fair is sponsored by the Woman's Council of the church which is located in West Newton.

The Chinese art objects are from a collection which Mrs. Shrader's mother brought from the Orient many years ago. They include exquisite embroidered Mandarin coats, Batik bedspreads made of many brilliant squares and used as bride's quilts in the Orient; an authentic Ming bowl, lamp finials and many rare old porcelains.

There will be fun for all at Squash End Fair from 10 a. m. to 10 p. m. both days. Reservations are pouring in for the Smorgasbord supper to be served both evenings under the direction of Mrs. Nelson Johnson and Mrs. Alfred O. Weaver. And for the Thursday evening program of color pictures of Europe to be shown by the minister Rev. Rob-

Candidates for School Committee To Be Heard

Candidates for the Newton School Committee have been invited by the Bigelow Junior High School P.T.A. and the Underwood School P.T.A. to present their qualifications for office at a joint meeting on Friday, November 2 at 8 p.m. at the Underwood School Auditorium.

The Parent-Teacher Association is a non-partisan organization but meetings of this association are a proper forum for the presentation of candidates for public office. The P.T.A. is particularly interested in public officers affecting the schools and the children of the community.

There are two contested posts in the coming election, in Ward 7 between Mrs. Dora Balos and Gordon B. Russell and in Ward 2 between Mrs. Genevieve R. Oneley and James J. Cahill.

Mr. and Mrs. Louis Winokur of the Underwood School P.T.A. are co-chairmen of the meeting which is open to all citizens of Newton.

There will be an opportunity to ask questions of the school committee candidates.

Ward School PTA to Hold Discussion

The first open meeting of the John Ward School P.T.A. will be held on Monday, November 5, at the school auditorium at 8 p.m. The program for this meeting has been arranged by the program chairman, Mrs. Wilfred Werner. There will be a round table discussion, the subject: "Are We Satisfied With Our Elementary Schools. What About Their Future?"

Members of the panel will be Haskell C. Freedman, Ward 6 school committee member, moderator; Miss Mildred March, principal, John Ward School; Dr. Sidney Gellis, ophthalmologist in chief, Beth Israel Hospital, president, John Ward School P.T.A.; Dr. Edward Landy, director, Division of Counseling Services, Newton Schools; Mark Stone, former chairman Newton P.T.A. Council Building Committee; Miss Frances McKendie, 4th grade teacher, John Ward School; Mrs. Leon Sternfeld, parent, Ward Neighborhood Leader Girl Scouts; Lee Segel, former student, Ward School, now at Harvard.

Miss Mildred March was requested by the association for Childhood Education International to set up a panel for the preparation of a bulletin on this subject and the Ward School P.T.A. is taking this opportunity to bring it before its parents.

Officers of the Ward School P.T.A. are: Dr. Gellis, president; Mrs. David Cohen and Mrs. Stone, vice-presidents; Dr. Maurice Evans, treasurer; Mrs. Paul Levi, recording secretary; and Mrs. Sidney Turin, corresponding secretary.

A coffee hour will follow under the chairmanship of Mrs. Seymour Hanibro and Mrs. Evans.

First Fall Meeting

The first Fall meeting of the Newell Club was held at the home of Mrs. Henry C. Jones, Jr., 48 Rutven road, Newton, on October 22. Mrs. Blaine V. Bockmann of Newtonville, spoke in her charming way on the subject of "Tapestry Weaving," describing the work from the carding of the wool to the finished piece. She showed several tapestries which she had made, all of which illustrated the Norwegian Art.

At the tea following the meeting Mrs. Jones was assisted by Mrs. J. Richard Campbell, Mrs. Alex R. Miller, Mrs. Edwin P. Leonard, Jr.

Entertains Newton Smith College Club

Mrs. F. Brittain Kennedy of Waban entertained the board members of the Newton Smith College club at her summer home in Scituate recently.

Among those present were Mrs. Richard H. Lee, Mrs. Alfred H. Stafford, Mrs. E. Prentiss Jones, Miss Catherine Bolster, Miss Alma W. Howard, Mrs. Thomas S. Derr, and Mrs. Hugh M. Tomb. The program for the year to benefit the club scholarship fund, was discussed and it was announced that the first meeting would be held at the home of Mrs. Robert S. Bolan, 15 Farlow road, Newton, on the board, but unable to be at Scituate were Mr. Edward W. Pride, Mrs. Henry Harwood, and Mrs. E. Graham Bates.

Committee Formed to Support Beale

Formation of a committee to support the election campaign of Alderman John C. Beale has been announced. He is seeking re-election as Alderman at Large from Ward 7 in a city-wide contest.

Judge Thomas Weston heads the group which has endorsed Alderman Beale's four-years record and urges his re-election to another two-year term. The members of the committee are as follows:

Frederick S. Bacon, F. Marsena Butts, Grosvenor Calkins, Elliott B. Church, Rev. W. Edge Dixon, Rev. Ray A. Eusden, Thomas Fox, Gay Gleason, Dr. Francis M. Ingersoll, Ray Johns, Dr. Allen P. Joslin, Everett L. Olds, Earl P. Stevenson, Judge Weston, Lucius B. Wheeler, Philip D. Wilkinson and Rev. Robert W. Woodroffe, Jr.

Alderman Beale, a member of the Finance Committee, of the Board of Aldermen, is a member of many organizations which include the Trustees of Public Reservations, the Bostonian Society, the American Newspaper Guild and the Boston Newspaper Guild. He is a member of the First Church in Chestnut Hill. He has been a journalist in touch with national, state and community affairs for the last 35 years. His home is at 125 Franklin street.

Rev Howard Schomer To Be Speaker

The Woman's Association of Central Congregational Church, Newtonville, will hold its meeting Wednesday with handiwork at 10 a.m. and luncheon at 12:30. At the program at 1:30, Rev. Howard Schomer will speak on "The New World Is Europe."

Worship services will be conducted by Mrs. W. M. Ross, Summer Conference delegates, Miss Trask and Miss Perry will give their reports.

Service Project

All the children of the John Ward school joined in a service project to send to the Children's T. B. Sanitarium in North Reading, hand-made gifts, to gladden and make for a happy Thanksgiving. Mrs. Albert Gould, chairman, a Girl Scout Troop Leader, started the project with her troop, but the Ward school children wanted to help and have all the gifts delivered by November 20.

Newton High Drops First Game To Strong Medford, 19-12, In Last Period

The Newton High Tigers were dropped from the unbeaten ranks last week by a superior Medford High eleven, 19 to 12, in what was perhaps their toughest football encounter thus far this season. The Medford game, while a thriller right up to the last minute, revealed that the 1951 Orange aggregate possesses a strong scoring punch, although the Warren Huston-coached club still retains the bad habit of reserving its power for the second half.

True to form, Newton High erased a 12-point deficit the Mustangs had built up during the first half when Don Thompson, the Tiger's main scoring threat, accounted for one six-pointer on a five-yard gallop, and quarterback Fred Dauten tallied the second TD on a "sneak in the second half. But Medford stormed back to garner the victory on a last-minute passing attack that covered 80 yards.

It was a disappointing verdict for the Orange to accept, and although it lost to a defensively and offensively stronger eleven, the Hustonmen forced the outcome right down to the wire with their second half surge.

The Medford fray ushered in the second half of the Newton schedule and by far the roughest. The Tigers can not afford any moral letdown. This Saturday's opponent, Haverhill, is just as tough as the undefeated Mustangs of Medford. In the record books of Class A the Hillies stand close to the top with five wins, a tie and one defeat.

Newton, last week holding down fourth place in the schoolboy grid ratings, has one less victory than Haverhill, matching it in the one tie and single loss column. Last Sunday afternoon Haverhill captured its fifth decision by barely edging a stubborn Salem High, 6-0. While it does not boast the fine balance of the Medford eleven, the Hillies sport a smooth-functioning ground attack led by fullback Dick Brown.

The absence of rugged Dan Coffey from the Orange backfield last week was certainly felt. Both on offense and defense the charging halfback, sidelined with a knee injury, is always superb. Consequently, most of the attack formation fell on the capable shoulders of Thompson, who played his usual best, but was constantly watched by the Mustangs of Medford.

Outplaying the Newton Tigers in the first half, Medford witnessed a complete transformation during the second half as the Orange scored in the third and fourth periods to send the game into a 12-12 deadlock.

Dauten ran back a Medford punt from the Newton 15 all the way to the Mustangs' 17, being overhauled from behind by halfback Tom Ganelly, a run of 68 yards. Making a first down on the Medford five-yard line, aided by the host team's offside five-yard penalty, Thompson drove over right tackle to jump into the end zone for Newton's first TD.

Quarterback Dauten elected to take to the air on the Tigers' second touchdown march, starting from their own 17. Two passes, to Thompson and Don Flagg, gave Newton a first on the Medford 24. Dauten kept the ball zipping through the ozone for two more short gains, and a penalty set Newton back to the 25. The sharp-eyed rifleman then connected to Lee Carder on the two-yard stripe from where Dauten tallied the equalizer on a quarterback sneak.

The Mustangs put the game on ice with only seconds remaining in the last period when passing ace Jack Geary hit receiver Dan Bova with a short aerial on the 25, the speedy halfback going the distance to break the 12-12 tie to give Medford the victory.

Once the Tigers were geared up and on the offensive in the second half the outcome was un-

decided. Newton, it appears, utilizes the first half to get acquainted with its opponents and the terrain before putting its scoring drive into operation. The usual mode of play finally caught up with the Tigers. When they do fight gamely to come from behind, as has been the case this year, they are something to see.

Wrestling Bouts Here Saturday

Burns-Kerr Post, American Legion, will stage a star wrestling show at the Armory on Washington street, West Newton, this Saturday evening and it is expected that the event will become a weekly feature in the city.

The proceeds of these shows will be used for a Christmas party at the Cushing Hospital for veterans.

The feature bout this Saturday night will bring together two of the country's leading women wrestlers in the persons of Lilian Bitter of Orange, N. J., vs. Betty Haukins, of Columbus, Ohio. Both of these star wrestlers have been seen on TV wrestling programs. This will be the main bout with a one-hour time limit.

In the semi-final bout, best two out of three falls with a 45 minute time limit, Man Mountain Dean, Jr. 370 pounds of Georgia will be stacked against Hall Keene, of Oklahoma. In addition, there will be another bout.

Reservations for the Saturday night show may be made by calling the State Armory, Lasell 7-1566.

The first meeting of the Social Science Club of Newton will be held at the Hunnewell Club Nov. 7. After the business meeting, the International Relations Committee will present an illustrated talk by Mrs. Everett E. Kent. The hostesses for the morning will be Mrs. Harry W. Fitts and Miss Grace Weston.

Fall Fair to Be Held This Saturday

This Saturday, the First Methodist Church, Newton Upper Falls, will hold its annual Fall Fair at 2 p.m. sponsored by the Woman's Society of Christian Service. The decorations and costumes will be reminiscent of the "Gay Nineties." Mrs. Francis D. Taylor, wife of the pastor of the church, is general chairman.

The chairman of the various tables are as follows: food, Mrs. S. F. Oldfield; children's, Mrs. Hans Graf; housekeeping, Mrs. Mary Arbuckle; candy, Mrs. Marion Cedergren; plants, the Misses: Grace Hunt and Olive Duvall; grabs, Mrs. Robert B. Anderson Asks to Be Judged on His Record

Alderman Winfield C. Anderson, Chairman of the Franchises & Licenses Committee of the Newton Board of Aldermen and Alderman-at-Large from Ward 7, today announced that his reelection is assured based on his record of four years as an Alderman.

Mr. Anderson stated: "Newton is comprised of the most intelligent electorate in the Commonwealth and they will base their decision on November 6th on my record. I am certain they will not reject my four years of honest, conscientious service to them."

In June of this year, Anderson spearheaded a drive against that provision of the Adams Report recognizing that would allow so-called "Garden Type" apartments in Private Residence Districts; demanding that the character of the city not be changed by the intended new zoning.

Eventually, after a practically

unanimous disapproval was registered by hundreds of citizens, the construction of these apartments in Private Residence Districts was struck out of the Adams Report and the ordinance was passed allowing their construction only in General Residence Districts which was permissible under the old ordinance. In addition to other matters vitally important to the best interests of the city, Mr. Anderson has actively worked and helped secure Veterans Housing and an accelerated School Building Program.

Well known in the business world, Mr. Anderson is sole proprietor of Anderson & Co., an advertising agency with printing and publishing facilities at 156 Pearl street, Boston. His achievements in the advertising, editing and publishing fields have won him many awards. A resident and taxpayer of Newton for over twenty-five years, Mr. Anderson lives with his wife and 11 year old twins at 57 Elmwood road, Ward 7.

Toledo (SF) — Carborundum, an abrasive powder, is made from coke, silicon and boron.

Sally Drive Goes Over The Top Here

Latest results in the Salvation Army drive conducted here shows that Newton has secured 106 percent of its quota and has gone over the top.

However, the Greater Boston goal of \$525,000 is still far short. Many Newton citizens have not yet been called on due to lack of solicitors and this is particularly true in the Newton Corner section.

Residents are asked to leave any gifts for this fund at any of the Newton-Waltham Bank and Trust Company branches or mail them to Salvation Army Fund, 25 Chestnut street, West Newton.

Miss Anne McNeil, a student in the St. Bernard High School, was one of the 14 winners in the essay contest on "rural life" sponsored by the National Catholic Rural Life Conference in conjunction with the Sears-Roebuck Foundation which held its 29th annual convention at Hotel Bradford last week.

Village Fair to Be Held Sat., Nov. 3

Mrs. Francis D. Taylor is again acting as general chairman for the Village Fair to be held at the First Methodist Church, Newton Upper Falls, Saturday, November 3 at 2 p.m.

The Fair is held under the auspices of the W.S.C.S. of which Mrs. A. C. Stata is president. Decorations and costumes will represent the "Gay Nineties" and there will be the usual tables of various wares for sale. A turkey supper will be served at 6:30 p. m., and a gay nineties review will follow at 8 o'clock.

The entertainment will be presented by members of the choir and coached by Mr. George H. Ferran, one of its members.

Movie Screen

By LARRY SAVADOVE

There is a new trend in Hollywood which promises to put new talent on movie screens all over the country. If it continues as successfully as it started, the nations movie mecca will soon become the cinema capitol of the world.

Internationalism is the passport to all the big studios in California today. The dream and theme of producers has long been to recruit the fine European and Latin American talent that has sprung up since the last war and give them to the American public.

M-G-M's latest technicolor extravaganza, "Rich, Young, and Pretty," is in the vanguard of this movement. A lovely French femme, Danielle Darrieux, who admits she's 40 but looks and sings as if she's 20, plays with a new Latin lover, Fernando Lamas, from Argentina who learned his English in a month and his charm in Buenos Aires.

Another smart swerve in West Coast technique is the screening of stage hits from Broadway. Directors have found that good theatre makes good cinema. Top stars and top shows from the Great White Way are trekking West to give audiences the color and humor of New York's best.

Perhaps the funniest result now circulating is the marriage of an old Broadway star, Clifton Webb, with an old Broadway success, "Silver Whistle," called "Mr. Belvedere Rings the Bell," by Hollywood. Webb again proves he's the bestest and the fastest by knitting six inches of socks in five seconds and shaving clean in two strokes of the razor, as he brings pep and pathos to an old folks' home.

This column thinks that movies have at last decided to give the public sensible stories in place of pallid plots, and hopes that more of a good thing will be forthcoming.

Red Feather Residential Drive Gets Under Way This Sunday

A "kickoff" dinner in the Newton High School gymnasium last Thursday night signaled the opening of the 1951 Red Feather Campaign in this city. More than 600 volunteer workers and division leaders attended the dinner and heard Edward B. Hanify, general chairman of the Red Feather Campaign, describe the fund as "a vital function in restoring desperately needed old-fashioned American virtues."

Although the residential solicitation will not begin until this Sunday, the advance divisions have given Newton's \$320,000 campaign quota a sharp boost with many subscriptions through last night.

Mayor Lockwood read "A Red Feather Proclamation" which sets aside October 25 through November 15 as "Red Feather Time."

Harold Russell, double-amputee veteran of World War II, who won nationwide fame for his role in the Hollywood film "The Best Years of Our Lives," spoke of the valuable work being done by the USO and appealed to the people to show the servicemen they were solidly behind them by supporting the work the USO is doing.

Greetings were extended by Winslow H. Adams, president of the Newton Community Chest, and a singing commercial, written by a former Newton resident Mrs. Alice Valkenburg, to promote the Greater Boston Red Feather Campaign, was sung by Miss Aileen Van Arsdale, a featured radio singer.

Robert R. Walker, Newton campaign chairman, presided at the dinner meeting and the invocation was given by Louis E.

Ford, pastor of the Myrtle Baptist Church, West Newton.

The residential division has set this Sunday aside as "Newton Community Chest Sunday" and has asked all of its 1800 solicitors to begin their calls on that day. Residents have been asked to make a special effort to be at home.

Mayor Lockwood To Speak in Washington

Mayor Theodore R. Lockwood of Newton has received an invitation to discuss the Economic Problems of Municipal Government before the 1951 American Municipal Congress, December 11, Hotel Statler, Washington, D. C.

The present economic situation controls many of the activities of our municipalities and because many of our municipal problems lie in the economic field, the American Municipal Association considers this a most important session and somewhat of an innovation at an AMA conference.

Carl H. Chatters, executive director of American Municipal Association, with offices in Chicago and Washington, in his invitation to Mayor Lockwood stated: "The American Municipal Association is dedicated to discussion and decision of national municipal policy. VNA is designed to focus the power of municipalities on solution of crucial problems and the major municipal goals they have

Two Eagle Palm Awards Are Made

The first Norumbega Council Court of Honor of the season, held last Friday evening at the Weston Town Hall, was highlighted by the creation of two new Eagle Scouts, the presentation of two Eagle Palm awards, and the granting of the largest number of Star Awards in Council history.

One of the new Eagle Scouts is from Newton. He is Henry H. Gaffney, Jr., 17, a member of Explorer Post 21 and an honor student at Newton High School. The son of Mr. and the late Mrs. Henry H. Gaffney, Sr., he is secretary of the Order of the Arrow, a Nobscot Guide and a member of the Nobscot Fire Patrol. His father has been active in scouting for a number of years.

Receiving the Eagle Silver Palm Award was Malcolm Kling of Explorer Post 27. He is 17 years old and attained the rank of Eagle Scout in June, 1949, received the Eagle Bronze Palm award in February, 1950, and the Eagle Gold Palm Award in November, 1950. Kling is the first Norumbega Scout since February, 1950, to receive the Silver Palm, the highest advancement award in Scouting. Each Palm represents five Merit Badges earned in addition to the 21 Merit Badges required to qualify for Eagle Scout.

Russell Nahigian, 17, a member of Explorer Post 7, received the Eagle Bronze Palm Award. He attained Eagle rank in February, 1951.

A special award went to nine boys who have passed successfully the Scout Life Guard requirements, including the following Newton Scouts: Peter Sockol and Robert Hohman of Troop 4B; Henry Magendanz of Explorer Post 4, and Daniel DeGeorge of Explorer Post 27.

Other advancement awards to Newton boys went to seven Life Scouts, 24 Star Scouts, 10 First Class Scouts and 18 Second Class Scouts. These were:

Life Scouts: Edwin Cruise and David Lewis of Troop 4B; John Parkinson, Jr., of Troop 10; William Wills of Troop 14; Paul Sanroma of Explorer Post 21; Richard Herman of Troop 25, and George Hellerman of Troop 11. Star Scouts: Thomas Newton, Michael Shea and Worthing West Jr., of Troop 5; Michael Vassalotti of Troop 27; Kenneth Stevens of Troop 4A; Robert Cedergren, Richard Rosbeck and Maxwell Wills of Troop 14; Louis Schell of Troop 25; Carl Nelson, Jr., of Troop 6; Robert David, Arnold Fales, Fred Grady III, Robert Hill, Richard Reynolds, and John Roth of Troop 16; Richard Marquis, Arthur Menard and Wallace Palmer of Troop 100; Philip Gleason of Troop 11; Edson deCastro and James Priest of Troop 7; Jack Farrington of Explorer Post 7, and Lance Clarke of Troop 7C.

First Class Scouts: Carl Bradford and George Geller of Troop 9; Harris Funkenstein and James Mitchell of Troop 10; Paul Deutsch of Troop 17; Neil Duffy of Troop 21, and Donald Berig, Rodney Doll, Richard Katz and Thomas Kelly of Troop 16.

Second Class Scouts: Stephen Picone and Wayne Brown of Troop 4B; Steven Burg, Peter Fottler, Peter Kelly, Robert Sade and Jerry Wyman of Troop 9; Clyde Powell and Donald Wills of Troop 14, and Robert Coakley, John Dwyer, Harold Green, Agnis Kalmaj, Alan Lockwood, David Martin, Richard Pierce, David Ramsden and Frank Wrye of Troop 43.

AT NORUMBEGA COUNCIL COURT OF HONOR. Newton's newest Eagle Scout is shown being congratulated by the Eagle Palm Award winners. Left to right: Henry Gaffney, Jr., Malcolm Kling and Russell Nahigian. (Photo by W. B. Hay).

Several Hundred Women Launch World Peace Crusade

Several hundred women in Newton joined in launching a nationwide crusade for lasting world peace at a city-wide observance of World Community Day Monday when the Newton Federation of Women's Clubs and the Newton Council of Church Women jointly sponsored a unique program of fellowship at the Second Congregational Church, Highland Street, West Newton.

Dr. Merrill E. Bush, director of the department of adult education and social relations of the American Unitarian Association was the main speaker at the afternoon program beginning at 2 o'clock.

A luncheon at 12:45, opened the program, at which headtable guests included the Rev. Robert Clyde Yarbrough, minister of the host church; Mrs. Emil M. Hartl, president of the Massachusetts Council of Church Women; Mrs. Lewis C. Stephens, president of the State Federation of Women's Clubs; Mrs. Anthony T. Jauregui, president, Newton Council of Church Women; Mrs. Louis F. Billings, president, Newton Federation of Women's Clubs; and Mrs. Allan Knight Chalmers, formerly president of the Massachusetts Council of Church Women.

All women were asked to pledge themselves to daily prayer for peace and a promise to "live democracy in our home-town everyday." This crusade was sponsored by the United Church Women of the National Council of Churches of Christ in the U. S. A. A feature of the Newton program was the sending of a new consignment of clothing for distribution to refugee children overseas. The Newton Council of Church Women last year sent 266 pounds of clothing and supplies to the Berlin Orphanage, which cares for

more than 100 children, most of whom have tuberculosis. Mrs. Jauregui stated that a recent survey found that Berlin children are more undernourished than children anywhere else in the world. The project was started three years ago under the inspiration of Mrs. Herbert Gezork, wife of the president of the Andover Newton Theological Seminary at Newton Centre.

The boards of the two organizations met separately at 12 noon and previous to the afternoon program, an organ recital was presented by Mrs. Hamilton Gifford.

Participating in the program were members of 12 clubs of the Newton Federation of Women's Clubs and 23 churches in the Newton Council of Church Women.

The committee comprised Mrs. Jauregui, Mrs. Billings, Mrs. Charles E. Gibson and Mrs. Willard F. Richards, both of Fairfax street, West Newton; Mrs. Francis L. Searway of Dickerman road, Newton Highlands; and Mrs. Frank Jennings, also of Fairfax street, West Newton.

Children's Work To Be Exhibited

An Art Week will be observed Nov. 1 through 7 by the General Federation of Women's Clubs who sponsor young artists.

The Art work of the children at the Memorial School in Oak Hill Park will be on exhibit in store windows at Newton Centre. The exhibit is under the sponsorship of the Fine Arts Committee of the Oak Hill Park Women's Club.

Lewis M. Huxtable, George B. Dodge, Jr., and John B. Ristuccia have enrolled at the University of Maine.

Civil Defense Setup Meets 'Alert' with Good Results

There was a two hour and nineteen minute air raid "alert" for Newton and eight cities and towns for which the Newton civil defense setup is responsible last Thursday night, although only 500 persons knew that an "alert" was in effect. No audible signals were sounded for the test

which resulted from an imaginary bomb being dropped on the Bethlehem Ship Yards in Fore River early last night.

The "alert" was sounded at 7:01 and by a chain telephone system, the Civil Defense Control center, relayed it to Waltham, Watertown, Weston, Wellesley, Dover, Brookline and Needham. At all times Newton maintained contact between the region and the cities in the sector.

Mr. William H. Baxter, Newton Civil Defense executive director, relayed the signal to Waltham by short wave radio and police teletype, pointing out that several channels of communication must be kept open in the event that one should fail.

The Newton test affected radiological monitoring, auxiliary police, who have official police duties in an emergency, and communication setups in the basic departments. Nine minutes after the alert, at 7:10 Mr. Baxter's alert had been spread to the top informants: fire, police, Chief Warden Col. Arthur Hill, Newton-Wellesley Hospital, civilian aid, engineering, schools, transportation and evacuation. Mr. Baxter, commenting on the alert, which ended at 9:20, said: "It was a good test—the beginning of what we have to eventually accomplish, and it gave all of us the realization of what we will be called upon to do in the event of an actual attack."

DOGS BATH CLUB

You and your four-footed friend(s) are invited to avail yourselves of its many facilities. Miss Saina Nikola is accepting reservations for grooming Poodles and turning them out in Show, Royal Dutch or Working Clip. Tractable members of any BREED will be put down in the best tradition.

There is an interesting collection of collars, leads, blankets and other accessories, as well as Horsemeat, Biscuit and Candy.

Sen. Lee Blames Democrats for Lengthy Session

In a statement issued this week, Senator Richard H. Lee in speaking of the lengthy session of the Legislature scored the Democratic party for the delay and stated that "the Democratic House is the one which has failed to propose sufficient revenue bills and the Republican Senate has no authority to act until they have been adopted by the House."

In his statement, Senator Lee said:

"Governor Dever issued a blast at the legislature last week. He said that the session 'has been a waste of time and money.' It is an instance of the pot calling the kettle black. The funny thing about it is that the Governor asked the legislature to increase expenditures even more. In his message last January he asked for authority to spend 271 million dollars. The legislature reduced that to 256 million. It would appear that the legislature is not nearly so 'profligate' as the Governor."

Ban Parallel Parking on Centre Street

As predicted exclusively in The Graphic a few weeks ago, angle parking on Centre street, near Centre avenue, at Newton Corner, was banned by the Board of Aldermen at its meeting Monday night.

Chairman Edward A. Fahey of the Street Traffic Committee stated that with the completion of the new off-street parking area on Richardson street, it was possible to ban angle parking on Centre street.

The amendment to the Traffic Regulation provides for parallel parking on Centre street and rescinds the order permitting angle parking there.

Since the opening of the large and well arranged off-street parking area between Centre avenue and Richardson street, many motorists have made use of its facilities and there has been a noticeable improvement in the parking situation. The decision to permit only parallel parking on Centre street, will remove much of the hazard which has existed there due to angle parking and should permit a freer flow of traffic.

The 26 member churches of the Newton Church Council and several cooperating churches are sponsoring on Sunday, November 18, the 10th annual Newton United Church Canvass.

Chairman William A. Jackson, when interviewed, said that he would like to call on all the member churches whose schedule permits to commemorate the 10th anniversary of the canvass by holding their canvass on November 18. He said that he was confident that the United Canvass would be more than ever successful this year, both in the total amount of money pledged and in the values that come from participating in a cooperative Christian effort.

Edmund S. Whitten, president of the council, wishes to remind readers that the first organized United Church Canvass in any city in the United States was held in Newton, Sunday, November 30, 1941. The idea spread almost instantly and within a year the plans and materials developed by the Newton Committee were being used in many cities and towns throughout the country. Rapidly the movement became national wide. Today the National Council of Churches of Christ in America sponsors throughout the entire month of November both publication and radio programs which form a strong back.

Seek Recruit Talent For Hospital Show

Talent is being actively recruited for the musical revue "Insomniacs," to be presented at Newton High School, December 5, 6, and 7, under the auspices of the Newton-Wellesley Hospital Aid Association.

Tryouts are being held tonight (Thursday) and tomorrow night (Friday) at the Williams School, 140 Grove street, Auburndale, at 7 o'clock. Anyone possessing musical, dancing or dramatic ability, is urged to try-out the revue. Those who are not able to attend tryouts may contact Mrs. James C. Munro at Wellesley 5-1883-W.

The revue is being put on as the annual fund-raising activity of the hospital aid and money raised will be used to benefit the hospital.

Landy Chosen For Manpower Panel Group

Edward Landy, director of the Division of Counseling Services of the Newton Public Schools, has been chosen to participate with 60 other nationally prominent educators, industrialists and government manpower experts in discussions Nov. 12 and 13.

These discussions will be held at Thomas A. Edison's former home, Glenmont, Llewellyn Park, West Orange, N. J., on the subject of "The Dependence of Western Civilization on American Industry and the Critical Shortage of Engineers and Scientists."

Sunday Laws to Be In Effect Here Next Monday

According to the Newton Chamber of Commerce, Sunday Laws will apply to all business establishments Monday, November 12, and no store or other establishment, with some few exceptions, are permitted to open for business prior to 1 p.m.

Due to the fact that November 11, Armistice Day, falls on Sunday this year, there has been some misunderstanding.

However, Armistice Day will be observed next Monday and consequently Sunday Laws will apply.

Personal Tax Bills to Drop Here Next Year

A total of about 12,000 residents will receive personal property tax bills this week totaling \$826,000, it has been reported by City Assessor John D. Wright. Personal property valuations here increased from \$20,443,200 in 1950, to \$21,510,600 this year. Mr. Wright announced.

Mrs. Oncley Wins Spot on School Com.

Mayor Theodore R. Lockwood scored an overwhelming victory at the city election Tuesday, when he received 12,543 votes to only 3,623 votes for his opponent Walter A. Hodgdon. It was apparent from the early returns that Mayor Lockwood would experience no difficulty in winning re-election for a third term.

But for interest, the contest for School Committee member in Ward 2 far surpassed all others and when the final tabulation was made, Mrs. Genevieve R. Oncley was found to be the winner with a total vote of 7,554 to 5,828 votes for her opponent, James J. Cahill. This contest was nip and tuck all the way up until the last twelve precinct votes were tabulated and from that time on, Mrs. Oncley pulled away from her opponent with plenty to spare.

The vote cast Tuesday was one of the lightest ever experienced here at a city election. Out of a total registration of 41,416 only 16,553 votes were cast, or a little less than 40 percent of the total. In the contests for aldermen-at-large William R. Mattson and Arthur S. Scipione were re-elected over Gordon L. Hawes, in the Ward 2 contest.

In Ward 3, Ernest G. Angevine and Kenneth E. Prior were likewise returned to office defeating Francis M. Morris.

In Ward 5, where five candidates sought the two places, Wendell R. Bauckman, and Edwin A. Terkelson were re-elected over Alice M. Walters, Edwin F. Osborne and Neil J. McCallion in that order.

In the Ward 4 contest, Aldermen W. Stoddard Bigelow and Earle D. Wood ended up with only 1 vote separating them. Wood receiving 10,711 votes to 10,710 votes for Bigelow.

Aldermen John B. Osborn and Stanton J. TenBroeck Jr., were re-elected over George Peters and Mrs. Helen L. Ring.

Ward 7 proved an interesting contest and when the ballots

Mayor in Tribute To Halloween Party Workers

Mayor Theodore R. Lockwood issued his annual statement on the Halloween parties in Newton this week, paying tribute to the many citizens who gave their time to the preparation and operation of these successful affairs. He said:

"The outstanding success of Newton's Halloween parties, this year as for the 11 years preceding, is due to the truly great cooperative effort of the Recreation Department, the schools, and the separate committees of parents in each school district. In the face of such a concerted volunteer effort which includes literally thousands of individuals working with the established enthusiasm and sincerity of Newton citizens contributing to Newton's well-being how could the Halloween parties be anything other than a huge success?"

"Speaking as mayor of Newton on behalf of the city, I can only repeat what I have said in years past, that our Halloween parties are a tribute to Newton as a whole, and particularly to the men and women of every race, creed, and color whose earnest and self-sacrificing efforts make them possible."

WHEEL CHAIR donated by Newton Junior Red Cross is put to use at the new Peirce School in West Newton.

Purchase of a wheel chair for the use of school children in Newton is the first project this year of the Newton Junior Red Cross in its program of Service to Others.

The need for such a chair, to be made available to school children who might be temporarily or permanently handicapped, was discussed by the Elementary, Junior High, and High School Councils of the Junior Red Cross last year.

All agreed the purchase of a chair exemplified the spirit of Service to Others, which is the motto of the Junior Red Cross, and would be an appropriate expenditure of the funds collected through their enrollment drive. Miss Ruth Maynard, Division of Counseling Services of the Newton Schools; Carolyn Jones, president of the Junior Red Cross High School Council; and Mrs. Riley J. Hampton, director of the Junior Red Cross, looked at many chairs at medical supply houses in Boston before selecting the one shown in

If You Own Property Jointly with Another

Where husband and wife or any two or more persons hold property in certain forms of joint ownership, they get the benefit of attractive legal and practical advantages.

Yet, taxwise, joint ownership may be costly. The death of one joint owner may force the survivor to pay heavy estate tax assessments or capital gains taxes. The creation of joint ownership sometimes involves a Federal gift tax.

If you have entered into joint ownership without finding out what tax liabilities might result, check with your lawyer now. Joint ownership may be advantageous for you; on the other hand it may be costly. Your lawyer can tell you.

Waban Neighborhood Club to Present Comedy Nov. 15, 16 and 17

The Drama Committee of the Waban Neighborhood Club is busily at work rehearsing the comedy in three acts, "Spring Again" by Isabel Leighton and Bertram Block, which it will present on the evenings of November 15, 16 and 17.

Described by the New York Mirror in its original run as "One of the pleasantest evenings of the season. Our sides ache yet from laughing. 'Spring Again' is a delight, a gay, glossy, amusing elixir for problem-burdened playgoers," this presentation promises to be equally hilarious.

The play concerns itself with one Halstead Carter, an old codger who has spent his life unveiling statues of his father, a Civil War general. Carter's wife Nell, who has put up with this hero worship all her married life, finally takes matters in her own hands in an effort to free herself and her family from this slavery. How she does it makes for a rewarding evening.

Playing the part of the cantankerous Carter is Mr. Eugene E. Little; that of his ever-loving wife is well portrayed by Mrs. George M. Belcher. Other Wabanites included in the cast are Mrs. Edward S. Culver, Mrs. George

W. Gibson, Mr. Calvin A. Hill, Mr. Scott Foster, Mrs. Darwin R. Neumeister, Mr. Daniel P. Shedd, Mr. Jay Clark, 3rd, Mr. William M. Sanderson, Mr. Stanley R. Anderson, Mr. Philip K. Brown, Mr. Paul Wiggins, Mr. Howard E. Dupee, Jr., and Mr. Richard Morgan.

Assisting behind the scenes are: Mr. George Glendinning directing; Mr. Kenneth Nugent who is stage manager; Mr. and Mrs. Ralph Farnham in charge of tickets; Mrs. William Raye, Jr., Mrs. Charles E. Burt, Mrs. Harry S. Cleverley and Mrs. Jay Clark, 3rd, are handling properties; Mrs. Barbara Codman is directing make-up; costumes are under the supervision of Mrs. William Sanderson and Mrs. Kenneth Nugent; Mr. Charles E. Burt is the electrician; and Mr. Edward Culver is handling set construction.

Newton Centre

The Rev. Gabriel Rochberg has purchased the brick colonial residence, located at the corner of Ward and Garrison streets. Mrs. Lina G. Brenner was the grantor and William Segal was the realtor.

Miss Marie J. DiSabato, daughter of Mr. and Mrs. Nicola N. DiSabato of 5 Locksley road, and Vito A. Bracciale, son of Mr. and Mrs. Rocco Bracciale of Worcester, were married in Sacred Heart Church, Saturday. A reception followed at Hotel Somerset, Boston.

Prof. A. E. Bailey, educator, author, lecturer, world traveler and religious leader died, Oct. 31, at his home, 21 Saxon road, Worcester. He lived in the Newtons for 24 years and was leader of an adult Bible class at the First Church in Newton. He is survived by three daughters, four sons, and four sisters.

To Hold Annual House Party

The Guild of St. Francis of Newton Centre will sponsor its annual House Party Night, an evening of bridge, canasta or television at the homes of members Tuesday, November 13. Mrs. Walter Piotti is chairman, and reservations may be made with her or with Mrs. James W. Boggs, Mrs. William F. Bradford or Mrs. Thomas P. Nihan.

Among the members serving as hostesses will be Mesdames Thomas Donnelly, Mario di Carlo, Anthony Ascolese, Edward A. Miller, Oliver Sullivan, Emile Pavent, Brendan Whittaker, Donald MacMillan, John C. Horgan, Frank Boni, Patrick Lentino, Charles L. MacMinn, John W. Blakeney, Harry Braganti, James W. Boggs, John M. Walker, John F. Shea, William F. Bradford, Francis Angino, Thomas P. Duffy, and J. Ralph Stuart.

Auxiliary Police On Duty Halloween

During Halloween night, 75 Auxiliary Civil Defense policemen augmented the regular force of Newton police and were on duty from 7 p. m. to 11 p. m. They were stationed throughout various sections of the city and did much to aid the regular police officials in keeping mischievousness to a minimum.

Dr. W. W. Marston Is Named to Falmouth Position

Dr. Warren W. Marston, 148 Church street, Newton, has accepted the position of Health Officer at Falmouth, Mass., effective November 19.

Dr. Marston wishes to take this opportunity to express his appreciation for the patronage and loyalty of his many patients.

Jackson Chapter to Hold Rummage Sale

Lucy Jackson Chapter, D.A.R., will hold a rummage sale of men's, women's, children's clothing and household articles at the Chapter House, corner of Washington and Concord streets, Newton Lower Falls, November 15 beginning at 10 o'clock.

Articles for sale on that day will be received on the 14th or at the regular meeting on the previous Monday, the 12th of November.

Farrand - Young Nuptials Held in Rockland

A simple impressive wedding ceremony joined Miss Mary Julia Farrand of Rockland, Maine and Mr. Richard Brooks Young of Newtonville, in the Emanuel Universalist Church of Rockland, Sunday afternoon, October 21, at two o'clock.

It was an attractive and distinctive service, the Rev. Louis Walker officiating. Miss Farrand is the daughter of Mr. and Mrs. Donald H. Farrand of Talbot avenue, Rockland. Mr. Young is the son of Mr. and Mrs. Henry B. Young of Walker street, Newtonville. From high school, he went directly into the service, being a proud member of the famous Second Division of the Army. Three years out of the service now, he is connected with the John Hood Dental Company of Boston, a firm founded by a maternal grand-uncle.

From high school, Mrs. Young pursued studies leading to graduation with honors from the Boston School of Dental Nursing.

The bride was becomingly gowned in ivory satin with sweeping train. Her fingertip veil was caught to a cap of seed pearls. White roses and stephanotis were her flowers. Miss Janice Shelley of Boston was the maid-of-honor, and for bridesmaids, Miss Farrand had chosen Mrs. David Farrand of Akron, Ohio, and Mrs. Paul Rackliffe of Lynn, Mass.

Mr. Donald Blakeman of Newtonville was Mr. Young's best man; and Mr. David Farrand of Akron, Ohio, and Mr. Kenneth Mignault of Rockland, Maine, were ushers.

A reception in the church vestry followed the ceremony.

The young couple enjoyed a honeymoon journey to Canada where they visited many points of interest. On the conclusion of their tour, they will return to Newton where they will make their home at 20 Hillside road, Newton Highlands.

Club Members to Visit Museum Nov. 13

Next Tuesday, club members and friends of the Woman's Club of Newton Highlands will meet at the Museum of Fine Arts in Boston to hear a lecture on the Vienna Treasures recently on display at the Museum on loan by the Austrian Government.

Members of the Club and their guests will be welcome to the lecture at a nominal fee, and will then tour the galleries to see the remarkable exhibition. The illustrated lecture by one of the regular Museum staff will begin promptly at ten o'clock, and the guided tour of the Museum will follow.

This is an unusual opportunity for local club women to see the exhibit under ideal conditions, and to hear in more detail about it from an experienced lecturer.

Auburndale Church Fair November 10

Cornucopia, the Horn of Plenty, will be the keynote of the Harvest Festival of the Auburndale Congregational Church Saturday, November 10th, from 10 a. m. until 10 p. m.

The traditional Bean Supper at 6:30 p. m. will top off a gala day of displays of choice materials made and assembled by parish ladies for sale to pre-Christmas shopper and a round of pony rides, grab bags, movies, and a fish pond for the children.

Tables heaped high with candy, children's toys, Christmas arts and crafts, dolls' aprons, and food will be completely cleared in the evening by an auction of what has not been sold.

The auctioneer will be Auburndale's inimitable Edwiz C. "Okie" Harkins. The youthful jockies will pony-ride under the supervision of ring-master John Crosby. A Snack-Bar will be featured at noon.

Mrs. William A. Medlicott, general chairman for the Fair, has on her committee Mrs. Raymond Perkins, Mrs. Drew Flegal, Mrs. Frederick Ferris, Mrs. Ella Lamont, Mrs. Edward McLoof, Mrs. Paul Emerson, Mrs. James Ufford, Mrs. Jacques Yates, Mrs. Charles Bulter, Mrs. Malcolm Floyd, Mrs. Harold Carnes, Mrs. C. The first meeting of the Music Club was held Thursday, October 25. A student concert was presented and the following club officers were elected: Jack Bresnahan, president; David Jenney, vice-president; Judy Hulsman and Pamela Cook, corresponding secretaries; Connie Brown, treasurer.

Mr. Lasker, advisor for the club, announced that November 29 the Music Club will present its first guest celebrity, Mischa Tulin, authority and pioneer on the electronic instrument, the theremin.

Lincoln-Eliot PTA To Meet Nov. 15

The next regular meeting of the Lincoln-Eliot Parent Teachers Association will be held Thursday evening, November 15, at the Lincoln-Eliot School, Pearl street, Newton.

Highlighting the program for this meeting will be open house. Parents are invited to visit the students' work displayed on the desks for their review. The teachers of all grades will be in their classrooms to welcome the parents.

Also on the program for this meeting will be a presentation by Miss Anna Ryan, fifth grade teacher, of "Living Portraits." This will be a series of tableaux by the fifth and sixth grade students depicting famous characters.

Refreshments will be served by Mrs. Phyllis Fiermonte and Mrs. Eleanor Kempainen with the assistance of the sixth grade mothers.

The Newell Club is sponsoring a bridge party at Mt. Ida Junior College, 777 Dedham street, tomorrow afternoon at two o'clock for the benefit of the New England Peabody Home for Crippled Children. Mrs. Thomas V. Cleveland is general chairman. Assisting her are Mrs. Oswald F. Banks of Wellesley Hills, Mrs. Donald L. Gibbs, Mrs. Ernest J. McKenna, Miss Barbara Estabrook, Mrs. J. Richard Campbell, Mrs. Henry R. Condon and Mrs. Edwin P. Leonard, Jr.

John M. Cummings of Newton Centre is one of the group of students of the School of Hotel Administration at Cornell University who is attending the National Hotel Exposition in New York City this week.

Miss Dorothy Parritz, daughter of Mr. and Mrs. Reuben Parritz of 23 Ashcroft rd. Newton Centre, has been chosen for the cast of the Simmons College junior play, "Idols." A Junior in the School of Business, Miss Parritz is a member of the Outing Club and the Business Club.

After a simple church service uniting Miss Lorraine Bean of Auburndale and Mr. Harry Hayes of Brighton, a reception followed at the home of the bride's parents, Mr. and Mrs. Homer G. Bean of Melrose street, Auburndale.

The young couple's families gathered to wish them well, and to enjoy the dainty refreshments served by Mrs. Bean and her devoted friend, Mrs. Lawrence Farnham of Newtonville. The bride cut a beautiful two-tiered bride's cake, serving a generous piece to each guest.

A family friend took numerous flash pictures of groups of the family, of which everyone is most interested in how those of the bride and groom develop.

A brief trip to New Hampshire will constitute the honeymoon journey at this time.

Mrs. Hayes is a graduate of Middlebury College, Vermont, and at present is a member of the Newton-Waltham Tribune editorial staff.

Mr. Hayes served three years with the Naval Air Corps of World War II, is a graduate of Brewster Academy, and is connected with the Transducer Corp. of Boston.

Some Republicans Feel Eisenhower Will Run Whittier Has Strong Backing for Governor

General Eisenhower hasn't done much yet to clear up the puzzlement as to whether he will or will not become a candidate for President. If anything, he has added to the confusion concerning his status.

Some political observers, on studying the answers given by Eisenhower to the questions put to him, believe that he will decline to allow his name to be placed before next year's Republican national convention and that when the time comes he will declare himself out of the fight.

They think that the reason Eisenhower declined to say he will not become a candidate was that by doing so he would weaken his prestige with the European nations and lessen the effectiveness of his work in re-arming Europe.

Other political pundits point out that it would be rather poor taste for Eisenhower to make any pronouncement of his willingness to run while serving in a military capacity and home for a conference with the President.

You can take your choice between those two schools of political thought. Our own observation is that sound and substantial Republicans of the stature of Senator Henry Cabot Lodge, Jr., and Congressman Christian A. Herter would not go out on a limb for Eisenhower unless they had good reason to believe he is willing to become a Presidential candidate.

It is reasonable to assume that one of the reasons Mr. Truman called General Eisenhower home to Washington for a conference was to ascertain how long he intends to serve as Supreme Commander.

One thing that has been somewhat overlooked in the discussion of General Eisenhower as a Presidential possibility is that it will be no simple matter to replace him as Supreme Commander of the N.A.T.O.

Not only was he the unanimous choice of the United Nations, which might not agree on any other military figure, but his name has a ring of confidence with the people of Europe, for he was the man who directed the invasion of Europe and who cracked the vaunted military might.

It could be that, aside from the important military considerations involved, General Eisenhower is waiting to learn whether President Truman himself will be a candidate for reelection before announcing his political decision.

Possibly, of course, Truman and Eisenhower already know each other's plans. Relations between the two are a good deal closer than many persons realize, and it is known that they have engaged in personal, hand-written correspondence.

Temple Emanuel Program To Begin November 11

Continuing the "University of Life" program so successfully inaugurated last year, the youth of Newton, 15-19 years of age, are invited to participate in the program of fellowship, recreation and informal learning which will commence on Sunday, November 11, in the vestry of the Temple, beginning at 4:30 p.m.

The program, directed by Mr. Arnold J. Borofsky, executive director of the Nantasket Youth Center, with the assistance of Dr. Albert J. Gordon, rabbi, and Dr. Martin Goldstein, educational director of the Temple, will provide an opportunity for sociability and will feature an orchestra as part of its opening affair. Following the social hour, a tasty Sunday evening supper will be served. Thereafter the young people will be offered an opportunity to participate in one of several Interest Groups which include a Workshop in the Arts and Choral Speaking. Instructors in these groups will be Miss Ora Gorovitz, E. T. Hickman, chairman of the director of the New England Zionist Youth Commission Dance Group; Mr. Sam A. Midman, specialist in arts and crafts; Mrs. Helen D. Nelson, dramatic specialist; and Miss Frances Crowley, assistant professor of speech, Emerson College, choral speaking.

Eisenhower might well be reluctant to run against Truman. The General is first and foremost a military man. The problem that probably stands out above all others in his mind is the defense of Europe against the threat of Soviet aggression. His views coincide more closely with those of President Truman than with the thinking of Senator Robert A. Taft.

Don't be too surprised if, when the big developments come on the Presidential front, you find that not only is Eisenhower entering the race but that Truman is leaving it. The President has intimated, at least indirectly, that he may turn over his troubles and worries to someone else. His greatest worry is in the field of international politics, and the man to whom he might intend to hand it could be Dwight D. Eisenhower.

Now that the city elections have been written into the records, Republican leaders will soon begin making their plans for the 1952 State and national election.

Here in Massachusetts the G. O. P. strategists are going to have to fashion their ticket without benefit of the State convention they wanted to hold.

They may still hold an informal convention and perhaps endorse a slate, but without the election of delegates by the party members the conclave will not carry too much weight.

Right now the man being most talked about as the possible Republican nominee for Governor is State Senator Sumner G. Whittier of Everett.

A number of the men who produce the money that keep the G.O.P. party wheels turning think that Whittier might be the strongest candidate their party could match against Governor Dever.

One problem that is troubling them, however, is the possibility that Laurence Curtis may insist on running for the Republican gubernatorial nomination, and there is some doubt whether Whittier could defeat Curtis in a primary.

As a matter of fact, there aren't too many Republicans in Massachusetts who could top Curtis in a party fight for nomination.

When Mrs. Joseph Devlin of Chicago complained in court that her husband had their telephone removed because their daughter was always using it, Judge George G. Fisher ordered it re-installed. "The telephone is an American institution," said he. "Parents should not object to children using the phone. It keeps them happy, at home, and out of trouble."

John Harding was excused from jury duty in Syracuse, N. Y., after it was learned that the plaintiff in the accident damage case to be heard was his daughter and that the defendant was his wife.

Shirley Puschel, a payroll clerk at an automobile parts plant in Hartford, Mich., admitted that she had been boosting the figures on her husband's pay checks.

Irvine Hawley, 28, confessed to police in Hutchinson, Kans., that he had been stealing from 21 shops that had taken out burglary insurance from him. Maybe he was just trying to impress them with the value of his insurance.

When parents in Bridgeport, Ohio, complained that members of the high school football team were undergoing too strenuous training, Coach Al Blatnick had them start playing drop the handkerchief.

Tax collectors in Indianapolis were startled to receive a social security form for domestic servants containing the notation: "No taxes due as I married the hired girl."

Richard Starkweather, 19, of St. Paul, Minn., managed to avoid injury when he fainted at the wheel of his automobile and came to a stop against a curb but then fell out onto the pavement when a rescuer opened the door and had to be rushed to a hospital for treatment of a head injury.

After being divorced from each other for 46 years and after living 44 years within two blocks of each other without speaking, Loran A. Clark, 69, and Alice Clark, 67, were remarried. At least they took plenty of time to think it over.

Rummage Sale to Be Held Tomorrow

A rummage sale will be conducted at the Newtonville Methodist Church Friday, November 9, from 9 a.m. to 9 p.m. by Group VI of the Woman's Society of Christian Service. Working on the sale are Mrs. Arthur Gregorian, Mrs. Harold DeWolf, Mrs. Zenas Egan, Mrs. Albert Gray, Mrs. Edward Heckman, Mrs. Elbert Miller, Mrs. David Morris, Mrs. Alexander Munro, Mrs. John Rambeau, Mrs. Edward Raphael, Mrs. Robert Huston, Mrs. Theodore Koch, Mrs. Earl Loew, Miss Alice Lizotte, Mrs. Raymond Stoddard, Mrs. Walter Johnston, Mrs. Gerald Hudson, Mrs. Mary Curran and Mrs. William Mark.

Fifth grade students of the John Ward School in Newton Centre recently enjoyed a visit to the Museum of Science and were accompanied by their teacher, Miss Catherine Taber. Those who made the trip included: Michael Altman, Barry Berlin, Brenda Berman, Marlene Bostwick, Alan Deutsch, Richard Fassler, Joel Feldstein, Priscilla Fox, Melvyn Gilman, Roger Gilman, Richard Greenfield, Jason Kessel, Richard Levenson, Fay Lichtenstein, Harvey Pearlman, Barbara Roberts, Gene Samberg, Philip Sandler, Nancy Seltzer, Stephen Shain, William Sklar, William Sternfeld and Susan Wise.

Program to Start Sun. at Temple

The inauguration of the second year of the University of Life fellowship programs at Temple Emanuel, Newton for young people of high school and college age will begin this Sunday afternoon, at 4:30 o'clock. It was announced by Rabbi Albert I. Gordon.

The University of Life program presents twenty weeks of fun, fellowship and learning to young people. The project is planned to help Jewish youth fulfill their goal of a more meaningful life as an American and as a Jew.

The weekly activities begin with a one and one-half hour social period of dancing, partying and real fellowship. These programs are planned and carried out by the youth themselves. These social periods will feature band dances such as the opening program on November 11. Holiday celebrations, entertainment, quiz programs and folk dancing.

A tasty Sunday evening supper will be served. At the conclusion of the supper period, outstanding personalities will offer brief talks on topics of interest to youth. The talks will be followed by question periods.

The final hour will be devoted to interest groups. Young people will enroll in either Choral Speaking or Workshop in the Arts. Choral Speaking will afford an opportunity to learn the fascinating technique of speaking in chorus. Workshop in the Arts will present an opportunity to know and understand Judaism by active participation in the Arts. The workshop will present instruction in Israeli, Folk, and Ballroom Dancing, Arts and Crafts, and Creative Dramatics.

An invitation is extended to all young people of high school and college age to join with their friends and schoolmates in the University of Life programs. At the first program election of officers to plan future activities will be held.

Supervision of the University of Life programs will be by Dr. Albert I. Gordon, Rabbi, Temple Emanuel; Dr. Martin Goldstein, Educational Director; and Mr. Arnold J. Borofsky, teacher, youth worker, and Executive Director of the Nantasket Youth Center, who will direct the activities.

Miss Frances Crowley, assistant professor of Speech at Emerson College will serve as Choral Speaking Leader. Mrs. Helen Dennison, former senior leader in Creative Dramatics at Boston University School of Social Work will act as Creative Dramatics Instructor. Arts and Crafts will be led by Mr. Dom. A. Midman, arts and crafts specialist for youth groups and camps. Miss Ora Gorovitz, a native Israeli, will instruct in dancing.

The Planning committee of youth, representing the Temple, Temple Emanuel's High School Youth Club, are as follows: Robert Adolph, Nancy Alperin, Nathan Ampe, Elaine Furman, Judith Gordon, Robert Manis, Abe Robinson, Cynthia Snyder, and Alice Umac.

Day Junior H. S.

Sports—Room 9 remains undefeated in the 7th intramurals, having defeated Room 19 by a score of 20-18. Room 24 defeated Room 10.

Staff Elections—The new Student Council officers are as follows: Barry Bloom, President; Donald Bingham, Vice President; Lucile Martel, Secretary. Ninth Grade class officers have made an urgent appeal to boys and girls to educate their parents on the importance of voting where such education is necessary. On Thursday, the committee sent home a bulletin entitled "One Moment Please; This is Urgent." The bulletin stressed the privilege of the vote and contained a pledge for each parent to sign. This procedure is a part of the program initiated by Weeks Junior High School, "Get Out and Vote." Tuesday, November 6th is the day.

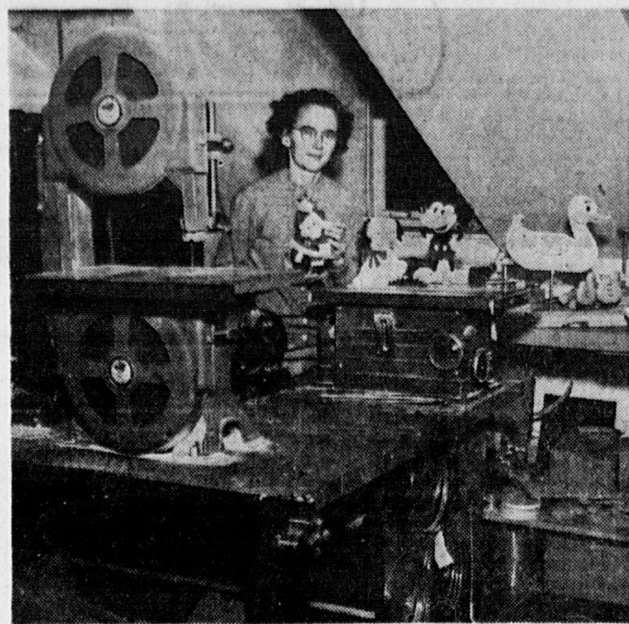

Assembly—Charles Bilezikian, President of the 9th grade, presided as chairman at the assembly on November 1st. In his introductory remarks, he outlined the privileges we, as Americans, enjoy. He linked the duties of citizenship to the privilege of the vote. F. A. Day practices democracy in action by electing student staffs to carry on the official duties of the school. Barry Bloom, President of the Student Council, introduced Miss Peoples who administered the oath of office and presented certificates of membership. Mr. Morse, captain of the good ship F. A. Day, was our induction day speaker.

Miss Helen E. Reardon, daughter of Mr. and Mrs. Francis J. Reardon of 182 Tremont street, Newton, was among those who received diplomas at the 1951 graduating exercises of the Household Nursing Association School of Attendant Nursing last Saturday.

Miss Ruth M. Twiss of Newton High School is a member of the New England High School Commercial Teachers Association which held its forty-ninth annual convention on the campus of Babson Institute of Business Administration, Wellesley, last Saturday.

Spotlight on the Newtons

By RALPH AND TUNNI COOLIDGE

MISS ELINOR "BUCKY" BABBITT, in her workshop, with some of her wood work. (Photo by Ralph S. Coolidge)

Miss Elinor "Bucky" Babbitt, is probably the most prolific "handy man" in the Newtons. She is one of the few women who have successfully invaded man's field of craftsmanship.

Tiny, vivacious Miss Babbitt specializes in woodworking. Her favorite creations are children's toys. She also makes children's furniture. Household articles, such as cabinets, designed nicknack shelves, and clever door-stops, are among her capabilities.

She feels workshops should be in a place where there is no disturbance that may cause an accident. Her shop is in the attic; unlike basement workshops, there is no rust problem here. She also has the advantage of working by daylight. Like a true artist, she paints completed articles in a room with a North Light.

The workshop would put any machinist to shame. Power tools are firmly set onto benches, which are laid out for maximum efficiency. She has an 8-inch circular bench saw (for straight cuts), a band saw (used to cut curves), a 24-inch jig-saw (for intricate and inside cutting), and a drill press. Her lathe has a 10-inch swing, can turn a 3-foot piece of wood.

In spite of her proficiency, Miss Babbitt likens power tools to lions; "You can train them, but you can't trust them."

An example of her neatness and accuracy, is the nail draw. This has 30 divisions. No fumbling here! Innumerable tools, such as hammers, chisels, plane, and bit-braces, are neatly hung upon the walls. She received some small hand tools from her father, from whom she also inherited a technical mind.

When a tiny tool, "Bucky" used to go with her father whenever he bought tools. Once in a hardware store, she would examine hammers and saws, as most young ladies would look over dolls.

When about 11 years old she sold a frilly gift to her sister for one dollar, and bought herself a chisel. Then she really became father's "assistant." Under his tutelage, she soon became adept at handling tools. She had her own woodcraft business, for 16 years.

Miss Babbitt now teaches crafts to children 8 to 11, at the Newton Y.M.C.A. She instructs them in leatherwork, metal arts, and woodcraft. Her pupils make wood models (such as automobiles, planes, and boats), lawn ornaments, aluminum ash trays, copper safety match boxes, and identification bracelets.

"Children appreciate what they themselves make," says Miss Babbitt. "They're sometimes surprised at what they can accomplish; some of those youngsters are clever as all get out!"

She made many of her own toys, when a child. One of the first things she made was a kiddie car for her favorite Teddy Bear. She feels today's child who works with his hands, is tomorrow's man of capabilities.

BUILDING THE "BLUE NOSE," two-masted schooner, "Bucky" shows her adeptness with tools.

She is now working on a wooden model of the old fishing schooner, "Blue Nose," from Luenenburg, which, with Capt. Ben Pine as her master, used to race the "Gertrude L. Thebaud."

A versatile lady, Miss Babbitt hopes to have a class in general handy work. Do you have a leaky faucet? Do your front steps need repair? Have you thought about fixing that silent door bell? Perhaps you'll take a tip from "Bucky's" ingenuity and become your own "Handy Man."

of schemes for increasing expenditures" as Governor Dever has been, since the Governor asked for approximately 15 millions more than the legislature granted.

"The criticism that the session has been 'barren of plans to provide revenue' seems to be on Governor should not criticize the legislature as a whole for this, because it is the leaders of his own party who have been 'singularly barren of plans.' The Constitution provides that revenue bills must originate in the House of Representatives. This House is controlled by the Governor's own party, in fact he is a former member, and the House leaders are in constant touch with the Governor. The Speaker of the House appoints the Committee on Ways and Means and under the Dever regime the Chairman and Vice-Chairman of this Committee (both Democrats) draw extra pay because of their specific responsibilities. The Democratic House is the one which has failed to propose sufficient revenue bills and the Republican Senate has no authority to act until they have been adopted by the House.

Even when the House has acted, it has been with the most extraordinary slowness. For example, the bill to increase the gas tax was held up nearly 3 months in the House, some of the time by the Speaker and then by the House Ways and Means Committee, so that the State lost over 2 million dollars revenue in the delay over a measure which had been given approval by the Senate. The only revenue bills which have been defeated have been defeated by the votes of the Governor's own party. This was the case with the proposed additional tax on cigarettes and the elimination of the federal tax credit.

"The Governor has made these generalized criticisms apparently hoping that the blame will fall on all legislators generally, but he must know full well that the entire blame is really concentrated on his own leaders in the House of Representatives.

"The Governor also said that the session has been 'prolonged to an intolerable length.' He is right about this. The legislature should have gone home months ago. The only reason it has not done so is that it has never balanced the budget by the enactment of revenue bills. This puts the Governor somewhat in the position of a householder who hears a noise in the night and on seeing a movement in the dark hall-way fires his gun at it, only to discover that he has shot at his own shadow.

"I surely hope that the leaders of the House will propose some adequate revenue measures and enable the legislature to adjourn its costly and wearing session. Under Republican leadership it never consumed so much time nor spent so much money."

ground for the combined efforts of local church councils and the individual churches.

Rev. Sydney Adams, the new executive secretary of the Newton Church Council, said: "When we realize that today there are some 70 church councils in Massachusetts alone and that many of them conduct a United Church canvass during the month of November, the importance of our own Newton Canvass becomes clearer. When so many churches in our own city, state and nation make this united effort, many unchurched people, many who have lost faith, many who may be losing faith in these difficult days of world turmoil are reassured that millions of their fellow country men and women have not lost faith, still support actively the church of their choice, still believe that the Word of God can and will prevail.

For many residents it will be the final personal property taxes which they will have to pay since the law was amended this year to increase the exemptions from \$1000 to \$5000.

This amended law will reduce the number of persons paying personal property taxes here next year to less than 2000, it is estimated.

use at the Peirce School in West Newton. Last week it was taken to the Hyde School so that a child suffering from cerebral palsy could attend the school Halloween party. Beginning next week the mother of this child will take the chair home every Friday after school, then take it to the Newton Centre Women's Club Saturday morning enabling the child to attend a supervised play and music group being organized for cerebral palsy children under the direction of Miss Nancy L. Cummings, a teacher at the Peabody Home for Crippled Children.

The availability of this chair will make possible many activities for handicapped children in Newton from which they would be barred without this means of transportation.

Sponsors "Sip and Chats" Series

Rabbi Irving A. Mandel, spiritual leader of Temple Shalom of Newton, will lead a series of informal "Sip and Chats" for all Sisterhood members, the first of which will be held in the Temple Auditorium on Tuesday, November 13th at 9:30 a. m. The overall program will cover "Laws and Customs of Liberal Judaism—Its Whys and Wherefores." The first lecture will deal specifically with Customs at Birth, and will be followed by a question period.

Mrs. Harold Gilekman, hostess at this session, announces that a "Silver Coffee Time" will precede the talk. Her committee are Mrs. Wilfred Holsberg, Mrs. Arnold Rosoff, Mrs. Milton Rosenthal and Mrs. Joseph Maffie. Mrs. Ralph Morrison, Chairman of the Adult Activities Committee, will act as moderator.

68 Percent of Red Feather Fund Campaign Subscribed

The total amount raised in the United Red Feather Campaign through Tuesday noon of this week is \$218,847, or 68% of Newton's goal, according to a statement from the Newton Community Chest office. This amount includes subscriptions reported at last Monday night's report meeting, but not audited in time for Tuesday's luncheon in Boston. 61% of Newton's goal was reported at that luncheon, where total reports for the whole Campaign showed \$3,637,500, or 50% raised.

The largest portion of the Newton results includes \$110,636 from the Advance Gifts Division. The Manufacturing Division has reported \$22,919; the Mercantile Women's, \$10,060; Mercantile Men's, \$8,198; Public Schools Division, \$4,634; and the Municipal Division, \$2,049. The total un-audited reported to date by the Residential Division is \$59,405.

Corporate and employee gifts in the Manufacturing Division have shown some excellent gains. One large corporation has doubled its gift of a year ago, another has increased 50% and substantial increases are reported from other concerns. Employee gifts from the only two companies that have reported to date show substantial gains.

In the Mercantile Division many concerns have increased their gifts, and employee gifts from the largest contributor to this Division have moved up substantially. The Newton banks, recognizing the increased cost of operating Red Feather Services and the fact that USO is in the Campaign, have made generous increases.

The Advance Gifts Division has reported 520 subscriptions to date, and of this number, 165 have increased their gifts over a year ago. The Public Schools Division has already exceeded the total amount subscribed by that Division last year, and the Municipal Division is also showing increases.

An analysis of the first third of the Residential subscriptions indicates that more people are increasing their gifts than in any year since the 1942 Campaign—the first of the war drives.

"The Campaign can succeed this year and will succeed," states Robert R. Walker, Campaign Chairman, "if our people will make additional gifts for the USO Camp Shows, and American Relief for Korea, and for our increased Red Feather needs. We want to make a special appeal to contributors who have not already subscribed that they consider the USO in making their gifts. We will gladly welcome additional gifts from those who have already contributed but who have not added an amount for USO needs.

"At the half-way mark in the Campaign, Newton has raised two-thirds of its goal," Mr. Walker states. "We are very hopeful that our goal will be reached, but if it is, it means that generous gifts must be received from

every possible prospect in Newton. Most of our larger contributors have subscribed, and the balance of our funds must come largely from the Residential Division, small businesses and industrial employees. We are alerting our more than 2,000 volunteer solicitors to complete their calls over the coming week-end so that on November 15, the scheduled closing date of the Newton Campaign, we will know if our Campaign is to succeed."

News In Brief

INDUSTRIAL DEVELOPMENT. In order to facilitate the start of a multi-million dollar development near Route 128, the Board of Aldermen Monday night approved a request for the change of zone of the Boston and Albany Railroad land from Residence C to Manufacturing Zone Acting Chairman William R. Mattson of the Claims and Rules Committee stated that the S. S. Pierce Company plans to construct a large warehouse, office and distribution building on the land purchased from the rail-

road on Grove street, Newton Lower Falls. The annual income to the city from taxes on the development will amount to many thousands of dollars.

AUBURNDALE SCHOOL. An appropriation of \$290,000 for the construction of the Neighborhood School, Murray road, Auburndale, was voted Monday night by the Board of Aldermen following authorization of a bond issue of \$250,000. The other \$55,000 was appropriated from revenue as required by law in order to permit the bond issue outside

of the debt limit. **COMPULSORY AUTO RATES.** It is expected that the compulsory auto insurance rates for 1952 will be issued shortly, possibly some time next week. Although Massachusetts Insurance Commissioner Dennis Sullivan refused to indicate the new rates, insurance company officials predict they will go up 15 to 30 percent.

The Rhode Island Alpha Chapter of Phi Delta Theta fraternity at Brown University has announced the recent initiation of John Barrington Hunter, son of Mr. and Mrs. Francis T. Hunter of 56 Lawrence road, Chestnut Hill.

Newton-Waltham Gridiron Rivalry to be Resumed on Armistice Day at Dickenson

The annual football classic in this area, the traditional Newton-Waltham rivalry, will be played Monday afternoon, Armistice Day, at Dickenson Stadium. The game, originally scheduled for this Saturday, was shifted because both teams postponed encounters last Monday and coaches want to avoid two football contests in one week.

Newton High will enter the fray with one of the best records it has ever compiled, five wins, a tie and one defeat. Last Monday the Orange, without the services of rugged Dan Coffey who, unfortunately, is lost to the Warren Huston-coached eleven for the rest of the season due to a knee injury, took on strong Haverhill High and emerged the victors, 13 to 6.

The victory was important from a comparative angle, for ever-dominant Waltham battled the Hillies from the North Shore to a 14-14 deadlock. Newton's triumph last Monday was impressive because the Hillies, prior to the Newton game, kept five of their seven opponents scoreless this year while allowing only 20 points to be tallied against them.

Both Newton and Waltham have been minus their top men. While Coffey will not see action, the Watch Citizens may probably miss the quarterbacking of deceptive Frankie Krol. The shifty ball-handler, Waltham's triple threat, suffered a dislocated shoulder in the school's Brookline game a few weeks ago, but saw action against Lynn English last week.

Coach Huston's lads can look to speedy Edwin Beck to carry most of the load in the Armistice Day fracas. The 145-pound half-back is one of the state's highest scorers with 17 touchdowns for a total of 102 points. The elusive scatback led the Waltham attack in its game with Lynn English last Monday, tallying five TD's for a 35-19 pasting.

For the season, Waltham has a commendable record of five wins, a tie and two losses. The Crimson eleven dropped contests to undefeated Medford High (6-2) and Leominster (14-6).

The Oranges' offensive punch will come from halfback Don Thompson, the locals' fine runner

and high scorer. Although the elusive scatback did not enter into the scoring in the Haverhill game, Thompson remains Newton's ball-toting mainstay. With the absence of running mate Coffey, who shared the ground gaining load, most of Monday's encounter will be centered around Thompson.

Newton came from behind in Monday's tilt to nip Haverhill. The visitors scored first in the opening period when a Newton kick was blocked and the Hillies took over on the Orange 25-yard line. In six plays they had the oval over, Bill Wright driving across on a 13-yard run.

Losing no time after Haverhill kicked off, the locals bounced back when halfback Lee Carder, filling the shoes of Coffey, took a pitchout on his 40-yard line from quarterback Jim Wiper to go all the way on a 60-yard sprint for the Orange six-pointer. Fred Dauten split the uprights to give Newton a one-point edge.

Haverhill found itself in trouble early in the fourth quarter when it took over on downs on its own nine-yard line. The Tigers of Newton had roared down to the opponents' six before a fumble put an end to any scoring threat.

Trying to kick out of their predicament, the Hillies' boot was slammed down by end Bob Morrison and the other end, Don Flagg, rushed into the end zone and pounced on the free oval for the final TD.

Matching the Waltham Crimson horde, led by a recovered Krol and a score-minded Beck, Newton will rely on a backfield consisting of fullback Fred Dauten, Thompson and Wiper to produce the victory. As always, the rivalry will be typical of all Newton-Waltham affairs.

News Analyst to Speak Here Friday

Geoffrey Harwood, for ten years news analyst on radio station WBZ, will give a talk on "Background to the News" at a meeting which is open to the public at no admission charge in the Newton Centre Woman's Club, 1280 Centre street, tomorrow (Friday) at 3:00 p. m.

Sponsored by the Newton-Waltham Bank and Trust Company, and presented as the second monthly meeting of the Club, the occasion will afford an opportunity for residents of Newton to hear of the trends which form the background of today's events. After the speech, the program will take the form of a discussion, with an active question period.

Deaths and Funerals

Sarah A. Linahan

Mrs. Sarah A. (Brennan) Linahan, 85, widow of Daniel J. Linahan, formerly of Oak street, West Newton, died at her home, 5 Acton street, Arlington, Sunday morning.

Born in West Newton, a daughter of the late Patrick and Ellen (Tracey) Brennan, she had made her home in Arlington for the past 32 years. She is survived by one daughter, Miss Agnes M. Linahan of Arlington; one sister, Mrs. Henry T. Doherty of West Newton; one brother, John Brennan of New Haven, and several nieces and nephews.

Funeral services were held from her home Wednesday morning with a requiem high mass at St. James Church in Arlington Heights at 9 o'clock.

Interment was in Mt. Pleasant Cemetery, Arlington.

Herbert J. Ham

Funeral services for Herbert J. Ham, 69, of 73 Arlington street, Newton, former owner and president of the Herbert J. Ham Company, investment expert and import brokers at 10 State street, Boston, were held Wednesday afternoon at 2 o'clock in Trinity Church, Newton Centre.

Mr. Ham died Monday at the Deaconess Hospital, Brookline, after an illness of several months. Born in Somerville, he was associated with the Webster Cement Company of Cambridge at the time he was taken ill. He was a member of the Central Club of Somerville and of Trinity Church, Boston.

He is survived by his wife, Mrs. Marguerite (Shepherd) Ham; a son Herbert S. of Norwood; a sister, Florence of Somerville, and a grandchild.

Interment was in Woodlawn Cemetery, Everett.

Giovanna Geraci

Mrs. Giovanna (Cacciola) Geraci, 72, widow of Concetto Geraci, and a resident of 15 Mechanic street, Newton Upper Falls, for 48 years, died Monday at her home.

She is survived by six sons, Rev. Leo J. Geraci of White Plains, N. Y., and John, Anthony, Frank, Joseph and Blaise, all of Newton Upper Falls.

Funeral services will be conducted this morning (Thursday) from her home with a solemn mass of requiem at Mary Immaculate of Lourdes Church at 10 o'clock.

Interment will be in St. Mary's Cemetery, Needham.

Anastasia R. Peters

Miss Anastasia R. Peters, 85, of 1487 Washington street, West Newton, died Monday after a long illness.

Born in West Newton, the daughter of the late Andrew and Anastasia (Deady) Peters, she had always resided in West Newton. Up until her retirement some years ago, she had been a teacher in the Cambridge schools.

She is survived by one sister, Mrs. Thomas E. Jones of West Newton.

Funeral services will be held this morning (Thursday) with a requiem high mass in St. Bernard's Church at 9 o'clock.

Interment will be in Calvary Cemetery, Waltham.

Mary Phillips

Funeral services for Mrs. Mary (Bontempo) Phillips of 11 Beech street, Newton, who died Sunday night at the Cardinal O'Connell House of St. Elizabeth's Hospital, Brighton, were held Wednesday morning at 10 o'clock from her home followed by a solemn mass of requiem at the Church of Our Lady, Newton, at 11 o'clock.

Morn in Benevento, Italy, the daughter of Pasquale and Concetta (Vignone) Bontempo, she had lived in Newton for 45 years.

She is survived by her husband, William; her mother, of Newton; three sons, Henry, Louis and Wallace Arcese, all of Newton; three daughters, Miss Eleanor Carmic, and Miss Florence Arcese, both of Newton, and Mrs. Josephine Gilday of Watertown; three brothers, Samuel of Belmont; Angelo of Littleton and Patrick Bontempo of Watertown; three sisters, all of Newton, Mrs. Josephine Tosti, Mrs. Catherine Forte and Mrs. Rose Iarossi, and four grandchildren.

Interment was in Calvary Cemetery, Waltham.

Annie H. Noone

Mrs. Annie H. (Hinchey) Noone, 91, widow of Michael Noone and a resident of West Newton for more than 63 years, died Monday at the home of her son, William M. Noone, 11 Washburn avenue, Wellesley Hills, after a long illness.

Born in County Louth, Ireland, she made her home in this country for about 70 years and formerly lived at 114 River street, from where she moved to Wellesley Hills.

She is survived by four sons, William, a former alderman; Thomas J. of Auburndale, John B. of Long Island, N. Y., and Joseph F. of Waltham, and one daughter, Mrs. Esther Mullen, all of Newton Highlands.

Funeral services were held Wednesday morning with a high mass of requiem at St. Bernard's Church, West Newton, at 9 o'clock.

Interment was in Calvary Cemetery, Waltham.

Sarah L. Toye

Funeral services for Miss Sarah L. Toye, 80, a resident of Newton for about 40 years, who died at her home, 46 Bennington street, Newton, Sunday, were held Wednesday morning from her home with a solemn requiem mass in Our Lady Help of Christians Church at 10 o'clock.

She was the daughter of the late John and Sarah (Robinson) Toye and is survived by a brother, Patrick J. Toye, president and director of the Boston School of Garment Cutting, and a sister, Miss Elizabeth Toye of Newton.

Burial was in the family lot at Old Calvary Cemetery, Boston.

Charles J. West

Private services were held for Charles J. West of 74 Sylvan avenue, West Newton, last Saturday afternoon at the Newton Cemetery Chapel.

Mr. West, who was chairman of the board of Rust Craft Publishers, was a pioneer in the greeting card industry. He was born in Elizabeth, N. J., where he later was employed by the former Campbell Art Company there, rising from errand boy to president.

He joined Rust Craft in 1924 as general manager and later succeeded the late Fred W. Rust as president. He became chairman of the board last May.

An Episcopalian and a member of Washington Lodge, A.F. and A.M., of Elizabeth, N. J., he also was first president of the Greeting Card Association.

He is survived by one son, John Woodman of Bethesda, Md., and a sister, Mrs. Henriette West of West Newton.

Katharine Holbrook

Funeral services for Mrs. Katharine T. Holbrook, 86, of Boston, widow of Walter Hills Holbrook, who lived for many years at 300 Waverley avenue, Newton, were held Saturday afternoon at 2 o'clock at Story Chapel, Mt. Auburn Cemetery, Cambridge.

Mrs. Holbrook is survived by two sons, Kenneth H. Holbrook of Tucson, Ariz., and Donald Holbrook of Boston, as well as six grandchildren and 11 great grandchildren.

Stephen B. Jacobs

Stephen B. Jacobs, 80, prize winning grower of gladioli, died Wednesday, October 31, at his home, 450 Winchester street, Newton Highlands.

He formerly conducted a market in Dedham and later established the first garage business there. He retired about 20 years ago and engaged in his hobby of raising gladioli. He won many prizes in exhibitions at Horticultural Hall, Boston and the gladioli gardens at his home are well known.

Mr. Jacobs was the oldest member of Constellation Lodge of Masons, Dedham, and a member of Cypress Commandery, Knights Templar's, Hyde Park.

He leaves his wife, Lena (Rockwell) Jacobs; a son, well known band leader Howard Jacobs; and a daughter, Mrs. Esther Mullen, all of Newton Highlands.

Funeral services were held at the Eaton Funeral Home, Needham, last Friday afternoon at 3 o'clock.

Interment was in Brookdale Cemetery, Dedham.

H., where their sons, Gordon Polley, Kenneth Sears, and Leo Sullivan helped them celebrate Parents' Week-end. Leo is a member of the freshman class and Gordon and Kenneth are seniors at New Hampton Schools.

The Common Sense of Civil Defense and Y

By MRS. ARTHUR WILLIAMS

It is simply common sense, to think beforehand what you should do and what you would need, if the shadow that lies over our twentieth century world should fall. Yes, I mean the atomic bomb. I firmly believe that it is most likely that what we fear will not happen. But the atom bomb does exist; it is not a figment of the imagination. To prepare for an emergency does not bring it to pass, and to ignore the danger will not prevent it. Proper planning WILL prevent unnecessary damage to life and limb. Intelligence demands that we consider what we can do to make our families self-sufficient if our usual convenient sources of water, light, heat and food are cut off.

Mankind has lived with fire for many centuries, and has developed firefighting apparatus and services, and fire insurance. Most fires are in single buildings, and preventable by individual caution; a burned out family has a safe, well-stocked community around it to provide instant relief, food and shelter. With the atom bomb it is different. The householder can do nothing to prevent it, and the whole area around a bomb hit is absolutely unsafe. A family unit would have to depend on itself until the situation cleared, certainly a matter of several days at least. A man's own cellar becomes his castle, and fortunately it is about the safest place that can be devised. People in two-family houses will of course make joint plans for survival provisions, and apartment house dwellers will prepare their common cellar, taking comfort in the fact that the higher the building, the safer the cellar.

What would your family need if you could get nothing that was not already down your cellar? You may not be able to come upstairs for anything. Your water supply may be radio-active, electricity and/or gas cut off. The following suggestions are simple, practical, and should be followed TODAY—not tomorrow, or next week.

1. WATER. Fill as many containers as you can, with lids or covers, and place under the cellar stairs or anywhere out of a direct line with a window. (Should be sterilized and in sterile containers).

2. CANDLES, and matches, or kerosene lamps; flashlights with extra batteries. Keep matches in a tin box.

3. WHITE CLOTHES—plenty of old sheets, plus a hammer and tacks. White cloths over broken windows WILL NOT ADMIT harmful rays. We learned this after Hiroshima; the Japanese, in their white flowered clothes, were burned in flower patterns. The HAMMER AND TACKS might as well be in Timbuctoo if they are upstairs or out in the garage. Put them down cellar—now.

4. Canned goods, staple supplies. PLUS a CAN-OPENER. Buy a reserve one today and put it with the food. A list of suggested foods is appended to this article.

5. Boy Scout Sterno outfit, with extra solid alcohol. Some cooking utensils, paper plates and cups, plastic forks and spoons. Save round ice-cream cartons, they make excellent cups and soup bowls.

6. Any auxiliary heat you can devise that does not depend on electricity or gas.

7. Medical supplies, especially for burns; aspirin, disinfectants.

8. Fire extinguisher.

If you have a battery radio set, you can receive short-wave broadcasts of warnings and instructions, and your local civil defense personnel will come to every household just as fast as they can. Also as soon as humanly possible, every house will be tested with a Geiger counter to tell what food, silver, etc., upstairs in your house is still safe.

Probably every one knows enough, if caught out-doors, to lie down, close the eyes, and

cover exposed flesh. Not so many know that thereafter, before going in anywhere, all outer layers of clothing especially SHOES, should be discarded unless you want to bring radio active materials in with you. After severe exposure, wash thoroughly with soap and water, with special attention to hair and fingernails.

When you have prepared to the best of your ability, just refill the water jugs about every three months. And if all your preparations prove to be wasted effort, just say Thank the Lord.

Suggested food supplies (Keep in sealed tins): Evaporated milk, soups, powdered coffee, tea bags, fruit juices, gingerale, etc., minute rice. Lots of candy bars (quick energy); sugar, boxes of crackers, canned meat, chicken, ham, spam, salmon, tuna, etc., vegetables, nuts, peanut butter, don't forget food for your dog.

Program on Schools to Be Held Nov. 15

All parents and citizens interested in the Newton Public Schools will find the program planned for the meeting November 15 at 7:45 p.m. in the Mason Auditorium especially pertinent. It is entitled "Let's get acquainted with the Tools of the Curriculum of our School."

Charles O. Richter, Assistant Superintendent of the Newton Public Schools, will give us a glimpse of our elementary school curriculum and the materials necessary to carry on this program.

Miss Dorily and the Mason-Rice Teachers are planning an Exhibit of these materials, bought by the City and used by our children. Teachers will explain these exhibits from the humblest sheet of paper, grades and types of pencils, crayons, and ink, to the latest equipment for audio-visual instruction. This is a wonderful opportunity for you to become acquainted with all kinds of materials used in the Mason-Rice School.

Dessert will be served in the Mason Auditorium between 7:45 and 8:00 p.m. Do come and greet the Teachers and Parents.

Movie Screen

By LARRY SAVADOVE

Movies theatres all over the country are finally taking and old cue from New England and find that we Down East Yankees have one of the best ideas since the invention of the camera.

Many years ago, in the early thirties when the picture industry was feeling the pinch of depression, theatre owners in New England started running old films that the public had liked when they first came out. The public liked them again, and since then, most small houses have run review nights once a week to bring the greats back to the younger generation for enjoyment and to the older for memories.

The success of the system here wasn't enough to sell it to the rest of the country. But moguls in Hollywood heard about it when they were making plans for the Movietime, U. S. A. tour that came here a few weeks ago. Now they're pressing re-releases on their houses throughout the nation, and with happy results for all concerned.

Two of the finest re-release now circulating are in New England: "The Awful Truth," and "The Informer." "The Awful Truth," was gay and risqué when it first appeared in the late thirties, and still provides adult humor and morality to once touchy, always chuckle bedroom scenes. Cary Grant in his younger days charms Irene Dunne in hers.

"The Informer," is the perfect twin to this on any bill. Victor McLaglen, an Irishman who sells his friend to the English, can still compete with anyone in the industry has to offer today in suspense and plain, good old drama.

Both pictures are a sharp reminder that grownup movies still provide the best film entertainment, whether they be old or new.

Two Disabled War Veterans Awarded Package License

Two disabled World War II veterans, one of whom has a 100 percent disability, were awarded the new all-liquor package store license by the Newton Licensing Board, Roy V. Collins, chairman, announced.

It was also stated that ten of the unsuccessful applicants for the license, including several who failed to receive the new wine and malt package store licenses, have appealed to the State Alcoholic Beverage Control Board. This action will hold up the final issuance of both licenses. A total of 37 applications were received for the two licenses authorized due to the increase in population.

In announcing the Board's decision, Mr. Collins stated: "The Board has awarded the all-liquor package store license to Colonel Joseph J. Hickey, 73 Elm-street, Newton Centre, and to Major Kenneth J. Merrill, Jr., 18 Gail road Newton Lower Falls.

"The main considerations in the granting of this license were the location of the store so that public convenience would be properly served and the worthiness of the applicants. The store they have is located at 1 Jackson street, Thompsonville, and is a prominent location. Thompsonville is the only section in the city which does not have a full liquor package store license and, therefore, this location serves public convenience well.

"Major Merrill is a long time resident of Newton, a married man with a family, and bears a splendid reputation. He has a splendid war record and was a member of the Engineering Corps, and one of his duties was to carry on the dangerous assignment of going out ahead of the army and locating hidden mines and booby traps. On one of these trips, in conjunction with other soldiers, he was proceeding in a jeep and struck one of these mines which exploded and badly wounded all of the men. Maj. Merrill the worst of all. For a number of years after his wounding, he was kept in a government hospital where a long series of operations was carried on, mostly plastic surgery, grafting skin on his features. After the hospital had done all they could for him, he was discharged,

but they were unable to restore his sight except to a small extent in one eye. He still has a disability of 100 percent.

"In view of Maj. Merrill's handicap, we felt it necessary to have associated with him a man of wide business experience and in our judgment, Col. Hickey fills this requirement better than any other applicant. While his business experience was of major importance, the fact was also a serious consideration that he had a splendid war record and was shot down in his airplane by the Germans and seriously injured, so that he still has a high disability.

"While there were other applicants who were worthy, yet, in our judgement, all things considered, these two applicants were the most worthy."

Art Association Hears Talk on Marine Painter

At the meeting held last Thursday at the Newtonville Library, the Newton Art Association had as its guest Otis Cook, well-known marine painter from Rockport. Mr. Cook brought along some of his recent paintings and commented upon the circumstances under which they were conceived. He explained various techniques that he employs to bring about the effects that make his paintings so interesting and pleasing.

Paintings by the members were then shown for criticism and discussion. Mr. Cook highly praised the general quality of work submitted by the association. To name only a few, there were oils by H. Storey Grainger, Norman Birchell, Mrs. Stewart Miller; water colors by Miss Grace Stone, Miss Helen Cleaves, Mrs. Amy Iervis, and others. Mr. Cook emphasized how the proper handling of light effects will make an otherwise ordinary picture exciting and likable.

President Sherwood Blodgett announced that the next meeting would take place at the Newtonville Library when Prescott Jones will demonstrate the actual painting of a picture in water color technique.

Oil painting by Mr. Harland Riker are on exhibition at the Newton Highlands Library during the month of November. An exhibition of paintings by members of the Newton Art Association will be held at the Newton Centre Women's Club from November 10 to November 24 and members are requested to bring paintings to the club's quarters Tuesday, November 6, between 10 a.m. and 4 p.m. The exhibition will include still lifes, landscapes, marines and portraits in oil, water color and pastels. The public is cordially invited.

There will be an exhibition of oil painting by Mr. Harland A. Riker, 68 Hyde street, Newton Highlands. They are of New England landscapes and seascapes and will be on exhibition at the Newton Highlands Library until December 1.

Joan Barnes, daughter of Mr. and Mrs. Richard M. Barnes, 398 Wolcott street, Auburndale, is a member of the committee planning the Simmons College traditional Olde English dinner, which will be held Thursday, December 6. Miss Barnes, a senior in the school of Home Economics, is a secretary of the Home Economics Club.

Norumbega Council Explorer Scouts Are Airport Guests

Norumbega Council Explorer Scouts were guests at Bedford Airport for a day jam-packed with excitement October 27. The occasion was the second annual trip to the big civil and Air Force field.

Forty-six Scouts and ten adults were divided into three squadrons for the morning and afternoon activities. Before noon the guests were entertained by the Airport management, under the direction of Robert M. Ross. The squadrons took turns touring the extensive repair and service shops, and visiting classrooms of the East Coast Area Technical Training School.

After lunch in the Airport cafeteria the boys were guests of the Army Air Force under the supervision of Lt. M. A. Lajoie. Again the divided groups alternated visits to the Airforce facilities, the operational and weather control tower, and a West Point training film.

Two planes were open to the boys, who got a thrill climbing in and out of a B-25 and an AT-11. Samaras were everywhere and many a snapshot will revive memories of the day.

Edward E. Ross Jr., advisor of Air Squadron 1, was in charge of the trip. He was assisted in the arrangements by J. Clifford French, chairman of the Council Explorer Scouting Committee, and Ralph Darian, assistant Scout executive. Transportation was provided by parents and adult Scouters in private cars, the groups returning in the late afternoon.

Newton Explorer Scouts making the trip were Zoltan Voross, John Shannon and William Harting of Explorer Post 11; Paul Sanroma, Paul Montana, Peter Volante and Walter Collins of Explorer Post 21; Maxwell Willis, William Willis and Allen Wombomb of Troop 14; Stephen Not-tonson and Paul Cooper of Explorer Post 17; Edward Wilson, Robert Wilson, Jack Farrington, Michael Donovan, Russell Nahigian, Daniel Donovan and Donald Dery of Explorer Post 7; Lawrence Clarke Jr. of Troop 7C; George West, Henry Genaske, Harry Chase, Richard Cro-

nin, Kenneth Stevens, Richard Bigelow and Frank Smith Jr. of Explorer Post 4; and John Magee, James Dwyer, Henry Waldman, Peter Kelly, Robert Crehan, Richard Stover and William O'Neill of Air Squadron 1.

It takes a **COSTLY PLANT**
to make
CHEAP ELECTRICITY

The new generating units that are being built all over New England are among the most efficient in the world. They cost more money to build than ever before. But these new plants and equipment are big guns in the fight to hold down electric rates.

It takes wise planning, skilled manpower and super-efficient machinery to help combat constantly rising costs. And that's what New England's business-managed electric companies are providing . . . with new construction alone running to HALF A BILLION DOLLARS. It takes strong, healthy companies to swing such a gigantic program . . . companies permitted at all times to earn a fair return on plant investment.

Says 'It Takes A Decisive Act of Will To Dare Be A Christian In European Countries'

"To belong to a church in America is still the normal and conventional thing, but in Europe where the churches are scorned by many and ignored by many more, it takes a decisive act of will to dare to be a Christian," says Rev. Howard F. Schomer, Congregational Christian educator and ecumenical worker in Western Europe, who will speak three times here, November 11, 12 and 13. Mr. Schomer will speak Sunday morning, November 11 in the Community Church of Waban; address the Women's Association of the Second Church, West Newton, the afternoon of the 12th and will occupy the pulpit of the Central Congregational Church of Newtonville the morning of the 13th.

In spite of this situation the great encouraging fact about Christianity in Western Europe which Mr. Schomer brings back is that during the last quarter of a century the remnant of consecrated Christians there has acquired great vision, says Mr. Schomer.

"If the American government

has tended to think of Western Europe's masses as a block to be welded against another block, once Nazi now Soviet, to conceive of the Western block as a means of defending America and the values it prizes, we American Christians have in an increasing measure learned to distinguish the faces of individual European Christians and churches whose welfare we can never conceive of except as an end in itself."

Mr. Schomer has been working in Europe since 1946 and among his many duties has been religious ministry among German prisoners-of-war in French prison camps; distribution of food and clothing; the organization of the first French German pastoral conferences after World War II and had a part in the establishing of the first Ecumenical Work Camp for young people in France.

Mr. Schomer is a graduate of Harvard University (summa cum laude) and has done graduate work at Harvard. He was a Sheldon Fellow in Europe in 1937-38. He prepared for the ministry at Chicago Theological Seminary.

Christmas Bazaar to Be Held Nov. 29-30

The Woman's Society of Christian Service of the Newton Centre Methodist Church will present a Christmas Bazaar Thursday and Friday, November 29 and 30. Theme for decorations will be the "Night Before Christmas", and should bring back to all who attend thoughts of that most exciting of evenings of the year.

Many opportunities to buy home-made and hand-made articles will be available at the various booths. Aprons, children's toys, grubs, knitted goods, Christmas cards and wrappings, books, and linens to mention a few.

The Bazaar will open at 10 a.m. on Thursday and a snack bar under the direction of the Misses Maida and Marguerite Flanders will be open from 11:30 to 1:30. Afternoon tea will be served at 4 while the youngsters enjoy the movies. A real old fashioned New England boiled dinner will be served at 6:30 Thursday evening. On Friday, luncheon will be served from 12 noon until 2 p.m.

Co-chairmen for the Christmas Bazaar are Mrs. Walter Leidner and Mrs. Arthur Studley, assisted by Mrs. Edgar S. Brightman, Mrs. Robert W. Pope, Mrs. Denon G. Nutter, Mrs. Robert Fraser and many others.

Newton Highlands

The ladies of the Newton Highlands Congregational Church held a "Kris Kringle Bazaar" last week, beginning on Friday, at which all imaginable delightful gifts could be secured for the Christmas season ahead. Food and the regular standby tables were well supplied with practical offerings for interested purchasers.

Mrs. Harry Lovell of Allerton road, is able to be at home again after many weeks' stay at the Newton-Wellesley Hospital. She is convalescing very slowly, however, and usual activities must be definitely curtailed as yet.

Miss Ann E. Corrigan, daughter of Mr. and Mrs. Joseph Corrigan of Ridge Avenue Newton Centre, and Mr. Leo Waters, son of Mr. James J. Waters and the late Mrs. Waters of Newton Highlands were married at Sacred Heart Church at Newton Centre, Saturday, October 20. Miss Gertrude Corrigan was her sister's maid of honor. The bridesmaids were Miss Kathleen McGinley of Montpelier, Vermont (a cousin of the bride), Miss Cecilia Roache of Newburyport, Miss Marie Kennedy of Dorchester, and Miss Irene Ford of Waltham. Mr. George Waters of Shelton, Conn., was his brother's best man. Another brother, Joseph Waters, headed the ushers, with Joseph Corrigan (the bride's brother) of Newton Centre, Thomas Roache, and Charles Doherty, both of Newton Highlands. A reception at Longwood Towers was held

Things you'd like to know about your Railroad

Thanksgiving Dinner Bargain!

1. **BEST VALUE** on your holiday menu is the rail freight that brings foods to your table. New York Central and other roads get only 6¢ to 7¢ of your food dollar. That's less than they got in 1939, when their own expenses—wages, fuel, equipment, supplies—were far lower than today.

2. **THANKS** to a center deck that can be raised out of the way, Central's livestock cars offer either headroom for cattle or floor space for sheep and hogs. One car serves where two were needed. It's by such efficiencies that your Railroad can go on handling food at low cost.

3. **FASTER FREIGHT** trains enable refrigerator cars to cover more miles between icing stops. This new icing station stands halfway between two former stations. It saves one stop. And that means perishable foods get to market hours fresher when they travel New York Central!

4. **HAULING MORE** tons more miles per train-hour, Central's trains are almost 60% more efficient than those of 20 years ago. Another reason why, despite tremendously increased costs, your Railroad still carries the things you eat, wear and use at a bargain. For that's the CENTRAL IDEA!

Letters to the Editor

Hallowe'en Vandalism
Editor, Newton Graphic:
As a lover of children and youth, it is far from my intent to utter complaint against them through your columns. Nevertheless, in all of our communities today the vandalism of Hallowe'en night remains certainly a serious nuisance and in many cases a real danger. Last night at 11 o'clock the door bell of a large house on Centre street was rung for nearly two minutes, disturbing the needed rest of two busy people who needed a fair night's rest, one of whom is a semi-invalid; and a large real estate "For Sale" sign was

Gives Rules for Safety of Children

Chief Philip Purcell of the Newton Police Department has offered the following rules for the safety of youngsters:

1. Never leave children unsupervised in a car, even though it's "just for a minute." Never leave the motor running while parked. Take your keys with you.
2. Never start a car until you know—not just think, but know—that no children are in the way front or back.
3. Don't allow children to stand up while riding. Teach them to sit down.
4. Don't allow babies to be carried on someone's lap in the front seat. Carry babies in the rear seat or in a baby carrier.
5. Make sure your car doors are locked so children can't open them accidentally. Teach children to leave door handles alone.
6. If children start fighting, pull off the road and stop before trying to settle things.
7. Don't permit children to stick heads or arms from car windows.
8. Teach children not to touch steering wheel, gear shift lever, rear-view mirror, or otherwise distract the driver while car is in motion.
9. Remember that the front passenger seat is by far the most dangerous in the car. Don't overload it.

"These rules are hard to enforce," the Chief concluded, "all rules are—but they are well worthwhile."

demolished. The sign had cost the owner about \$15 and the owner must replace it at her own cost.
To allow an ancient and outworn superstition to upset the good order of a city is an indulgence of barbaric instincts. To coddle the children and youth with "appeasement parties" is a sign of weak controls. The whole Hallowe'en idea should be abolished. The blame belongs not on the shoulders of our youth, but on the lack of thoughtful consideration by city, homes, schools and churches.
Rev. George L. Parker, 621 Centre street, Newton.

Indian Pow Wow Held at The Nobscot Reservation

The Indian Pow Wow, Norumbega Council's annual fun camporee, was held recently at the Nobscot Reservation and attracted a record turn-out of 321 Boy Scouts and Explorer Scouts from Newton, Wellesley and Weston. Saturday afternoon was devoted to informal competition of scouting skills and activities, in which Scouts who met certain standards were awarded wampum (field beans), the legal tender at the Indian Trading Post. The Trading Post, offered a wide variety of merchandise—all the way from batteries to whetstones—contributed by over 30 national firms and local merchants.

The contests in which the Scouts qualified for wampum were supervised by the Order of the Arrow, and were: trail finding with compass directions; tree identification; the Scout pace (one mile in 12 minutes); First Aid; Kim's Game (a test in memory); fire lighting with flint and steel; running an obstacle course; rope climbing; splitting matches with an axe; knot tying; and identification of proper pack items.

Following the contests, members of West Newton's Troop 7 presented an archery demonstration, which involved shooting for accuracy at the standard archery distance and at field targets of varying sizes and at unknown distances from the archer. The demonstration was supervised by Assistant Scoutmaster Robert Cobbs, aided by Scouts Kent Brauning, Edson DeCastro, Peter Cobb and Anthony Farrington Jr.

At the Saturday evening campfire, Leigh Nisbet, Scout Executive, gave an interesting exhibition of Indian sign language. He was interrupted by the appearance of an Indian who, in sign language translated by Mr. Nisbet, said he was the chief of a tribe living at Nobscot long ago, returned to confer the tribal title of the Tippling Rock area to the Scouts. By this symbolism—the Indian was impersonated by John Hobbs of Newton Highlands Troop 4B—the Council announced the recent acquisition of a 25 acre parcel of land adjoining the northern section of the Reservation.

Safety precautions over the weekend were assured by the presence of members of the Wellesley Auxiliary Fire Department, under the leadership of Chief Don Stell; David Blackall and Robert Cooper from the Newton Chapter of the American Red Cross; and the Nobscot Fire Patrol, under Fire Commissioner Win Hodson.

Many of the Scouts remained overnight at Nobscot, using tents as well as cabins, and participated in religious services on Sunday morning. Catholic services were conducted by Father Martin Dolphin; Jewish by Dr. Samuel S. Hirsan and Protestant by Nobscot Chaplain Larry Huntley.

The weekend program was under the general supervision of the Norumbega Council Camping Committee, headed by Richard Schroeder, Scoutmaster of Troop 4F and assisted by John Cobbs of Troop 7.

To Launch Education Series Nov. 5

The Hon. Jacob K. Javits, U. S. Representative from the 21st Congressional District, New York, and Professor Henry Steele Commager, Professor of History at Columbia University, will launch the Temple Israel Adult Education Series concerned with "Thinking Our Way Out of Our Dilemma" with a discussion of government's role in this perplexing problem next Monday at 8:15 p.m.

Prof. Commager, internationally renowned historian, is the author of the recent book, "The American Mind."

Congressman Javits, a Republican-liberal, is a member of the House Committee on Foreign Affairs and subcommittees on Western Europe and the Near East. A veteran of World War II, Mr. Javits was elected to Congress in 1946 and 1948. Since then he has sponsored legislation providing for economic stabilization, introduced the National Health Act of 1950 as an alternative to the national health insurance plan, and was the author of the Education Act of 1950 to co-ordinate Federal education activities and prohibit discrimination in colleges receiving Federal aid. He has long been active in the fight for FEPC, against segregation in the armed forces and the protection of civil rights.

The government's role in "Thinking Our Way Out of Our Dilemma" is the first in an outstanding series of four similar meetings scheduled at the Temple Israel Meeting House, Longwood avenue and Plymouth street, during the month of November. The remaining lectures, which feature Rabbi Abba Hillel Silver, Cleveland; Dr. Paul Tillich, New York; Dr. Clarence C. Little, Bar Harbor, Me.; Kirtley Mather, Boston, and the Hon. Blair Moody, United States Senator from Michigan, are concerned with Religion, Science and Education and how they can effect a solution to the problem. The meetings are open to Temple members and their friends.

Exhibition to Be Held November 9

Friday, November 9, the Art Committee of the Newton Highlands Woman's Club will sponsor an exhibition of paintings and drawings by club artists and members of their families, at the Club Workshop on Columbus street, from 2 p.m. to 5 p.m. Tea will be served by the committee which is composed of the following: Mrs. Frank P. Pickett, chairman; Mrs. Herbert Anderson; Mrs. Curtis B. Forbes; Mrs. John Jenkins; Mrs. Alan Lukens; Mrs. Stuart W. Roberts and Mrs. William P. Walker.

The public is most welcome to attend this exhibition.

The History of Children's Toys

When your little daughter cuddles her dolls and brother races his toy automobiles, have you ever wondered about the history of children's toys?

F. A. O. Schwarz, the world's largest merchant of fine quality toys, says that all playthings are symbols of real life in miniature form.

Away back in the prehistoric days of the cave man and cliff dweller, Little Boy Caveman probably had a small pronged club that was just like Dad's. And Little Sister no doubt had a small stone cooking pot no more crude than the one her mother used to prepare the family meals.

For down through the pages

of history we find that the important tools of play—toys—have taken an active part.

In the civilization of ancient China we find indication of the first toys in history. They included lanterns, musical carts, rattles, cloth animals, jumping jacks and whistles. Among the oldest favorites still popular with modern children are such early Chinese playthings as toy drums, tops, whistles, kites, dolls and even paper dolls (called "the little people").

And did you know that one of the best liked and perhaps the silliest novelty, the yo-yo is an old Chinese invention?

Historians say that the Chinese invented what they called the Kung-Chung or double Yo-Yo

hundreds of years before Columbus set sail to discover America!

The first mechanical toys on record were also created by the masterful Oriental mind. They were miniature dogs and hens with air bellows inside so that when the children squeezed them they made barking and crowing sounds to their delight.

And from the ruins of Egypt, archeologists have dug up the remains of children's toys. Toy crocodiles and hippopotami carved from wood were among the toys of the child of Egypt. These were the animals they knew in the fabled land along the Nile. Little Egyptian girls delighted in dolls and dolls' furniture made of wood and clay. Some of the dolls uncovered in the ruins have glass eyes and wigs of string or beads.

In the glorious civilizations of later Greece and Rome we can also trace the history of toys.

The girls of old Greece had many playthings made mostly of wax, wood or clay. Dolls with jointed arms, tiny cups, platters, lamps, and urns, made of glazed pottery in classic design. Toy doves, (a favorite Grecian motif) were fashioned from heavy bronze or carved from the knuckle bone of a sheep, or from precious onyx or vari-colored marble.

If a child in ancient Greece died it was the custom to bury with him his entire collection of toys. In a girl's tomb near Athens a large collection of miniature clay objects was found, all copies of objects or utensils used by adults. This of course is further proof that toys are really symbols of life in miniature.

The Greeks of course were famed athletes. And their children at an early age were encouraged to enjoy and participate in outdoor pastimes with such playthings as swings and see-saws, just as Twentieth Century kids do. Grecian children of olden days also enjoyed the Yo-Yo.

But the most familiar form of amusement handed down to us is probably the toy they called "astragals". This was the mathematical name for what we know as jackstones. Early paintings on marble show Grecian children playing this game.

And in Rome, although a girl child was of little more account than to the Chinese or Greeks, she still had her share of toys.

Election—

were finally tabulated. It was found that Aldermen Winfield C. Anderson and John C. Beale had secured a victory over William E. Hopkins.

In the Ward Alderman contests, Ward 2, with five candidates seeking the one place to be filled, proved interesting and

Research shows us that dolls and tiny bronze or ivory animals were made for the girls of ancient Rome. And the boys proudly played with little chariots, models of Roman gladiators and figures of wild beasts.

So, down through the pages of history, mirrored in the toys of children have been the latest scientific and political developments and fashions.

For example, during the French Revolution, a popular, though gruesome toy for innocent children was a tiny guillotine.

It was an accurate model of its original counterpart which was busy chopping off the heads of French aristocrats through the bloody months of the Revolution. And the ironic part is that not only the children of the peasants played with the little head chopper. Old diaries and letters show that even the young sons and daughters of the royalty imprisoned in the Bastille with their parents enjoyed the interesting toy—little realizing the import it had on their own lives!

Here in America, progress was recorded through toys. When Benjamin Franklin invented the still efficient Franklin stove, toy models of the stove were popular with children. Fulton's steamboat, the sewing machine, the telephone, all the new inventions of scientific progress were repeated in children's toys.

And now, in these Twentieth-Century days, toys still imitate real life. For the kids nowadays play cowboy and rocket-ship. They have their own uranium-finding gadgets, model planes, helicopters and automobiles.

In fact, children demand one thing of their toys and that is realism. They are quick to spot a plaything that is not as much like the adult model as possible.

And years from now, says F. A. O. Schwarz, the current events of today can be retold through the fascinating parade of toys.

fairly close. William A. Jackson finally nosed out Harry N. Gath Jr., by a vote of 1196 to 942, with Robert E. Womboldt, William J. Robinson and William R. O'Connell following in that order.

In the Ward 4 contest, Alderman Harold B. Buse won his contest handily over Anthony J. McLaughlin, while in the Ward 7 contest, Alderman Paul S. Rich buried his opponent, Edmund J. Cully by a 1187 to 282 vote.

Gordon B. Russell defeated Mrs. Dora Balos in the Ward 7 School Committee contest by a vote of 7,547 to 4,385.

Autoists Should Watch for Children "Hiding" Near Sts.

Chief Philip Purcell asked parents and automobilists to co-operate with the Newton Police Department in avoiding accidents to children who may be "hiding" at the edge of the highways.

"This is the time of year when little tots and even young children think it fun to play in the piles of leaves that have been raked up along the gutters, in back alleys, and even near driveways in home yards," said Chief Purcell. "This hiding practice by children also includes boxes, water pipes and shallow ditches being used in roadway construction."

"Car drivers should alert themselves to this kind of seasonal hazard and refrain from driving too close to leaf piles and certainly never through them. Someone's precious child may be hiding there, eclipsed from view, or jump out just as the car approaches, with insufficient time to dash to safety and out of the path of the oncoming car. Give them all wide clearance and avoid possible tragedy."

"Heartbreaking accidents of this kind happen every fall," Chief Purcell explained. "We can eliminate them in the future if parents will also co-operate."

not only by warning their children not to play in leaf piles but by making sure that they don't — except when these piles are located completely away from any possible driving hazard. As adults we must think for these children and as parents we must teach them to avoid getting into situations and places which might result in injury to themselves or others."

Mr. George Macomber was elected one of two vice presidents of the U. S. Eastern Amateur Ski Association at the 30th annual convention at Brattleboro, Vt., over the week end. The Association is the governing body of the sport for every snow state east of Ohio. More than 200 ski clubs, comprising some 20,000 skiers were represented at the convention.

Book Fair to Be at Annual Open House

The Oak Hill School PTA is sponsoring a Book Fair at the annual Open House next Tuesday. Over 350 of the very latest children's books, children's classics and books for adults will be on display in the kindergarten room of the Oak Hill School.

The fair will be open from seven to ten o'clock in the evening during the Open House hours as well as from one to three in the afternoon. Orders will be taken for any book in the exhibit or for any other books you may wish to buy. Payment must accompany each order and the PTA will receive a percentage of the total sales.

This fair provides an opportunity to see the very latest books for children as well as to help the PTA treasury. Give books for Christmas this year.

Joseph Earl Perry To Give Talk Nov. 14

Joseph Earl Perry, Vice-President of The American Bankers' Association, will lecture on "We're All in This Together" at a meeting of the Oak Hill Park Women's Club. The meeting will take place at the Memorial School in Oak Hill Park, Wednesday evening, November 14 at 8:00 p.m., and is open to all who wish to attend.

Mr. Perry speaks through the courtesy of the Newton Bankers Association and the Newton Savings Bank. He is in great demand as a lecturer on current topics and is particularly noted for his speech made at a meeting of the New York Bankers' Association entitled "Getting Down to Bedrock," a speech which was recorded and broadcast over "Voice of America" throughout Europe and Asia.

Mrs. Emidio A. DeLollis will be hostess and at the end of the evening, refreshments will be served and a silver collection taken for Veterans' Christmas Bazaar. October 20, residents of Oak Hill Park combined forces to plant some seven or eight hundred bulbs in front of the Oak Hill Park Memorial School. The beds were prepared by the Department of Forestry of the City of Newton and subsequently the bulbs were tagged in order to be identified by the children of the school in the Spring. It has been announced that a maintenance crew will be appointed and they will see that replacements and additions are made as needed.

The plants were obtained with funds raised by a bulb sale held jointly by the Garden Committee of the Oak Hill Park Women's Club and the Oak Hill Park Association. The cooperation of Winslow Nurseries made the sale successful and in turn, the peonies, tulips and narcissus were given to the school at the lowest possible cost at no profit to Winslow Nurseries.

The following people kindly donated their time toward beautifying the school: Mrs. Richard Berry; Mr. and Mrs. Melvin Darak; Mrs. Walter Hurley; Mrs. Henry Pollard; Mr. Robert Townsend; Mr. and Mrs. Frederick Wood.

Over 1000 Children Attend Concert By Members of Symphony Orchestra

Over 1,000 enthusiastic children from the elementary schools in Newton attended the concert given by members of the Boston Symphony Orchestra in the Newton High School Auditorium last Saturday. The first of a series of entertainments to be sponsored by the Newton Council of Parent-Teacher Associations, the concert brought the music of Mozart, Kleinsinger, Hayden and Prako-fieff to the level of children's enjoyment through the interpretations of Harry Dubbs, conductor; the Dennison Puppeteers; Roger Voisin, trumpeter; James Remley, narrator and 25 members of the orchestra. The response on the part of schools, parents, and children to this innovation in children's entertainment in Newton was so great that the council feels justified in making definite the plans for future programs to be given in the winter and spring.

Arrangements were made by the Children's Entertainment Committee composed of E. Leslie Robert, chairman; Benjamin Bereson, Duncan Edmonds, Mrs. Edward F. Horovitz, Leonard Kaplan, George Koller, Mrs. Bernard Marglin, Mrs. Sylvester McGinn, Mrs. Martin S. Newman, Mrs. J. Lawrence Oncley, Mrs. E. Tyler Parkhurst, Horace U. Ransom, Jr., Mrs. Edward F. Roberts and Mrs. Abe L. Rothstein.

The low admission price for the concert was made possible by the generous contributions of the following: The Newton Chamber of Commerce, Doelcam Corporation, New England Advertising, Inc., Raytheon Manufacturing Company, Reiss Associates, Rose-Derry Corporation, Security Mills, Inc., and Stowe-Woodward, Inc.

Church of Messiah Breaks Ground For New Sunday School Building

Six years of plans and hopes were culminated Sunday when the Church of the Messiah, Abundant, broke ground for an urgently needed Sunday School building.

Surrounded by Mayor Theodore R. Lockwood, church and building officials, the choir, the congregation and the younger members of the church school, Rev. Frederick W. Rapp, rector, dug the first shovel of ground on which the proposed one-room building will be erected. The 91 by 41 foot edifice will be of masonry structure, have movable partitions and a seating capacity of 300.

Mayor Lockwood, after helping to break the ground, declared his appreciation of the necessity for providing larger quarters for an ever-growing church school membership, not only in the Church of the Messiah, but in all 47 Newton churches.

After the Mayor, the following officials assisted in the ground breaking: Senior Warden Allen Ensign, Frederick B. Jackson, chairman of the construction committee; Sunday School Superintendent Mrs. Lyman Hibbs, Junior Warden Joseph Hibbs, members of the vestry including Clifford Beecher, Paul Tardivel, Robert Wilkes, Clarence Bierman, Russell Cook, Raymond Wass, Raymond Wenden, William Jackson, Lyman Beggs and Alan Eldredge, construction committee, the Rt. Rev. G. W. Davenport, retired bishop of the diocese of Eastern Maryland, and Maurice Beardsley, 92, oldest members of the parish.

Construction will begin this week and take approximately five weeks for completion. Leslie Ford is the architect and Donald Tait of Belmont the contractor.

Ice Skates Needed For Youngsters

This year, the children of the Frank F. Carr School in Newtonville will again be skating at the Boston Skating Club from 1 to 2 p.m. on each Thursday, beginning December 6.

If you have any ice skates, either boys or girls, which you would like to donate to the school, you please call Mrs. R. C. Scott at DEatur 2-2166?

Survey of Jewish History to Be Given

As part of its School of Jewish Studies, the Adult Education Committee of Temple Emanuel, Newton Centre, headed by Mr. Clarence Jacobson, announces that a course entitled, "The Romance of People" will be presented.

Given by the spiritual leader of the Temple, Dr. Albert I. Gordon, the course is a survey of Jewish history from the year 586 B.C.E. to 70 C.E. It is designed to acquaint the student with a more detailed knowledge of a period in Jewish life which bears striking resemblance to our own day. The course will be given from 9 to 10 p.m. in the Temple Auditorium, and is open to all adults.

On November 14, Dr. Ira Eisenstein of New York City will deliver the second of two lectures in the course, "Religion's Role in a World in Crisis." His subject will be, "Religion and Social Action." This lecture, to be followed by discussion, will take place from 8 to 9 p.m.

Three courses in Hebrew for Beginner, Intermediate and Advanced students, will be offered from 8 to 9 p.m.

Start Use of Tokens On MTA Saturday

At 5 a.m. Saturday of this week M.T.A. riders will start using tokens to pay their 15-cent fares.

At that time, passimeters which will now accept only tokens, will again be put into use at rapid transit stations.

Beginning Saturday at rapid transit stations cash fares can be paid only at the cash fare boxes adjacent to the collectors' booths.

Passengers paying their fares on the surface lines will be able to do so by use of either cash or tokens.

The method of collecting the 10-cent charge for local rides on surface lines, without transfer privilege, will be unchanged. The method of issuing and collecting transfers and pupils' tickets will also remain as at present.

Because passimeters can only be operated with tokens, the M.T.A. has conducted a widespread advance sale during the past several days.

Tokens are on sale at the more than 100 collectors' booths. At a number of stations, special booths for the sale of tokens are open during rush hours. A booth is also open on the Comm week days from 8 a.m. to 10 a.m., and from noon until 6 p.m.

Mr. and Mrs. Stanley Rosoff (Doris Cline) of 57 Lorna road, are parents of a third child, first son, Ronald Stuart Rosoff, born Sept. 27. Mr. and Mrs. Hyman E. Cline of 37 Grayson road and Mr. and Mrs. Thomas Rosoff of Brookline are the grandparents.

Miss Pamela Hall, daughter of Mr. and Mrs. Norman A. Hall of 10 Howe road, is among the debutantes elected to provisional membership in the Vincent Club and is also a provisional member of the Junior League. She was graduated from Beaver Country Day School and is a freshman at Wellesley College.

Conference to Be Held by Newton Council of Churches

Last Thursday evening the special Steering Committee of the Newton Council of Churches, appointed by President Edmund S. Whitten at the annual meeting last May to review the past five years of the Council's activities and make recommendations for the future, held its first meeting at the home of its Chairman, Mr. Ralph B. Emery, 15 Kenmore street, Newton Centre.

Among those present besides Mr. Emery were Rev. Joseph McDonald of the Union Church in Waban; Mr. Andrew Jauregui of Trinity Church, Newton Centre; Rev. H. D. Hawver, Newton Centre Methodist Church; Rev. Sydney Adams, Centenary Methodist Church of Auburndale and Rev. Richard Schoolmaster of St. Paul's Church in Newton Highlands. The Steering Committee also includes Dr. Wesner Fallow of Andover-Newton Theological Seminary; Rev. Randolph Merrill, Central Congregational Church, Newtonville; Lucius E. Thayer of the First Church, Newton Centre; Jess D. Traylor, Newton Centre Methodist Church.

It was decided that after intensive study of the several activities of the council by small committees that a conference of delegates from all member churches will be called which will break into panel groups to discuss the reports of the small committees and make recommendations which are later to be consolidated and presented at the annual mid-winter dinner meeting of the council.

Failure of Motorist to Give Signals Will Bring Fine

For nearly 7,250,000 licensed Massachusetts motorists, and all out-of-state motorists using Bay State highways, Tuesday, November 27, will mark the opening of a new era in highway safety and courtesy under which a driver must signal that he intends to stop or make a turn, or else face a possible \$25 fine.

The Casualty Insurance Companies Serving Massachusetts, representing the firms writing automobile liability insurance protection in the Commonwealth, has two reasons for calling the attention of motorists to the operative date of this new state law:

One is that if motorists cooperate and willingly comply with the new law, they undoubtedly will bring about a marked reduction in both rear-end and head-on collisions resulting in bodily injury and property damage.

The second is that if the new law does produce this long-sought reduction in motorist accidents, it is bound to be followed by a commensurate drop in automobile insurance rates, both for compulsory (bodily injury) and property damage coverage.

The new law simply provides that a driver, when intending to stop or make a left or right turn on the highway, must make known his intention to other motorists on the road, either by arm and hand signals or by mechanical flashing signals installed on the front and rear of his car.

The requirement that drivers must make hand signals has been in the regulations of the Registry of Motor Vehicles for many years, but up to now failure to comply has meant only a warning or at worst a possible suspension of one's driving license.

Furthermore the old regulation applied only to state highways, whereas the new law applies to all highways in Massachusetts. Under the new law, an offender is liable to a \$25 fine for the first offense, \$50 for the second offense and \$100 for the third offense, if occurring within the period of one year.

Although it is not necessary to do so, thousands of motorists already are using the mechanical flashing signals or are having them installed on their cars. On some new cars the mechanical signals come already attached to the front and rear of the vehicle as standard equipment. On other makes such equipment is optional, costing from approximately \$10 to \$12. The installation on older cars not wired for the purpose runs from about \$20 to \$25.

For motorists who do not desire to use the mechanical flashing signals, the new law requires that hand and arm signals must be made as follows:

1. An intention to stop shall be indicated by extending the arm horizontally to the left of and beyond the side of the vehicle.

2. An intention to turn to the left shall be indicated by extending the arm horizontally to the left of and beyond the side of the vehicle and by moving the index finger to the left.

Massachusetts motorists when traveling through other New England states, also must remember to conduct themselves in this respect as though they were on home ground. All New England states except Maine now have laws similar to the statute that will become operative in Massachusetts on November 27.

Mayor Sets Aside November 12-22 For CARE Aid to Koreans

Mayor Theodore R. Lockwood in a proclamation issued this week, has set aside November 12 to 22, as Women's Federation "Care-for-Korea-Weeks" in Newton in keeping with a national campaign for funds to be launched by the General Federation of Women's Clubs to send CARE packages of food, warm blankets and clothing textiles to South Korea's war-stricken civilians.

In his proclamation, Mayor Lockwood stated:

"The General Federation of Women's Clubs is about to launch a national campaign for funds to send CARE packages of food, warm blankets and clothing textiles to South Korea's war-stricken civilians.

"It is fitting that such a drive be held as Americans prepare to give thanks for the blessings we enjoy. In the past five years, CARE, the Cooperative for American Remittances to Europe, has brought our person-to-person aid to the people of many countries in Asia as well as Europe. Nowhere is CARE more needed today than in South Korea, where millions of war orphans and refugees are hungry, homeless and cold.

"Therefore, I, Theodore R. Lockwood, as Mayor of the City of Newton, consider it a privilege to proclaim that the period from November 12 to Thanksgiving Day be set aside as Women's Federation CARE-FOR-KOREA-WEEKS in this city.

"During this period, I urge our people to share our Thanksgiving bounty by contributing generously to the Federation campaign. We have sent our arms to keep Korea free. Now we must send CARE help, and hope, to our Korean friends, thus affirming our conviction that freedom must endure."

Rev. Adams to Be Exec. Secretary

At a special meeting of the executive committee of the Newton Church Council held on October 24, the Rev. Richard Schoolmaster of St. Paul's Church in Newton Highlands recommended that the responsibilities be temporarily assumed last April 15, following the resignation of the Rev. Richard McClinck as executive secretary of the council, be now divided.

The executive committee accepted this recommendation and elected the Rev. Sydney Adams, minister of the Centenary Methodist Church of Auburndale and of the Perrin Memorial Methodist Church in Newton Lower Falls, as executive secretary of the council. Rev. Schoolmaster will continue his effectual work as chaplain for the council at the Newton-Wellesley Hospital.

Hospital Trustees Hear Dr. Prather Describe Techniques in Urology

Waban Man Heads Committee of N. E. Carpet Club

Arthur Saklad, Waban, Sales Manager of the Ben Elman Carpet Co., is working on the committee arranging the annual dinner-dance of the New England Carpet Club, the oldest such group in the United States. The affair will be held at the Bradford Hotel Wednesday evening (Nov. 7).

Greater Boston manufacturers, wholesalers and retailers are members of the organization. More than 300 are expected to attend the affair.

Saklad is president of the Club. Other officers are: Jack Paine, Norwood, vice president; and Gordon Swan, Weymouth, secretary-treasurer.

Jaynes League to Hold TV Party

Miss Sandra Adler, 130 Washington street, Newton, will be hostess to the Jaynes League for a TV party at 7 o'clock Sunday evening.

The November schedule of activities for the West Newton Unitarian branch of AUJ started with movies at the parish house, followed by refreshments at the home of the sponsors, Mr. and Mrs. John F. Carroll, Upland road, Waltham.

On Sunday evening, November 18, Dr. Morris H. Adler will address the Jaynes League at the West Newton Unitarian parish house on "Prejudice."

On Sunday, November 25, the West Newton AUJ-ers will join other groups in the South Middlesex area for a Federation meeting at the Melrose Unitarian Church. Rudolf Amann is president of the Jaynes League. The November committee comprises Margo, Callard, Dean Ellis and Brownley Gaud.

Mr. and Mrs. Henry Whitmore Jr., 31 Sterling road, West Newton, will be hosts to the Couples' Club of the West Newton Unitarian Church for dessert and the social evening following the progressive supper to be held Friday, Nov. 16. Reservations must be made by November 10 with the presidents, Mr. and Mrs. Robert L. Townsend, in order to assign the couples to assorted houses for the first two courses of the supper.

Newton

Miss Nancy M. Whitman of Brookline, will play the leading part in "The Newton Players' Inc. Production, 'Traveller's Joy,' a three-act comedy to be presented November 30 and December 1 at the Newton High School.

Participating in the first full-scale exercises in the Atlantic since the start of the Korean conflict is Graydon S. Murphy, fireman, USN, son of Mr. and Mrs. Harold J. Murphy of 36 Maple avenue, Newton.

At the regular meeting of the Board of Trustees of Newton-Wellesley Hospital, held October 30, at Usen Auditorium at the hospital, the trustees had the pleasure of listening to an enlightening talk on diagnostic technique in the medical specialty of Urology, given by Dr. George Prather, Chief of Urology on the hospital's medical staff.

Illustrating his talk with typical X-Ray pictures showing that section of medical geography to which this specialty is confined, Dr. Prather also demonstrated the use of the cystoscope, a diagnostic instrument which permits accurately refined diagnosis. He also described the value of certain laboratory tests and procedures.

Dr. T. Stewart Hamilton, hospital director, presented an interesting case, following the treatment and recovery of an eight year old patient who was brought back to full health following an attack of tetanus. Dr. Hamilton's presentation showed how the services of the hospital were mobilized to save this boy's life, regardless of cost.

A moving tribute to Mrs. Endicott P. Saltonstall, for 47 years a member of the Board of Trustees, prior to her death, was read and it was voted that a copy be sent to her surviving daughter, Mr. Wesley Sprague, assistant administrator, announced that the hospital employees had reached 100% of their goal in the 1952 Community Chest Drive.

Dr. Richard I. Smith, Chief of the hospital's Surgical Staff, read an amusing report in which he highlighted the inherent dangers that face every hospital in its daily operation. He remarked that fortunately the local hospital had suffered from few of the mishaps that hang as a constant threat in the background.

Mrs. Robert W. Moore Jr., President of the Hospital Aid reported the donation of seven scholarships and read an interesting account of the recent American Hospital Association Convention, held in St. Louis, which was attended by herself and Dr. Hamilton.

The reports of the treasurer and the Investment Committee, offered by Messrs. Chapman and Dunker, respectively, noted a favorable financial picture for the hospital, with revenues on the gain and a high census during recent months.

Miss Myrtice L. Fuller, Director of Nursing, remarked on the admission of the largest single class to the school of nursing, completion of new training facilities and a shortage of graduate nurses to staff the hospital. Because of the staff shortages, payments for salaries have been below anticipated costs.

Several new appointments to the staff were announced and the trustees noted, with regret, the resignation of Dr. Walter Burage.

Waban

John H. Underhill, Jr., a resident of Waban, and associated with the Herbert W. Florer General Agency of the Aetna Life Insurance Company at Boston, is attending a special training course at the company's home office, Hartford, Conn.

Sixteen Boys Are Initiated by Pack 9

The monthly pack meeting of Angier Cub Pack 9 held recently at Angier School, opened with the initiation of sixteen new boys as Bobcats, the first rank in Cubbing. Attended by their parents, the boys received the Bobcat pin, and the right to wear their neckerchiefs. In charge of the pack meeting was Edward C. Uhlein, chairman of the Cub Committee assisted by Irving Wolf and David Schulman, Pack 9 committeemen.

Boys receiving their Bobcat pins included all members of Den 10; Deke Hurst, Robert McCormack, Philip Palicou, David Shaw, Peter Campbell, John Walker, John Forrest, and Jim Davis. Other Cubs who were made Bobcats were Danny Grossman, Steven Sugarman, Den 8; Michael Vose, Den 6; Martin Leshofsky, Den 6; and Harvey Struthers, Gerry Berman, Walter Kelley, and Stephen Beebe, Den 14.

On the program for the evening was the presentation of a puppet show given by each den. The best stage award was won by Den 8; Den 14 received the honors for best original skit; and Leo A. Duncan was awarded a prize for the best puppet.

Announcement was made of the adoption of an honor award system of attendance. Based on attendance at pack meetings, an honor den for each month will be named. November honors went to Den 10.

Musical Club To Meet November 15

The Thursday Morning Musical Club will hold a meeting November 15, at the home of Miss Elsie Coolidge, 208 Belmont street, Watertown, at 10:30 a.m.

The program will be in charge of Emily D'Urso of Watertown and Esther M. Tripp of West Newton, soprano, will sing a group of songs by Mozart and an English group. She will be accompanied by Helen Somerville, of Newton Highlands. In addition, Maria Moscardini of Arlington, pianist, will present a group by Mendelssohn, Chopin and MacDowell.

Church of the Open Word, Newtonville, 9:45 a.m., Sunday School, 10:00 a.m., Adult Class, 11:00 a.m. Morning Worship. Mr. Calvin Turley will conduct the services.

Asks Support Of Christmas Seal Sale

Mayor Lockwood Asks All To Aid Rehabilitation Of Tuberculosis Patients
SALE OPENS MONDAY

A proclamation urging Newton residents to purchase and use Christmas seals was issued today by Mayor Theodore R. Lockwood. The Christmas seal season extends from November 19 to December 25. The Christmas seal sale is conducted by the Newton Tuberculosis and Health Association which depends entirely on the sale of seals for the support of all its activities.

Mayor Lockwood said, "Although the appeal for funds is made only once a year, the Newton Tuberculosis and Health Association carries on a year-round program in tuberculosis control. A major portion of its program is the rehabilitation of tuberculosis patients who receive an opportunity to select and train for vocations which will be both satisfying and safe. By purchasing and using Christmas seals we are contributing directly to this invaluable work."

The Mayor pointed out further that the association cooperates with the state and local health departments in presenting free chest X-rays to Newton adults. By doing so, unsuspected cases of tuberculosis are discovered while they are still curable and before they spread their germs to others. Christmas seal money also contributes to medical research and health education in our community.

Mechanical or Arm Signals Must Be Used at All Times

It cannot be emphasized too often, that starting November 27, every operator of a motor vehicle on the highways of Massachusetts must observe the law relating to hand signals, or be subject to a heavy fine.

Chapter 649 of the Acts of 1951, effective November 27, states: "Every person operating a motor vehicle, before stopping said vehicle or making any turning movement which would affect the operation of any other vehicle, shall give a plainly visible signal either by means of the hand and arm in the manner hereinafter specified or by a suitable mechanical or electrical device or devices. Hand arm signals shall be made as follows:

"Any intention to stop shall be indicated by extending the arm horizontally to the left of and beyond the side of the vehicle.

"An intention to turn to the left shall be indicated by extending the arm horizontally to the left of and beyond the side of the vehicle.

Local Teachers to Give Blood Drive Whole-hearted Aid

Are Well Aware of The Urgent Need of Armed Forces

The Newton Teachers Federation has given the Newton Chapter Red Cross Blood Program their whole-hearted support. Mr. Frederick O. Holmes, President of the Newton Teachers Federation stated that the teachers of the Newton Public Schools are well aware of the urgent need for blood for the armed forces and submitted to the Newton Chapter the names of well over one hundred teachers as potential blood donors for the coming visits of the Red Cross Bloodmobile in Newton.

Red Cross officials are grateful to the teachers of Newton for their interest and co-operation in the Blood Program and hope that all civic minded citizens will also offer their life blood to help save the lives of our wounded men in Korea.

The next visit of the Red Cross Bloodmobile will take place at the Memorial School, Oak Hill Park, November 19 from 1 p.m. to 7 p.m. Please make your appointment with the Red Cross, LA-76000 or BI-9590, and please keep it!

MODEL OF PROPOSED "NEIGHBORHOOD SCHOOL" which will be constructed on Murray road, Auburndale. Work on the school is expected to begin immediately so that it will be ready for occupancy in September, 1952. A. B. Sziklas of West Newton, is the designer of the school.

Neighborhood School To Be Ready Next September

It has been announced by Arthur Campbell, Public Buildings Commissioner, that the contract for the construction of the new elementary school on Murray road, Auburndale, has been awarded to J. F. Rand & Son of Boston.

Austrian Students To Give Concert Here This Evening

Touring America to Learn About Other Nations and People

A group of Austrian university students and teachers now conducting a good will tour in the United States, will present a concert at Newton College of the Sacred Heart this evening (Thursday) at 7:15 o'clock.

Dr. Susanne Polsterer, who is Art Director and Mistress of Ceremonies of the group as well as chief performer, says that the aim of the tour is to enable the young people of her own country to learn as much as possible about other nations, their ways of living and thinking, so that Austria may eventually resume its historical position as mediator between the Germanic and Latin nations of the Western World and the Slav peoples of the Eastern World.

In 1919, thirty Austrians took part in the first Singing and Dancing Tour of America, visiting 32 states and two Canadian provinces and playing in 82 cities. They made 78 radio and 20 television broadcasts. Among patrons of the present tour are the UNESCO Commission for Austria and the United States National Student Association.

Austrian folk songs, folk dances and instrumental music will be part of the performance, presented in gay national costumes, by this distinguished group, many of whom are teachers as well as advanced students. Dr.

Says Government Must Have Support of Its Citizens

In a talk before the Newton Red Feather Agency Executive Group at the Newton Y.M.C.A., last week, Harold T. Pillsbury, municipal research director stated that a city "must have the support and good will of its citizens and to do just that, to better know the end-result which concerns current practices or the gauging of trends and the projection of a city into the future, and all the phases of municipal operations, knowledge, facts and figures of quality must be gathered with interest, for improved opinions, judgment and decisions. Such a course vibrates throughout the Executive Department of Newton's city government."

Continuing, Mr. Pillsbury said: "We are organized to put time and effort into study, research and across the desk discussions—to keep the City abreast of the times in new methods frequently including the lowering costs.

"Each decade has posed its own problems for local governments. We are not concerned today with declining property values, increasing tax delinquency, increasing unemployment and increasing relief rolls. We are concerned, however, with increasing costs that accompany a war or semi-war economy with many new homes and 15,000 new citizens with an increasing birth rate that fills our schools, with a decreasing death rate that increases welfare and health services, with shorter work weeks that increase demands for recreational services."

—SUPPORT—
(Continued on Page 6)

The original proposal was \$291,831.00, but this has been reduced because of Federal government restrictions on the use of critical materials to \$273,774.00. Construction is scheduled to commence immediately so that the building will be ready for occupancy in September, 1952. The designer, A. B. Sziklas of West Newton, describes the building as follows:

The new school will be of the so-called "neighborhood" type, containing class rooms for the four lower grades and a kindergarten. It will be located on the west side of Murray road, opposite Cumberland avenue, on the high side of the street. Taking advantage of the sloping ground, a spacious playground was placed on the ground floor at the lower level.

Classrooms, kindergarten and administrative offices will be all on one floor, in keeping with the trend of the times. The design provides for maximum natural light, one entire wall of each class room being all window. At the same time, the designer aimed at giving the building a character blending with the residential neighborhood. To this end, used fieldstone for walls and terraces, flagstone paving for terraces and steps, and casements for windows. Care has also been taken to preserve the many fine old trees on the grounds, by locating the building and walks, so that the trees may remain.

The main entrance opposite Cumberland avenue will open on a lobby that extends through the depth of the building and will lead to the playground located at the interior of the lot, above and away from the street. Corridors radiate from the lobby, standing at the center of which one will be able to see all doors and entrances to the entire building. The kindergarten wing and the

Ban on All Night Parking to Start

In order that there will be no interference with snow removal this year, Chief Philip Purcell of the Police Department states that the annual campaign to halt all night parking on the streets will soon be put in effect.

First offenders will find courtesy cards on their automobiles listing the traffic regulations, while second offenders will be tagged, Chief Purcell stated. Parked cars which interfere with snow removal operations may be towed away at the owners' expense.

Courtesy cards to be issued will contain the following information: "City of Newton Traffic Regulations. Article V: Vehicles found violating any of the provisions in this section may be moved by or under the direction of an officer, and at the expense of the owner, to a place where parking is allowed.

"Article V: No all night parking. It shall be unlawful for the driver of any vehicle other than one acting in an emergency to park in the street for a period of time longer than one hour between 2 a. m. and 6 a. m. on any day.

Casting-Rehearsals Under Way for Musical Review

N-W Hospital Aid Ass'n Play to Be Held Next Month

Casting and rehearsals are currently in progress for the musical review, "Insomniacs of 1951," which will be presented under the auspices of the Newton-Wellesley Hospital Aid Association, Inc., at Newton High School, December 5, 6 and 7. Announcing satisfaction with progress to date, Torrey McKenny, producing director, expresses appreciation of the efforts of Mrs. James C. Munro of Wellesley and her talent committee in rounding up an impressive array of singing, dancing and dramatic talent.

Composed of from 23 to 30 scenes, skits and blarney, the review will highlight outstanding hits in the past 50 years of the theatre and will include production numbers, dance routines and musical features. Mr. McKenny has already been busily rehearsing his chorus lines in such well-known dance routines as "The Black Bottom," "The Varsity Drag," "The Shimmy," and material based upon the style of the immortal Castles.

Feature assignments have already been made in certain cases, and Mr. Norman Dow, well-known local tenor will appear in several numbers. Appearing with him, in the title number from "The Girl Friend," is Mrs. Edward Risman of W.

A Hospital Pays Tribute

At the last meeting of the trustees of the Newton-Wellesley Hospital, the following resolution, paying tribute to the late Mrs. Endicott P. Saltonstall, was recorded:

"Seldom, if ever, in its history has this hospital sustained so serious a loss in its official family as it has recently through the death of Mrs. Endicott P. Saltonstall.

"Up to the time of her last illness she served continuously as a trustee from the year 1904, a period of forty-seven years. She was a member of the Board of Governors from 1929 to 1938 and acted as its secretary from 1931 to 1933. In addition to these responsibilities, she was one of a committee of three charged with administering the fund given by Mrs. Allston Burr for the recreation and welfare of our nurses, and from time to time she was called upon for counsel and activities in the furnishing and decorating of the new Nurses' Home.

"She was of great assistance, too, in the raising of funds for several additions to the hospital buildings and gave valuable counsel and personal effort to such undertakings.

"She was an indefatigable worker for good government in city, state and nation.

"During a large part of her period of service, she suffered from certain physical disabilities, but surmounted these with unfailing courage and cheerfulness. There was in her character an almost unique combination of serious judgment and delightful humor, or conscientious devotion to the service to which this institution is dedicated and forgiving realization of limitations and imperfections in it, of dignity and simplicity, of the knowledge of a distinguished family background and a democratic friendliness, of directness of speech with graciousness of manner.

"She had the soundness of oak and the refreshing cheer of an ocean breeze. Her memory will linger with us as an inspiration."

Dr. Ray Bragg to Speak at Temple Emanuel Nov. 21

Noted Unitarian To Talk on Faith And Deed in Crisis

Continuing the Wednesday evening lecture series entitled, "Religion's Role in a World in Crisis," Dr. Raymond B. Bragg, executive director of the Unitarian Service Committee, will speak at Temple Emanuel, 385 Ward street, Newton Centre, November 21 at 8 p.m. Dr. Bragg is a noted Unitarian leader who, prior to his assumption of his present office, held pastorates in Evanston, Ill., and Minneapolis, Minn. Dr. Bragg's theme will be "Faith and Deed in Time of Crisis."

Three Hebrew courses for beginner, intermediate and advanced students are also being offered from 8 to 9 p.m. Dr. Albert I. Gordon continues his series of lectures on Jewish history from 9 to 10 p.m.; on November 21, Dr. Gordon will speak on the Babylonian exile.

Copy Must Be Sent In Early for Next Week's Issue

Because next Thursday is Thanksgiving, The Graphic will go to press earlier than usual in order to insure delivery of the issue next Wednesday.

All correspondents and advertisers are urged to send in their material as early as possible, starting today, if possible. The deadline for news next week will be Monday night at 5 o'clock, and for advertising copy, 12 noon Tuesday.

Please make every effort to co-operate with us so that we may give your material the attention it merits.

Transfer of State Funds To Increase Tax Rates Mayor Asks All Municipalities to Protest Contemplated Action by Legislature

Mayor Theodore R. Lockwood, in a communication last week to all Mayors in the State, urged them to take positive action in opposing the transfer of \$3,286,310 from the income tax to the State general fund, as contemplated by the Legislature.

He pointed out that if this bill is passed all communities will be effected and such action will result in increased tax burdens by the municipalities of the State. "Newton will be nicked some \$86,000," he stated should this proposal pass.

In his communication, Mayor Lockwood stated:

"The supplementary budget, which has passed the House and is now pending in the Senate, carries an inconspicuous item which would transfer \$3,286,310 from the income tax to the State general fund to finance the State appropriation for vocational education.

"This transfer is in fact a concealed State tax on cities and towns. It will reduce the income tax distribution by that amount in order to help balance the State budget and get the State out of its present tax difficulties.

"The effect of the measure would be to increase average local tax rates by almost half a dollar.

"This means that Newton will be nicked some \$86,000. Some cities will be hit harder, some lighter; but these days we all need all assistance possible and that is my object in alerting you.

"Be sure to reach your Senator immediately, and tell your Representatives also."

Sunday to Mark Eleventh United Church Canvass

Church Members Urged to Be Home To Aid Canvassers

Sunday marks the 11th Newton United Church Canvass and for the sixth consecutive year the Newton Church Council is sponsoring the Newton United Church Canvass which originated here November 30, 1941.

The 26 member churches of the Newton Council hold their canvass on this Sunday, or some other Sunday in November if possible. A very few hold it on another date for fiscal reasons making it more convenient. Several churches, not Council members, either hold their canvass the same day with the Council members, or cooperate in calling the attention of their congregations to the city-wide effort.

Chairman William A. Jackson of Auburndale has made this call: "You are urged to be at home this Sunday afternoon, November 18, to receive the canvasser from your church who will call on you for your church pledge, unless your finance committee has some other pledge program. In any case, support your church generously in its call for funds for local, home and foreign needs."

The new executive secretary of the Newton Church Council, the Rev. Sydney Adams, asked to be quoted as follows: "Your church ought to have first call

Veteran Organizations Hold 2 Major Armistice Ceremonies

Armistice Day was observed by Newton this year with two major ceremonies. Sunday morning there was a memorial mass at Our Lady's Church and Monday morning Newton Post 48, American Legion, sponsored a memorial service in the Hall of Flags in the War Memorial Building on Commonwealth avenue.

Sunday veterans groups of the city met in the school yard behind Our Lady's Church and marched to the Church for the service. The Holy Name Society, Knights of Columbus, I-I-A-O-American Veterans, Post 48 and other veterans organizations met at 7:30 that morning. The mass began at 8 o'clock.

Representative Christian A. Herter, Jr., was the principal speaker at the memorial service in the War Memorial Monday morning. The program was sponsored by Newton Post 48 and all veterans organizations.

The program began with posting of the colors by Carmel Tempesta, Post 48, Sergeant-at-Arms, Bruce Parker sounded "to the colors."

The invocation was given by Rev. Daniel F. X. O'Connor, S. J., chaplain of Post 48. Commander Peirce Gaddis delivered the in-

troduction followed by a solo, "Beyond the Sunset," sung by Mrs. Mary Regan.

Following Representative Herter's address, Commander Gaddis placed a floral tribute and Bruce Parker sounded taps. The benediction was delivered by Rev. O'Connor.

The Honor Guard consisted of Commanders of other veterans organizations.

The invocation was given by Rev. Daniel F. X. O'Connor, S. J., chaplain of Post 48. Commander Peirce Gaddis delivered the in-

"Is Freedom Dangerous?" Panel Topic

Discussion on Subject To Be Debated at Meeting Tuesday Night

TO BE HELD AT H.S.

"Is Freedom Dangerous?" will be the subject of a panel discussion featuring three outstanding men and a woman moderator, sponsored by the League of Women Voters of Newton, next Tuesday evening at 8 o'clock at the Newton High School.

The speakers will be Professor Zachariah Chafee, Jr., of the Harvard Law School, famous authority in the field of civil liberties; Ralph Blagden, chief editorial writer of the Boston Traveler, and Representative James O'Dea, of the 15th Middlesex District, now serving a second term in the Massachusetts State Legislature. Moderator of the panel will be the Hon. Jennie Loitman Barron of the Boston Municipal Court, only full-time woman judge in the state.

"Is there a conflict between the bill of rights and internal security?" "What becomes of civil liberties in a time of crisis?" Should we protect the freedom of those who are the most vigorous critics of American democracy?"

These will be among the vital questions discussed by the panel speakers, who will also answer questions from the audience, according to a statement by Mrs. James H. Lewis, chairman of the League Lecture Committee.

Tickets and further information may be secured from Mrs. Walter M. Pife of 44 Lakewood road, Newton Highlands.

Dr. Richard Roche Promoted to Rank Of Captain

Dr. Richard J. Roche of the Sampson Air Force Base Hospital has been promoted to the rank of captain. It was announced by Air Training-Command Headquarters.

Prior to his assignment to this base last June, Capt. Roche was an interne at Chatham Air Force Base, Ill.

Capt. Roche graduated from Boston College with a Bachelor of Science degree, and received his M.D. from Tufts Medical School.

Married and the father of three children, he makes his home at 71 Fairway drive, West Newton.

Local Problems, Policies to Be Considered

Executive directors of all Massachusetts local taxpayers Associations will meet Friday, November 16, at Quincy to discuss local policies and problems.

Loren F. Muther, Jr., Newton Association director, is in charge of the program which will center around the connection of taxpayers associations with city manager charters and campaigns together with the relationships developed in cities and towns where manager forms of government have been adopted.

Miss Lois P. Jenks, Mr. Philip W. Powers, Wed at First Church, Newton

At a candlelight service last Saturday afternoon in the First Church in Newton, Newton Centre, Miss Lois Paterson Jenks, daughter of Mr. and Mrs. Harold Persson Jenks of Newton Centre, became the bride of Mr. Philip Whittemore Powers, son of Mrs. Thomas Broun Powers, also of Newton Centre, and the late Mr. Powers. The Rev. Vaughan Dabney and the Rev. Russell M. Boynton performed the 3:30 ceremony in a setting of chrysanthemums and white chrysanthemums, and a reception followed in the parish house.

The bride, given in marriage by her father, wore a gown of candlelight Chantilly lace. The fitted bodice had a Queen Anne collar and long sleeves, and the bouffant skirt ended in a cathedral train. Her veil of imported French illusion was attached to a lace bonnet and she carried a cascade of white orchids and white roses.

Mrs. James Murray Howe, 4th, of Cambridge, was the matron of honor. With her gown of shaded blue chiffon she wore matching mitts and carried a cascade of mixed yellow and burnt orange chrysanthemums to match her headress. The bridesmaids were Mrs. Herbert Bernard of Wellesley; Miss Naomi Harrington of Cambridge; Mrs. Thomas Broun Powers, Jr., of Newton Centre; and Mrs. Charles Foster of West-

ton. Miss Lissner is a graduate of the Dalton schools. Mr. Schultz was graduated from the Rivers Country Day School and from the Wharton School, University of Pennsylvania. During World War II he served with the U. S. Army. A December wedding is planned.

Square Dance to Be Held This Evening

Tonight (Thursday) at 8 o'clock, Newton Lodge 92, Independent Order of Odd Fellows, will hold the first of a series of square dances, the proceeds to be used for their Thanksgiving and Christmas Basket Fund. There will be door prizes and five turkeys will be given away.

Newton Lodge feels that the young folks of Newton are entitled to a place for good clean entertainment. If the response is great enough, these dances will be a regular feature throughout the winter months.

Engagement of Miss Edna Lundstrom, Formerly of N. Centre, Announced

The engagement of Miss Edna G. Lundstrom of Woodville, N. H., formerly of Newton Centre, daughter of Mrs. Hans W. Lundstrom of Allston, is announced to Mr. Francis P. Edes of Woodville, son of Major and Mrs. Samuel H. Edes of Newport, N. H.

Archbishop Cushing Officiates At Brennan-Drane Nuptial Saturday

With Archbishop Richard J. Cushing officiating, Miss Joan Elena Brennan, daughter of Mr. and Mrs. William P. Brennan of Newton Centre, was married there in the Sacred Heart Church last Saturday to Mr. Arthur Andrew Drane, son of Mr. Louis Drane of Chestnut Hill and the late Mrs. Drane.

The nuptial mass was celebrated by the Rev. Martin J. Dolphin, assisted by the Rev. Columba Sullivan, S.J., the Rev. Arthur McClory, the Rev. John Collins, S.J., and the Rev. George Sullivan.

The bride's ivory slipper satin gown had a bodice of Chantilly lace and her French illusion veil was attached to a lace cap. She carried stephanotis and orchids and was attended by her three

Ruth Carol Richman Marries Arnold Z. Mason At Hotel Bradford, Boston

Ruth Carol Richman, 101 Parker street, Newton Centre, became the bride of Arnold Z. Mason of Framingham in a wedding ceremony held on the roof of the Bradford Hotel, Boston, Wednesday, November 7.

The bride, daughter of Mr. and Mrs. Moses I. Richman, was given in marriage by her father. The bridegroom is the son of Mr. and Mrs. George Mason.

The bride wore a gown of white satin. Her maid of honor was Phyllis Rice, whose gown was blue.

Robert H. Mason was the best man and the ushers were Norman Richman, Summer Richman, Paul Weisenfeld, Robert Decker, Irwin Mason, Marvin Goldberg, Allen Goldberg and Avram Hammer.

The bride's mother wore a navy blue costume and the bridegroom's mother wore a dusty pink gown.

The couple is honeymooning in Washington and on their return will take up residence in Natick. The bride attended Bates College and the groom went to Decker Junior College in Worcester.

Miss Lorraine Stone Engaged to Mr. John C. Frederickson

Mr. and Mrs. Harold A. Stone of Millis announce the engagement of their daughter, Lorraine, to Mr. John C. Frederickson, son of Mrs. G. Harold Persson, West Newton, and the late Frederick S. Frederickson.

Miss Stone, a graduate of Bouve-Boston School of Physical Education, is a teacher at Warren Junior High School in West Newton. Mr. Frederickson is a Naval veteran of World War II. Formerly a student at Oberlin College in Ohio, he is now a senior majoring in psychology at Boston University, College of Liberal Arts.

A June wedding is planned.

Announce Engagement of Miss Alice L. Foster

Mr. and Mrs. Francis J. Foster of Newton Highlands, announce the engagement of their daughter, Miss Alice Louise Foster, to Mr. Allan Ralph Shaw, son of Mr. and Mrs. Ralph K. Shaw, also of Newton Highlands.

Miss Foster graduated from Westbrook Junior College in June and Mr. Shaw, a graduate of Tilton School, is now a senior at Wentworth Institute.

Gifts Donated for Children To Palestine Music Project

Samuel A. Eliot, a name immortal and synonymous with education and humanitarianism, only seven years ago founded the organization called, "Children to Palestine", a Christian initiated organization under Christian leadership primarily for the purpose of rescuing children of Jewish faith who were victimized mentally, physically and morally by the brutality, cruelty and barbaric savagery of the never-to-be forgotten Nazi terrorism.

Today this organization, headed by Dr. Edward Boynton, exists as a combined effort of Christians and Jews in America working indefatigably to locate these pitifully broken souls from over sixty countries in farm settlements in Israel.

Various projects are being formulated such as Operation Sports led by Bud Palmer whose aim is the collection of sports equipment for these refugee children.

Operation Music is a most vital force in the rehabilitation of these youngsters inasmuch as music, as statistically proven, has

Officials of the bank, members of the West Newton Community Service Club and Miss Adelaide Ball, 12th District director, will be guests of the day.

Hostesses for the dessert will be Mrs. William Coulton and Mrs. Martin McDonald.

Mrs. Donald Moody will preside over the business meeting and Mrs. Sydney Williamson will present Mr. Kehr.

Hold Progressive Supper Friday

Dr. and Mrs. Lowell V. Coulter, 244 Prince street, West Newton, Mr. and Mrs. Ernest W. Kuebler, 100 Valentine street, West Newton, and Mr. and Mrs. Robert L. Townsend, 1537 Washington street, West Newton, will open their homes for the appetizer course this Friday evening, when the Couples' Club of the West Newton Unitarian Church holds its novel progressive supper.

Hosts for the main course will be the Rev. and Mrs. John Ogden Fisher, 17 Somerset road, West Newton; Mr. and Mrs. John F. Carroll, Upland road, Waltham; and Mr. and Mrs. William L. Tisdell, 6 Rowe street, Auburndale.

For dessert and coffee, the entire Couples' Club group will gather later in the evening at the home of Mr. and Mrs. Henry Whitmore Jr., 31 Sterling street, West Newton.

The Couples' Club presidents, Mr. and Mrs. Robert L. Townsend, are in charge of the host-guest arrangements.

Open House to Be Held at Cabot and Claflin Schools

Today (Thursday) an Open House will be held at the Cabot School and a very interesting program is planned for parents and friends. An exhibit of various teaching aids, now being used in the school, will be held in the Cabot School auditorium at 7:30 p.m. This portion of the program will be attended by the teachers who will explain and answer questions. The teachers will then adjourn to their class rooms to greet the parents of their pupils, and outline the plans and program for the year.

A similar program, as in previous years, is to be held at the Claflin School November 19 at 8 p.m.

Miss Helen Thompson, principal of both schools, cordially invites all parents and friends to attend.

An Outstanding Endorsement

The city election is over and the results are in. With an apparent apathy among the electorate, the vote cast was light, as had been predicted.

Perhaps this apathy among the voters was due to the small number of contests on the ballot and we hope that that is the case rather than deliberate neglect on the part of the voting public to the privilege which is theirs in having the right to vote.

Yet for all the lack of contests and the attempt of one candidate to inject charge after charge into the campaign and seizing upon opportune issues, the voters of Newton who went to the polls re-elected Mayor Theodore R. Lockwood by a smashing plurality, thus giving evidence in no uncertain manner that they have, on the whole, endorsed his administration and its policies.

Mayor Lockwood, as a result, has reason to believe that his conduct of office has merited genuine approval by the citizens of this community and we feel sure that a continuance of this splendid conduct of office will be carried forth again for the next two years.

We congratulate Mayor Lockwood on his well-deserved victory and also those other candidates who by their efforts and by the temperment of their campaigns, conducted it on a high level, as it should be. Newton has not yet reached the ward politic stage.

Can Spell Ruin

Study of the tax bill passed by the recent session of Congress makes it clear that the pay-as-we-go pledges given last spring and summer have now been thrown overboard. Promises to balance the Federal budget have gone with the wind.

Latest available estimates put Federal expenditures for this fiscal year and next, combined, at, roughly, \$157,000,000,000. The Treasury is expected to collect about \$130,700,000,000 in those two years. That leaves us facing a deficit of \$25,000,000,000 or more for the two-year period. It means an increase of, roughly, 10 percent in the national debt. That's a long way from pay-as-we-go.

The blame lies with Federal executives who talked of economy while demanding enormous expenditures for non-war projects, and with legislators who voted to spend these huge sums without levying the taxes needed to raise the money.

Such policies can spell ruin for the national economy.

An unusual election problem arose down in Lonsdale, Ark., where it was found that 12 of the village's 15 voters were running for local offices and that the other three were relatives of candidates. Election judges and clerks had to be imported from nearby Hot Springs to assure a fair deal for all.

When zoo officials in Baltimore brought in a new gorilla to show the animal to Mayor Thomas D'Alesandro, His Honor ordered them out. Said he: "Don't let him near me—I mean it. Since I've been Mayor of Baltimore, I've been bitten by a snake, clawed by a lion cub and kicked by a camel. Let's buy him and get him out of here."

To raise money to purchase new U. S. flags for the classrooms at Brown High school in Atlanta, the Junior Civitan Club sold Confederate flags.

Officers at the Scott Air Force Base in Illinois solved the parking problem by banning automobiles of privates from the post.

Colorado officials estimated that on the opening day of the State's big-game hunting season as many men turned out as were on the U. N. front lines in Korea.

Mr. and Mrs. James Smyser awoke in their Louisville home to discover that an automobile had crashed into their bedroom. They watched in astonishment as the driver backed out through a hole and drove away.

Police in Sydney, Australia, accused Robert Clifford, 39, of getting jobs at four different firms, then making anonymous phone calls to tip off the employers that their new man was an untrustworthy ex-convict. Subsequently, according to police, Robert collected a week's pay from each employer as provided under the law.

A Toy Guide For Parents

Every year millions of dollars worth of toys are sold in the United States. The biggest season for toy shopping is of course, Christmas, with year-round birthdays and other occasions also busy ones.

Parents, doting relatives and friends are usually the purchasers. And while it is a well-known fact that everyone loves toys, very few people know how to buy them.

More and more, experts working in child psychology and related fields are realizing how important the correct choice of toys can be to the future of a child. The careful supervision of a child's play without too much actual interference is but one of the many jobs of parents. And it is also their responsibility to supply the proper toys to grow with the child as he develops.

To aid parents in selecting the right tools of play, F. A. O. Schwarz, the world's leading toy store, has prepared the following basic toy guide. If you are a mother, father, teacher, or anyone closely concerned with the play life of children you will want to read it. And better still, clip it out and keep it handy for reference. When Christmas or birthday time rolls around you'll have it ready to help you.

Select the age group in the Toy Guide to which your child belongs and determine what the basic rules are for selecting playthings—the right playthings.

Remember that a child's toys should grow with him; that he needs new and varied playthings to keep his mind alert. He does not need scores of new toys all at once, this leads to confusion and conflict.

Look for toys that require some effort on the part of the child to play with them. Always be sure to watch for good quality toys that are durable and safe.

For the small infant and toddler these simple rules should apply to all toys. They should be: 1. Unbreakable. 2. Easy to keep clean. 3. Have no rough or sharp edges or loose parts. 4. Be large and easy to handle (never small enough to be swallowed). 5. Be brightly colored with paint that does not have a lead base. 6. Durable and of good quality to withstand throwing, banging and biting!

Keep in mind that the senses of the baby are developing—sight, hearing, touch, smell. Bright colors attract the eyes; toys that make a noise attract the ear; toys of various materials develop the senses of touch and scent.

One to two years of age: smaller toys are best for the child who has been developing his motor sense of hands and feet. Blocks, balls, soft dolls, cloth books and all kinds of simple pull toys such as wagons or animals on wheels are excellent. Handling smaller playthings develops the smaller muscles, coordination and dexterity, say doctors.

From two to four years: anything the child can move by himself by pushing, steering or pulling. Simple building toys he can put things together with. Objects to hammer, such as peg boards. Large beads to string. Be sure to

Glee Club," says Mr. Mullen. "It will not only develop an appreciation for good music, but will give the public a chance to 'get acquainted' with the Newton Police and Fire Departments."

The Director has been prominent in the music field for many years. Mr. Geary first began professional appearances as pianist and student conductor at Boston College, and Harvard Graduate School. He was organist and choral director of the Sacred Heart Church, in Fall River, Mass. As pianist for top ranking orchestras, and director of minstrels, revues, and musical comedies, he gained keen understanding of what the public likes to hear. In 1936, he retired from active playing, and has since confined professional appearances to club dates and local choral direction. He is also director of the St. Paul's Male Choral Group, of Wellesley, and Wellesley Male quartet.

Police and Fire Departments Glee Club has already filled many engagements. The Choral Group sang at the Policeman's Ball, at Totem Pole. Other engagements were: Newton High School Alumni Association, United Veterans (at War Memorial Service), Newton Memorial Day Exercises, and the Lions Club, (in Newton YMCA). They sang at the Fireman's Memorial Mass at our Lady's Church, and were invited back to sing at a Holy Name Mass. They also sang at their own Glee Club Dinner, at Simpson House.

The Choral group is now rehearsing Christmas Carols and Religious Music, for the coming Holidays. Mr. Geary plans to present the Glee Club in a formal Concert, in the Spring of 1952.

Under the able direction of Mr. Geary, the Glee Club has made rapid progress, in spite of the fact that many members had never sung publicly, before joining the group. There are now about 27 members in the organization. Mr. Mullen, founder and treasurer, is hoping for an additional 25 members.

Mr. Geary, the Director, extends an invitation to those interested in singing; not only to help the planned Charity program, but to join them in music appreciation, and good fellowship.

include a blackboard, large crayons and sheets of paper—for this is the scribbling stage and walls and furniture may suffer. The larger, moveable playthings in this group help to develop the larger muscles for good physical exercise.

Four to six years: this is the first separation of girls and boys as far as toy likes and dislikes. Girls are now ready for more fancy dolls and can dress and undress. Any toys which are a imitation of real life are a good choice. These include dishes, furniture, toy telephones, cash registers.

Now boys require toys of the same type they enjoyed at the age of three, but more advanced models. Trains (not electric) three wheel bikes and the first real sports equipment. Outdoor play equipment is the same for both boys and girls in this age group. And psychologists say don't be shocked if a little boy likes dolls—it's perfectly normal at this age.

Fram six to eight boys like games of competition and sets "to do things with". These include varieties of the popular building and various electric sets. This is the bloodthirsty stage for little boys when they want guns, tanks, planes, Indian outfits and above all, cowboy equipment. Toy soldiers, scooters, automobiles and boy-sized wagons fit into the plans of these active youngsters.

Girls from six to eight are now entering the magic portals of dramatic play of the "let's pretend" stage. Much of this centers around imitating adults such as dressing up, sewing, copying household tasks. Playthings patterned after mother's such as cooking, and laundry sets are popular with the pigtail set. For outdoor exercise a smart doll carriage or even a bicycle will be a wise choice.

From eight to twelve the sexes show a sharp difference in play habits. Boys tend to run in groups and form clubs or secret societies. Sports are the chief passion. Outdoor playhouses and tents fit right in with future Boy Scout opportunities or plans for summer camp. Now is the time for the parent to supply good sports equipment, to teach the child how to use and care for it. Other tools of play at this age begin to indicate the acquired interests or aptitudes of the individual youngster. More complicated games, interest in making collections, or constructing objects is expected and should be encouraged in every way.

Girls from eight to twelve are impatient to grow up and very conscious of being feminine. Their toys should be more elaborate and even more like adult counterparts. Dolls that are like real-life babies that need diapers or bottles or can have their hair waved will make the little girl at this age happy. Small electric irons and washing machines are coveted by these little ladies.

One aspect of recreation that both girls and boys in the eight to twelve age group suddenly agree upon is their interest in books and reading. The vistas of adventure and imagination that are opened up by children's books are vast and profitable. By supplying well-chosen books suitable to the child a parent may make reading a pleasure. F.A.O. Schwarz stores feature an entire book section with the most complete collection of juvenile books available, both the old favorites and new discoveries.

After twelve, the modern child is no longer actually of toy age. But the effect of his playthings in previous years, if they were carefully chosen, has already paid off handsome dividends to the child, the parents and teachers. For the young person who has enjoyed the benefits of the right toys at the right age is a happier, healthier girl or boy, a better student, and a properly adjusted adult.

Truly, toys are a real investment in the business of living!

Erwin D. Canham Named Press Chrm. Of the Crusade for Freedom Fund

John J. Del Monte, Commissioner of Labor and Industries and State Chairman for the "Crusade For Freedom," has announced the appointment of Erwin D. Canham, Editor of the Christian Science Monitor, as state Press Chairman for the "Crusade."

Mr. Canham is married to the former Thelma Hart and they have two children, Carol and Elizabeth. He is chairman of the U. S. Advisory Commission on Information; Director and former president of the American Society of Newspaper Editors; Vice-President of the International Federation of Newspaper Publishers; and he holds membership in the Reid Foundation Fellowships, American Academy of Arts and Sciences, Gridiron Club, Tavern Club and Harvard Club.

Mr. Canham has a Bachelor of Arts from Bates College and

Rhodes Scholar at Oxford University, and a Master of Arts from the latter University. He is also a Trustee of Bates College, and a member of the Corporation of Simmons College. Mr. Canham also holds honorary degrees at Bates College, Boston University, Kenyon College, Yale University, and Principia College.

The funds raised in this drive will build 2 additional radio stations in Europe (2 such stations are already in operation) and 1 in Asia to combat Russian propaganda. The Crusade For Freedom drive will be conducted in Massachusetts from November 19 to December 15, with a fund goal of \$151,375 and a membership goal of 1,000,000 signatures.

Contributions to the Campaign can be mailed to 585 Boylston street, Boston 16, or in care of local Postmasters. Make checks payable to "Crusade For Freedom."

In My Poetry Corner My Rose

Do you find it hard to be gentle,
And patient, and kind, and good;
Are you tempted sometimes to speak harshly,
Do you ever say more than you should?

Well, here is a little suggestion,
That may help you along life's way,
It has taught me to be more careful
In things that I do and say.

Each morning I pick, in fancy
A beautiful, fresh-blown rose.
And wear it right where I can see it
Until the day comes to a close.

And for every little unkind thing
That I think, or do, or say,
I pluck from my beautiful, beautiful rose
A petal, and throw it away.

So one by one the petals go
And when the day is gone,
My rose is just what I've made it,
Its beauty and fragrance are gone.

But day after day I wear my rose,
And pray that some time it may be
As lovely and sweet as the long day's close
As when it was taken by me.

Spotlight on the Newtons

A BIT OF INFORMAL HARMONY after rehearsal, with Mr. Geary at the piano.

"It's always fair weather, when good fellows get together, and if the 'fellows' are members of the Newton Police and Fire Department's Glee Club, there's also a hearty song in the air.

Most citizens look upon men of service as rugged individuals, rather than participants in cultural pursuits and "the finer things of life." The Glee Club dispels such fallacy. It is setting forth an ambitious program of song, man's finest form of expression. To hear these musically-minded men, is to realize their accomplishment.

Mayor Lockwood sponsored the Glee Club, last year. It is now sponsored by the Recreation Department, of Newton. The organization charges no dues; members simply drop a donation into a hat. The choral group rehearses every six days in the Newtonville Library, thanks to the cooperation of Harold A. Wooster, Library Head. Odd work-hours, peculiar to the nature of their work, has presented a problem in rehearsal dates. The Police and Fire Chiefs are helping to overcome this obstacle.

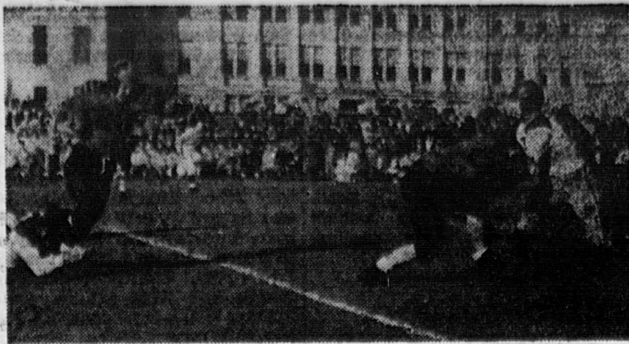

John J. Mullen, Newton policeman, conceived the idea of such a Glee Club. With the help of

Assistant Fire Chief, William C. Fanning, plans got underway, September, 1950, Francis W. Geary, accepted the invitation

to organize and direct the Choral Group. "I'd like to see our Glee Club rival that of the famous New York Police Department

Strong Waltham Eleven Too Much for Newton; Tigers Suffer 25-14 Defeat

Playing without the services of one of its ace backs Dan Coffey and minus the full offensive punch of star Don (Zipper) Thompson, who saw limited activity because of a slight leg injury, Newton High felt the full fury of a strong Waltham High eleven and suffered a 25 to 14 defeat last Monday afternoon, Armistice Day, at Dickinson Stadium.

The contest drew a record-breaking crowd, as all Waltham-Newton games do, and the spectators saw some outstanding football as two of the finest clubs in Class A squared-off for their annual rivalry. The home crowd was treated to another typically fast Waltham team led by quarterback Frank Krol's slick ball handling and the hard-running of halfback Edwin Beck high scorer in the schoolboy circuit.

Coach Warren Huston, faced with injuries and the loss of Coffey, was forced to revamp his backfield, and work out an adequate defense to stop the running power of Beck and the passing of Krol. During the first period the Newton Tigers successfully bottled up any Crimson threats, but late in the opening chapter the visitors caught fire and scored before the start of the second quarter.

The Watch Citizens tallied in every period while allowing the locals two TD's. Only one touchdown separated the battling elevens during most of the game, but Waltham pulled away in the last half to make it a two-touchdown victory.

On the credit side the passing of fullback Fred Dauten and the occasional broken-field running

of Thompson kept Newton in the contest. Dauten found ready receivers in ends Don Flagg and Bob Morrison, attempting 22 aerials, completing 13 for a gain of 180 yards. Two Dauten passes went for TD's, one to Thompson in the second period, and another to Flagg in the fourth for the Oranges' only tallies.

The Crimson, however, presented a problem with Krol at the helm and Beck paving the way. In the first period they covered 80 yards for the initial TW, Beck featured in a 20-yard dash and Krol snipping to Beck for a gain of 15 yards, to put the oval down on the Newton 45. An offside penalty against the Tigers moved the ball to the 40 and fullback John DeVincent plunged for the first down to the 29 from where Beck cut over right tackle to go into the end zone for Waltham's TD.

The visitors made it tougher as they added another six-point in the second period after taking a Newton punt on the 25. In six plays the Crimson tallied again, Krol passing to halfback Dick Wright from the 45 and the receiver going all the way untouched. The try for the point after was good to give Waltham a healthy 13-0 edge.

The Newton Tigers, always a come-from-behind club, put their own TD march in shape in the second period as they took possession on the 14. A Dauten pass to Morrison was good to the 36, and the Orange fullback tried again to Flagg. The rugged end missed the catch, but pass interference was called, giving Newton a first down at the midfield stripe.

Thompson, who had trouble all afternoon getting started, went for no gain on the first play, and Dauten elected to pitchout to halfback Lee Carder, filling in ably for injured Coffey, who bulled his way to the Waltham 15 on one of the best plays of the day. Carder was finally stopped by the com-

bined efforts of Beck and Don Cusano, defensive back.

Operating on the 13, after Dauten picked up two on a line plunge, quarterback Jim Wiper failed to connect on an aerial to Dauten, and the latter dropped back on the following play to pass, but it fell short of the mark. Then on fourth down, Dauten picked out Thompson on the two-yard line and drilled a perfect throw to the halfback. Thompson crossed up defending back Beck and stepped over for the Orange TD. Dauten kicked for the point-after to close the gap to 13-7.

Beck took-off on another crowd-pleasing dash in the third period, going 45 yards for Waltham's third touchdown, following a drive from the 36. The speedy high scorer shot right up the middle of the field, getting some effective blocking along the way.

Trailing by two touchdowns, the Hustonmen tallied their second six-point early in the fourth period. This march featured the spirited running and accurate passing of Dauten, who proved to be Newton's only answer to Krol and Beck. The Orange rifleman completed two successive flips to Flagg and Morrison for a gain of 20 yards to put Newton on the Waltham 20.

Carder swept right end for four yards and Thompson crashed the middle for six. Dauten almost got away on an off-tackle push, but slipped on the 11 and on the next play he caught Flagg in the end zone for the Tigers' second touchdown. The kick was good and Newton again trailed by one TD.

The fast Crimson horde, however, made it official the first time they took possession in the fourth period. Beck returned the kick to the 40 and on the fourth play Krol passed to left end Ray Deveau in the end zone from the 31 for Waltham's final tally. Deveau was covered by a host of Newton defenders and made a sensational catch over his shoulder while racing into the end zone.

The Tigers of Newton made good to the Crimson 20 late in the final period, but time cut their attack short.

Members Hear Talk On Dental Health

Dr. William D. Wellock of the Division of Dental Health of the Commonwealth of Massachusetts met with the Newton Parent-Teacher Council's Executive Board on Thursday evening, November 8, at the school office in Newtonville.

Dr. Wellock showed by charts and graphs the results of a survey of Newton children to determine the dental caries experienced in permanent teeth. As the Parent-Teacher Council has representation from every Newton school and represents 12,700 children, and its objective is the promotion of such matters as will benefit the boys and girls of the city, he urged that the Council adopt the recommendation of the Massachusetts Department of Public Health to have fluorides applied to the public water supply, and to interest the citizens of Newton in this project.

The Council moved to have the Committee on Health and Safety study and evaluate the results of research and experience in other states that have applied fluorides to the public water supply for the reduction of dental decay.

"I think that the problem is aggravated by some additional factors. The first is the tremendous increase in the total tax which all of our governments take from the individual citizen. In 1942 all of our governments—local, state and federal collected about 24 billion dollars. In 1950 this had increased to 57 billion dollars—up about 140 per cent. The increase was not uniform. Federal taxes went from approximately 13 billion dollars to 38 billion dollars, an increase of about 180 per cent, which local revenues increased from 7 billion dollars to 13 billion dollars, about 92 per cent. Federal taxes are over 75% while state and local taxes amount to only about 12% each.

"To me, the trend indicated by this fact is important principally because of two other factors. First, in spite of the fact that dollar-wise local revenues have increased 92%, the relative share of local governments has decreased.

"Secondly, the local governments share now, as 10 years or 20 years ago, comes principally from one source, the local property tax.

"A good many economists

think that the approximate limit for all taxes is from 25 to 30 per cent of the national income. We are passing that limit this month, yet today, with an increase of 6 or 7 billion dollars ahead of us in federal taxes alone, local government is finding it difficult in financing its services from its present revenues, without, in some cases at least, making property tax rates relatively excessive.

"In fact, 28 states have passed legislation enabling municipalities to impose additional taxes; the taxes principally used being the retail sales tax, municipal income tax, some form of a business license tax, local admissions tax, municipal gasoline tax, and other special excise taxes.

"Bear in mind, the costs of administration and enforcement also are important.

"Here, in Newton, even before the explorations as to additional revenue sources are made, those of us who are charged with the responsibility for the fiscal policy of the City stop—look—and listen.

"I carefully analyze the present operations with the view to finding ways that will reduce costs—available to us also are check lists of the American Municipal Association on 'How Cities Can Cut Costs.'

"2. Appropriations are approved

by the administration and recommended to the Board of Aldermen when a department proves the need for its program.

"3. For the present, we plan only for those capital improvements which are necessary to the health, safety and welfare of the community, and eliminate all others in order to avoid competition for scarce materials and labor.

"4. On the revenue side of this picture, our full-time assessors have maintained industrial and mercantile expansion together with a mass of new dwellings within our city on an unprecedented scale, and because our total valuation places Newton fourth among the 351 cities and towns of the Commonwealth, exceeded only by Boston, Worcester and Springfield—such added valuations have helped our holding the lowest tax rate among the 39 Massachusetts Cities.

"All of these developments which I have just related are a planned operation.

"It certainly makes sense to have some idea of the size and the nature of the needs for which the public facilities and services of the City are provided: of relative needs in relation to the financial resources of the City. An efficient Long Range Planning Board is an important body to assist in balanced operations. Then, too, some of the planning calls for determinations by the community, as to the kind of a community it wants to be, and the institution of measures for accomplishments of these objectives within the limit of attainability.

"City Planning is a function of the executive arm of the government—The Board of Aldermen, the 24 Department Heads and the 15 Boards have inter-related responsibilities in its exercise. An important point is that the City Government as a whole realizes that it constantly has much to learn. These are days of invention. Years ago people never rushed to buy new gadgets. Today the question asked is, 'Is this the latest model?' We necessarily live an active life of municipal study.

"Planning is not located on a stereotype pathway—we need to know much about the economics of the community. Above all, we need to know much about people and we need to know what we don't know. Research means that we don't know but are willing to find out.

"Many complex and interesting problems lie on my desk. They call for a continuously expanding list of improvements in the processes of government.

"From records of control and other known factors—new figures—new facts and new creations emerge.

"Newer concepts in the various aspects of municipal operations is our constant objective. Wherever this irresistible tide takes us, we care not. If in the process of our journey there is found a way of doing things in furtherance of defined objectives, we are certain that our thinking, intelligently directed has a place for the future of our City.

"In closing, let me say, a month hence Mayor Lockwood and I will journey to Washington where the American Municipal Association will devote its annual conference to the discussion of policy on long-term problems and effectuating resolutions on more immediate subjects.

"Newton's Mayor will sit on a panel with five other Mayors in a discussion of municipal situations of national interest. While this experience is good for Newton, the responsibility carries its own burden of preparedness, causing sustained effort to possess current information.

"As the Mayor is Vice President of the Massachusetts Chapter of the American Society of Public Administration and Secretary of the Massachusetts Mayors' Association, he expects the Newton City Government to be fully informed and constantly practicing improved methods, as nearly as possible of accepted leadership. That rounds out a co-operative effort on the part of all in loyally producing for Newton citizens the best possible value for the tax dollar spent."

ban. Mrs. Risman has had extensive professional experience and will be remembered by local audiences for her delightful performances last spring in the Wellesley Hills Women's Club show, "Scholarship Cruise."

The coming number will feature the producing director, Mr. McKenney, his assistant, Jess O'Bannon, and Paul Cadorette. This scene will represent the backstage confusion which is so typical in any rehearsal period. Supporting cast for this number will be Maryann Prather of Wellesley, Eileen O'Malley of Wellesley Hills, Roberta Burkhardt of Newtonville, Ann Hyde of Wellesley, Diana Davison of Waban, Pauline Lamoureux of Wellesley Hills, Phyllis Williamson of Lexington, Francis Ann Perry of Waban, Nancy Walsh of Auburndale, Elizabeth Quinn of Auburndale, Doris Beckwith of West Newton, Margaret Consoe of Natick.

Two other well-known vocal performers who have had professional experience are Mr. and Mrs. Philip Nutting of Wellesley, who will give their impression of the famous waltz number from the "Spring Maid" which starred Miss Christy McDonald in the early 1900's. Mrs. Nutting will also revive a number called "Yama Yama Man," first made famous by Betsy McCoy in a show "The Three Twins."

Committees for the show are under the direction of Mrs. George Prather and Mrs. Robert W. Moore Jr., president of the Newton-Wellesley Hospital Aid Association.

A partial listing of committee members follows: Mrs. James C. Munro of Wellesley is chairman of the talent recruitment committee and working with her are Mrs. L. B. McConaghy, Mrs. Ned Erne and Mrs. John R.

class room wing will occupy opposite ends and each will have its separate entrances from the street and the playground.

A unique feature will be the glazed-in corridor, like an elongated sun-room, connecting the main lobby to the kindergarten wing, this being the so-called "all-purpose" room which many modern educators consider a most valuable addition to the school plant. Here art classes may be held, smaller groups engage in special activities, children may play in stormy weather and here also they may wait for their folks in full view of the street.

The playground will have a separate entrance direct from the side entrance lobby, making it usable for PTA and other civic meetings in the evening, while the rest of the school building is closed. The playground and its open gallery are so placed that, should a sudden increase in the school population demand, they could be made over at a nominal expense into additional classrooms, with the former gallery serving as the necessary corridor.

Further expansion will be possible by extending the building southward toward Dolan avenue.

Last evening, there was a "Pot Luck" supper at the parish house beginning at 6:30 p.m. After the supper the proposed budget for 1952 was presented and some entertaining skits presented by the Young People's Fellowship. This was planned as a real "church family" party where members met one another.

There will be a follow-up canvass between today (Thursday) and Sunday to pick up the pledges of those who were unable to attend the supper.

If your telephone were valued like an Indian Prince...

Every year the people of some countries weigh their guler on his birthday... then give him his weight in gold or precious gems.

If you were to weigh the value of your telephone to you and your family, you'd find it can't be measured in terms of diamonds or rubies or money.

Think of the comfort—the convenience—the friendliness of telephone service. Your telephone is your constant companion... saves you steps and miles... links you with friends,

family. And its value in emergencies is very great.

Telephone service is better, faster, more efficient than ever... you can reach twice as many people as you could ten years ago, and twice as many people can call you... yet in relation to other things you buy, the cost of your telephone service actually takes a smaller portion of your family budget today than it did in 1940.

James J. Waters, 78, of Walnut street, died at his home Nov. 8. Funeral services were held with a Requiem Mass at Sacred Heart Church, Newton Center. He was a former cashier of White Weld Company, Boston investment firm, until he retired six years ago. He leaves two daughters, Miss Alice Waters of Newton and Mrs. Thomas Tague of New York, and five sons, Joseph J. of Maryland; George F. of Shelton,

Ct.; Vincent R. and Leo P. both of Newton, and James J. Waters, Jr., former Boston newspaperman and music critic, editor of Florida Catholic of St. Augustine, Fla.

Mr. and Mrs. Francis J. Foster of 39 Rockledge road announce the engagement of their daughter, Miss Alice Louise Foster to Mr. Allan Ralph Shaw, son of Mr. and Mrs. Ralph K. Shaw of 93 Woodcliff road.

Peter F. Nyren of Charles River terrace and Miss Bernice M. Chapman of Commonwealth avenue, Boston are planning their wedding soon.

A whist party was held at the Workshop on Columbus street last Tuesday by the Echo Circle, Companions F. of A. The Door Prize went to Mr. J. Fontannay, and the Consolation Prize was given to Mrs. Agnes Golding.

Irving R. Gordon of Bar Harbor, Maine, will soon claim Miss Lena B. Shure of Hyde street as his bride.

During a recent storm, dwellers in the home of Eleanor Young on Winchester street were awakened early in the morning (at 6:25) by a wild crash. A tree-branch had been blown through the roof. No injuries were reported but it was certainly a startling way to be aroused.

The same storm set off the Burglar Alarm at the Capital Tire and Rubber Company on Winchester street.

The Discussion Unit of the League of Women Voters plan to meet Thursday morning at quarter of ten at the Highlands Workshop.

Dr. Norman Zamcheck and Mrs. Zamcheck of 63 Kenwood avenue are parents of a daughter, Debra Zamcheck, born Oct. 3.

Miss Leslie Clarke, daughter of Mrs. Henry Lee Bunce, Jr., of Chestnut Hill and Mr. Edward Fitz Randolph Wood, Jr., son of Mr. and Mrs. Edward Fitz Randolph Wood of Philadelphia, Pa., will be married Dec. 1, at a four o'clock ceremony in the Church of the Redeemer. A wedding reception will follow at the Longwood Country Club. Mr. and Mrs. Wood will live in Chestnut Hill, Pa.

Mr. Howard V. Jones, Boston representative for Buxton, Inc., of Springfield, who lives at 55 Windsor road, Waban, passed away last week. He was a brother of Mrs. Parker F. Pond of 20 Crystal street.

Mrs. J. C. Phillips won a Kelvinator refrigerator in the second week of the birthday sale of the Star Market in Chestnut Hill.

Mr. and Mrs. G. Raymond Roberts of 110 Oxford road and Mr. and Mrs. Carl J. Davis of Newton are the grandparents of John Quincy Davis, born Nov. 3, at St. Elizabeth's Hospital to Mr. and Mrs. R. E. Davis (Katherine Roberts). Mrs. John O'Kane of Chestnut Hill is the great grandmother.

An interesting collection of watercolors by Elaine Rosenfeld of 41 Lee road, Chestnut Hill, will be on exhibition at the DeCordova and Dana Museum in Lincoln from November 18 through December 15. Although Boston has seen several of her paintings at group shows, this will be the first solo exhibit of her work.

Among the paintings the Lincoln Museum will show are: Ipswich Inlet, Old House, Marblehead, off Stratham Rock, Beacon Hill from a Roof Top, Montanto and Dead End.

Mrs. Rosenfeld has studied in both New York and Boston; locally with Karl Oertel, Arthur Polonsky, Barbara Swan, as well as the School of the Museum of Fine Arts.

Birth Announcement

Born to Mr. and Mrs. John H. Gaskin, Jr., of Norfolk, Virginia, a daughter, Patricia June, on November 5. The grandparents are Mr. and Mrs. Paul E. Crocker of Waban and Falmouth, and Mr. and Mrs. John H. Gaskin of North Attleboro. Mrs. Gaskin's twin sister, Mrs. Donald L. Snider, resides in Newton Centre. The Gaskins also have a son, Paul Crocker Gaskin.

Newton

Gustave H. Umben, son of Mrs. Alison T. Umben of 292 Franklin st., Newton has recently been pledged to the Nu Chapter of Beta Theta Pi fraternity at Union College, Schenectady, N. Y.

Pfc. Alan H. Gee, son of Mr. and Mrs. Lester C. Gee of 14 Maple ave., Newton, a member of the medical company, 136th Regiment, lent a helping hand in making it possible for his company of the 4th Infantry "Liking" Division, to become the first outfit to reach the 100 percent goal in a camp-wide blood donation drive.

Mr. and Mrs. Aldo H. Zullo (Gloria Woodland) of 45 Waban street are parents of a daughter, Leslie Lee, born Sept. 30 at the Cahill House, Cambridge. Mr. and Mrs. Joseph Zullo of Somerville and Mr. William E. Woodland are the grandparents.

Franklin E. Bancroft, 68, of 160 Oakleigh road, advertising manager of the Boston Business Magazine, organ of the Boston Chamber of Commerce collapsed and died while waiting for a train at the station a few days ago.

Dr. Warren Walker and Mrs. Walker of Bryn Mawr, Pa., announce the engagement of their daughter, Miss Helen Perot Walker, to Mr. John William Ryan of Burlington, Vt., son of the late Mr. and Mrs. George B. Ryan of Newton. Miss Walker is an alumna of the Sacred Heart Convent, Noroton, Ct., and made her debut in the 1942-43 season. She is a member of the Junior League of Philadelphia. Mr. Ryan is an alumnus of the University of North Carolina, Class of 1941 and is a member of St. Anthony Club of Boston. During World War II he served in the British-American Corps and is a lieutenant in the Navy. The wedding is scheduled for February.

George R. Coffman has purchased the single farm dwelling of 7 rooms at 26 Hellis street from Austin O. Ohl. Thomas V. Cleveland was the broker.

Auburndale

Mrs. Olive M. Blossom, widow of Ira Blossom, of 89 Grove street died Nov. 6. She was the mother of the Rev. Chauncey E. Blossom, pastor of the First Congregational Church of Auburndale, where funeral services were held Nov. 8. She leaves another son, Leonard L. Blossom of Auburndale. Burial was in Grand Rapids.

Newtonville

D. C. Kneale of Newtonville, who resides at 20 Whitney avenue, attended the Minute Maid Corporation's sales meeting in New York recently.

West Newton

Miss Mary Elizabeth Brine, daughter of Mr. and Mrs. William H. Brine, Jr., 16 Pickwick road, will be Boston's representative at the Gotham Cotillion to be held at the St. Regis in New York Thanksgiving night. Miss Brine will be accompanied by her parents and will be joined by her aunts, Mrs. H. B. Sharkey and Miss Gertrude Healey, both of Detroit, Mich. They will all be guests at the St. Regis, where a cocktail party and dinner will be given the debs, about 27 in number.

Mr. and Mrs. Howard Walker Marshall, Jr., (Gladys Rand) of South Natick are parents of a second child, first daughter, Deborah Rand Marshall, born Oct. 31 at Newton-Wellesley Hospital. Mr. and Mrs. Charles S. Rand of Newton and Mr. and Mrs. Howard W. Marshall of 326 Fuller street are the grandparents. Mr. and Mrs. H. Newton Marshall of Centerville are the great grandparents.

Mrs. Audrey Duffey Blagbrough, president of the class of 1911 at Jackson College, was chosen to present her Class prize scholarships to William F. Seibert of Arlington, president of the Littlefield of Groton, Ct., Jackson College senior class marshal.

Again West Newton has the honor of being the home of the Boston Traveler's choice of "Woman of the Week." She is Mrs. Hugh L. Robinson of 80 Berkley street, wife of a prominent physician. She was born in Norway, coming to the United States with her parents at the

age of nine, settling in Concord immediately after her graduation at the Massachusetts General Hospital she went to France where she served with the M.G. H. unit at the front during the first world war. Later she met and married Dr. Robinson while doing medical social work in Boston. They went to China under the American Board of Missions where they practiced in an isolated interior for five years and for 11 years near Peiping where their two sons and two daughters were born. Due to the lack of school facilities Mrs. Robinson educated her children through grammar school grades with the help of extension courses from the U. S. The family was forced to make a hasty and unscheduled exit from China during the last world war taking with them only a few rugs and small art objects. On the way home Dr. Robinson was interned in Manila for 22 months. Mrs. Robinson has easily adjusted herself to American living. She is past president of the West Newton Community Center, president of the Women's Council of the Second Congregational Church of West Newton and has been an ardent worker in the present Red Feather Campaign.

Enemy Threat Will Bring Volunteers Says Speaker

The United States appears well set up on paper for civil defense, although it still needs personnel to implement its organization, declared Wilfred J. Phillips, former Secretary General of the British Red Cross Society, at a luncheon meeting of Red Cross volunteers in the Newton Chapter last week, adding that not until the enemy threat is closer than it is today will be volunteers come forward to man their posts.

Mr. Phillips pointed out that because of the large number of disasters in the United States, the American Red Cross is the most completely organized of all Red Cross Societies in the field of disaster, with preparedness committees in every community. He explained that Red Cross detachments of men and women highly trained in First Aid and Home Nursing, played an important role in Civil Defense in Britain, performing outstanding acts of courage in ambulance and rescue work during the bombings.

Mr. Phillips, at present Director of the Bureau of Organization and Development of National Societies of the League of Red Cross, with headquarters in Geneva, Switzerland, is studying Red Cross services in the United States and Canada, following his

Contents Non-Violent Resistance Best To Avoid Collapse of Civilization

Cecil Hinshaw, former president of William Penn College and now lecturer for the Fellowship of Reconciliation and American Friends Service Committee, was welcomed by the members of Temple Shalom of Newton in their Sabbath Eve service last Friday. Commemorating the Armistice weekend, Rabbi Irving A. Mandel, spiritual leader of Temple Shalom, shared the pulpit with Mr. Hinshaw.

In his remarks to the congregation of Temple Shalom Friday night, Mr. Hinshaw warned "that because of the moral and utilitarian bankruptcy of militarism today as a means of defending our values, I believe that non-violent resistance such as Gandhi used in India is the national defense toward which we should move as rapidly as is humanly possible in order to avoid the collapse of our civilization."

Temple Shalom, the newest liberal congregation in New England, has many veterans of World War II in its membership.

Following Mr. Hinshaw's defense of pacifism, he submitted to a searching discussion by the members of the congregation who came to hear the message of peace.

Noted Missionary to Speak on Japan This Monday Evening

"Jesus was a firm believer in the gospel of the Second Chance. That's what we are trying to give Japan today," emphasized Rev. Frank Cary, Congregational Christian missionary just back from Japan where he has worked for over 30 years under the American Board of Foreign Missions. He will speak this Monday evening in the First Church of Newton Centre before the McLean Circle, the woman's organization. He will speak on Japan.

A New Englander by birth, Mr. Cary is the son of distinguished American Board missionaries to Japan. He is a graduate of Amherst College, B.A.; Oberlin Graduate School of Theology, and Harvard Graduate School. Before going to Japan under the American Board as a career missionary in 1916 he taught for two years in Japan in government schools.

Of the American Board missionaries who went back to war-torn Japan, Frank Cary was the first ordained man to return to the area of Kobe-Osaka-Kyoto and there were many and demanding jobs. Perhaps one of the hardest was to lend a sympathetic ear to the tales of hardship bravely endured.

Then there were many hours of teaching and an endless amount of counselling in days of mounting inflation; rising cost of living and changes in educational policy and organization. There were Japanese pastors of churches, students and teachers, hungry for brotherly comradeship, as well as badly in need of clothes, food and housing.

During this more recent term of service, Mr. Cary has served as pastor of the Kobe Union Church; as Field Treasurer of the Japan Commission of the American Board; as a teacher in Kobe College and in the Shoei Kindergarten and Training School, Kobe; as a Trustee in the Hakuai Social Settlement in Okayama; the Doshisha University, Kyoto; the Baika Junior College, Osaka, and the Shoei Kindergarten and Training School. He also has been Auditor of the Kobe College Trustees, President of the Shoei Junior College, and, as Mr. Cary facetiously expresses it, "Everybody's errand boy."

When Mr. Cary reached Japan all these demands faced him. In addition there was the pastoral care of the English-speaking Kobe Union Church and the complicated problems of reclaiming properties which had been confiscated by the enemy as well as the paying of missionaries' salaries and the forwarding of grants to institutions.

Prior to this last hectic term of varied service in Japan, Mr. Cary had served widely among the Kumiai Churches including the island of Hokkaido.

In September, 1941, he was asked to help out temporarily in the American Board Mission located at Davao, Mindanao, Philippine Islands. He was caught here by World War II and in-

Local Actor Turns To Directing

Wayne Berry, a sixteen-year-old junior at Newton High School, is directing his first show, "Summer Rush," by Rowena Blake is a satirical three-act comedy about a teen-age summer theatre. The play will be given early in January as a benefit for the Rebecca Pomeroy House, Newton. Featured in the cast are Geraldine Dowhanzuck, Kenneth Olsson, Ruth Richmond, and Lewis Olsson.

Although this is Wayne's first attempt at directing, he is by no means new in the theatre. He has started his fifth season in the Tributary Children's Theatre by stagemanaging the first show, "The Three Bears." As a member of the Patchwork Playhouse, he is playing the title role in "Tom Sawyer." In addition, Wayne will appear in Ibsen's "Enemy of the People" being put on by Harvard University. Were you to look for him last summer, you would have found him hard at work doing almost every theatrical job available at the Caravan Theatre, Dorset, Vermont, where he spent a ten week season.

Wayne seems a little bewildered to find himself on the honor roll at Newton after he has undertaken all this. A few students have asked when he finds time to do his homework. They received the following answer: "Oh, I find plenty of time. Such as on the street car and when I'm not onstage during a rehearsal."

Couples' Club to Have Twin Feature

There will be an entertaining and informative program at 8:30 p.m. on Sunday, November 25, at Temple Emanuel in Newton Centre, when Temple Emanuel Couples' Club will present Colonel Maxwell B. Grossman, Commissioner of Correction of the Commonwealth of Massachusetts; and The Tuckers, a team of brilliant, young Mental Telepathists.

Colonel Maxwell B. Grossman, humanitarian and soldier, exemplifies the highest type of civic leader in his efforts for the Boston Port Authority. He will discuss his theories on Modern Penology.

The Tuckers, who have performed more than three hundred and fifty engagements throughout the country, will exhibit their extraordinary skill in Mental Telepathy.

The Good Cheer Committee, with Dr. and Mrs. Charles Lapidus as Chairman, will present corsages to all members of Temple Emanuel Couples' Club who celebrate their wedding anniversary this month.

Refreshments will be served. The public is cordially invited.

In our great pride at being the arsenal of democracy we must remember that we are also regarded as the arsenal of hope. Great leadership in such a righteous cause requires that a nation be humble—before its God and its fellow men.—Omar N. Bradley.

Parents League Hear Distinguished Panel of Speakers

The first meeting of the Parents' League of the Rivers Country Day School was held for parents of the upper four classes Tuesday, November 6th, at the school in Chestnut Hill.

The speakers, composing a panel discussion, were Dr. Roswell Gallagher, Director of Adolescent Service at the Children's Medical Centre; Frederick R. Weed, Headmaster of Roxbury Latin School; and Delmar Leighton, Dean of Freshmen at Harvard College. Dr. Harold F. Brown, of Newton Centre, was the Moderator.

The general subject for discussion was "The Problem of Maturity and Education at the Secondary School and College level." Questions covering the whole field were submitted by parents and answered by the panel. The meeting was very well attended by parents of the upper four classes and members of the faculty.

The committee in charge of the meeting were Mrs. Donald C. Bowersock of Wellesley, Chairman, and Mrs. Douglas M. Gray of Waban, Secretary. Mrs. Charles Trefrey of Newton Highlands was Chairman of the Hospitality Committee.

Painting Exhibit To Continue to November 24

The exhibition of paintings by members of the Newton Art Association now showing at the gallery of the Newton Centre Women's Club will continue until Nov. 24.

Peirce School Trade Shop to Open New Dep't. Monday

The Peirce School Trade Shop at the corner of Temple and Berkeley streets, West Newton announces the grand opening of a new department next Monday. Everyone is invited to bring for sale, or buy for Christmas toys and many household items including drapes, lamps, curtains, scatter rugs, china and glass bric-a-brac and electric appliances in good working order. Among the toys will be skates, skis, sleds, wagons and scooters. Games and books will not be offered for sale.

The Trade Shop is staffed entirely by volunteer workers. Twenty per cent of the year's sales is turned over to the school's Parent Teachers' Association. Eighty per cent is returned to the original owner of the article, and anyone may bring merchandise in good condition for sale.

The Trade Shop is open every school Monday from 10 to 3.

Club to Meet Nov. 21

The November meeting will take place Wednesday, the 21st, at the Unitarian Parish House. Dessert and coffee will be served at one; there will be the business meeting, then the annual musical program, which this year is by the Romantic Trio, Anna D'elia, soprano; Henry Heald, baritone; Eleanor Jackson, pianist; in songs from the Light Opera.

Mrs. Theodore G. Strater and Mrs. Frank L. Watson are in charge of refreshments. Miss Theresa L. Cram will preside at the business meeting.

Deaths and Funerals

FRANKLIN E. BANCROFT

Franklin E. Bancroft, 68, Advertising Manager of "Boston Business", monthly publication of the Boston Chamber of Commerce, died suddenly last Friday evening, while enroute to his office in the Chamber of Commerce Building. He was fatally stricken while waiting at the Newton railroad station for a train.

A resident of Newton, Mr. Bancroft had been with "Boston Business", recently adjudged the finest Chamber of Commerce publication in the United States by the American Chamber of Commerce Executive's Association in Washington, since the magazine was founded in 1929, and was a member of the staff of the Chamber for the past 35 years.

Associated for many years with Boston financial houses, Mr. Bancroft at one time sold securities, with his own offices on State street. He was also associated with such memorable old time papers as the "North Shore Breeze" and the "Boston Budget." He originally joined the Boston Chamber staff under Secretary James A. McKibben. He made his home at 160 Oakleigh road, Newton, with his wife Margaret Gopp Bancroft, formerly of Beverly.

Besides his widow, he leaves one daughter, Mrs. Marguerite B. Mellus, now a teacher in the Brookline school system.

Funeral services were held Monday afternoon at 3:30 o'clock in St. Joseph's Church, Cambridge, Rev. Ray A. Eusden, minister of the Eliot Church in Newton, officiated.

DANIEL F. LYNCH

The funeral of Donald F. Lynch of 26 Lewis street, Newton, was held Monday morning from his late home, followed by a solemn requiem mass in the Church of Our Lady, Newton, at 10 o'clock.

Celebrant of the mass was Rt. Rev. Robert P. Barry, pastor of St. Clement's Church, West Somerville, the deacon, Rev. Gerard Bary of St. Augustine's Church, South Boston, and the sub-deacon, Rev. Charles Pisci.

Seated in the sanctuary were Most Rev. Eric F. MacKenzie, auxiliary bishop of Boston, and pastor of the Sacred Heart Church, Newton Centre; Rt. Rev. Michael E. Doherty, I.P.P., pastor of the Church of Our Lady; Rev. Martin J. Dolphin of the Sacred Heart Church, Newton Centre, and Rev. John J. Hart of the Sacred Heart Church, Roslindale.

Burial was in the family lot in St. Joseph's Cemetery, West Roxbury, with prayers by all the clergy led by Msgr. Barry.

MICHAEL J. O'CONNELL

Michael J. O'Connell, 51, of 23 Hazelhurst avenue, West Newton, son of Catherine (Ford) O'Connell, and the late John J. O'Connell, died Sunday at the Waltham Hospital after a short illness.

Born in County Galway, Ireland, Mr. O'Connell lived in Waltham for 20 years prior to moving to West Newton 10 years ago. He was employed as a guard at the Raytheon Manufacturing Company.

Besides his mother, he is survived by seven sisters, Mrs. J. W. Cawthorne of Florida, Mrs. James McDonald of Brookline,

Mrs. Michael Maguire of Newton, Mrs. John Doherty of Dorchester, Mrs. John Connelly of Waltham, Miss Christine O'Connell of West Newton, and Mrs. F. X. Dwyer of West Newton; two nephews, and eight nieces.

The funeral was conducted Wednesday morning from his home, with a solemn mass of requiem at St. Bernard's Church at 10 o'clock. Burial was in the family lot in Calvary Cemetery, Waltham.

JAMES J. WATERS

James J. Waters, 78, of 1093 Walnut street, Newton Highlands, died suddenly last Thursday at his home. He was employed for 30 years by the Boston securities investment house of White, Weld and Company, from which he retired as cashier six years ago.

Mr. Waters was the father of James J. Waters Jr., editor of the Florida Catholic, a Catholic diocesan newspaper located at St. Augustine, Fla., and a former Boston newspaperman and music critic. A daughter, Miss Alice M. Waters, was a candidate for Alderman in the recent election.

His other children include Mrs. Thomas Tague of New York, Joseph J. of Towson, Md., George F. of Shelton, Conn., and Vincent R. and Leo P. Waters, both of Newton.

Funeral services were held Saturday morning with a requiem high mass at 10 o'clock in the Sacred Heart Church, Newton Centre.

ANNIE F. BURKE

Mrs. Annie F. (Commons) Burke, 62, of 1463 Washington street, West Newton, wife of the late Sgt. Thomas J. Burke, former head of the traffic bureau of the Newton Police Department, died Wednesday, November 7, at her home after a long illness.

Born in Dover, the daughter of the late John E. and Alice (Kennedy) Commons, she had made her home in West Newton for 60 years.

She is survived by one son, Paul J. Burke, and one daughter, Mrs. Mildred M. MacDougall, both of West Newton.

Funeral services were held last Saturday morning, followed with a requiem high mass in St. Bernard's Church at 9 o'clock. Interment was in Calvary Cemetery, Waltham.

ELIZABETH GLANCY

Mrs. Elizabeth Glancy, 65, a former dance teacher, died last Friday at her home on Boylston street, Newton Upper Falls.

She leaves a brother, Brig. Gen. Henry D. Comerai, a retired National Guard officer, with whom she lived.

Funeral services were held Tuesday afternoon at 2 o'clock at the home of an aunt, Mrs. Sarah Miles, Auburn street, Brookline.

OLIVE M. BLOSSOM

Mrs. Olive M. Blossom, 81, mother of Rev. Chauncey E. Blossom, pastor of the First Congregational Church, Auburndale, died November 6 at the home of her son, 89 Grove street, Auburndale.

The widow of Ira Blossom, Mrs. Blossom was a native of Newton Falls, Ohio, and lived most of her life in Grand Rapids, Mich. She came to Newton three years ago.

She was a member of the Four by Four Club, the Revue Club and the Literary Club of Grand Rapids.

Survivors include another son, Leonard L., also of Auburndale, and two grandchildren.

Services were held last Thursday afternoon in the First Congregational Church, Auburndale, with Rev. Earl Douglas, associate minister of the Massachusetts Congregational Conference and president of the Boston City Mission Society, officiating. Burial was in Grand Rapids.

JOHN F. LYNCH

The funeral of John F. Lynch of 180 Washington street, Newton, was held Monday morning with a requiem high mass in the Church of Our Lady, Newton, at 11 a.m. The celebrant was Rt. Francis X. Bransfield, and the requiem choir was directed by Miss Florence R. Herlihy.

Mr. Lynch died last Thursday after a short illness. Born in County Cork, Ireland, the son of the late John and Catherine (Hawkes) Lynch, he had made his home in Newton for many years.

He was the widower of Cecelia (Collins) Lynch. Surviving are two sisters, Miss Catherine Lynch of Newton and Mrs. John Mearles of Watertown.

Burial was in New Calvary Cemetery, Boston, with committal prayers by Fr. Bransfield.

MARY SPELLMAN

The funeral of Mrs. Mary (McArdle) Spellman, widow of Michael Spellman, was conducted Wednesday morning from her home, 287 Washington street, Newton, with a solemn requiem mass at Our Lady's Church at 9 o'clock. Burial was in Calvary Cemetery, Waltham.

Mrs. Spellman, who died last Saturday, was born in County Mayo, Ireland, daughter of John and Bridget (Brady) McArdle. She had been a resident of Newton for many years.

Surviving are two sons, John, of New Jersey, and Edward J., of Newton; two daughters, Mrs. Raymond Tanzer and Mrs. Dorothy Pillsbury of Newton; one sister, Mrs. Della Barry of Watertown, and two brothers, James McArdle of Waltham and Thomas McArdle of New York.

MARY CANNON

Mrs. Mary (Murphy) Cannon, 62, who became Newton's first Gold Star mother of World War II when her son, Pvt. William E. Cannon, was killed in the Bataan death march, died Monday at her home, 28 Jefferson street, Newton. She was the wife of Attorney James S. Cannon.

A native of Brighton, she had lived for 58 years.

Besides her husband she leaves five sons, Alderman Leo M.,

Lucy Jackson Chapter Hears Talk on Russia's Power

The November meeting of the Lucy Jackson Chapter, D.A.R., was held at the chapter house in Newton Lower Falls, Monday. Four prospective members turned in their preliminary papers and the names of five new members were read: Mrs. John R. Balou, Mrs. Arthur G. Hoadley, Mrs. Herbert F. Jordan, Miss Julia W. Kyle, and Mrs. Walter H. Swan.

Mrs. George H. Norton spoke informally about the customary use of the flag. It came as a surprise to many to learn that while there are government regulations for the military use of the flag there are none for the civilian use. Custom alone dictates much use.

Mrs. William Morgan explained about the manuals of instruction for American citizenship which are prepared and given by the D.A.R. to all immigrant stations in America and to adult centers where preparatory citizenship instruction is given. This manual is printed in 17 languages.

Dr. Edward R. Collier, head of the Department of History and Government at Boston University, a popular speaker on governmental problems and current questions, gave a clear and convincing exposition of his subject.

Behind the Iron Curtain—Soviet Russia's Sources of Power. He traced the governmental development of Communism from the small group led by Lenin in 1898 to the present regime under Stalin who was a member of that early group.

One important consideration in appraising the difficulties encountered in trying to work out a plan for peace with Russia is that many words used mean one thing to us and quite another thing to the Russians. For instance, the word "proposition" to us means a plan or suggestion, while to the Russians it means an order. It is easy to see the use of this word often leads to many misunderstandings, and this is but one of many examples which could be cited.

Again we must realize that no one Russian envoy can ever make a decision. He comes with orders from a body of ten men and if need for an unforseen decision arises he must report back for further orders.

It would be impossible to condense adequately Mr. Collier's dynamic 45-minute talk which held the attention every minute and which laid for us a better basis for understanding though not approving the Russian cause. Understanding is the first step to a solution of any problem.

An attractive tea was served by the hostesses, Mrs. Harry D. Cabot and Mrs. Frank Wingate, co-chairman, assisted by Mrs. Harold A. Carnes, Mrs. George H. Norton, Mrs. Marshall B. Dalton, Mrs. William E. Flagg, Mrs. Clarence W. Williams, Mrs. David W. Wells, Miss Florence E. Tower, Mrs. John N. Eaton, Mrs. Edward K. Titus, Mrs. Holcombe J. Brown, Mrs. Lester J. Lishon, and Mrs. Arthur S. Tucker. Mrs. Ernest V. Alley and Mrs. John N. Eaton poured. The very lovely table decorations were the work of Mrs. Holcombe Brown.

A smile does go further than most men realize. All the ability in the world won't make other people want to work with you, or under you, or over you, if you fail to control your temper and emotions.—D. W. Figgis.

WHY BRISTOL UPHOLSTERING IS DIFFERENT

- (1) We don't tie springs just 4 or 6 ways—we tie them fully 8 ways and with special twine.
- (2) We don't just glue loose frames—we take out old dowels, replace them with larger and new ones. We add brand new corner blocks.
- (3) We don't tack seams at just the obvious spots—we hand sew seams throughout the piece.
- (4) The seams on the sides and backs aren't blind-tacked—all the seams are hand-sewn.
- (5) We don't use ordinary fibre or excelsior—we use the new, expensive moss filling.
- (6) We don't just repair your cushions—we make brand new cushions, springs and all.
- (7) We don't put the fabric on carelessly—we make sure the pattern matches perfectly.
- (8) We don't just cut from a pattern—we fit your cover as carefully as a tailor-made suit.

Motorists Must Signal For Turns, Starting Nov. 27

Tuesday, Nov. 27, will mark the opening of a new era in highway safety and courtesy in Massachusetts when drivers must signal that they intend to stop or make a turn, or else face a possible \$25 fine.

The Casualty Insurance Companies Serving Massachusetts, representing the firms writing automobile liability insurance protection in the Commonwealth, has two reasons for calling the attention of motorists to the operative date of this new state law:

One is that if motorists cooperate and willingly comply with the new law, they undoubtedly will bring about a marked reduction in both rear-end and head-on collisions resulting in bodily injury and property damage.

The second is that if the new law does produce this long-sought reduction in motoring accidents, it is bound to be followed by a commensurate drop in automobile insurance rates, both for compulsory (bodily injury) and property damage coverage.

The new law simply provides that a driver, when intending to stop or make a left or right turn on the highway, must make known his intention to other motorists on the road, either by arm and hand signals or by mechanical flashing signals installed on the front and rear of his car.

The requirement that drivers must make hand signals has been in the regulations of the Registry of Motor Vehicles for many years, but up to now failure to comply has meant only a warning or at worst a possible suspension of one's driving license.

Furthermore the old regulation applied only to state highways, whereas the new law applies to all highways in Massachusetts.

Under the new law, an offender is liable to a \$25 fine for the first offense, \$50 for the second offense and \$100 for the third offense, if occurring within the period of one year.

Although it is not necessary to do so, thousands of motorists al-

ready are using the mechanical flashing signals or are having them installed on their cars. On some new cars the mechanical signals come already attached to the front and rear of the vehicle as standard equipment. On other makes such equipment is optional, costing from approximately \$10 to \$12. The installation on older cars not wired for the purpose runs from about \$20 to \$25.

For motorists who do not desire to use the mechanical flashing signals, the new law requires that hand and arm signals must be made as follows:

1. An intention to stop shall be indicated by extending the arm horizontally to the left and beyond the side of the vehicle.

2. An intention to turn to the left shall be indicated by extending the arm horizontally to the left and beyond the side of the vehicle and by moving the index finger to the left.

3. An intention to turn to the right shall be indicated by extending the arm horizontally to the left and beyond the side of the vehicle and by moving the hand in a clockwise circle.

Massachusetts motorists when traveling through other New England states, also must remember to conduct themselves in this respect as though they were on home ground. All New England states except Maine now have laws similar to the statute that will become operative in Massachusetts on Nov. 27.

Line Drawers for Wash

For washable dresser or cabinet drawers, line the inside with wallpaper. Used either plastic-coated washable kind, or brush on a plastic coating after lining the drawers. At housecleaning time, just wipe the paper linings with a sudsy cloth and a clean rinsing rag.

Other pilot plans for "Operation Family Reunion" are under way for the Navy in Brunswick, Me., for the Air Force in Presque Isle, Me., for the Army in Lowell, Mass., and for the Navy in Newport, R. I.

SIGNALS ON—Registrar of Motor Vehicles Rudolph F. King gives Miss Judy Young of Liberty Mutual Insurance Company preview pointers on the hand signals that will be required by drivers on Massachusetts roads starting Nov. 27. New regulations will require motorists to indicate left turn by extending index finger to the left; right turn by moving hand in clockwise direction and stop by extending arm horizontally with palm open. Violations will carry a possible \$25 fine. Insurance officials cite possible reduction of rear-end collisions and potential reduction in insurance rates because of reduced accidents as reasons for obeying the new law.

Careful Buying Will Stretch Food Dollar

There's no easy road to economy these days, but there are ways to stretch your food dollar when you go out to shop, says the Woman's Home Companion. Here are a few buying tips to help balance the budget:

1. Go to the market with a flexible menu plan so that you can take advantage of "specials." Ask about grades, amount of bone and waste. Take home bones and trimmings.

2. Buy graded eggs in cartons from refrigerated case. Grade and size should be on the label. Grade B's are good eggs, cheaper than A of same size. Medium and small cost less, are good eating. White or brown shells do not affect flavor; both have same food value.

3. When buying canned food, read labels for weight, can size, number of cups, servings. Compare price and quality (grade). Top grades are not necessary for all purposes. Large cans are often better buys.

4. Buy fruits in their season, when they are cheaper. Watch out for decay, shriveled fruit, soft spots. Good citrus fruit is heavy for its size; smoother, thinner skin usually means more juice; "the bigger the better" isn't always true.

For Prettier Lips

Don't handicap your good looks score with slips of the lipstick. You can keep your mouth pretty and presentable all through the day, says the Woman's Home Companion. If you follow these do's and don'ts:

1. Don't risk leaving an ugly smear of lipstick on your coffee cup and glass.

Do use a fixative or an indelible lipstick made to stick where it belongs.

2. Don't let unattractive "bleeding" or smearing ruin a pretty show of lips.

Do powder around your mouth before applying lipstick and blot with tissue.

3. Don't be a hit-or-miss dabbler if you want to avoid a lopsided uneven effect.

Do use a lipstick brush and draw a careful outline before you fill in.

CITY OF NEWTON Public Buildings Department

ADVERTISEMENT FOR BIDS

Sealed proposals for the construction of an elementary school at the corner of Dedham Street, at Walnut Street, Newton Highlands, Massachusetts, will be received by the Public Buildings Commissioner, City Hall, Newton Center 59, Massachusetts, until 2 o'clock P. M., eastern standard time, Wednesday, December 5, 1951, and at that place and time publicly opened and read aloud. All branches of the work will be included in the general contract.

All proposals shall be in duplicate on forms furnished by said Commissioner. One of these copies (the original) is to be submitted to the Public Buildings Commissioner, accompanied by a certified check on a national bank or trust company in the sum of Twenty Thousand Dollars (\$20,000) payable to and to become the property of the City of Newton if the proposal is accepted and the bidder neglects or refuses to comply with the terms of the proposal (without check) shall be submitted by the bidder to the Comptroller of Accounts, at Newton City Hall, 1000 Commonwealth Avenue, Newton Center 59, Massachusetts, prior to the time set for the opening of bids (as required by the Ordinance of the City of Newton, Chapter 2, Section 22).

Plans and specifications may be obtained from the Architects, Cram and Ferguson, 248 Boylston Street, Boston, Massachusetts, beginning at 2 P. M., eastern standard time, Tuesday, November 20, 1951, on the deposit of \$25.00 in cash or certified check payable to the City of Newton. The deposit will be refunded within two months on return of the plans and the specifications in good condition, title to all plans and specifications remaining in the City at all times. No portions of plans or specifications will be issued during the bidding period.

A surety bond by a company satisfactory to the Mayor of the City of Newton, and in an amount equal to one hundred per cent (100%) of the contract price will be required from the successful bidder. The surety bond will be required from the general contractor only and will cover the work of his sub-contractors.

Attention is called to the fact that minimum wage rates are established for the work and are set forth in the contract documents, in accordance with the requirements of Chapter 461, Mass. Acts of 1935 and that Chapter 480, Mass. Acts of 1939 is applicable to all bidders.

The Public Buildings Commissioner reserves the right to accept or to reject any proposal, and to award the contract as he may deem to be for the best interests of the City of Newton, and any contract made will be made subject to appropriations and grants to meet payment thereunder and subject to authorization to construct and allotment of controlled materials by the National Construction Authority.

Arthur Campbell, Public Buildings Commissioner.

HOME for Thanksgiving

One fact which makes our Thanksgiving happier is the knowledge that so many people we know will be celebrating with their families and friends in homes which we've helped them to own.

We've been helping families to enjoy home ownership for many, many years. When you are ready to build or buy, we'd welcome the opportunity of showing you how our years of experience and low Mutual Savings Bank rates can make arranging your mortgage loan here a helpful and pleasant experience.

Do You Get Value for Your Money from the Meat You Buy?

There is a big difference between the cost of a pound at the store and the cost at the table. How big depends on cut and cooking method.

Here are some figures on a few cuts using good grade meat: lamb leg roast at 90c per pound costs you \$2.14 per pound of meat for serving; lamb neck or shank for braising or stew at 40c a pound gives you a pound of meat at the table for \$1.08; beef rib roast at 85c a pound costs \$1.98 at the table (cooked medium well done); bottom of the round for Swiss steak at \$1.15 would cost \$1.85 per pound of cooked meat.

The way you cook meat will make a difference too. High oven temperature for roasting, even for a short time, means fewer servings from your roast. 300 deg. F. is the temperature recommended for giving you full value in terms of savings. Slow cooking also gives you a roast that is cooked evenly all the way through.

Experiments have shown that the following rules give satisfactory results in roasting:

1. Use low oven temperature 250 deg. to 325 deg.
2. Sear for only a short time or omit searing. Searing increases cooking losses.
3. Place meat in the oven with fat side up and eliminate basting.
4. Never over-cook a roast.
5. Cook without adding water.

6. Use a meat thermometer if possible. This is the only accurate way of telling when a roast is done.

When you braise meat, low temperature still is the rule. Searing should be done quickly. Cooking should continue at a temperature so low that the liquid will not boil. A thermometer is helpful to prevent overcooking. When braised meat is overcooked, it is dry and cannot be sliced well.

Here is a recipe we think you will like for the less expensive cuts of lamb. Or you can use it for the left-over ends of a roast.

Cabbage Bredie (Serves 4)
2 lbs. lamb shank or neck
2 medium-sized onions, chop'd
3 tbs. butter or fat
1 1/2 lbs. cabbage, shredded
1/2 tsp. chili or cayenne powder
1/4 tsp. salt
1/4 tsp. pepper
1/2 cup stock or water, or more
1 1/2 tsp. brown sugar
2 tsp. lemon juice

Braise meat. Separate from bones and fat. Cool broth and skim off fat. Fry onions in lamb fat. Add broth, shredded cabbage, sugar, salt, pepper and meat. Cook covered 10 to 20 minutes or until cabbage is done (in oven or on top of stove). Add lemon juice. Garnish with brown rice. — Newton Nutrition Centre.

Bigelow-Underwood Thrift Shop Open Every Friday

The Bigelow-Underwood Thrift Shop is located at Underwood School, Vernon street, Newton Corner, and is open every Friday that school is in session from 9:30 a.m. to 3:30 p.m. The shop carries a variety of articles from household items to clothing for the whole family starting with the baby, right up to Daddy.

Right now there is a good supply of warm winter clothing and skates. Everything is marked down if it stays in the shop more than sixty days.

The volunteer committee, headed by Mrs. Gordon Guffill, Bigelow chairman, and Mrs. William Preston, Underwood chairman, invites everyone to come and visit the shop.

Plans To Unite N. E. Servicemen With Relatives

New England fired the first broadside Wednesday in "Operation Family Reunion." Organized community action, aimed at reuniting thousands of mothers, wives and children with servicemen stationed in the New England area was sparked at the conference sponsored by the Tile Council of America.

The conference, held at the Hotel Statler, was devoted to formulating plans for creating additional living quarters for military families, now separated because of lack of housing in areas near military establishments, through conversion of large homes into multiple units.

The program is of such importance that top representatives of the Army, the Navy and the Air Force, various interested government agencies and the building industry will be in attendance.

Tighe Woods, national director of the Office of Rent Stabilization and creator of "Operation Family Reunion," in commending the Tile Council for its sponsorship of the conference, said that the New England program will be the first region-wide organization of the project.

In anticipation of the conference, military officials have pointed to the success of pilot projects in other areas, in which scores of housing units were provided for the families of men in uniform through the community efforts of citizens in towns and cities adjacent to military areas.

Conversion of larger dwellings in Lake Charles, La., site of a reactivated Air Force base, for example, resulted in several hundred additional living units for service families.

Oak Hill District Citizens Hear Review of Developments

Citizens in the Oak Hill District met at the Oak Hill School recently to hear a report by the Officers of the Oak Hill Improvement Association concerning developments in this area which has seen spectacular growth in the last sixteen years. Not only has there been an increase during the last year of over two hundred homes in the district, but additional land divisions now in the process of development indicate as many more homes under way which directly have a bearing on the necessity for additional school facilities, establishment of building lines and the well improvement of arteries, as well as many other related services.

One of the interesting reports was made by Russell S. Broad which told of the growth of Cub Scout Pack 27, which the Association sponsored thirteen years ago, and which this year registered 82 cub scouts and backed up by 12 Dens under the direction of Joe Gilbert, Cubmaster.

To make it the largest Cub scout unit in Norumbega Council—if not in the New England Region. It is also the only Pack in the District to have achieved a Four Honor Standing. In the President's Report, Arthur G. Heaney, spoke of the support given residents in the Hagen Road section to a petition asking for the covering of approximately 500 feet of Paul Brook for the safety of very young children living in that area. The existence of "fence viewable" was revealed as a result of objectionable fence construction in certain parts of the district, notably on Oldfield Road—and the City requires a permit for any fence that is over four feet high. The City offers no protection to those building higher fences without permit which may be erected contrary to the attractive development of a neighborhood.

The new Zoning changes recently in process of being adopted by the city, known as Zone D, had no application in the Oak Hill District—except on the Turnpike near Hammond Pond Parkway. There is, however, divided opinion about the advisability of establishing building lines on Dudley Road and Brookline streets. In spite of Route CD509 passing along Brookline street, as the alternate route in event of atomic attack from the use of the Turnpike—there are those who believe the establishment of building lines on this street implies converting this secondary street into a thoroughfare to the discomfort of residents to say nothing of the necessity of sacrificing abutting property to accommodate a fifty foot road and straightening of dangerous curves. The Association has long been on record in favoring the elimination of the "bottleneck curve" near property owned by the Peabody Home for Crippled Children and Robert E. Cuniff.

As well as the curve on Brookline street in the vicinity of the proposed new Spaulding School—for scores of accidents have occurred on these curves over the years. Establishing of building lines would undoubtedly be a farsighted constructive step to prevent haphazard placing of new homes by speculative builders.

President Heaney showed a drawing of the proposed new Countryside School, which up until recently was supposed to be 26th on a priority list among schools in the country for build-

Appeals For Hospital Beds, Wheel Chairs

An urgent appeal for hospital beds and folding wheel chairs was issued by Barker Trowbridge, president of the Bay State Society for the Crippled and Handicapped, Inc., the Easter Seal agency.

"A critical shortage of hospital beds and wheel chairs of the folding type is impeding our training program at the Bay State Society's various rehabilitation centers and among the homebound," Trowbridge declared. "I appeal to all citizens of Massachusetts and agencies to help the Society in its year-round efforts designed to train the handicapped for more independent and useful living."

Trowbridge pointed out that the Society's statewide program is financed by the annual Easter Seal campaign and those funds are insufficient to cover the cost of equipment in the quantity in which they are needed. He urged that the needed equipment be sent to the Bay State Society headquarters, 30 Highland St., Worcester, express-collect.

Purpose of the Bay State Society is to provide for the UNMET needs of crippled and handicapped children and adults, regardless of race or creed.

It's only fair play that you keep your dressing table items as well-groomed as yourself. The beauty tissue method of removing cold cream from your face works equally well for finger-printed hand mirror, smeary cream jars, or dauby lipstick cases!

dents of the Association; John B. Stetson and Russell S. Broad, Vice-Presidents; Henry S. C. Cummings, Secretary and J. Ralph Stuart, Treasurer. Lucerne S. Cowles, a former Secretary. Cider and doughnuts provided the setting for a social period that followed in neighborly fashion—served graciously by Mrs. Arthur G. Heaney, Mrs. Stuart Roberts and Mrs. Frank Fririe, all of Newton Highlands.

Do You Know Massachusetts?

(Compiled by State Planning Board)

DO YOU KNOW THAT... The Boston Metropolitan Area of 65 cities and towns, as defined by the census, had a net immigration of 12,409 people during the 10 years, 1940 to 1950. ... While the city of Boston showed a net out-migration of 21,472 and the 20 other places in the area above 25,000 population had a net outward balance totaling 15,429, the 44 towns under 25,000 had a net inward movement of 49,310. ... The whole metropolitan area had a balance of 179,956 more births than deaths during the period, bringing the area's population to 2,369,986, an increase of 192,365 people between 1940-1950. ... Although total net orders received by Massachusetts manufacturers in September amounted to 10.7 percent less than a year ago, orders for electrical machinery and equipment exceeded those last year by 15 percent and were 2.6 times as large as in the base year 1947, as reported by Associated Industries. ... Use of fluorides in drinking water to help prevent tooth decay is now urgently recommended by the Department of Public Health. Danvers, Middleton and Templeton already are fluoridating their water supplies. Athol, Cambridge and Northampton are installing equipment and many other municipalities are planning to do so. ... Approximately 25 percent of the veterans of World War II in Massachusetts have obtained loans guar-

Act Quickly to Remove Stains from Carpeting

When removing a stain from carpeting, always use a clean absorbent cloth. Blot up liquids and scrape up solid material immediately. If the carpet is wet through to the back, blot the pile as dry as possible, then raise the carpet so that the back can dry.

In working with frieze or twist-weave carpets, never rub the pile when it is wet. A quick-evaporating cleaning fluid may be used to remove soot or imbedded dirt without damage to the wool colors. If the entire rug needs cleaning, the spots you work on will be lighter.

When using cleaning fluids, open the windows, and avoid inhaling fumes. Never work near open flames. A fresh mixture of naphtha and carbon tetrachloride in equal parts reduces the danger of inflammability.

Coal is the nation's largest single source of heat and energy.

SIGNALS ON. Registrar of Motor Vehicles Rudolph F. King gives Miss Judy Young of Liberty Mutual Insurance Company preview pointers on the hand signals that will be required by drivers on Massachusetts roads starting November 27. New regulations will require motorists to indicate left turn by extending index finger to the left; right turn by moving hand in clockwise direction and stop by extending arm horizontally with palm open. Violations will carry a possible \$25 fine. Insurance officials cite possible reduction of rear-end collisions and potential reduction in insurance rates because of reduced accidents as reasons for obeying the new law.

Education Week Observed in Schools

This week the public schools of the city are observing Education Week, as are schools throughout the country. It is a week in which those who have not previously found time to visit their children's classrooms may find the time to do so. Many of the schools here have planned special programs for parents during the week.

Following is a list of what the schools here have planned to make the 31st American Education Week a most successful one: Bigelow Junior High School. A parents open house was held Tuesday evening from 7 to 9 o'clock and featured exhibitions of science, art, home economics and audio-visual.

Day Junior High School. An open house was held all day long with tea served by the PTA from 2:30 to 3:30 p. m. Friday a special program for teachers on book week will be held at 9:05 a. m.

Warren Junior High School. A parents night, with parent-teacher conferences is planned for this Friday night.

Weeks Junior High School. This school has open house all week long with activities including PTA Clothing exchange, 7th grade campaign class elections and club activities sponsored by teachers and parents.

Angier School. Open House all week so that parents and interested friends may avail themselves of the opportunity of seeing the actual classroom program and activities as they are carried out daily.

Bowen School. Tuesday an open house for parents and guests was held with a tea from 1:30 to 3:00 p. m. A store window displaying real situations of educational experiences will assist residents of the Thompsonville-Newton Centre area in seeing the pupil-teacher activities.

Burr School. Tonight (Thursday) an open house will be held. Posters were made by children and placed in library, bank, post offices, etc.

Cabot School. Tonight (Thursday) an open house is being held and the faculty is planning an exhibition of Teaching Aids Material. At 7:30 o'clock, there will be a talk explaining the use of this material followed by demonstrations on the operation of the equipment. This exhibit will be in the auditorium. Parents will then go to their child's room where each teacher will give an informal talk explaining the work to be covered during the year.

Carr School. Tuesday evening a combined PTA and Open House was held and the first general meeting of the Carr School PTA, with Mr. Anthony Gatti presiding, took place.

Clafin School. As Monday evenings seem to be the best for PTA meetings at this school, Open House will be held this Monday from 7 to 9 p. m., due to the fact that last Monday was a holiday.

Emerson School. Tuesday evening a PTA meeting was held at the school from 7:30 to 10:00 p. m. Principal Raymond F. Cook on the subject "Your Children and their School."

Franklin School. An Open House Night will be held tonight (Thursday) from 7:30 to 9:00 o'clock.

Hamilton School. The children have made ceramics which are being displayed in store windows

all this week. Open House was held last Thursday evening at which time Mrs. Dorothy Stewart, Consultant in Elementary Education in the Newton Schools, showed pictures on the various activities going on in the public schools here.

Horace Mann School. Tuesday evening and open house and PTA meeting was held. This afternoon at 3 o'clock a cookout at Cedar Hill, Waltham will be held.

Mason-Rice Schools. A tea was held for mothers at the Rice School Tuesday. Wednesday a third grade class at the Mason School presented an assembly in the auditorium. Tonight (Thursday) at 8 p. m., "The School and Its Program" will be the theme of the PTA meeting in the auditorium.

Memorial School. Tonight (Thursday) an Open House will be held.

Newton High School. Executives from 72 of the Newton Industrial concerns visited the Trade and High School. The guests witnessed the dress rehearsal of the Senior play and met Mr. Raymond Green, Principal of Newton High; Mr. Warren Switzer of the Trade School, and Dr. James Laurits who is Director of the Junior College. An Open House was held in the evening.

Stearns School. Wednesday night parents and friends visited the rooms and teachers from 8 to 8:45 o'clock. The new principal, James F. Gray, welcomed the visitors.

Underwood School. This school observed Education by holding open house all week long. Tonight (Thursday) will be open for Parent Conferences.

Williams School. Tonight from 7 to 9:30 o'clock, an open house will be observed and it is hoped that as many parents as possible will avail themselves of the opportunity to visit the room of their children and have conferences with the teachers.

Urgent Need for Hospital Beds

An urgent appeal for hospital beds and folding wheel chairs was issued by Parker Trowbridge, president of the Bay State Society for the Crippled and Handicapped, Inc., the Easter Seal agency.

"A critical shortage of hospital beds and wheel chairs of the folding type is impeding our training program at the Bay State Society's various rehabilitation centers and among the homebound," Trowbridge declared. "I appeal to all citizens of Massachusetts and agencies to help the Society in its year-round efforts designed to train the handicapped for more independent and useful living."

Trowbridge pointed out that the Society's statewide program are insufficient to cover the cost of equipment in the quantity in which they are needed. He urged that the needed equipment be sent to the Bay State Society headquarters, 30 Highland street, Worcester, express-collect.

Purpose of the Bay State Society is to provide for the UNMET needs of crippled and handicapped children and adults, is financed by the annual Easter Seal campaign and those funds regardless of race or creed.

Newton Residents Chosen by State Church Council

Rev. Frank Jennings, D.D., of West Newton, was reelected to his 17th term as executive secretary of the Massachusetts Council of Churches at the annual meeting held last week in Haverhill.

At the same time, Rev. Emory

REV. FRANK JENNINGS

S. Bucke, D.D., of Auburndale, editor of Zion's Herald, was elected director of public relations. William M. Breed of Newton Centre will serve as treasurer of the Council, while Rev. Russell H. Bishop of the First Baptist Church, Newton Centre, was elected to the Board of Directors.

Rev. Schomer to Be Speaker Sunday

Rev. Howard F. Schomer, Congregational Christian churchman, educator and ecumenical worker in Western Europe since 1946, will speak at Central Congregational Church, Newtonville, next Sunday morning in the service beginning at 11:00 o'clock. The pastor of the church, Rev. Randolph S. Merrill, will conduct the service. Mr. Schomer has been partially supported by Central Church during these six years, and he was commissioned in this church representative of the American Board of Commissioners for Foreign Missions.

His varied activities are based at the new but already famous College Cevenol in the village of Chambon-sur-Lignon, France, where he has been a professor of history and a co-pastor of the historic Huguenot Church. The outreach of College Cevenol, the first French Protestant College in history to have more than 300 students and an international faculty, has brought Mr. Schomer into intimate contact with Protestants of all of the Latin countries of Europe. Because of his experience, the World Council of Churches has called upon him to visit Protestant groups in most of these countries.

Special guests of Central Church at the morning service will be three families of Displaced Persons who have been helped by the church, all from Latvia. After the service an informal reception will be held for them—Mr. and Mrs. Kurt A. Skulte and their three children, Mr. and Mrs. Theodore Dreimanis and their two daughters, and Mr. and Mrs. Alfons Senfelds. At one o'clock a dinner will be served in the church dining room in honor of these new friends.

At 5:30 that afternoon the members and friends of the church school will assemble for a service of dedication of gifts for the Home for Little Wanderers. The children of the Primary Department will conduct the service. A box supper will follow, then a period of games in which whole families will unite, and the program will close with the showing of a puppet motion picture in color of one of Jesus' parables.

School Secretaries Hold Fall Meeting

The Newton School Secretaries held its first Fall dinner meeting at the Maridior in Framingham. After a brief business meeting, there was a social get-together.

Officers for the coming year are: Katherine D. White, President; Margaret M. Sadler, Vice President; Mary E. Clark, Secretary, and Nora M. O'Sullivan, Treasurer.

The Home Lodge No. 162, I. O. O. F., will meet Thursday, November 15, at Odd Fellows Hall at 8 o'clock.

M. D. Liming Named Head Of C. D. Advisory Board

Names of 15-Man Unpaid Board Also Is Announced by Mayor Lockwood

Mayor Theodore R. Lockwood has announced the appointment of Melville D. Liming of 48 Ballard street, Newton Centre, retired Managing Director of the Boston Chamber of Commerce, as Chairman of Newton's Civil Defense Advisory Board. Other members of the fifteen man unpaid board who have accepted appointment include:

Graphic Now Located in Newtonville

Change to New Address At 246 Walnut Street Effective This Monday

On and after this Monday, The Graphic office will be located in the Bram Building, 246 Walnut street, Newtonville.

The decision to make this change in location of the editorial and advertising offices of The Graphic was reached only after a comprehensive survey of all factors involving service to correspondents and advertisers was made.

The publishers of The Graphic believe that the new location will be much more accessible to a far larger number of people and advertisers than was its location at Newton Corner. The new office, located at 246 Walnut street, in Newtonville, is so situated that it can be reached by bus lines from practically every section in Newton and thus will be better able to serve all the Newtons and all its citizens.

This decision to move its location is in keeping with the future expansion plans of The Graphic. For years, recognized as Newton's leading newspaper, The Graphic management has already formulated extensive plans for the future. Today, The Graphic is bigger and better than it ever has been throughout its almost eighty years of continued operation. Its news, advertising and circulation far exceeds that of any other medium operating in the Newtons.

Down through the years of publication The Graphic has symbolized all that is progressive in the Newtons. Today it continues that policy which has gained for it the respect and admiration of the residents of this growing community.

Its telephone number at the new location remains the same as now, LAseL 7-1402.

The new location will be more convenient to a far greater number of persons than was the old location and in establishing a more centralized office, can be of greater service to Newton citizens in general.

The publishers of The Graphic take this opportunity to express their sincere thanks to all who by their cooperation, have aided to make The Graphic a bigger and better paper than ever before.

Recount of Votes Fails to Make Any Change in Results

No material change resulted in the recount of votes held last Friday in the contest for Ward 2 Alderman.

In the original figures announced following the recent city election, William A. Jackson was declared the winner with a vote of 1,206 to 942 for Harry N. Gath Jr.

In the recount, Jackson's total figure increased to 1,248, a gain of 48 votes, and Gath's total figure increased to 1,002, a gain of 60 votes over the official tabulation following the election.

Open 'Countryside School' Building Bids December 5

New Educational Unit To Be Constructed at Newton Highlands

According to Public Buildings Commissioner Arthur Campbell, sealed bids for the construction of the proposed "Countryside School" at the corner of Dedham and Walnut streets, Newton Highlands, will be received until 2 p.m., Wednesday, December 5, when they will be publicly opened at his office in City Hall.

All proposals are to be submitted in duplicate and the original is to be accompanied by a certified check for \$20,000 payable to the City of Newton to become the property of the city if the bid is accepted and the bidder neglects or refuses to comply with the terms of the proposal.

The construction of the Countryside School is designed to bring relief to the Hyde and Oak Hill schools, according to school officials. The increased enrollment at the Hyde school has resulted in the alteration of a third-floor room, the partitioning of the auditorium and the use of one of the branch library rooms as class rooms. The Oak Hill School is in the center of an intensive real estate development, where 224 building permits for single residences have been granted in the 18 month period ending June 30, officials stated.

Ward I: Frank P. Frasier, 127 Pearl street, Newton, and Constantine J. Lupo, 66 Langdon street, Newton.

Ward II: Harold D. Ames, 109 Austin street, Newtonville, and Arthur J. Sweet, 81 Sheffield road, Newtonville.

Ward III: William H. Ellis Jr., 25 Stoneleigh road, West Newton, and John B. Naylor, 11 Byrd avenue, West Newton.

Ward IV: Frederic A. Gilroy, 42 St. Mary's street, Newton Lower Falls, and Robert C. Blackington, 15 Owatonna street, Auburndale.

Ward V: Thomas F. Kenney, 16 Chandler place, Newton Upper Falls, and John W. Dacey Jr., 116 Oliver road, Waban.

Ward VI: Francis W. Heanue, 11 Kenwood avenue, Newton Centre, and Louis Alpert, 1550 Centre street, Newton Centre.

Ward VII: David J. Cohen, 28 Elliot Memorial road, Newton, and Julius W. A. Kohler, 137 Washington street, Newton.

In expressing his appreciation to the chairman and members of the committee for their willingness to help determine many general and specific policies for the more efficient functioning of the Civil Defense Department, Mayor Lockwood said it shall also be the committee's duty to advise the Mayor on matters of Civil Defense.

The Revised Ordinances of 1939 as amended late last year state that the Civil Defense Department is subject to the direction and control of the Mayor; also necessary expenses of the board are paid from sums appropriated to the Civil Defense Department.

Mr. Liming, a graduate of Miami and Harvard Universities, was retired in January, 1950, as director of the Boston Chamber of Commerce and was recently named a member of the Finance Committee of the Newton Community Chest. A member of the Massachusetts Bar, he has written a number of articles on commercial organizations, industry and commerce and he lectures at the Yale University Summer School.

Desire Study Made Of Use of Fluorides In Water Supply

In order to evaluate the results of research and experience in states that have applied fluorides to the public water supply for the reduction of dental decay, the Newton Parent-Teacher Council has moved to have the Committee on Health and Safety study the matter.

Dr. William D. Wellock of the Division of Dental Health of the Commonwealth of Massachusetts recently met with the council's executive board and promoted suggestion to the Parent-Teacher Council.

He showed charts and graphs, the results of a survey of Newton children, to determine the dental experience in permanent teeth. The council, which has delegates from every Newton school and represents 12,700 children, has as its objective the promotion of such matters as will benefit the boys and girls of the city, Dr. Wellock stated.

He urged that the council adopt the recommendation of the Massachusetts Department of Public Health to have fluorides applied to the public water supply and to interest the citizens in this project.

Churches to Hold Com'unity Service This Morning

A Community Thanksgiving Service, sponsored by the Protestant Churches of Newton Corner, will be held this morning (Thursday) in the Newton Methodist Church at 10 o'clock. The Rev. W. Edge Dixon, of the Methodist Church, will preach and ministers of other churches will participate in the service.

Music will be furnished by the junior choir of the various churches, under the direction of Mrs. Marjorie Schumacher of Elliot Congregational Church. The public is cordially invited to this service.

Says Taxes Have Reached Saturation Point in State

In a statement released this week, Representative George E. Rawson of the 4th Middlesex District, stated that he was convinced "that government costs too much here in Massachusetts and that Massachusetts taxes are at the saturation point and driving people and business out of the state."

In these releases, Representative Rawson in stating his reasons for voting for economy in government said:

"I should like through your columns, to explain to my constituents my position on the recently adopted tax bill, which I opposed on several grounds.

"The present tax rate on earned income would be raised from 1.85 per cent (1.5 per cent plus 23 per cent surtax) to 3.075 per cent (2 and 1/2 per cent plus 23 per cent surtax) which I contended to be an increase of 66 2/3 per cent. Those were the actual facts, though it was made to appear to be an increase of 1 per cent. The tax on capital gains would be doubled. In my opinion these taxes would provide more money than needed to balance this year's budget, and would greatly oppress our people.

"In 1949 the Administration's tax proposals, which I opposed without avail, produced enough revenue so that they did not have to levy new taxes in 1950, and were able to campaign on that issue. I felt sure that history was in the making now for the 1952 campaign, therefore I took a dim view of the merits of this bill as presented to us.

"Our efforts to sufficiently reduce the Governor's budget and his supplementary budget to figures which our people can stand failed, so I voted against both. I have consistently opposed all salary increase bills except the 'cost of living' increase to classified State employees. Therefore, I did not feel obligated to vote for the taxes to support these items.

"With a deep conviction that government costs too much here in Massachusetts and that Massachusetts taxes are at the saturation point, I voted against the bill.

Hospital Musical Revue Shaping Up as Fine Show

With rehearsals under way for all feature numbers, dance groups, singing specialties and production numbers, and with casting virtually complete, the musical revue, "Insomniacs," sponsored by the Newton-Wellesley Hospital Aid Association, Inc., is beginning to shape up as one of the finest shows of its type ever to be presented in the area, according to Mrs. George Prather, Show Committee Chairman. The revue will be presented at the auditorium of the Newton High School during the evenings of December 5, 6 and 7.

With the theme of the production as "Show Business," from the early 1900's to the present, Miss Paulette Knox, who has been featured at Billy Rose's Diamond Horseshoe in New York, has been selected to appear in a scene which recreates Marilyn Miller's original interpretations in the hit show "Sunny." In this number, Mrs. Jean Bartlett, of Wellesley, will sing the title role and Mr. Sven Stenberg will take the part first created by Leon Errol. Miss Knox numbers among her other professional appearances leading roles in John Murray Anderson productions and Radio City Music Hall performances. Mrs. Bartlett scored a personal hit in last year's Wellesley Woman's Club show, singing "The Easter Parade." Mr. Stenberg is well known in Wellesley singing circles for his fine voice.

Harking back to the days of Florenz Ziegfeld, another number will simulate the original Arabian Maid specialty from the Follies of 1917. Mr. Norman Dow will sing the role originally developed by John Steele, in this number, and the 1901 Nights Tablaeu, originally staged by Ali Haggin, will be re-enacted. Miss Knox will appear in an Arabian Solo dance. Chorus girls appear.

Permanent Newton Heart Committee Group Organized

To Carry On Year Round Program to Make Known Diseases of the Heart

A group of Newton citizens have met at the Devon street home of Julian Anthony to organize a permanent Newton Heart Committee of the Massachusetts Heart Association.

The purpose of the Committee is to carry on a year round program aimed at making known to all the citizens of this city the facts about diseases of the heart and circulation.

Chairman of the newly organized Committee, which will operate under the Greater Boston Chapter of the State Heart Association is Mrs. Irene K. Thresher. Mr. Anthony will serve as vice-chairman.

L. Johnson Callas of 460 Commonwealth avenue, who was chairman of the Newton 1951 Heart Fund, was instrumental in bringing the group together. A percentage of the funds raised in Newton during the annual February campaign will be used to finance the local program.

Other members of the Newton Heart Committee include Chester M. Alter, Wilfred Chagnon, John D. Goethel, Harold Gores, Christian Herter, Jr., Mrs. Samuel A. Levine, Dr. Sylvester McGinn, Dr. Ernest Morris, Joseph Earl Perry, Mrs. Charles Richter, Dr. Hugh L. Robinson and John W. Whittemore.

The Committee has access to the Heart Association library of free motion picture films on heart disease. There are films for non-medical audiences such as PTA groups, civic and fraternal organizations, industrial concerns and labor unions. Others are of primary interest to professional people such as doctors, nurses, medical social workers, and other interested in the technical aspects of the disease. These films are available on request to the Committee.

In addition, the Committee is prepared to supply speakers, to set up exhibits and displays, and to distribute literature which will help people understand the true facts about heart disease and what it means to them, their families and friends.

Commissioned 1st Lieut. In WAFS

Miss Joane Laurel Wostrel, 28 Orchard avenue, Waban, has been commissioned a first lieutenant in the WAFS (Women in the Air Force). Her first duty assignment will take her to Lackland Air Force Base, San Antonio, Texas, for an eight weeks' indoctrination course, and she will then be assigned to an Air Force squadron.

Lieutenant Wostrel was graduated from Northeastern University, Boston, and took postgraduate studies in journalism at Boston University. She is a member of Omega Sigma Society, the Silver Masque Society and the American Red Cross. Before joining the Air Force, Lieutenant Wostrel was a dental assistant, receptionist and office manager in Natick, and a technical librarian at Massachusetts Institute of Technology, Cambridge.

Lieutenant Wostrel's parents, Mr. and Mrs. J. F. Wostrel, reside in Waban.

Appointment of Lieutenant Wostrel to a WAFS commission in the Air Force signifies a nationwide Air Force program of commissioning young college women between the ages of 24 and 32 directly from civil life, after they have had three years' experience in business, a profession, social work, or volunteer organizations.

Plan Dedication of Main Library Addition Dec. 20

Dr. Jas. R. Killian, Jr., Pres. of M.I.T., And Mayor Lockwood to Be Speakers

At an important meeting of the Board of Trustees of the Newton Free Library held last Friday night, following an inspection of the progress of work on the addition to the main library, the date for the dedication was established as December 20, a little over a year from the start of the work.

The program of the addition has reached its final stage of wood work, painting and floor covering still to be done.

The opening of the addition to the public will be a community event of considerable importance. The speakers for this occasion will be the Hon. Theodore R. Lockwood and Dr. James R. Killian, Jr., president of the Massachusetts Institute of Technology. There will be a musical number by the Teachers String Quartette of the All Newton Music School. The ceremonies will be at 8 o'clock in the evening.

The Board of Aldermen, the School Committee, City Officials, Newton Planning Board, distinguished librarians and heads of community organizations will be special invited guests. The general public will be welcome and there will be a social hour with light refreshments through the courtesy of the Newton Improvement Association.

The year 1951 is the 75th anniversary of the Newton Free Library as a city library. For five years previously it operated as a semi-public institution. The architect of the new addition is Mr. W. Cornell Appleton and the general contractors are Tornabene Bros., Inc. The addition provides a most interesting example of extending and modernizing an older library building. Articles on the addition will appear in forthcoming issues of the Library Journal and the American City.

Further details of the dedication program will be announced. Three important features of the new addition will be that a good deal of the use of the library will be brought to the street level, that the reference facilities will be more than doubled, that the book shelf capacity will be increased to the extent of two added floors of the present book stack. The main room of the addition will be outstanding as a beautiful library room.

Statistics of book circulation from January to November 1 show an increase of 18,000 volumes as compared with the year 1950. An additional branch has been opened this year at the Memorial School, Oak Hill Park and this branch has circulated 18,900 volumes in the year it has been opened, November 1950 to November 1951. The change at Newton Highlands where the adult library was moved from the Hyde School to its new quarters at 20 Hartford street has increased its use. In October, 600 more adult books were borrowed and 1000 more children's books from the room still in Hyde School.

After careful consideration, the Trustees voted that beginning December 1, the branch libraries will be closed on Saturdays.

To Send Christmas Cards to All Men, Women in Service

Commissioner of Veterans Services Department Edmund T. Dungan, stated last week that a Christmas greeting card from the citizens of the city will be sent all Newton men and women in the armed services wherever they are stationed.

The cards, anonymously donated by a Newton resident, will be mailed as soon as complete addresses are received. Mr. Dungan is urging families and friends of Newton servicemen to contact the Veterans' Service Department at City Hall immediately, providing correct rank, serial number, unit, and APO number.

Newton has 646 recorded persons now in military service which includes all those enlisted from June 20, 1950, up to the present time. Mr. Dungan points out, however, that there are many others who have been called into the reserves or enlisted elsewhere of which the department has no record.

A CHECKING ACCOUNT Shows Where Your Money Goes!

In these days when every dollar counts, a checking account is doubly valuable. Your checkbook gives you an accurate record of expenditures . . . helps to guard against unnecessary spending. With a checking account, you don't pay the same bill twice! It's the time-and-money-saving way to pay . . . and your cancelled checks are legal receipts. Reception, Tea Held for New Auburndale Club Members

A reception and tea for new member sponsors and board members of the Auburndale Women's Club was held at the home of Mrs. Allard M. Valentine, Monday afternoon.

Mrs. Robert Bonner Jr., membership chairman and her committee were recognized as doing a wonderful job. Committee members are Mrs. Clifford Beecher, Mrs. Herbert Haake, Mrs. Payson LeBaron, Mrs. Keith C. Parris, Mrs. James Ryan, Mrs. Frank Tibert and Mrs. Richard Tobin.

The table decorations were pale green tablecloth and centerpiece arrangement of purple and green grapes with violet colored chrysanthemums and green candles. This festive fall coloring made a beautiful background for the afternoon program. Mrs. Edwin C. Harkins,

program chairman, had the audience participate in games and musical quiz. The piano was played by Mrs. Neal Herrick.

Pourers were Mrs. William W. Edson, president, Mrs. Malcolm N. Jackson, 1st vice president, and Mrs. Keith C. Parris, past president.

New members welcomed were Mrs. Frederick H. Woodward, Mrs. Norman T. Street, Mrs. Thomas S. Booz, Mrs. William F. A'wood, Mrs. Harry E. Thompson, Mrs. Fred Lind, Mrs. Jesse E. Glaser, Mrs. Albert Steeder, Mrs. J. Riggs Brensten, Mrs. Edward D. Brine, Mrs. Franklyn Belcourt, Mrs. Claude P. Rose, Mrs. Carey M. Peters, Mrs. Frank Meyer, Mrs. James Woodside, Mrs. William D. Wellcott, Mrs. William A. Meddick, Mrs. Albert LaPlane, Mrs. F. C. Wedekind and Mrs. Joseph Meany.

Construction Work Here to Consist of Smaller Buildings

There can be a lot of construction work done in Newton during the next year, but it will consist mostly of smaller buildings, according to Mr. Roy S. Edwards, local lumber and building materials dealer and member of the Public Acceris Committee of the National Retail Lumber Dealers Association.

"Larger homes and commercial and industrial buildings cannot be put up without securing permission in Washington unless they are designed to require a minimum of steel and copper, and few permits are being approved," Mr. Edwards said.

"On the other hand, no permit is needed to build a single-family home if it uses no structural steel and not more than 1800 pounds of other steel and 35 pounds of copper or 1450 pounds of other steel and 160 pounds of copper, not counting fabricated building products,

such as heating and plumbing fixtures, whose weights need not be considered.

"In the case of stores, garages, warehouses, and other commercial and institutional buildings, construction can go ahead without a permit if no more than 4000 pounds of steel and 200 pounds of copper are to be used in any calendar quarter. The same provision applies in the case of farm buildings.

"In other words, the size of a new building, except one intended for amusement or recreational purposes, is limited only by the quantity of critical materials it requires.

"Any type of repair and modernization work also can go ahead without special authorization from Washington, provided the necessary materials are available."

Members Hear Talk By Newspaperman

There was a large and appreciative audience last Friday at the November meeting of the West Newton Women's Educational Club held at the Second Church Parish House, West Newton, in spite of the inclement weather.

Dessert was served at 1 p.m. by the Hospitality Committee. Mrs. William Coulton was hostess and Mrs. Martin McDonald was co-hostess. Mrs. Raymond Farnum, Mrs. William DeMelle and Mrs. Dudley Thornbury were the pourers.

Mrs. Donald Moody presided over the business meeting. Following the business meeting, Mrs. G. H. Capron of the Women's Advisory Committee of the Newton-Waltham Bank & Trust Co. introduced Mr. Ernest Kehr of the editorial staff of the New York Herald Tribune who spoke on "Behind World Headlines." Mr. Kehr cited situations in the United States due to lack of moral, honest and spiritual integrity which would lead to moral and physical disaster unless we awake and try to remedy them. He recalled to mind the situations now found in foreign countries such as dictatorships, bad economic conditions and moral degradations due to lack of public interest. Newspapers print news and not remedies to right situations. He urged us as clubwomen to get awake, become militant and awaken others to what is happening in our government. We should make ourselves heard by writing or contacting our Congressmen locally and in Washington.

Members of the West Newton Community Service Club, Women's Council of Second Church, Unitarian Alliance, West Newton Community Service Centre, Women's Advisory Committee and staff of the Newton-Waltham Bank and Trust and members of other Newton women's organizations were special guests of the Educational Club.

Play to Feature Club Meeting

The Auburndale Woman's Club will meet Wednesday, November 28 at the Auburndale Club House at 1:15 p.m. The program called "This Is A Woman", will depict visually musically and dramatically six stages of womanhood by club members. This production is staged by Mrs. Edwin C. Harkins, program chairman. Music by Club Chorus. Mrs. Lawrence L. Fidaigo, chairman of music will be acting day chairman.

Cast of "This Is A Woman", includes: Mrs. Carl G. Bergstedt, Mrs. Richard F. Cleveland, Mrs. William Foley, Mrs. Herbert F. Haake, Mrs. Neal D. Herrick, Mrs. Hartline Kelley, Mrs. F. Payson LeBaron, Mrs. William F. Markey, Mrs. Ray N. Simpson, Mrs. Robert E. Woods, Mrs. Harry E. Thompson and Mrs. Robert MacLaughlin. Members of the chorus are Mrs. John R. Draper, piano accompanist; the chorus, Mrs. Thomas S. Booz, Mrs. Charles S. Butler, Mrs. James Cardell, secretary; Mrs. Thomas E. Crosby, Mrs. William G. Foley, Mrs. George M. Hansen, Mrs. Neal D. Herrick, Mrs. Hartline G. Kelley, Mrs. Walter B. Morehouse, Mrs. James F. Ryan, Mrs. Carmen Santucci, Mrs. James E. Sawyer, Mrs. Gregory S. Samoylenko, assistant secretary; Mrs. Orazio S. Vaccaro.

A coffee hour will be held from 1:15 to 1:45 p.m. A business meeting will be conducted by Mrs. William Edson, president. The special guest will be Miss Adelaide Ball, Twelfth District Director of the Mass. State Federation of Woman's Clubs. The Hostess, Mrs. Reginald Hiltz, was assisted by group 4: Mrs. Kenneth D. Amidon, Mrs. Arthur W. C. Desoe, Mrs. Edward T. Edmonds, Mrs. Alan S. Eldredge, Mrs. George A. Felch, Mrs. John W. Kingston, Mrs. Fred Lind, Mrs. Walter B. Morehouse, Miss Cora H. Murray, Mrs. Frank W. Reilly, Mrs. George M. Rowland, Mrs. Chester E. Tracy, Mrs. Henry A. Wentworth, charter member, Mrs. Edmund I. Wilson, Mrs. Susan H. Wright.

The State Civil Service Committee has certified seven Newton policemen as eligible to fill vacancies with the rank of sergeant. The names were submitted in the following order: John J. Regan, 14 Trowbridge street; William J. Bell of Antonellis circle; Albert Yancey, 30 Auburn street; Walter D. Drew, 23 Jassett street; John W. Foley, Jr., 951 Walnut street; James E. Haloran, 24 South Gate park and Martin F. Greeley, 43 Taft ave.

St. Mary's Episcopal Church To Hold Fiesta Bazaar

A corner of Old Mexico with its attendant gay and colorful market places will furnish the theme when St. Mary's Episcopal Church at Newton Lower Falls holds its pre-holiday bazaar Friday, November 30 from 10:30 a.m. to 9:00 p.m.

The distaff side of St. Mary's parishioners should receive its capital E for effort and enthusiasm in planning and managing the many details that promise to make this year's fair truly outstanding. Mrs. Roland Gammons acting as chairman with Mrs. Leonard J. Edel as co-chairman have as their assistants many of the Wellesley, Weston and Newton women members of this active parish. Committee meetings have resulted in arranging gala tables, each in keeping with the flavor of old Mexico but still retaining a New England aptitude in the display of food, ceramics, needlework and holiday greens.

'Traveler's Joy' To Be Presented November 30

The curtain will go up Friday, November 30, and Saturday, December first, on the Newton Players, Inc., production, "Traveler's Joy", under the direction of Mrs. Nina Wentworth at the Newton High School.

Members of the cast include: Miss Nancy M. Whitman, Mrs. W. Hunter Perry Jr., Mrs. Joseph J. Gura, Miss Molly Draper, Mr. Edward C. Richardson, Mr. Stephen P. Mallett Jr., Mr. Thomas C. McNamara, Mr. William B. Marshall, Mr. Arnold Whitman and Mr. Harold P. Trefethen.

Others assisting in the production are: Joyce K. Tyler, assistant to the director; W. H. Perry Jr., stage manager; Edward L. Ufford, assistant stage manager; Mrs. Frederick J. Warren, stage settings; Edgar S. Burkhardt Jr., sound effects; Mrs. Robert J. Walsh, properties; Mrs. Louis Diluzio, costumes; Mr. and Mrs. Wesley Dynes, make-up; Mrs. Sidney L. Sholley and Mr. Edwin D. Smith, publicity; Mrs. H. Thaxter Spencer and Mrs. William H. Brackett, hospitality; Mr. William A. Meddick, Mr. John H. Gordon Jr., Mr. Roland A. Wentworth, Mrs. John Robey and Mrs. Edgar S. Burkhardt Jr., assistants to the staff.

The country south of the Rio Grande takes second place when a good old fashioned baked ham dinner will be prepared by Mr. and Mrs. George Mahan and served at 6:30 p.m. followed by a Mexican auction. Attics and closets will be invaded to furnish the items to be auctioned off in a novel and unusual fashion. Mrs. Frank N. McCabe and Mrs. Bernard R. Smith of Wellesley Hills are in charge of this feature of the bazaar.

The lolly pop set accompanied by school age sisters and brothers will munch their popcorn as noisily as they wish at movies brought in especially for them, while parents pick up a bargain at the auction.

Mrs. F. W. Tappan has designed and executed the posters, murals and booth decorations which give forth an aura of Mexico at Fiesta time.

Rummage Sale to Be Held Nov. 30

A rummage sale to aid the church renovation fund will be held on Friday, November 30 from 10 to 4 p.m. at the Parish House of the First Baptist Church, Newton Centre.

This project is sponsored by the Women's Union of which Mrs. Ralph Sherwood of Newton Highlands is president. Miss Esther Winslow, chairman of the affair is aided by Mrs. W. Morse in charge of sorting; Mrs. L. Gould and Mrs. W. H. Bixby will take care of marking and Mrs. W. Esty deals with the selling end.

If you are hungry after browsing through clothes, bric-a-brac, books and household goods, there will be a "snack bar" where you may pick up a light lunch for a nominal cost.

days at 6 p. m. There has been a change by the public in their habits of book borrowing. The use of the branch libraries has been changed from Saturday nights to the other nights of the week. Under present circumstances the use does not seem to justify keeping the branches open on Saturday nights. Careful inquiry shows that in general the branch libraries of the Greater Boston area are not now open on Saturday nights.

Book Week was observed by the Newton Free Library during the week of November 11 through November 17. Several school classes visited the library where there were special book exhibits and story hours. Special book lists were widely distributed.

Distribution of Two Civil Defense Leaflets Efficiently Handled

There is an old proverb—"The man who rows his neighbor across the river, gets there himself." Recently, the Administrative Services of the Department of Civil Defense did a splendid job in distributing to every home in Newton, two leaflets—one describing what to do in case of an air raid warning sounds, and the other a recruitment leaflet from the Newton Red Cross urging home nursing training as part of civil defense preparedness.

The Administrative Services, under the chairmanship of Mrs. George H. Larsen and Mrs. Richard B. Cole assisted by Mrs. F. Marsena Butts and Mrs. William Helms, have been very well organized and was ably demonstrated by this first Civil Defense canvas. The following district chairmen, including 600 workers, did an excellent job of covering the city within forty-eight hours and showed their ability for community preparedness: Mrs. Francis Ciampa, Mrs. George R. Strandberg, Mrs. Parker F. Pond, Mrs. Thomas G. Swain, Mrs. Henry Berlin, Mrs. George W. McCreery, Mrs. Richard Rockett, Also Mrs. Norman I. Paterson, Mrs. Richard Kenney, Mrs. Frederick C. Wells, Mrs. Edward F. Roberts, Mrs. W. S. Railsback, Mrs. Allston T. Budgett and Mrs. Gordon B. Gifford.

The Red Cross prepared 23,000 letters for distribution, and to date nearly 600 applications for the home nursing course have been received. Sixteen classes,

Refresher Course Being Offered For Graduate Nurses

The Massachusetts General Hospital is offering, without tuition, a six weeks' refresher course in medical and surgical nursing for graduate nurses starting November 26. The course is to be held three days a week at the Massachusetts General Hospital Monday, Wednesday and Thursday from 9:00 a.m. to 3:30 p.m. There will be a Christmas vacation from December 20 through January 1.

As no tuition will be charged for this course, the Massachusetts General Hospital hopes that in return the candidate will remain on either a part-time or a full-time basis at the Phillips House or some other unit of the Massachusetts General Hospital for at least six months. The course of the Massachusetts General Hospital will include class instruction and practice in the newer procedures and a discussion of modern methods of nursing and medical care.

The Nursing Department of the Phillips House at the Massachusetts General Hospital would be glad to answer inquiries concerning the refresher course.

Recapturing the spirit of the 20's, when operetta was in full flower, a Gypsy scene will be presented. This number will take the form of a tabloid musical comedy, in which dancers, singers and soloists combine to make an extravaganza typical of the post-war era. Mary Louise Meyer sings the lead role, supported by: Edna White as Gypsy Queen; Pat McConaghy as the American Girl and Norman Dow as the American Boy. A singing chorus of gypsies includes: Jeanne Bartlett, of Wellesley, Sally Clark, of Newton, Mrs. Charles Donovan, of Newton, Martha Wickson, of Newton, Eileen Ellingwood, of Wellesley, Leah Keever, of Auburndale, Pat Monroe, of Wellesley and Mr. Grant Thorburn. The scene closes with a dashing gypsy dance, with the girls dressed in flame colored costumes. The girls of the ballet are: Ann and Sally Cranton, Susan Lytle, Barbara Ayres, Sandra DiLuci, and Faye Schultz, of Wellesley and Anita Carr, of Newton. Also in the corps de ballet are: Carol Keane, Marilyn Crowley, and Nancy Seymour. Ruthann Seymour will be featured as Premiere Ballerina.

An audience pleasing novelty number will be the Waltz from the "Fascinatin' Widow." Giving an impersonation of Julian Eltinge, Stephen Bowers appears in this number supported by a dancing chorus including: Ann Hyde, Dr. David Bartlett and Manya Murphy, of Newton, Pauline Lamoureux, Eileen O'Malley and Norris Bond of Wellesley; Nancy Walsh and Elizabeth Quinn, of Auburndale; Ann Perry and Diana Davison of Waban; Margaret Coomes, of Natick, John Williamson, of Lexington and L. B. McConaghy, of Weston.

Featured comedienne, Pat McConaghy, who will be remembered for her fine work in last year's Wellesley Woman's Club show, will give her impressions of Fannie Brice, singing the "Spring" number from the Ziegfeld Follies. Mrs. McConaghy will also present impressions of Dorothy Makay's "Vodka" from the Song of the Flame and Charlotte Greenwood's "Nobody's Chasing Me" from the latest Cole Porter show.

Tickets will be available at the Hospital Aid Office at the Hospital from 10 to 12 daily during the week of November 26th. Other locations for ticket sales will be announced.

Dr. Ernest M. Morris, Director of Public Health in Newton, reports that in comparing the number of communicable diseases (as chicken pox, whooping cough, etc.) during October 1950, with October, 1951, there has been a much fewer number of cases in the current year.

John T. Winn of Lincoln street will soon make Miss Celeste S. Bennett of Brown street, Waltham, his bride.

uration point and driving people and business out of the State, I moved that the bill be rejected. Although my motion was defeated, there were a hundred House members, including the entire Newton delegation, who voted against the bill.

"In spite of an editorial in Saturday's issue of a well-known and widely read Boston newspaper, there are still some economy-minded representatives on Beacon Hill."

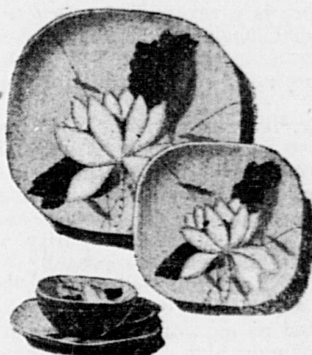

Mr. and Mrs. Ray S. Kelley, Jr., of Bowdoin street are the proud parents of a young son, born November 5th, at the Newton-Wellesley Hospital.

An Unusual Affair

The Korean war is one of the strangest and most terrible conflicts ever fought. Geographically, it is a small war; in terms of human and material costs it is a big one. Veterans of some of the most difficult and bloody campaigns of World War II say that Korea is even worse, in terrain, in climate, and in the character of the enemy. It is a war which we cannot win under present conditions, and it is also a war which seems to be half-forgotten at home. Even if a truce is finally reached, it will be an uneasy one, and unless there is a reversal of policy our troops will remain on guard in that racked land, watching and waiting to see if the enemy has more grim surprises in store for us.

Theoretically, it is a war of the United Nations against an aggressor. Actually, it is a war in which one country, the United States, is doing almost all of the fighting, providing almost all of the money and weapons, and taking the vast majority of the losses. Our casualties approach the 100,000 figure, and of them well over 15,000 are known to be dead. The death rate among those now listed as missing is expected by all to be exceedingly high. Our allies have fought bravely and taken their casualties too, but the proportion of U. S. casualties to those of its U. N. allies now is about

13 to 1, and is rising gradually week by week.

It is common knowledge that our major ally, Great Britain, has small stomach for the Korean war, and only came along because, in the current state of world affairs, there was nothing else she could do. Britain feels that it would be economically impossible for her to break off all relations with China, regardless of who runs the Chinese government. She also feels that an extension of the war in the Far East would mean the loss of Hong Kong and other key Crown colonies and possessions. She can marshal strong arguments in support of her position. But whether those arguments are valid or not in the strong white light of history, this situation adds still more somber strangeness to the Korean conflict.

It was General MacArthur's conviction that the war must be carried to the heart of China. It was for stating and restating this that he was relieved. Yet, if all else fails, the American government, though reluctantly, may be forced into that course. It is inconceivable that the war should be allowed to go on indefinitely. The drain on our manpower is too great.

On the bright side are reports from the front that the losses taken by the Chinese, in men and equipment, have been incredibly high; so high that it is doubtful if they are in a position to mount new major offensives. And the feeling grows, and has been buttressed by the most recent atomic tests in Nevada, that tremendous new lethal weapons, suitable for tactical use by ground troops, may be on the way. Hope is strong that the Chinese may be losing their stomach for fighting, and that Russia may conclude that this particular Red cause is lost.

In the meantime, the Korean war is unlike any this nation ever fought.

Freedom of Choice

Under free enterprise, the consumer has freedom of choice. He can go into any store, look around and buy or not buy, as he pleases. He can shop about from store to store seeking the most attractive deal.

Things are different in a totalitarian economy. Actually, in most foreign countries there is nothing that bears even a good resemblance to our splendid American retail stores.

And in the communist countries, of course, the consumer gets what the bosses want to give him, which is usually the bare minimum needed for subsistence on the near starvation level, and he likes it or else. Everything is rationed, and practically everything is scarce and extremely expensive when measured in terms of the average man's earnings. Freedom of choice is unknown.

All in all, American retailing is just about a perfect example of the virtues of the whole free enterprise system.

West Newton

Miss Elizabeth Ann (Betsy) Burgess, daughter of Dr. Stanton L. Burgess and Mrs. Burgess of 343 Highland avenue, and Lt. (j.g.) Phillips Bolster, USNR, son of Mr. Robert P. Bolster of Newton Lower Falls, will be married in Second Church Saturday afternoon, Dec. 1, at four o'clock. A reception will follow in the Parish House.

Miss Patricia Ann Eddy, daughter of Mrs. Grace B. Eddy of 1660 Washington street, and Mr. Earl E. Gesler, Jr., son of Col. Earl E. Gesler, USA, and Mrs. Gesler of Washington, D. C., are planning a February wedding. Miss Eddy attended Lasell Junior College. Mr. Gesler is an alumnus of McDonough Military Academy, Baltimore, Md., and Amherst College and M.I.T., class of 1951.

Marsh & Rice have sold the colonial house of 10 rooms, three baths and a two car garage at 44 Fairfax street, to Dr. John T. Farrar and Mrs. Farrar. Mrs. Manetta Byrd Eaton was the grantor. The property, assessed for \$18,900, is located on a tree shaded lot of nearly an acre.

Mr. and Mrs. Clifford P. Parcher of Sharon recently announced the engagement of their daughter, Miss Patricia Lorraine Parcher, to Mr. Norman Church Cleveland, Jr., son of Mr. and Mrs. Norman C. Cleveland of 32 Lenox street. Miss Parcher attended Wheaton College and is now a junior at Pembroke College of Brown University. Mr. Cleveland is a senior at Brown. A summer wedding is planned.

Carley Realty has sold the 9 room house with oil heat and garage at 114 Elliot avenue to Mr. and Mrs. Wayne V. Schell. Mrs. Sadie G. Smith was the grantor.

Mr. and Mrs. Albert C. McKenna of 270 Mt. Vernon street and Mr. and Mrs. Virden K. Simpson of Merion, Pa., are the grandparents of Peter Hancock Simpson, born at Richardson House, Nov. 8, to Mr. and Mrs. Frank Hancock Simpson (Mary McKenna) of Wilmette, Ill. Mr. Frank B. Hancock, also of Merion, is the great grandmother.

John H. Gordon, 72, died at his home, 349 Auburndale avenue, Nov. 11. Mr. Gordon, a native of Warren, was head of the John H. Gordon & Son real estate firm. After a service of 35 years he retired from the American Telephone & Telegraph Co. employ in 1934. He is survived by his wife, a son, John H., Jr., of Auburndale; Mrs. Ruth A. McCarthy of Framingham; and two sisters, Mrs. Joseph H. Fisk of Jamaica Plain and Mrs. William Jones of Andover, N. H. A solemn Requiem mass was celebrated at Corpus Christi Church Saturday at 9 a. m.

Newton Highlands

Paul B. Sawyer of Walnut street, Newtonville, and Miss Sarah G. Nichols of Fisher avenue, Newton Highlands are planning their wedding in the near future.

Thefts of autos, car parts or contents, bicycles, etc., are becoming too common occurrences to be viewed casually. In Newton last Saturday among other losses, a girl's bicycle was stolen from the yard of Mr. M. P. Luthy of Stony Brae road.

On November 8, a son was born to Mr. and Mrs. Lewis DeSimone of Margaret street at the Newton-Wellesley Hospital. Congratulations!

What might easily have been a serious fire in the Woolworth Store on Walnut street was averted by the quick work of the manager of the store, Fire Chief John E. Corcoran credits Mrs. Mary MacKay of Roslindale, (Manager) with taking prompt, courageous measures to bring the blaze under control. Dimming of the store lights gave warning of trouble. Mrs. MacKay with Miss Nelson of Kingman road, a clerk, found fire in the basement. While Miss Nelson telephoned the Fire Department, Mrs. MacKay used a fire extinguisher to good effect. It was certainly good fortune to the Woolworth Store and to the many surrounding occupants of that area that danger was held in check so effectively.

DEATHS

JOHN H. GORDON
John H. Gordon, 72, died at his home, 329 Auburndale avenue, Auburndale, Wednesday, November 14. He was the founder of the real estate firm of John H. Gordon and Son, and was a former president of the Board of Aldermen.

He was a native of Warren and was educated at Boston University. For 35 years he was employed by the American Tel. & Tel. Company, and at the time of his retirement in 1934, was district manager and employment supervisor. He then entered the real estate business.

In Newton, he served on the Board of Aldermen for several years. A past grand knight of Jamaica Plain Council, K. of C., he was a charter member and past exalted ruler of Newton Lodge of Elks and a member of Newton Council, Knights of Columbus.

He is survived by his wife, Etta M. Gordon; a son, John H. Jr., of Auburndale; and a daughter, Mrs. Ruth A. McCarthy of Framingham. He also leaves two sisters, Mrs. Joseph H. Fisk of Jamaica Plain, and Mrs. William Jones of Andover, N. H.

A solemn requiem mass was celebrated last Saturday at 9 a. m., at Corpus Christi Church, Auburndale.

MARY T. MEEHAN
Mrs. Mary T. (Ward) Meehan, 68, of 24 School street, Newton, died Wednesday, November 14, at her home after a long illness. Born in County Roscommon, Ireland, a daughter of James and Margaret (Dowd) Ward, she had been a resident of Newton for the past 40 years. She was a former member of the Ladies Sodality of the Church of Our Lady, Newton.

She is survived by her hus-

band, Timothy F. Meehan; one son, Francis J. of Newton; and four sisters, Sister Mary Sophia, S.N.D., of St. Mary's School, Cambridge; Mrs. Ellie Moore of Roscommon, Ireland; Mrs. Catherine Thomas of 5 Forest street, Newton Highlands; and Mrs. Elizabeth Leonard of Pontiac, Mich. Funeral services were held last Saturday morning with solemn requiem mass at Church of Our Lady, Newton at 9 o'clock. Interment was in Calvary Cemetery, Waltham.

LETTERS

IN AGREEMENT

Editor, Newton Graphic:
After reading the Rev. Mr. Parker's letter on Halloween vandalism, I want to express my appreciation of his statements. A few strong legal measures by authorities would quickly put an end to present day Halloween lawlessness.

ELIZABETH CUSHMAN,
35 Temple St., W. Newton

A Good Idea

Editor, Newton Graphic:
After fishing for tokens from amongst the dimes, etc., I have hit on a gadget I am trying out. String them on a safety-pin, 1 1/2 inch size, first cutting off the point of the pin with nippers. I think this will take care of the Newton tokens, have not yet seen the Boston Elevated tokens as yet. Come to think of it, this is very like using a tree twig or branch to string fish.

President's Day to Be Held Nov. 28

The Woman's Club of Newton Highlands will observe President's Day Wednesday, November 28 at the Congregational Church Parish House. Dessert will be served at one o'clock and the meeting at two o'clock will be a presentation of two one-act plays by the Drama Committee, Mrs. Philip Wilbert, Chairman.

The play will be "Retired," by Perry Boyer Corneau and "The Faces of Deka," by Michael Morgan.

Special guests for the day will include Mrs. Ralph G. Swain, first vice-president, Massachusetts State Federation of Women's Clubs; Mrs. Louis F. Billings, President of the Newton Federation of Clubs; Presidents of the 12th District clubs; and all past presidents of the Woman's Club of Newton Highlands.

Mrs. Kenneth J. Waite, President, will preside at the business meeting, and will introduce the guests of honor to club members.

The Art Corner will feature painted trays, under the sponsorship of the Art Committee, Mrs. Frank P. Pickett, Chairman.

Hostesses at the Dessert and Social hour will be Mrs. James F. Cooper, and Mrs. Noel G. Monroe.

Brownie Troop 167 Host to Mothers

Brownie Troop No. 167 of Newtonville invited their mothers to their Investiture Ceremony Tuesday at St. John's Parish House.

The following girls were invested by their leaders Mrs. Albert R. Beisel, Jr., and Mrs. Earle F. Wilder: Deorah Ames, Ann Barry, Karen Beisel, Barbara Berig, Sheila Callahan, Marjorie O'Connor, Janice Pigeon, Mari Pedraz, Holly Wilder and Phyllis Weinstat. A short entertainment of songs and a dance was presented by the girls followed by refreshments.

Guarding the mails was one of the odd duties Marines performed in past years. In 1921, and again in 1926, Leathernecks were assigned this task at the request of the Post Office Department and were highly commended for their efficiency.

Newtonville

He is survived by his wife, a son Pfc. William B. Leonard II, USMC; a daughter, Miss Cynthia Leonard; his parents and two sisters.

Mrs. Helen S. Svirsky of Brooklyn, N. Y., is spending the Thanksgiving recess with her parents, Mr. and Mrs. Robert V. Spencer of Walker street.

Mrs. Ernest P. Railsback of Foster street has returned from Noblesville, Ind., where she was called by the death of her father, Mr. Edward Everett Neal, a retired newspaperman. She stayed on for some time to close the family home.

Group Four from the W.S.C.S., of the Methodist Church, Mrs. Howard M. LeSourd and Mrs. Earl Atkinson, chairmen, will meet for luncheon with Mrs. Mihar Jacobian of 160 Mill street on Monday at one o'clock, with Mrs. E. E. Colcord and Mrs. John Ballou as hostesses.

Mrs. Louise (Forte) Guilford, wife of Jesse P. Guilford, of 718 Watertown street, passed away Nov. 15. Funeral services were private.

The Horace Mann Improvement Association has filed a petition at the Newton city clerk's office, asking for a public hearing before the board of aldermen, regarding a swimming, diving and wading pool at Albertmarle playground. The association acted under city charter rights, due to the delay given by the aldermen on previous petitions. The pool was first advocated by Harry Gath, Jr., in 1948.

Mr. and Mrs. Harold Michelson, who purchased the single house at 74 Walker street from Mr. and Mrs. Harvey E. Denault, are, with their two small children, occupying their new home.

Mrs. R. P. Morgan of 71 Walker street left last week for Altoona, Pa., where she will be the guests of relatives for two months, dividing the time with friends in Pittsburgh and Oil City.

Mr. and Mrs. Francis J. Flagg of 99 Kirkstall road are the maternal grandparents of Edward Francis Gibney, born Nov. 10 at Charlotte Amalie, St. Thomas, to Mr. and Mrs. Edward Gibney (Nancy Ferard Flagg) of Hawk-nest, St. John, the Virgin Islands. Mr. Gibney is the young man, mentioned so often in Thomas Merton's best seller, "The Seven Storey Mountain." He was a roommate of the author at Columbia University. Mrs. Gibney, then Nancy Flagg, also appears in the book. The author is now a Friar in a Trappist Monastery in Gethsemane, Ky., where he continues to write under a special dispensation.

To Stop Radiator Pounding

A hammering radiator can often be silenced, says the Woman's Home Companion by driving a small wedge under the legs on the end furthest from the 'intake' pipe. This allows the trapped water to flow back to the boiler.

Thanksgiving

Thanksgiving to everyone may not bring a table laden with everything, but no matter how much or little is there Let our hearts respond to this prayer. A prayer for those, who cannot be At that table, with you and me; That all absence and sorrow cease, Bringing a thankfulness and peace.

Lutheran Institutes to Hold Leadership School

The Lutheran Service Volunteer Institutes sponsored by the Boston Zone of the Waltham League will be held at Trinity Lutheran Church, Parker street, Roxbury, from November 26-November 30 (five consecutive evenings). The LSV Institutes are arranged by the board of directors of the Atlantic District as schools for leadership training in youth work in the home congregation. They are made possible by the cooperation of many who are interested in the youth program of the church.

What Shall We Eat . . . After The Holiday

Every time I hear someone say the turkey tastes better on the days after Thanksgiving, I know that this zest for turkey is the work of a wise home-maker. She makes a specialty of post-holiday fixings for the big bird. In most homes turkey is on the menu for the next few days. In fact, one woman I know of doesn't serve turkey again until she makes it the main dish for Sunday dinner.

We suggest Creamed Turkey au Gratin in Potato Boats for dinner. It's a meat dish removed from the leftover class and a departure from the traditional turkey plate.

Creamed Turkey au Gratin in Potato Boats
6 large baking potatoes
3 tablespoons butter
2-3 cup scalded milk
Salt and pepper
1/4 cup butter
1/4 cup flour
1 1/2 teaspoon salt
1/4 teaspoon pepper
2 1/2 cups milk
1 cup grated American cheese
2 cups diced cooked turkey
2 tablespoons sliced pimento
Wash and bake potatoes until tender. Remove slice from top of each; take out filling. Add butter and milk to mashed po-

tato and beat until fluffy light. Season to taste and keep hot. Melt butter, add flour and seasonings and blend. Stir in milk and cook over low heat until smooth and thickened, stirring constantly. Add cheese, stirring until melted. Add diced turkey and pimento and neat through. Fill potato shells with mashed potato and top with creamed turkey. Enough for 6 servings.

This same Creamed Turkey au Gratin goes well over plain waffles or pancakes for a supper or luncheon dish. A green salad will complement the turkey nicely to make an interesting and delicious meal.

Do You Know Massachusetts?

(Compiled by State Planning Board)

DO YOU KNOW THAT . . . Total non-agricultural employment in Massachusetts in September stood 20,400 workers more than a year ago. Manufacture of durable goods employed 42,500 more people than in September, 1950, but non-durable products were down by 32,500. Contract

construction employed 8,200 less, retail and wholesale trade 2,600 less, finance, insurance and real estate 4,000 more and government 16,200 more than a year ago, reported by U. S. Bureau of Labor Statistics and Massachusetts Department of Labor and Industries. . . . Residential rents in Massachusetts by mid-October had risen 4 per cent above the average a year ago and 27 per cent above the average of the pre-war years 1935-1939. Total cost of living in October stood 74.4 per cent above pre-war, the all-time peak so far, as reported by Division of Necessaries of Life. . . . The current consumption of poultry — chicken, turkey and duck — is calculated at one-half pound to each three pounds of red meat. . . . Massachusetts will produce 682,000 pounds of honey in 1951, which is 22 per cent more than last year, the U. S. Department of Agriculture estimates. . . . During September main store sales of Boston department stores totaled 5.7 per cent less than a year ago, but those of the bargain basement departments increased 4.5 per cent, as reported by the Federal Reserve Bank. . . . Largest gains in basement sales were domestics and blankets, 19.9 per cent above September last year, home furnishings up 16.3 per cent and blouses, skirts and sportswear up 10.7 per cent. . . . The Town Manager of Ipswich has appointed a planning board with full powers, the first town in the state where a planning board appointment by a town manager has been reported.

First in Series Of Dances to Be Held Friday Night

Invitations have been mailed to a college and high school group in Newton who are again looking forward to dancing tomorrow night (Friday) when the first of the Normandie Room dances is to be held.

A representative group of students met in the early fall to express their ideas on what went to make up a successful party. The patronesses have planned to carry out those ideas so that all will have a really gay time.

These pleasant evenings of ballroom dancing are scheduled, in addition to Friday night, for December 27 and February 20.

The committee arranging this series has been composed of both parents and many members of the Junior and Senior Classes of Newton High School. Patronesses include Mrs. Ernest G. Angevine, Mrs. Julian D. Anthony, Mrs. Elwood T. Dickinson, Mrs. Thomas H. Peterson, Mrs. Maxwell H. Robson, Mrs. Neil W. Swinton, Mrs. Albert B. Terkelsen, Mrs. Walter T. Tower, Mrs. Randall W. Weeks and Mrs. Stafford H. White.

Mrs. Garfield A. Drew, 44 Hancock avenue, Newton Centre, is still receiving reservations for the set. Replies from late comers should be sent immediately to Mrs. Drew.

American and British Marines wear somewhat similar insignia. The U. S. Marine emblem shows a globe, eagle and anchor; while the British wear a globe encircled by a laurel wreath, together with a small anchor, a lion and a crown.

The Marine Corps emblem, showing the western hemisphere on the flank of an anchor and surmounted by an eagle, has remained virtually unchanged since adoption in 1868.

Mr. and Mrs. Paul E. Crocker of 40 Neholden road and Mr. and Mrs. John H. Gaskin of Attleboro are the grandparents of Patricia June Gaskin, born Nov. 5, Jr., of Norfolk, Va.

Telephone Workers Granted Increase

Wage increases affecting most of its 34,000 employees were announced today by the New England Telephone and Telegraph Company following negotiations with the International Brotherhood of Telephone Workers representing employees in the Plant Department and the New England Federation of Telephone Traffic Workers representing switchboard operators and other employees in the Traffic Department.

It is estimated that the result of these increases, together with comparable adjustments being made for clerical workers and other employees in all departments, will be to add almost \$7 million per year to the cost of providing telephone service in the five New England states served by the company.

November 9

To Mr. and Mrs. Francis H. Morgan, 18 Hovey street, Newton, a girl.

November 10

To Mr. and Mrs. Bernard Madfis, 35 Abbott street, Dorchester, a girl.

To Mr. and Mrs. Francis Barrett, 37 Clyde street, Newtonville, a girl.

November 11

To Mr. and Mrs. Melvin Meseroll, 11 Winslow road, Wellesley, a boy.

November 12

To Mr. and Mrs. Kenneth Dunn, 2 Walnut terrace, Newtonville, a boy.

To Mr. and Mrs. John Garabedian, 1210 Chestnut street, Newton Upper Falls, a boy.

To Mr. and Mrs. John B. Canha, 143 Walnut street, Newtonville, a boy.

Under the new schedule, maximum weekly wage rates for telephone craftsmen are increased by \$5, and other rates in the Plant Department are increased by either \$3 or \$4 a week. For switchboard operators, the new schedules provide for increases of \$2.50 in maximum weekly wage rates, and either \$2 or \$3 a week at other steps in the schedule.

These wage increases are necessary to catch up with increases authorized by many other industries for work requiring similar skill and training and are within the framework of the Wage Stabilization Board's regulations. However, some of the increases are conditioned in part on obtaining a ruling from the Wage Stabilization Board.

Hugh W. Macdonald, Massachusetts General Manager of the Telephone Company, said that the biggest part of the additional annual cost of these increases will apply to Massachusetts because the major part of the company's operations is in this state.

"When we increase wages in the telephone business in accordance with wage stabilization regulations, we are not contributing to further inflation—we are trying to catch up with the effects of it. The fact is that we are the victims of inflation and have no choice but to seek increases in income to offset these higher costs."

"It will be necessary, there-

fore, to make application immediately for higher rates to meet the cost of this wage increase as well as the higher State and Federal taxes that have become effective since rates were last revised."

Major Samuel Nicholas, first Continental Marine officer, in 1775 instructed recruiting officers to accept no candidates for the Marine Corps except those "of dependable and religious nature combined with proper robustness of body."

Motor transport, armorers, quartermaster, radio, telephone, electricians and field telephone schools are among those maintained by the U. S. Marine Corps for advanced training of Leatherneck specialists.

WHY BRISTOL UPHOLSTERING IS DIFFERENT

- (1) We don't tie springs just 4 or 6 ways—we tie them fully 8 ways and with special twine.
- (2) We don't just glue loose frames—we take out old dowels, replace them with larger and new ones. We add brand new corner blocks.
- (3) We don't tack seams at just the obvious spots—we hand sew seams throughout the piece.
- (4) The seams on the sides and backs aren't blind-tacked—all the seams are hand-sewn.
- (5) We don't use ordinary fibre or excelsior—we use the new, expensive moss filling.
- (6) We don't just repair your cushions—we make brand new cushions, springs and all.
- (7) We don't put the fabric on carelessly—we make sure the pattern matches perfectly.
- (8) We don't just cut from a pattern—we fit your cover as carefully as a tailor-made suit.

To Better Serve ALL The Newtons— The Graphic Is Moving To Newtonville

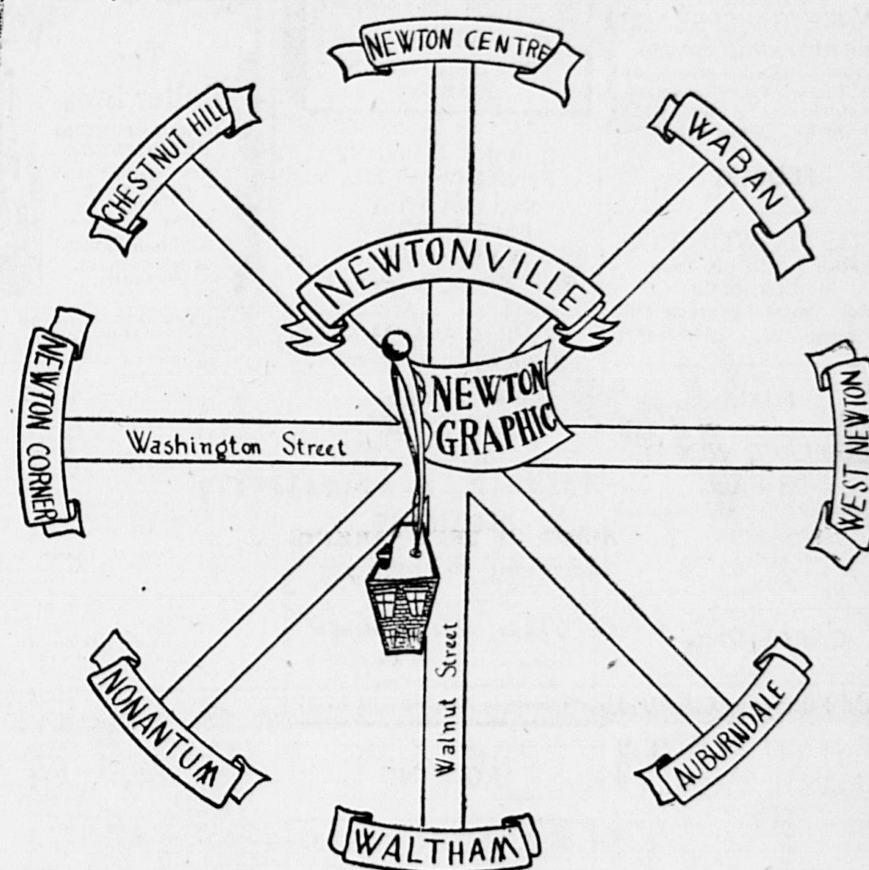

On November 24 Our New Location Will Be

246 WALNUT STREET, NEWTONVILLE

(The Bram Block)

Not too unlike the hub of a wheel, is The Newton Graphic's new centralized location, where the cross roads of the Newtons' merchandising centers meet . . . where transportation services meet to quickly and efficiently serve you better . . . where too, The Newton Graphic can better serve with a maximum of efficiency the many areas which surround this hub.

The decision to move the offices of The Graphic from the Newton Corner section of the city, where for almost eighty years The Graphic has been located, came only after careful consideration and after a comprehensive survey of all the factors involved were made.

In its new location, The Graphic office will be easily accessible to residents in all sections of the city. Here all bus and transportation lines criss-cross so that transportation facilities are readily available and will afford a convenience to a greater number of our advertisers and correspondents than did our former location.

This decision to move its location is in keeping with future expansion plans of The Graphic. For years recognized as Newton's leading newspaper, The Graphic management has already formulated extensive plans for the future. Today, The Graphic is bigger and better than it ever has been

throughout its almost eighty years of continuous operation. Its news, advertising and paid circulation far exceed that of any other media operating in the Newtons.

Down through the years of publication, The Graphic has symbolized all that is progressive in the Newtons. Today it continues that policy which has gained it the respect and admiration of the residents of these growing communities.

The Graphic enjoys the friendliness of its neighbors at Newton Corner and it was only after lengthy and considered reasoning that the publishers made the decision to move the editorial and advertising offices to our new location in Newtonville.

We are certain that in reaching this decision, the publishers of The Graphic have done so primarily with a view to improving an already fine, alert and growing newspaper to serve ALL the Newtons and ALL its citizens.

Newton Tigers Favored in Thanksgiving Day Game Against Brookline High

The Newton High Tigers, with a season's record of five wins, one tie and two defeats, will wind up this year's gridiron activity with its annual Thanksgiving Day game against Brookline High this morning at 10 o'clock at Brookline. Squaring off against their perennial "Turkey Day" opponent, the Warren Huston-coached eleven should enter the fray a slight favorite.

Although the Waltham game pointed up the weakness in Newton's defense and saw an injury-ridden team fail to keep as close of a strong offensive Crimson, the Orange is better than the last game would indicate. While losing to the Watch Citizens by a score of 25-14, the Tigers were in the game until the last period.

The absence of halfback Dan Coffey and the limited action by Don Thompson spelled defeat for Newton against an eleven led by two of the state's top ball handlers, Ed Beck and Frank Krol. But Newton will find no Beck or Krol at Brookline tomorrow.

Brookline will present a fair running attack with quarter-back Al Krapf doing the handling. In its last game with Lynn English, which it won 14-7, not one pass was attempted during the entire contest.

The Wealthy Towners elected to move the oval over the ground for its two touchdowns. Mainstays in the Brookline attack formation are Krapf, fullback Bob Conway and halfback Jim Bowers. Conway bolted for the clinching TD in the Lynn English game on a 65-yard jaunt, after Krapf went over for the initial tally on a sneak from the one-yard line.

For the season, Brookline sports a record of four victories, one tie and two defeats. But while Newton enters the fray with a one-game edge, the Wealthy Towners have been known to be "up" for the traditional Thanksgiving Day affair.

The Tigers have displayed time and again their ability to move the ball, either through the air with Fred Dauten doing the pitching, or advancing via the ground, elusive Thompson carrying on end sweeps and line plunges.

Dauten, the Oranges' main threat in the Waltham game with his passing performance, hit his ends, Don Flag and Bob Morrison, for a good average. Two completions went for TD's, one to Flag and another to Thompson.

Again, as in Newton's last two encounters, the hard-running of halfback Dan Coffey will be missing. The combination of Coffey and Thompson presented a difficult duo to stop and the two backs shared in the ground-gaining department. With a leg injury that put Coffey out of action for the season, all the duties fall on Thompson.

The Tigers' standout halfback was watched carefully all during the Waltham game and was unable to break away for his usual flying sprints.

Of the two schools, Newton has probably met most of the top teams in Class A. Victories

Expect Red Feather Fund Will Reach Quota Here

The United Red Feather Campaign will have its final meeting at a dinner tonight at the Copley Plaza in Boston, at which time complete reports will be made by all Divisions.

At the Final Report Luncheon last Friday, the Campaign had raised \$5,499,000, or 75.6% of the total goal of \$7,275,000. On the same day, Newton reported \$271,540, or 84.6% of its goal.

As we go to press we are advised by the Newton Community Chest office that additional subscriptions totaling over \$9,000 had come in by mail, by hand, and by telephone up to Monday night, and further contributions in large quantities are expected to be received before tonight's final dinner. The total amount

Christian Science Thanksgiving Service Thursday

A special Thanksgiving service, open to the general public, and including voluntary testimonies of gratitude, is announced by First Church of Christ, Scientist, Newton, for 10:45 a.m., Scientist, New-day). The service will be held in the church edifice at 391 Walnut street, Newtonville.

The latter portion of the service will be devoted to spontaneous expressions of gratitude by members of the congregation for God's goodness as manifested in their lives in spiritual growth, healings and other blessings.

Selections on the subject of praise and thanksgiving to God will be read from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, in a specially prepared lesson-sermon entitled "Thanksgiving."

The service is open to the general public.

Complete Plans for Christmas Bazaar November 29 and 30

In a festive "Night Before Christmas" atmosphere many beautiful and practical gift items will be offered for sale at the Christmas Bazaar to be held in the Newton Centre Methodist Church Thursday, November 29 from 10 a. m. to 8 p. m. and Friday, November 30 from 10 a. m. to 5 p. m. The proceeds will benefit the Woman's Society of Christian Service. Co-chairman for the Bazaar are Mrs. Walter E. Leidner and Mrs. Arthur B. Studley.

On Thursday a Snack Bar will be operated from 11:30 to 1:30 by the Misses Maude and Marguerite Flanders. An old fashioned New England Boiled Dinner will be served at 6:30 p. m. by members of the Evening Circle. Mrs. Charles Renker and Mrs. Harold Temperley are in charge. Afternoon tea both days and a Luncheon on Friday from noon to 2 p. m. are also planned.

Every good cook of the church will contribute her best effort in cake, pie, or other pastry to the Food table which is under the direction of Mrs. Harrison Hayward, Mrs. Ray D. Roley, and Mrs. H. Daniel Hawver. The Unique Corner will offer the unusual in decorative ware and will be staffed by Mrs. Robert W. Pope and Mrs. Merton Knowles. Mrs. Edgar S. Brightman and her Circle have been knitting for months in order to have a good supply of hand knit gloves, mittens, socks, and other articles for their table. Dolls, dresses in hand sewn and crocheted clothing, stuffed animals, and novelties have been made for the Children's Table by Mrs. Sydney Knight, chairman, assisted by Mrs. John Hibbard, Mrs. Gilbert Cox, Mrs. Maurice Reed, Mrs. Hoyt Hallas, Mrs. John Kelso and Mrs. Albert Temperley. Other tables and their chairmen are: Books, Mrs. Walter Wentworth; Linens, Mrs. Harold Brown, Mrs. Carl Cooper; Aprons, Mrs. Lynford Lyon, Mrs. Arthur Studley, and Mrs. Walter Leidner; home-

Bank Sends City Tax Check of \$70,377.29

The City of Newton last month received a check for \$70,377.29 from the Suffolk First Federal Savings and Loan Association of Boston in payment of 1951 property taxes for local home owners who are financing their properties with this association. Ernest A. Hale, president, announced yesterday.

"This service has proved a great benefit to both the home owner and the tax collecting department," Mr. Hale said, "for by using the Suffolk First Federal tax payment plan, the home owner frees himself of all property tax worries, avoids penalties for delinquency and saves work for the local tax collector."

Homestead in Appeal for Furnishings

To Equip Rooms Throughout House In Period of 1809

Jackson Trustees State Furniture Ante-Dating 1809 Also Suitable

The Jackson Homestead at 527 Washington street, Newton's center of historical activities, is now in readiness for appropriate furnishings, according to an announcement from Mr. Fred Alexander, chairman of the Board of Trustees.

After a year spent on restoration, plans are now crystallizing as to the use of the house. The rooms to be furnished in the period of 1809 are the gracious front hall, the parlor to the left with its delicate original mantel, and one of the front bedrooms. Mahogany and upholstered pieces of late Sheraton and Heppelwhite design are very much desired. In the old kitchen, colonial tables, chairs and utensils will be acceptable.

It is pointed out that pieces of furniture ante-dating 1809 would be suitable for the house as they might have been handed down within a family. Later pieces, however, are not desired at this time.

Duplicates of smaller items such as warming-pans, candle-molds, or fireplace equipment will be gratefully received, as there is great demand for these in connection with the teaching of local history in the Newton schools. A curriculum library of loan materials is conducted from the Homestead.

The room to the right of the hall, used for many years as a diningroom, may receive certain pieces such as a sideboard, secretary, cupboard or side-table, but for the present a dining-table cannot be used.

The fourth room on the ground floor is to be set up as a treasure room where permanent and changing exhibits will be on display.

Furnishings will be received on a gift or loan basis. All will be passed upon by an advisory committee on gifts and loans, and accepted upon their recommendation.

Votes to Pierce Secrecy Veil Surrounding Welfare Records

Developing their policy of bringing major elements of municipal cost to public attention, the directors of the Newton Taxpayers' Association voted Monday evening to support legislation tending to pierce the veil of secrecy now surrounding public welfare records.

The Association directors agreed that the "disbursement record", containing the name of the recipient, the amount involved, and the program concerned—such as Old Age Assistance, General Relief, etc.—should be made a public record as was the case before the present secrecy law, but that though this record would be available for inspection in the manner of present day assessors' records, it would not be released to the extent that newspaper publication or publication by general circulation media would be permitted.

As to confidential data in case records, the directors agreed that this material should be opened by mandatory legislation for inspection by the courts (particularly the Probate Court), the financial executives of the municipalities (such as the treasurer, comptroller, mayor, selectmen) and authorized charities (such as the Society of St. Vincent de Paul, the Family Service Bureau, etc.).

Gift Packages Sent To Men on High Sea

Lasell Students and Girl Scouts Pack Gift Boxes

Service men traveling on the high seas at Christmas this year will be remembered with gift packages, thanks to the thoughtfulness of students at Lasell Junior College, and Girl Scouts of Troop 56.

Twenty-five Christmas gift boxes, each containing at least six articles, such as playing cards, tobacco pouches, candy, shaving cream, automatic pencils, stationery, small games, were shipped this week to the Field Director, American Red Cross, United States Naval Base, Norfolk, Virginia, to be placed aboard ships sailing before Christmas in order that these men will not be forgotten on the holiday. All gifts are gaily wrapped in Christmas paper and bright ribbons—to look just like the gifts they would receive at home.

Lasell students, under the direction of Miss Joanne Purcell, President of the Red Cross College Unit, packed twenty of these boxes, while the Girl Scouts of Troop 56, whose leader is Miss Alice Waters, packed five of the boxes.

Cong. Herter to Speak at Elks Service Sunday

To Memorialize Departed Members in Keeping With National Groups

Rep. Christian A. Herter, Sr., of the 10th Massachusetts District, will be the principal speaker at the memorial service of Newton Lodge of Elks Sunday at 8 p.m.

The congressman's address will feature exercises in which Newton Lodge will join with Elks groups all over the country in memorializing departed members.

Among the participants on the program, which will take place at Elks Home, Newton, will be the Newton Police and Firemen's Chorus, directed by Frank Gerry, with Stephen Keefe, tenor.

Officers of the lodge will participate, and Malcolm McVarish, chaplain, will deliver the invocation. Past Exalted Ruler Thomas

Committees Named for Exchange

Ottawa School to Be Host to Newton

Globe Collegiate Inst. to Visit Newton Also on Student Exchange Plan

This year Newton High School has arranged a School and School Exchange with Globe Collegiate Institute in Ottawa, Canada. Globe is a college preparatory school with grades nine to thirteen; grades eleven and twelve will take part in the exchange. Students elect seven or eight courses which meet daily, and homework is also assigned. At Globe the school day is from nine to twelve and one to four.

As well as having high scholastic standing, Globe also ranks high in athletics. On May 16, Globe won the Ottawa track meet for the fifth consecutive year, and one year the football team was sent to New Britain, Connecticut.

Ottawa, the capital of Canada, has a population approaching 200,000. It has no industries and is a beautiful city. There are many government buildings, parks, rivers and canals, places of historic interest, and the oldest mountains in the world. It is expected that the students will gain greatly from their visit to Globe.

Eight committees have been established for the School and School exchange with Ottawa, as follows:

Transportation Committee: Nancy Bigelow, Jeannie Toscano, Donald Livingston.

Library Committee: Joyce Dudley, John Parker.

Publicity and Public Relations Committee: Margaret Elghmy, Jane Elkind, Nancy Neagle, Walter Goldstein, Arthur Weinott.

Ottawa Committee: Shirley Conant, Marita Mower, Carol Bram, Andre Come, David deVieq, Russell Winslow.

Finance Committee: Joanne Kestle, Edyth Woodroffe, Robert Cooper, George Howland, Ward Wetherell.

Photography Committee: Matthew Budd, Fraser Harrington.

Recorder: Martha Van Deman.

Visitors Committee: Sylvia Bond, Carolyn Jones, Beverly Mullock, Robert Danziger, Henry Gaffney, Theodore Johnson.

Special \$1 Subscription Rate Now Available

All who have sons or daughters in the Armed Services in our country, can now keep them informed of local events in Newton by sending them each week a copy of The Graphic at a special subscription order of one dollar a year.

The publishers of The Graphic, believing that news from home is the best news of all and with a desire to have all local boys informed of what is transpiring in the town back home, are announcing that The Graphic will be sent to any man or woman in the armed service for half-price or one dollar a year.

If you desire to have your son or daughter, your father, your husband or any other relative serving in the armed forces receive The Graphic regularly, send one dollar with the name and complete address of the individual you want to have receive The Graphic and the subscription will start immediately.

The Graphic will be just like a letter from home and it is sure to be appreciated by your loved ones in the service of our country.

Skating Program Announced By Parent Teachers Council

Idea All Came About Because One Parent Wanted His Child to Learn How to Skate Proficiently

SKATING COMMITTEE of the Newton P.T.A. Council. Seated, left to right: Mrs. Charles Olton, secretary; Mrs. Manuel Beckwith, treasurer; Mrs. Sylvester McGinn, Executive Secretary of P.T.A. Council. Standing, left to right: Raymond Elhier, Newton High School; Carlton Ray, representing Principals of Elementary Schools; Benjamin Bereson, chairman; Charles O. Richler, Assistant Superintendent of Newton Public Schools. On committee but not in picture are: Warren Huston, Leo Barry and Horace Ransom.

Now it's Ice Skating—and regardless of weather. Let eight inches of snow blanket local ponds. Let an uncooperative New England sun turn clear blue ice into soft slush—out-of-doors. Newton youngsters of all school ages again, for the second year, find perfect skating conditions from December through March at a nearby indoor rink.

It all came about because one parent wanted his child to learn to skate. In October of 1950 he brought an idea to the Newton Council of Parent Teacher Association and persuaded Council Members that directed children's activities are always welcome.

P.T.A. officers discussed it with receptive school department personnel who showed immediate enthusiasm for the idea. On November 9, 1950, the idea became a reality.

Chartered busses collected children at school, delivered them to the rink, and returned them to school. Arrangements with the Boston Skating Club made the cost of the skating hour quite low. The time was selected carefully—after school hours, yet avoiding other extra-curricular activity time. The P.T.A. made arrangements for use of the rink, for proper scheduling of busses, for the selling of tickets, and for chaperonage on the busses.

The school system's Physical Education personnel had charge of the youngsters while on the rink.

Response was so enthusiastic and immediate that the first day of skating, when all schools in the city participated, nearly one thousand children overtaxed the capacity of the rink. Plans were quickly changed so that each week half the city elementary schools were given the opportunity to skate. The "end of year" average for the five month skating season was 596 weekly attendance at the rink.

Near the end of last year's season, P.T.A. and school officials answered requests for a similar program for junior high and high school pupils. For the last month of the Newton skating season the secondary school children were giving one and a half hours of skating after school hours—again with the same arrangements.

Parents and children alike last year felt the program so worthwhile that plans for the 1951-1952 season were made immediately. Arrangements have been made for transportation, ticket sales are now in progress for the initial sessions, and the rink awaits its first groups. With an enlarged program, skating will this year

be weekly, for all Newton children who wish to participate, for four months—December through March.

There are many sides to an educated, well-rounded personality. Once again home and schools have worked together to expand Newton's facilities for complete development of its children.

The skating schedule for this year is as follows:

Students from the Junior High Schools and the Newton High School will skate from 3:00 to 4:30 p.m. on the following Mondays: December 3, 10, 17; January 7, 14, 21, 28; February 4, 11, 18, 25, and March 3, 10.

Graphic Office Now In New Location

The Graphic office is now established at 246 Walnut street, Newtonville.

The move to the new location was made and completed last Friday afternoon, and the new office is now in full operation.

The telephone number of The Graphic is the same as before, Lasell 7-1402. However, mail should be addressed hereafter to Post Office Box 516, Newtonville 60, Mass., or to 246 Walnut street, Newtonville.

The new office of The Graphic is located to serve all of the Newtons and is in easy access to all sections of the city.

Rawson Had Perfect Attendance Record

The 1951 session of the Massachusetts General Court, which was the longest on record, produced 230 roll calls in the House of Representatives.

Representative George E. Rawson of Newton was recorded on every one of the roll calls. He also attended every meeting of his three committees, Election Laws, Military Affairs and Public Safety, and Elections, of which he is the ranking Republican member.

The Residential Division, Nonantum, William O'Connell, Chairman and Upper Falls, John J. Donoghue, Chairman, both have exceeded 100 per cent of their goals, while Waban, Auburndale and Upper Falls have exceeded 90 per cent. Final returns in this division have not been completed, and other villages are likely to join the ninety percenters when final returns are in.

Send-off Is Given to 8 Inductees

City and Veteran Groups Join in Ceremonies Tues.

Alderman E. J. Terkelson Represents City and Wishes Boys Success

Eight boys from Newton Boards 115, 116, 117, were inducted into the Armed Forces at 7:00 a. m., Nov. 27, at Newton Selective Service Headquarters, 430 Walnut st., Newtonville.

The roll was called by Dennis Cronin, a member of Board 117, assisted by clerk of the same board, Josephine Shubitowski.

Send-off ceremonies were held, under the supervision of the United Veterans' Organization of Newton, with Chairman William J. Maloney acting as Master of Ceremonies.

Edward J. Terkelson, a member of the Newton Board of Aldermen, represented Mayor Theodore R. Lockwood, and wished the boys success in their new venture. Rabbi Irving A. Mandel, of Temple Shalom, gave an address and read the prayer.

Also introduced were Dennis Cronin; Pierce Gaddis, Commander of Newton Post 45, American Legion; Alderman Edward Fahey, also a member of Board 116; Senior Vice Commander Henry Lever, of Newton Post 211, J. W. V.; and Past Commander Doctor Arthur J. Gorney, of the same Post.

Commissioner Edmund T. Duncan, of the Newton Vet. Serv. Dept. presented each boy with a pen and pencil set. Doctor Gorney presented each boy with a special gift from Temple Shalom, and Ralph Maddocks gave each boy a card from the various Veteran Organization Commanders.

Also in attendance, were Jacob Lasoff, Chairman of the Mayor's Veterans' Advisory Committee, and Charles Duke, a member of Newton Post 48, American Legion.

Coffee and doughnuts were served to the boys and their friends, by the Newton Chapter of American Red Cross, under the supervision of Mrs. Fred G. Fisher, and Miss Mary Furlong.

It was learned that one of the selectees, Mark S. Mordecai, 51 Montvale rd., Newton Centre, who was absent from the induction, is leaving today for Officer's Training School.

Those inducted were: Eugene F. Kiley, 108 Jackson rd., Newton Centre; Joseph R. Nardone, 45 Bellevue st., Newton; Frank B. Smith, 63 Harvard st., Newtonville; Nunzio F. Leone, 158 Adams st., Newton; Joseph F. McSheffrey, Jr., 121 Crescent st., Auburndale; William A. Hatsell, transferred from Wisconsin; Robert J. Peck, 48 Cotton st., Newton Centre; and Francis J. Cronin, Jr., formerly of 65 Allerton rd., Newton Centre.

Pool Hearing Set For Monday Night

Bd. of Aldermen to Hear Petitioners on Subject

The Board of Aldermen will hold a public hearing at City Hall Monday evening at 7:45 o'clock on petition No. 100,353, to consider a proposed swimming, diving and wading pool at Albemarle playground.

The petition, entered by the Horace Mann Improvement Association reads:

"We, members of the Horace Mann Improvement Association and others, duly qualified voters of Newton, under Section 39 of the revised charter, request a public hearing before the Board of Aldermen of the City of Newton before December 1 for the purpose of discussing and obtaining official action toward the planning and building of a swimming, diving and wading pool at Albemarle playground."

The petition is signed by Ernest L. Sullivan of 9 Edinboro terrace, Newtonville, and 107 others.

Files Bill To Have All Residents Share Burden of Taxation

Edwards Is Named Chairman of OPS

Former C. of C. Head to Assume Office Today

Roy S. Edwards, former president of the Newton Chamber of Commerce took over today (Thursday) as chairman of the Newton Voluntary Emergency O.P.S. Committee upon appointment by Mayor Theodore R. Lockwood. He has been serving as vice chairman and succeeds Melville D. Liming who resigned to accept another assignment.

Edwards, president of Roy S. Edwards, Inc., local wood goods dealer and a member of the Public Affairs Committee of the National Retail Lumber Dealers Association, has many accomplishments to his credit. The measure of his civic achievements includes four terms as president of the Newton Chamber of Commerce and currently is chairman of the board of Directors. He is a past president of the Newton Corner Business Men's Association, Director of the West Newton Cooperative Bank, Life Director of the Canadian Club of Boston, Director of the Community Chorus of the Newtons, Chairman of the Citizens' Committee for Service to Newton Service Men, Chairman of the Citizens' Advisory Committee for Returning Veterans, and Chairman of the Salvation Army Fund Drive, Chairman of the Oak Hill Park Dedication.

He is a Director of the Massachusetts Lumbermen's Association and now serves as Deputy Warden of Civil Defense for Retail Stores and Industry. He was a commissioned officer in World War I and is a member of the Newton Rotary Club.

In expressing his appreciation for Mr. Edwards' willingness to accept the chairmanship of the Committee, Mayor Theodore R. Lockwood said, "Newton people are cooperating and meeting the challenge to hold the forces of inflation in check. Such a public information service is most vital and will assist greatly in the endeavor to straighten out misconceptions as to the way O.P.S. operates."

In a discussion among experts on the increasing tax rates, there is an immediate conclusion that real estate today is paying all out of proportion its share of municipal government costs while many others enjoying the same privileges as home owners, pay little if anything to the cost of municipal government. It is pointed out that non-property owners enjoy police, fire, health, educational and other municipal facilities as do property owners yet pay little toward such services other than a two dollar poll tax.

It has been pointed out repeatedly that some families who rent property have one, two, three or more children being educated in the public schools of the community at a cost to the municipality

The reception was held at the home of the bride's parents. Mrs. Palmer was graduated from Mt. Holyoke College. Mr. Palmer is the son of Mr. and Mrs. C. E. H. Palmer, of Waban, and was graduated from Amherst College in 1950. (Photo by Theodore Roberts).

To Hear Talk on United Nations and China in the Crisis Monday

"The United Nations and China in Crisis" will be the subject of the lecture to be given by Dr. Wing-Tsit Chan at the Newton Centre Woman's Club, 1280 Centre street, Monday, at 8:15 p. m. Sponsored by the International Committee of the Club, under the chairmanship of Mrs. Walter C. Tong, the meeting will be open to the public, admission .60c, tax included. Coffee will be served at 7:30, at which time there will be an opportunity to meet Dr. Chan.

Dr. Chan was born and brought up in rural China in the old Confucian tradition, but was graduated in the modern Lingnan University in Canton, and received a Ph.D. from Harvard. He was Dean of Lingnan from 1929 to 1936, Professor of Chinese Institutions at the University of Hawaii from 1936 until 1942, and is now Professor of Chinese Culture at Dartmouth College. He represented China in a number of international conferences, including the World Conference of Educational Associations in Geneva, the Far Eastern Conference on Higher Education in Manila, the Conference on Pacific Education in Honolulu, and the East-West Philosophers Conference in Honolulu. He served as chairman of the Council of Christian Higher Education for China in 1934. In 1948-49 he was awarded a Guggenheim Fellowship. Dr. Chan has written many articles on Chinese philosophy and Chinese life, and is collaborator in many books, including "China," "Chinese Houses and Gardens," "Philosophy—East and West," and "Religion in the Twentieth Century."

Dr. Chan was in China in 1948 and 1949 witnessing the Communists sweep over the country. He knows both the Old and the New China, and as an independent speaker under no obligation to any group in or outside China, he gives a clear and analytical report on today's China and our relationship with her.

Christmas Bazaar To Be Held Monday

Plans have been completed for the annual Christmas Bazaar of the Guild of St. Francis of Newton Centre at the Sacred Heart Parochial School Hall Monday, from 10 a. m. to 10 p. m. A snack bar, Chinese auction and square dancing for the teenagers will be innovations this year.

Sherry, Albert Steffens, Frank Taft, Harold J. Taylor, John M. Walker, Harold White and Norbert Wilhelm.

Robert Giddings of Berwick road, a student at the New England Conservatory, will take part in a Student Recital next Thursday at 1 o'clock in the Conservatory Hall. He will play Bach's Sixth French Suite.

American Home Class to Meet Wednesday

The American Home Class of the West Newton Women's Educational Club will meet Wednesday, December 5 at 12:30 p. m. for a luncheon and program. Mrs. Henry D. Stone of 90 Adella avenue, West Newton, will be the hostess.

At 12:30 p. m. Mrs. Edwin M. Wolley, luncheon chairman will serve lunch with aid of Mrs. George H. Hayden, Mrs. Edgar P. Hay and Mrs. Howard Lester.

There will be a business meeting following the luncheon and Mrs. Albert E. Roberts the leader will preside.

During the afternoon Santa Claus is expected to make an appearance and distribute gifts to all members and guests present.

Boston Wheaton Club Meets Sat.

The Boston Wheaton Club will have its second Round Table meeting Saturday, at the Twentieth Century Club, 3 Joy street in Boston. Club members, their husbands, friends and alumnae from nearby communities will gather for sherry at 5 o'clock, followed by dinner at 6. Mr. Robert L. Sharp, head of the English Department of Wheaton College will act as moderator for the discussion on "Modern Trends in the Arts."

Faculty members of the College will present the different phases: Mrs. Louise S. Boas the Theatre; Mrs. Louise Barr Mackenzie, Poetry; Mr. Frank W. Ramseyer, Jr., Music and Miss Marian E. Ragan, Art. The committee planning the Round Table has been under the chairmanship of Mrs. E. Neal Hartley of Belmont, assisted by Mrs. Virginia Rogers Miller of Brookline, Mrs. Donald Gibbs of Newton, Mrs. Paul Von Loesbeck of Needham and Mrs.

Ralph B. Diamond of Melrose. Reservations have been made by Mrs. Earl Bourne, Miss Marjorie Dunham, Mr. and Mrs. Donald Gibbs, Miss Ruth Noiton, Miss Dorothy Vellano, Mr. and Mrs. Charles Wenden, and Mr. and Mrs. John Wheelock.

Mallard Duck

If census takers could count every duck
in North America, it is likely that they
would find more Mallards than any other
kind. There are tame ones on farms and
wild ones living in most parts of the con-
tinent.

Wild Mallards spend their summers from
Alaska to Greenland and south as far as
California and Virginia. In the winter, they
live in the southern half of the United States,
and down into Mexico and Central America.

With the change of seasons, great flocks
of them take to the air. They make good
time on their journeys, says the National
Wildlife Federation, because they can fly up
to sixty miles an hour.

While beating their strong wings, they
watch for pools or lakes of fresh water
where they can live and find food. In the
water they get mosquito larvae, snails, and
shellfish. Around the edges they feed on
the seeds and stems of plants.

Among the weeds and bushes near the
water, the Mallards build nests of leaves and
grass, with linings of dark gray down. When
her nesting place is ready, the female lays
from six to thirteen large eggs. The eggs
may be light greenish or gray-brown.

After she sits on them for 26 or 28 days,
the eggs hatch. The baby ducklings, covered
with soft yellow down, quickly learn to walk
and swim.

As they grow, the young birds begin to
look more and more like their parents. The
females are mostly brown, with marks of
black. They have dull yellow bills and feet.
The males have green heads and necks,
white collars, and purple-brown breasts. They
are light gray underneath and darker on their
backs, with a touch of blue in their wings.
Their bills are yellow and their legs and feet
are orange.

Mallards grow to be about 28 inches long.
They weigh between 3½ and 4 pounds. The
females are slightly smaller than the males.
According to the National Wildlife Federa-
tion, they are among our most valuable wild
ducks.

The Flaming Sword

If you are ever traveling in the south-
west and see a tall desert shrub with scar-
let flowers, beware! It may be the Flaming
Sword, a plant of striking beauty, but armed
with terrible thorns.

The sharp, stiff spines are often hard to
see, too. Hiding them is a thick coat of
small leaves. The foliage makes the wav-
ing plant look harmless, but a painful sur-
prise awaits the hand that grasps the stalks.

Even if the Flaming Sword had no pro-
tection, its blossoms would be hard to reach.
According to the National Wildlife Federa-
tion, the shrub grows to be from six to
twenty feet tall.

It looks even taller during a long dry spell,
when it has no leaves and flowers. Then the
plant consists of a clump of giant stems or
wands—straight, stiff, and thorny. They are
so brown and parched that one might think
they were dead.

Just after a good rain soaks the soil,
though, bright green leaves spring forth to
mask the thorns. At the end of each wand
there comes a brilliant cluster of flowers.
Waving to and fro in the wind, the flower-
tipped wands look like blazing torches held
high in the air. Their beauty lasts while
the ground is moist, but quickly disappears
when a drought sets in.

Several sets of leaves and flowers may
come and go each year, because the Flaming
Sword makes the most of every rain. Its
roots grow over a wide area near the surface
of the ground, where they can greedily soak
up water from the lightest showers.

Sometimes the wait between rains is a long
one, for the Flaming Sword grows on the
parched hills and deserts of our southwest-
ern states and northern Mexico. The Indians
often plant it in rows where they want a
tall, forbidding hedge.

Though it is thorny and thrives in the
desert, the Flaming Sword is not a cactus.
The National Wildlife Federation also points
out that it is known by other names. Among
them are Ocotillo and Candel Flower.

clothes at a charity benefit sale in Chilli-
cothe, Mo., an enterprising fellow charity
worker sold Mrs. Tharp's own coat for \$1.

When three holdup men dropped a package
of \$20 bills while making a getaway from
the Wisconsin National Bank in Milwaukee,

Current Comment

Sen. Lodge Confident Eisenhower Will Run

Senator Henry Cabot Lodge, Jr., is gen-
erally considered the shrewdest Republican
politician in Massachusetts and one of the
most astute in the entire country.

He makes few mistakes, rarely guesses
wrong, and the Democratic politicians regard
him as a tough adversary, even though Con-
gressman John F. Kennedy appears to be
preparing to challenge him in next Novem-
ber's election.

The fact that Lodge accepted the post as
chairman of the campaign to make General
Eisenhower the Republican nominee for
President means that the junior Bay State
Senator is satisfied, beyond a shadow of a
doubt, that Eisenhower will be available, if
the G.O.P. wants him to head its national
ticket.

You may be sure that Lodge recognizes
that his own personal prestige would be
badly damaged if, after he had beaten the
drums for Eisenhower for a period of weeks,
the General were to suddenly announce that
he would not run.

Lodge would never take a chance on being
placed in any such embarrassing predicament
as that, if he thought there was the slightest
possibility of it happening, and he must have
had some pretty strong assurance that Eisen-
hower will enter the political arena shortly
after the first of the year.

A good many of the political pundits, how-
ever, can't understand Lodge's strategy in
allowing himself to be cast in a central role
in the battle between the Eisenhower and
Taft forces for convention votes.

They point out that there is a real likeli-
hood that Lodge may alienate the Taft wing
of the Republican party in Massachusetts in
a year when he may be faced with the
toughest fight of his public career, particu-
larly if Kennedy is his opponent.

The recent tests of public sentiment
on the various polls that have been con-
ducted show Eisenhower and Taft so
closely matched at the present time that
some of the political seers are beginning
to wonder if they have over-estimated
Eisenhower's appeal and under-estimated
that of Taft.

There may well be a real basis for their
conjecture, particularly in view of the sup-
port for Taft in districts where the Ohio
Senator was believed to be extremely weak.

Taft's backers have served notice that they
intend to enter states pledged to Mr. Re-
publican in some, if not all, Massachusetts
congressional districts, and they may contest
even for some of the delegates-at-large.

Former Attorney General Clarence A.
Barnes is one Taft stalwart in the Bay State
G.O.P. picture, and Congressman Joseph W.
Martin, Jr., the minority leader in the na-
tional House, is another. Martin is certain
to be a delegate to next year's convention,
and Barnes is very likely to win a place at
the Chicago convclave.

Senator Lodge, who is now directing the
national drive to line up convention backing
for Eisenhower, may run into some deter-
mined opposition in his home state. The
battle for convention votes looms now as a
hot one, and the Taft enthusiasts are not at
all awed by Lodge's role as the front man
for General Eisenhower.

Incidentally, Massachusetts will have 37
votes at next year's Republican national con-
vention instead of the 36 allowed it in 1948.
The Bay State G.O.P. received a one-vote
bonus because Leverett Saltonstall was re-
elected to the U. S. Senate in 1948.

Here's one time that ingenuity didn't pay
off. Orville Rambo of Los Angeles, an arm-
less midget, who learned to write by holding
a pencil between his chin and his shoulder,
was sentenced to San Quentin prison for
writing a worthless check.

An enraged motorist, whose stalled car
had run out of gas a short distance away,
became so worked up when Garageman Paul
V. Blanke of Long Beach, Calif., refused to
accept his check, that he pulled out a revolv-
er, took \$65 out of Blanke's billfold and at
gunpoint forced the garageman to carry the
gas to his automobile.

After Mrs. Howard Manley of East Hart-
ford had her husband arrested for cutting
the cord of their television set during an
argument over what programs to watch,
Judge Alvin Leone viewed some of the TV
shows Mrs. Manley insisted upon and
promptly released Mr. Manley.

A grand jury in Scranton, Pa., recom-
mended that television sets be installed in
the county jail to improve the morale of the
prisoners.

Dennis Hudson, 59, explained to Kansas
City police that the only reason he had
stolen an automobile was that he intended
to sell its spare tire. "I wanted to pay my
own way in life, and I didn't want to ask
my relatives in Denver for money," said he.

Navy recruiting officers in Oklahoma City
puzzled some time over the signature of
Tonsilitis Jackson, 19. Tonsilitis subse-
quently explained that he had brothers and
sisters named: Meningitis, 16, Appendicitis,
14, Laryngitis, 12, and Jakeitis, 10, and Peri-
tonitis, 9.

While the dog fanciers in Paignton, Eng-
land, held their annual meeting, a sign on the
room of the door where they were gathered
read: "Dogs Not Allowed."

When the city detectives in San Antonio
gathered to elect the officers of their associa-
tion, a count showed 50 more ballots cast
than there were detectives.

Conroy Kinkhead explained to the sheriff
in Freemont, O., that the reason he had been
driving someone else's car was that he and
his wife had been hitchhiking but that his
wife's feet began to hurt.

Parents as well as the Cub
Scouts' younger sisters and
brothers are invited.

Spotlight on the Newtons

The Walker Missionary Homes, in Auburndale, is a by-word
among missionaries in foreign lands, but its function is virtually
unknown to many of its neighbors.

When Mrs. Eliza Harding Walker returned from Turkey, in
1967, she was a widow of a missionary and mother of four children.
A year later, she attended a meeting of the American Board of
Missionaries, which was established in 1810. Here she was to
meet a woman whose problem was to change the whole course of
her life.

The woman was Mrs. G. B. Snow, of Micronesia. She was soon
to return to service there. But there were no schools. Where could
she leave her children in this country? Mrs. Walker took Mrs.
Snow's children into her own home. This was the beginning of the
present establishment.

When Mrs. Walker died, in 1905, she had already established
her home as a missionary center. In 1912, fire destroyed the home.
The present establishment was built especially to care for the
needs of missionaries, and named in her honor.

The functions of the Walker Missionary Homes, are many.
Five groups are served.

CHILDREN OF MISSIONARIES must often be left behind when
parents must enter interiors where there are no schools. Now
parents are free to serve God, knowing that their children may
attend schools and colleges in America, and have the guidance of
home in the main building, Walker House. Those attending college,
find a real welcome here on vacations and holidays. Last Christmas,
34 students, representing 21 schools and 10 countries, spent their
holiday here.

A Cuban student, studying at Piedmont College, in Georgia,
wrote of his stay at Walker House, "For the first time in the
United States, I didn't get homesick as I used to do."

NEW RECRUITS who, as out-going missionaries, come to
Boston American Board Headquarters, leave from Walker Homes.
This is their temporary home, while they are indoctrinated, receive
medical examinations, consult with Board Executives, and make
purchases for their foreign homes.

MISSIONARIES ON FURLOUGH, who return for a year of
study, medical care, and church speaking, find a "furlough" home
in one of the four fully-equipped single family houses at Walker
Homes.

RETIRED MISSIONARIES find a haven in their sunset years,
among the companionship of fellow missionaries at Barton House.
Those now residing at this house, have served in Japan, India,
Turkey, Greece, Ceylon, and China.

Mrs. L. Lee served many years in Turkey. It has been 50
years since Rev. Edward H. Smith first went to China. He escaped
the Iron Curtain there, where he served in the Foo-Chow area.

Rev. David S. Herrick, and Dr. Edward Fairbank, who both
served in India, lived at the Walker Homes as children. The years
of service of the Barton House residents, total over 500 years.

INTERNATIONAL CHRISTIAN LEADERS are the fifth group
who are welcomed at the Walker Homes. Here they find people
who have served in their native countries. Other missionaries help
introduce them to the American way of life. At a special meeting
recently, 60 people dined together.

One of these leaders who recently visited, is Rev. Jesse
Chipenda, of Lobito, West Africa. His father was an African Chief-
tain, who had sixteen wives, and 50 children. Although his father
drove him from his home, Jesse adhered to Christian principles.

Walker House also serves as a relocation center. The spirit
of the missionaries is boundless. Barton House almost had a perma-
nent resident, in Dr. L. Dyer, who served in the Foo-Chow Hospi-
tal. But she found she was not yet ready to retire. She is
now in the Philippines, once again serving the missions.

Miss Ethel Lovett served in Peking, but was forced to leave
because of the Reds. She is now studying for service in Turkey.

Miss Constance Buell served 30 years in Tientsin, as school
teacher. She was also forced to leave because her presence en-
dangered her people, under red rule. She is now signed for Cobe
College, Japan. In the face of death, the courage of these people
is undaunted; they go on to learn a new language, and serve a
new nation of peoples.

Many transients add an inter-national, romantic air. Miss P.
Parenjoth, principal of a High School in Madura, India, was a
colorful figure in her native Sari, during her stay at Walker House,
when she first arrived in this country. She is now studying at
Boston University.

A stay at Walker House, lead to a life-time relationship, for
Robert E. Chandler, and Helen Davis. He is the son of India
missionaries; Helen's parents were missionaries in Japan. They
both lived at Walker House during school and college vacations.
They married and decided on China as their field of service. Mr.
and Mrs. Chandler now "come home" to the Walker Homes, when-
ever possible, to enjoy the friendship of their life-long friends.

Proof that Walker House is truly "home" to these people, two
young ladies have already had their Wedding Receptions at Walker
House.

Rev. and Mrs. Alfred Heininger are now Superintendents of the

REV. AND MRS. HEININGER look over some treasures
brought from foreign lands by missionaries; Holy Man's
begging bowl, Cobra Candlestick from India, Bowl from
the Japanese Imperial Palace.

Walker Missionary Homes. They both have served in China. In
1917, Mr. Heininger first went abroad to China, as Evangelist, and
principal of a school. In 1945, soon after the Japanese surrender,
Mr. Heininger returned to China.

He negotiated with the Japanese for the return of the Mission
compound. Competent mission workers (whom he had trained
as students, before the war) were left in charge, while he went
further into the interior, to reclaim other mission compounds for
the church. Mr. Heininger has been to China three times. Both
he and his wife speak Chinese.

Their years of experience as missionaries enable them to ad-
minister to the needs of young people in training, as well as world
travelers. They have six grown children of their own, and so
often take the place of absent parents, whose children are under
their care.

Says Mr. Heininger of the Walker Homes: "In these days of
world travel, and world tension, whatever facilitates the work of
Christian Missionaries and strengthens their hand, is important.
Walker Missionary Homes do this, with telling effect."

The Heiningers manage the homes with little help, as each
resident co-operates in household tasks. A cook and maid at
Walker and Barton Houses, make up the small staff. Walker House
has all the facilities for study, rest, and recreation. It's large
living room, dining room, and kitchen—were built especially to
accommodate a large number of people. The upstairs hold un-
numerable bedrooms, and "cosy corners" for private study, and
sewing.

Many square dances have been held in the basement recrea-
tion room. A piano room, and a "Morgan Memorial" room (where
travelers may leave things behind for donation) are nearby. Bag-
gages packed in the special trunk room, are sent to all parts of
the world.

There are three sources of income for this establishment.

A modest endowment fund.
Receipts from board and lodging of missionary residents.
Gifts, donated by individual friends, and from churches, par-
ticularly those in Massachusetts, whose regular donations make it
possible for the Walker Homes to carry on.

Congregational missionaries make up the residents, for the
most part, but all missionaries are welcomed.

Walker Homes, is the Center of Missionary Culture. Mis-
sionaries often are asked to speak or lecture. Color films and tales
of foreign lands, plus a first-hand knowledge of Christian progress,
are what put these missionaries in demand.

There is not material gain for these unselfish people. Wealth,
or even glory, are not in their realm. Theirs is a life of humble
teaching; of helping others understand the word of God, and follow
the Christian way of life.

Individuals and church groups are invited to make an appoint-
ment to visit the Walker Missionary Homes, a worthy establish-
ment that has far exceeded the dreams of Mrs. Eliza Harding
Walker.

File Petition for Higher Telephone Services for Mass.

A proposed schedule of new
telephone rates for Massachu-
setts, designed to increase re-
venues in the state by 8 percent,
was filed with the Department
of Public Utilities November 19
by the New England Telephone
and Telegraph Company.

The additional revenues are
needed to meet the costs of re-
cent wage and tax increases and
to provide earnings that will at-
tract new money from investors
for continued growth and im-
provement, according to Hugh W.
Macdonald, Massachusetts Gen-
eral Manager of the Telephone
Company.

He said the new schedule pro-

vides for a minimum charge of
ten cents on all local calls from
coin box telephones. This change
is already in effect in New York
and nine other states, and is un-
der consideration in 13 addition-
al states, Mr. Macdonald stated.

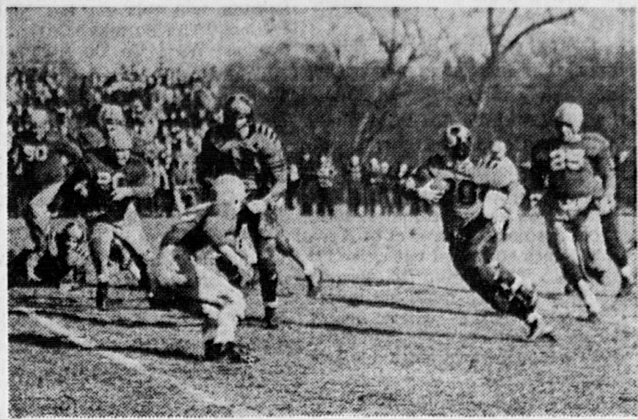

For residence service, under
the new schedule, proposed in-
creases in general vary from 25
cents a month to 75 cents a month
depending on type of service and
location. For most business serv-
ices the increases would range
from 50 cents a month in the
smaller communities up to \$2 a
month in the larger cities. There
would also be some changes in
the message unit charges for
measured service under the new
schedule. It is estimated the new
rates will provide about \$12 mil-
lion in additional annual re-
venues, spread among 1,300,000
Massachusetts customers.

The Newton High Tigers closed their best season in almost seven years last week against Brookline High in the annual Thanksgiving Day game by downing the Wealthy Towners 9 to 0 at the Brookline Municipal Stadium for a final record of six wins, two losses and one tie.

Instrumental in last Thursday's victory was a touchdown plunge by Don Thompson and tackle John Luciano's grab of Brookline's Frank Ball in the end zone for a safety. All the scoring was limited to the second half, and the Orange posted its TD in the last period when it converted a Brookline fumble into a six-pointer on a 60-yard march.

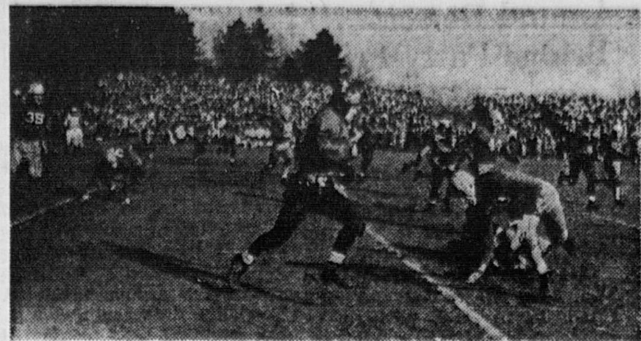

A surprisingly fast and determined eleven, coached by Harry Downes, confronted the Tigers in the first half. Two scoring chances were missed by the host team when it fumbled deep in Newton territory and later felt a strong opposing line stiffen, getting no farther than the 17-yard stripe.

Besides the outstanding playing of Thompson and Luciano, fullback Fred Dauten came in for well-deserved laurels for his passing attack and commanding ball-carrying. Dauten spearheaded the Warren Huston-coached club to its lone tally on a 14-yard pass to right end Don Flagg, good to the two-yard line. Quarterback Jim Wiper tried the center of the Brookline line, getting to the one, and then Thompson took the duty to dive into paydirt.

Making the Orange touchdown drive forceful and sustaining were runs of nine yards by right halfback Lee Carder and a 22-yard sprint by Wiper.

Brookline found itself in trouble in the third period when it recovered a Thompson fumble on the one-yard stripe. Newton had marched up the field from the 20 and seemed ready to knock the door in for the tally. Dauten helped this attack along with a brilliant 45-yard dash up the center of the field and almost broke away except for a Brookline safetyman.

Taking possession on their own one, the Wealthy Towners tried to run the ball out, but had little room in which to maneuver. Quarterback Ball found no receiver for his handoff once the first play got into motion and

Explorer Scouts Hold Competition

Explorer Scouts from Newton and Wellesley held a fun weekend at Nobscot Reservation, which was highlighted by informal competition in sports and Scoutcraft.

The contests were: running one mile in 7½ minutes; climbing an 18 foot rope in 25 seconds; tying certain knots in a large rope; going through the commando obstacle course; skeet shooting; and archery. The first three contests are part of the actual requirements for the Emergency Service Rating which an Explorer Scout may earn, and Scouts who met these standards were given credit towards this rating.

The week-end was under the general auspices of J. Clifford French, Chairman of the Council Explorer Scouting Committee. Archery equipment was provided by Robert Cobb, Assistant Scoutmaster of Troop 7, and Henry Myers of Troop 1, Gustav Hagen, Advisor of Explorer Post 16, loaned the skeet shooting material.

Newton Explorer Scouts attending were: Kenneth Stevens, Richard Bigelow, Arthur Veinott Jr. and Frank Smith Jr. of Explorer Post 4; Zoltan Voross, Douglas Smith, Bill Hayes, Bill Coutts, Stewart Coutts, George Shannon Jr. and John Scabia of Explorer Post 11; Stephen Notonson and David Rakov of Explorer Post 17.

New Members reported during October—Pack 4, Roger Heaney, Charles Mardone, Taylor Payne, Paul Johnson, Wayne Mullen, Richard Melia, Herman Michelson, Ned Anemeyer and Alan Perlis. H'hlands Woman's Club to Meet Dec. 5

The Woman's Club of Newton Highlands will meet in the Club Workshop Wednesday, December 5, at 2 o'clock to hear a lecture entitled: "Is Your Family as Queer as Mine?" by Mrs. Howard M. LeSourd.

This meeting is under the sponsorship of the American Home Committee, Mrs. Edward J. Ovington, chairman.

Mrs. LeSourd is a past president of the Professional Women's Club, and has travelled widely through Europe in recent summers. She is a witty and attractive lecturer of much experience.

W. Newton WCTU Holds Meeting

The West Newton Woman's Christian Temperance Union held its regular meeting November 19 at the home of Mrs. Sarah H. Hovenden, 60 Austin street, Newtonville, with a goodly number present. After the business meeting presided over by the president, Mrs. May L. Sweatt, the guest speaker, Mrs. Christina B. Currie of Somerville, was introduced.

She gave a most interesting talk on the lives of Sts. Peter and John, illustrated with planograph pictures. Scrap books were distributed for the members to fill and later give to the veterans' hospitals.

A social hour with refreshments closed a very instructive meeting. Mrs. Jessie M. Clark and Mrs. Ida M. Henley were hostesses.

Newton Highlands

Word comes from Headmaster Frederick Smith of New Hampton School, New Hampton, N. H., that Earle L. Fidalgo, and Gordon P. Polley were named to the honor roll for the first marking period. Fidalgo is the son of Mr. and Mrs. L. L. Fidalgo of 1300 Commonwealth avenue, and Polley is the son of Mr. and Mrs. G. Harold Polley of 118 Winchester street, Newton Highlands.

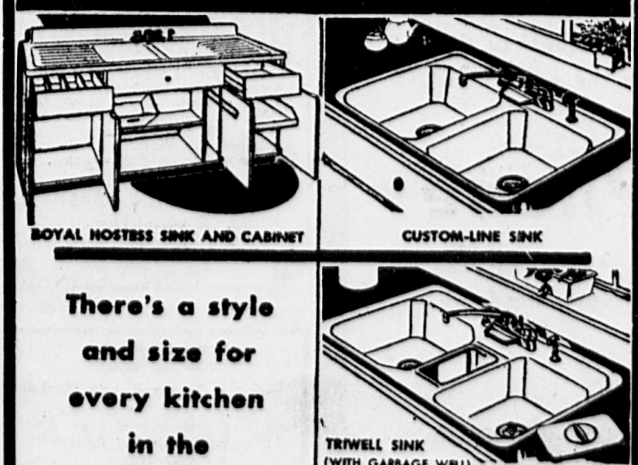

Waban

William Ehrlich, chairman of the Boston Chapter of the American Jewish Committee, has announced that the "Fireside Series" for the chapter's 1951-1952 season will be inaugurated starting Thursday, December 6, at 8 p.m. at the home of Mr. and Mrs. Richard F. Morse, 67 Dorset road, Waban.

West Newton

Arthur H. Alintuck, son of Mr. and Mrs. Martin K. Alintuck, 30 Ellis road, West Newton, was recently elected to the finance and boarding halls committees of the Student Senate at the University of Massachusetts. Mr. Alintuck, a senior at the state university, is captain of the track team, chief justice of Inter-Fraternity Council Judiciary, and a member of Alpha Epsilon Pi Fraternity.

Annual Concert At Music School

The Alleluia Club gave its annual concert recently at the Newton Music School.

An interesting program of modern and classical numbers was performed by Mrs. Esther Mott Tripp of West Newton and Mrs. Dorothy Fowler of Waban, sopranos; Miss Elizabeth Cushman of West Newton, mezzo soprano; Mrs. Tullie Randall of Newtonville, Mrs. Elizabeth Lawry of Auburndale and Mrs. Helen Somerville of Newton Highlands, pianists.

Mr. and Mrs. C. H. Nickerson of 21 Maple park announce the engagement of their daughter, Miss Janet L. Nickerson to Mr. George L. Brown, son of Mrs. Eva Cote of Peterborough, N. H. A spring wedding is planned.

Ladies' Guild to Hold Bazaar

Everything is in readiness for the annual Christmas bazaar sponsored by the Ladies' Guild of the Lutheran Church of the Newtons, Cypress and Center sts., Newton Centre, which will open at 12 noon Friday.

The Parish Hall and booths will be tastefully decorated in the Christmas motif with greens and poinsettias.

The Guild has been busy all year and has a large and varied assortment of aprons which will make nice Christmas gifts as well as other gift items. At the children's table is a wide assortment of toys and dolls at reasonable prices. The Parcel Post is always a very popular spot as packages appear from many states in our country. Of course, the young fry always enjoy the Grab-Bag. There will be an abundance of tasty home-baked goodies from the favorite recipes of the fine cooks among our group, as well as candy, etc.

The Fair is under the general chairmanship of Mrs. Peder M. Stennes, assisted by the following committees: Gifts and fancy articles, Mrs. Robert Biggstaff; Children's toys and dolls, Mrs. Norman Honecher; Aprons, Mrs.

Wm. Titchner and Mrs. Henry Marcus; Parcel Post, Books, and Cards, Mrs. Renaud Yanco and Miss Emma Menge; Food and Baked Goods, Mrs. Paul Reiner and Mrs. Arthur Block; White Elephant, Mrs. Howard Vought; Grabs, Mrs. Eric Lund; Luncheon and Supper under the direction of Mrs. J. L. Fietze, assisted by Mrs. Richard Lamphier, Mrs. Gustave Fenske, Mrs. John Balkus, Mrs. John Hailo, and Mrs. Ernest Schorner; Dining room under supervision of Mrs. Roger P. Jenks; Publicity, Mrs. Myles Lamson.

A Sandwich Luncheon will be served at noon and coffee or tea and cakes will be available throughout the afternoon. At 6:30 a Turkey Dinner will be served. Following the dinner there will be a short entertainment consisting of two pantomimes, "The Bachelor's Reverie," and "The Lighthouse Keeper's Daughter," and a musical interlude.

Increasing Number Now Converting to Electric Cooking

Residents of Newton and particularly those occupying new homes since 1946 are converting to electric cooking in ever-increasing numbers.

Over the entire Boston Edison area this increasing acceptance of electric ranges is widespread and today there are three times as many Edison customers who cook with electricity as in 1941.

From figures released by Boston Edison as of October 1, 1951, there are now 20 per cent of Newton homes equipped with electric ranges. This swing to electric cooking is much more noticeable in new dwellings where nearly 50 per cent of homes erected since 1946 are equipped with electric ranges.

Along with the intrinsic advantages of electric cooking in cleanliness, safety and ease of use; the conversion to electric cooking becomes even more attractive by reason of Edison's generous wiring allowance to new electric range buyers.

Temple Emanuel To Meet Dec. 4

The Parent-Teachers Association of Temple Emanuel, Newton, will hold its next meeting Tuesday evening, December 4, at 8:15 p.m. in the Temple vestry. By popular request, this meeting will be held in the form of a Hanukkah Institute. Dr. Albert I. Gordon will talk on the timely subject, "The Hanukkah-Christmas Season—What To Do About It."

Tables will be set up demonstrating the making of Hanukkah decorations for the home. Last year the Family Home Decoration Contest met with such appeal that it will be repeated this year. Details will be given about the contest at the meeting.

This promises to be a most interesting and informative session, all are invited to attend.

L. McEnaney is making the arrangements.

Assisting Chairman McEnaney as members of his committee are Oswald J. McCord, P.E.R., P.D.D.; Nicholas Vedeccio, P.E.R.; Carl A. Eschelbach, P.E.R.; William M. Higgins, James A. Chandler, George J. Seigel, Joseph H. Harris and A. Leslie Moriarty.

Veterans and the general public will be invited.

The lodge met last night, with Exalted Ruler Leonard E. Francoeur presiding. Charles Burgess called for lodge support of Christmas activities, and reported for the Hospitality Committee on the success of the recent open house.

Another advance date for which plans are being made is the New Year's Eve party, when ladies will be guests. Mr. Vedeccio announced that a dinner would be served, followed by dancing. Reservations will close Dec. 27.

District Deputy Grand Exalted Ruler David B. William, P.E.R., of Concord Lodge, will visit the Newton group at its next meeting, Dec. 13.

A memorial service was held for P.E.R. John H. Gordon, who died recently. The eulogy was given by Thomas F. Coppinger, secretary.

Cecil Henry was appointed chairman of the Entertainment Committee, and another committee was appointed to form a baseball team under lodge sponsorship.

Members of this committee include Thomas L. Joyce, chairman; John F. Donahue, Thomas J. Lyons, Thomas L. McEnaney, Michael DeGeorge, Leo M. Cannon, Henry Kehoe and Arthur Brouillette.

Anthony J. Sullo and Warren Trask were accepted as new members. Also at this meeting, the oldest member, A. Leslie Moriarty, was honored with a song on the occasion of his 88th birthday.

The Social and Welfare Committee is attending to seasonal charity appeals. Members have been urged to donate blood for the armed forces.

The House Committee, headed by George Delaney, served refreshments at the close of the meeting.

Mrs. Irving Abrams and Mr. Adolph Ullman have been elected to the board of trustees at Brandeis University. Mr. Ullman, a Harvard associate and former member of the Boston University faculty, is chairman of the creative arts center committee of Brandeis. He was the first president and one of the founders of the Friends of the School of Music at Brandeis. Mrs. Abrams is president of the national women's committee of Brandeis. She is the third woman named on the university board of trustees.

of over two hundred dollars a year per child and that such cost is borne mainly by property owners in the community.

In order to alleviate the tax burden on property owners, those making a study of the matter have come to the conclusion that every resident of a community should bear a proportionate cost to the operation of their municipal government and this bill about to be filed by Muther offers, it is believed, one solution to a taxation problem which is fast threatening the stability of home ownership.

This bill which undoubtedly will be met by some stern opposition is nevertheless bound to gather to it considerable support for it probably offers one concrete solution to a vexing taxation problem.

mentation and at the discretion of the Board.

In the interests of furnishing the house as beautifully and correctly as possible, Mr. Alexander points out that the best examples of any desired pieces will be the ones to be used. There will be adequate insurance coverage.

Any civic groups interested in providing draperies for any of the rooms should contact Mr. Alexander whose telephone is BI 4-5028.

Newspaper articles, maps, and family papers, which have to do with Newton's history, will be gladly received and carefully preserved.

A number of students from the junior and senior high schools are being trained to act as guides during the visiting hours. More adult guides are also needed on a volunteer basis. Those interested should get in touch with Mrs. Madeleine A. Arnold, Director of the Homestead, at DE 2-3920.

Increasing numbers of people are being taken through the house. Any clubs wishing to visit the Homestead as a group may make an appointment with Mrs. Arnold outside of the regular visiting hours. There is no admission charge.

Regular visiting hours remain as follows: Tuesday through Friday, 3 to 5; Saturday, 1 to 3.

in many states, asserted Muther, and it remains to be seen whether Massachusetts is extraordinarily different from, say, Indiana where public welfare records were opened up this year with very good results.

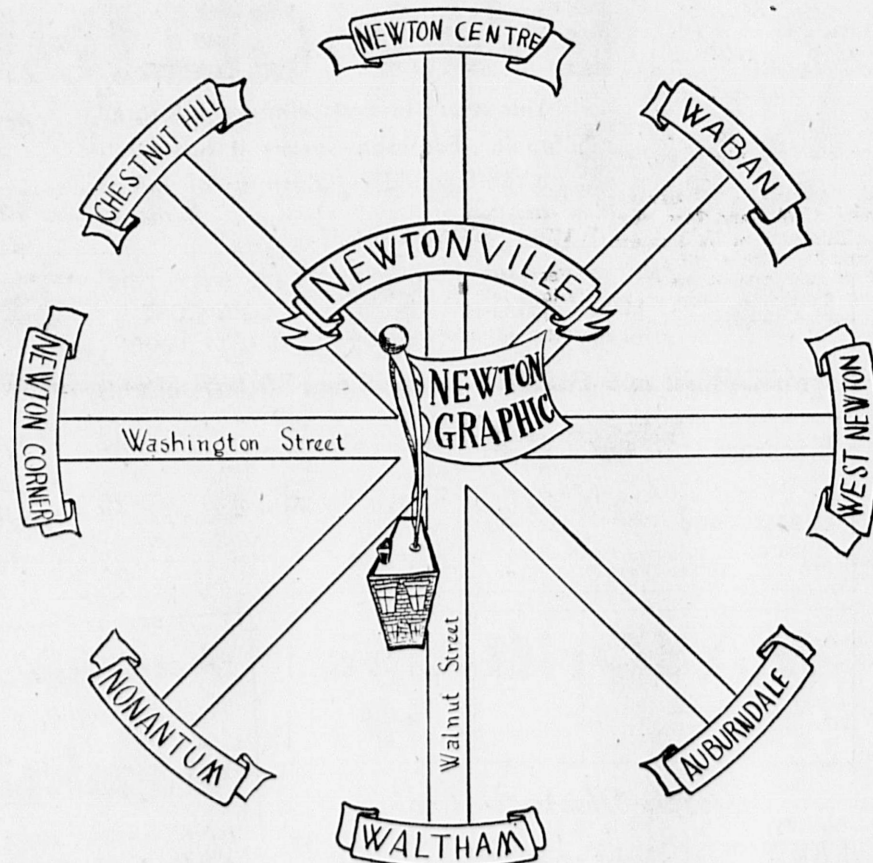

Noting that a bill filed by the Massachusetts Federation of Taxpayers' Associations to open up a crack in the wall around welfare records was defeated by the 1951 legislature, Muther said that since then federal regulations have been changed so that states no longer can be threatened with loss of federal reimbursement if they open up their welfare records.

The ends obtainable under the program endorsed, concluded Muther, would stimulate improvements in the administration of public welfare across the commonwealth, cut down the chiselers and permit an extra-professional cross check on the spending of a large segment of the money which the taxpayers are now required to contribute blindly.

St. Mary's Fiesta to Feature Baked Ham Dinner and Auction Sale

All roads lead to Mexico—a tiny corner of it at least, when St. Mary's Episcopal Church, Newton Lower Falls, opens its Fiesta Bazaar Friday, at 10:30 a.m. through 9 p.m. There has been no putting off until Manana in preparing for this outstanding event; plans have been under way for weeks and the results will be rewarding, judging by the enthusiasm shown by Chairman Mrs. Roland Gammons, Co-chairman Mrs. Leonard J. Edel and their committee.

The brilliant colors, sunshine and festive atmosphere which transports the Fiesta to Newton Lower Falls, have been created by Mrs. F. W. Tappan with an assist from Mrs. John Bowen. Visitors to the bazaar will be able to partake of a variety of novelties, take care of many a Christmas shopping item and pick up a bargain at the Mexican auction which follows the baked ham dinner to be served at 6:30 p.m.

Mrs. Chester Spring and Mrs. Franklin S. Browning have gathered and grown a lovely collection of green, swags and plants for their table and will be assisted in selling by Mmes. William W. Norcross, Frederic A. Gilroy, Henry H. Stafford, James E. Thompson, Benjamin F. Louis, Francis Blake, Lewis F. Pike and Marcy Eager.

One can take home a cake, pie or cookies from the food department headed by Mrs. Louis J. Vascallotte, with Mmes. Hugo Marulli, G. Summerell and L. Hardy as helpers, or sample the home made candy at Mrs. Harold E. Buse's table with Mmes. Carl Bedell, George Marsh, Ralph Hickox and Atherton Morse dispensing chocolates and fudge.

A Mexican motif will be found in the ceramics created by Mrs. Olive MacIver and the quaintness of New England will be brought out in the Tole painting and country tin decorations by Mrs. Arthur L. Terry, Jr. They will be assisted in their selling by Mrs. Edward L. Wisewell.

Popular household items will be featured by Mmes. Edwin Porter and Charles Newson, while articles priced under one dollar will be sold by the Junior Auxiliary including Mmes. John Roehrig, Frank Shipp and B. C. Edwards.

The sewing table will include a multitude of attractive articles made during the summer and fall months, while those who prefer to knit have made sox and mittens and even doll's clothes under the supervision of Mrs. E. Robinson McMullen and Mrs. Clarence Wymot. Mrs. Frederick P. Risten and Mrs. Leonard C. Tims have a wide selection of books for children and adults for sale and Mrs. W. H. Nichols will be in charge of a special Post Office where one may "buy" a package instead of mail one, each package a complete surprise and may have come from any point of the U.S.A.

Those who drop in during the afternoon may find their way to the Tea Room where Mmes. Hugo Rocktaschel, Harry Wilson, Herbert Greenhalgh and William Berndt will dispense their sandwiches and sweets with a cup of tea.

Mrs. Roger Loring has a few tickets left for the dinner to be served by Mrs. George Mahan at 6:30 p.m. assisted by Mrs. Everett Bryant. Mrs. Frank N. McCabe and Mrs. Bernard R. Smith have an unusual collection of articles old and new and still

have room for more in the Mexican auction. Mrs. Andrew A. May and Mrs. E. Doane Seeley are two of the committee collecting items. The Young People's Fellowship of St. Mary's have arranged a program of entertaining movies for the small fry, so both old and young are bound to find something of interest at the Fiesta Bazaar.

Position of France in Modern World Is Discussed

Newton Junior College held its annual Open House for parents Sunday, November 18. According to the Director of the college, James D. Lauritz, the reception was well attended by both parents and members of the Faculty. The latter were introduced to the visitors soon after the reception began and they were then sought out for individual consultation.

The occasion was opened with a coffee hour in the main Social Room of the college, where the guests and college members had ample opportunity to get together in an informal manner. Pouring coffee were Miss Janice Abbott, Mrs. Raymond A. Green, Mrs. James D. Lauritz, and Mrs. Charles H. Mergendahl. The following college students served as hosts and hostesses: Jo-Anne Cardinal, Ruth Day, and Virginia Nolen, William Aldrich, Jay Hochberg, Sam Turner, and Chester Wallace. The Faculty Committee planning the affair consisted of Miss Alice Kennedy, chairman, Miss Janice Abbott and Miss Mable Turner.

At 3:30 everyone adjourned to the Junior College Library to hear a short address by the Rev. Howard Schomer. Rev. Schomer is a professor of history and economics, College Cevenol, Le Chambon sur Lignon, Haute Loire, France.

He spoke for thirty-five minutes about the position occupied by France and its people in the modern world, emphasizing with great clarity and force the delicate balance which prevails in that country between its present commitment to the West and its great economic and military problems which Russia sees as insurmountable without Communist power in the states. Mr. Schomer's talk, entitled "France—Testing Ground for East and West," was enthusiastically received. His audience questioned him informally after the address for another half hour, when he was forced to leave for another engagement.

"I believe everyone had pleasure and profit from the Open House," Mr. Lauritz said. "Many parents told me how impressed they were with the speaker, and I noticed parents and Faculty members conferring together long after the event was over officially."

Movie Screen

By LARRY SAVADOVE

Availability is a big word in the movie industry. It's a word that has caused a lot of arguments. It's a word which means you can't see a picture in your local theatre at a low price when the picture comes out, because your local theatre has to wait more than a month after the picture appears in the city houses at a high price.

It's a word that means if you want to see a good movie soon after you've read its reviews in the papers, you have to go downtown, perhaps get a baby sitter, stand in line, get shoved and shouted at by people you don't know, sit three blocks from the screen, worry while you sit there about the kids you left at home, and get snarled in city traffic on your way back. It's a big word.

The fellow that manages that comfortable little theatre down on Main street wants to change the meaning of that word. He loses, just as you do, when he has to wait a month before showing a good picture. He's been fighting recently with distributors to get them to release a picture to him right after it has played downtown. It's a tough fight.

In the meantime all he can do is promise that every good picture that comes out will get to his theatre sometime. He can promise that you will see the picture in comfort, and at community prices. Soon he hopes to be able to promise you early showings of good pictures.

But even if he couldn't, you can be sure that all of the top movies now coming out of Hollywood will be flashed on his screen. Right now he's fighting an uphill battle for availability. There's not much he can do but wait for the moguls to pull the right strings. In the meantime, movies are really better than ever, and they're better when you can relax and enjoy them.

How to Help Your Child With Toys

Your child's toys are a part of his education.

One of the goals of modern education is to preserve that curiosity and enthusiasm which we observe in a young child. Specialists in child education and psychology believe that this urge to learn can be kept alive with the proper playthings to stimulate interest and experimentation.

F. A. O. Schwarz, the world's most famous toy store agrees with authorities on child behavior, that the correct choice of toys depends first upon the age of the child.

These age groups are divided into: One: The Infant; Two: The Toddler; Three: The run-around child; 4: The Pre-School Age; 5: The School-Age Child.

It is the responsibility of the parents to provide the kind of toys a child needs when they are needed. By wise consideration of this aspect of child life you may help your son or daughter in many ways.

The first lesson in discipline begins with the baby throwing his toys from his high chair or playpen. If you keep picking them up and returning them to him it quickly becomes a delightful game for baby.

What should you do? Return the toy at once, indicating your displeasure. The second time put the toy near the baby and encourage him to reach it himself until he does. Repeated effort on your part and success on baby's will teach him an early lesson in discipline.

Better still, tie all baby's toys to his crib or carriage with a short string.

As the child grows older he learns self-control and obedience through toys if he is thoughtfully supervised. He should have a place to play and a place to keep his toys. As soon as he is old enough to understand, he should be taught to return his toys to their chest or box. He should understand that playthings must not be left on stairs and in the hallway to become accident traps.

At an early age the child should also be taught to take proper care of his playthings, pride of the ownership of that is a right of every human being. Some breakage of toys is only natural. But when a youngster seems unnecessarily destructive, the parent should determine the cause. Providing suitable toys is one answer.

F. A. O. Schwarz says that another answer to the problem of toy breakage is to make sure that all toys given to a child are of good quality. Well-made, durable toys, built to withstand the rough usage of a healthy youngster, are an absolute requirement, says the Schwarz people. This is for both practical and theoretical reasons. A poorly made toy may injure or frighten a child. And when a beloved toy falls apart under normal usage and the child is blamed, unfortunate results may occur that will follow the child throughout life. For when a toy breaks, so does the faith of a child. His world falls down around his ears.

Worse still if he is blamed for the mishap and it is not his fault, he may develop a guilt complex which will affect his whole future.

Some authorities in mental health say that the inability of an adult to relax; the presence of a guilt complex; may be traced to such frustrations in childhood.

A child may be taught the qualities that make him a human being who can get along with others. Teaching a child to share his toys with other children and to respect their rights is of major significance.

One instinct that may be impressed upon a child by giving him a welcome toy is the joy of possession. The thrill of ownership is one of the natural rights of life that is first enjoyed by the youngster who receives a toy of his very own to keep.

You can develop a love of color and beauty, imagination and adventure, rhythm and motion through a wise choice of toys. And very soon the discerning parent will begin to see the natural aptitudes and skills that build the individual personality, breaking through the lovely mystery of childhood.

A wise parent will continue to provide the tools of play to grow with each new indication of the developing character of a child.

Parents will find a rich reward for the child and himself in this challenge and its acceptance. For the childhood enriched by carefully chosen toys can help a child in school too. It means a better pupil for the teacher to deal with.

PRICELESS CONVENIENCE... for pennies

"Each local call you make... to the drugstore, cleaner's, grocery store or friends... costs but a few cents. Yet each one saves you time, saves you trips in the car, makes living easier."

Today your telephone is a bigger value than ever although rates have naturally been increased. In relation to the soaring cost of most things you buy, telephone service now takes a smaller part of your family budget than it did ten years ago. Telephone service is truly a "bargain"—an outstanding exception to today's high prices.

The NEW ENGLAND Telephone & TELEGRAPH Company

Some people who have applied for telephone service are still without it because we lack necessary equipment. To correct this situation is one of our major projects.

Reference to the telephone's value is directed to users who may overlook it in this world of changing values. At the same time it serves as an added incentive for us to do everything possible to supply service for those who are waiting for it.

Panel to Discuss "Understanding Our Elementary School" Next Tuesday

The Bowen School PTA is holding its meeting next Tuesday, at 8 p.m. at the Bowen School. The program for this meeting will be a panel discussion on "Understanding Our Elementary School." The panel consists of the following:

Haskell C. Freedman, Ward 6 School Committee member - Moderator; Clarence Churchill, Principal of the Bowen and Hyde Schools; Dr. Edward Landy, Director - Division of Guidance and Counseling Services, Newton Schools; Herbert Calahan, 6th grade teacher, Bowen School; James Gannon, Parent & Bowen PTA president; Dr. John G. Kuhns, Parent and Chief of Surgical and Orthopedic Staff at Robert Brigham Hospital - Visiting surgeon at Childrens Hospital and on teaching staff at Harvard and B.U. Medical Schools. Mrs. Dominic Tagliente, former pupil of Bowen School and parent of child now attending the Bowen School; Mrs. Philip LeCompte, Parent and Bowen School delegate to Newton PTA Council.

After the discussion there will be a question period, followed by a coffee hour. Between 7:30 and 8:00 p.m. there will be a Food Sale under the chairmanship of Mrs. Pio Maiocco, where all sorts of delicacies may be purchased—cakes, pies, sauces and many other varieties of foods. Everyone is invited to attend both the meeting and the Food Sale.

Mischa Tulin Guest of Music Club

Today (Thursday) the Music Club of Newton High School will have as their guest at their second meeting the celebrity, Mischa Tulin, performer and authority of the theremin, an electronic instrument.

Mr. Tulin was identified as being a brilliant pianist and composer prior to his debut as a theremin artist. Since then he has been acclaimed as a great player of one of the world's most unusual instruments.

In 1924, Mr. Tulin won first prize from the Musical Society of America. This trophy was awarded for the finest composition submitted in competition he had that year. Added to Mr. Tulin's experiences is his work in the film "Lost Weekend" in which he supplied all the theremin music.

The theremin is an instrument which produces musical sounds by exclusively electronic means. It has no key-boards, strings, reeds or other mechanical aids. It employs two metal bars as antennae, and a loudspeaker. One antenna is a straight perpendicular bar, which controls the tone, or pitch of the theremin. The other antenna is a looped horizontal bar and controls the volume of sound.

The theremin, in its lower range, partakes of quality of the bassoon, bass, and other low-pitched instruments. Further up, the tone is extraordinarily like the cello, and even higher up it has the quality of the viola, violin and flute. Toward the upper end of the scale, the theremin can, with amazing similarity, sound like the human soprano voice.

J. H. Remley to Speak At Social Science Club

The Education Committee of the Social Science Club of Newton will present Mr. James H. Remley, Supervisor of Music in the Newton Public Schools, at the meeting of the club Wednesday, December 5.

The hostesses for the morning will be Mrs. Donald V. Baker and Mrs. Dwight S. Simpson.

Captained Amherst College Unbeaten Soccer Team

Halvard Seward, 41 Vineyard road, Newton Centre, was captain of the unbeaten, untied, and unscathed upon Amherst College freshman soccer team. Seward played center forward on the squad which posted the best Amherst freshman record in 20 years in winning the Little Three crown this season. He notched three of the team's fifteen goals.

Seward went to Deerfield Academy before entering Amherst. At Deerfield, Seward played soccer, hockey, and baseball and was captain of the baseball team. Seward is one of the likeliest choices to fill in the varsity center forward slot being vacated by graduation of All-American Howie Burnett.

Uniform Signals Now in Effect

Attention is called by the Newton Police Department to the law which makes uniform hand signals or signals by suitable mechanical or electrical devices compulsory on all ways. This law, which was effective last Tuesday, reads as follows:

Every person operating a motor vehicle, before stopping said vehicle or making any turning movement which would affect the operation of any other vehicle, shall give a plainly visible signal either by means of the hand and arm in the manner hereinafter specified or by a suitable mechanical or electrical device or devices. Hand and arm signals shall be made as follows:

1. An intention to stop shall be indicated by extending the arm horizontally to the left and beyond the side of the vehicle.
2. An intention to turn to the left shall be indicated by extending the arm horizontally to the left and beyond the side of the vehicle and by moving the index finger to the left.
3. An intention to turn to the right shall be indicated by extending the arm horizontally to the left and beyond the side of the vehicle and by moving the hand in a clockwise circle.

Roles Assigned, Committees Complete for Hospital Musical

With virtually all lead roles assigned and with committee rosters complete, the musical review of revues "Insomniacs of 1951", which will be presented by the Newton-Wellesley Hospital Aid Association, Inc., at the Newton High School Auditorium on the nights of Wednesday, Thursday and Friday, December 5, 6 and 7, is rapidly taking shape. Rehearsals are being held every afternoon and evening at the Williams School, in Auburndale.

Many professional performers join with a large number of talented amateurs to give the production pace and polish. Among the professionals is Mrs. Dorothy Robinson, of Wellesley, who will present an amusing travesty on the Metropolitan Opera. Dorothy Robinson has appeared in many of the Hippodrome shows in London, England, and has just returned from a five-week engagement at the Paper Mill Play House in New Jersey, where she was featured in the "Song of Norway."

Miss Vita Pike, of Wellesley, will give her impression of Ethel Merman's original creation "Show Business," from the well-remembered "Annie Get Your Gun." She will be supported in this number by the following: Mary Louise Meyer, of Wellesley, representing "Opera;" Norris Bond, of Wellesley, as the movies; Gerry Harcourt, of Boston, as Television; Sven Stenberg, of Wellesley, as Radio; Anita Carr, of Newton, as Ballet; Ruth Blue, as Vaudeville; Laurence Pate, as Drama; Stephen Bowers, of Newton, as the Circus.

The title sketch of the show, "Insomniacs," underscores the hospital relationship and stars John Williamson, of Wellesley. Another humorous sketch will star Mrs. Robert W. Moore, Jr., of Waban, president of the Hospital Aid.

The finale of Act I will revive several numbers first written by the immortal George M. Cohan and will feature Edna White, of Newton, as Nora Bayes and Sven Stenberg as Irving Fisher, Miss Bayes' original partner.

They will be supported by a drill team composed of representatives of various groups serving the hospital as volunteers. Members of the drill team are as follows: Flag Bearers, Bernard Cimino, Michael Guigno and Dick Manning; Nurses' Aides, Manya Murphy, Margaret Wheelock, Moira Sullivan, Leah Keever, Priscilla Wheelock and Margaret Coonse; Gray Ladies, Mary E.

ANITA CARR, of Newton, rehearses for her appearance in "Insomniacs of 1951," a musical review of revues, to be presented under the auspices of the Newton-Wellesley Hospital Aid Association, Inc., at Newton High School Auditorium, the evenings of December 5, 6 and 7. (Photo by Hankel)

Iverson, Laura Wilson, Helen Powell, Jane Alley and Lois Ufford; Canteen, Ethel Farrington, Maudyca Campbell, Phyllis Akroyd, Ruth Waldron, Louise Fox, Jean Boardman; Motor Service, Elizabeth Whiteley, Nancy Mullen and Deborah Davis; Staff Aide Service, Fran Dillingham; Administrative, Marjorie Phelon and Josephine Moore.

Sonja Risman and Norman Dow will revive the title song from the Rogers and Hart smash hit, "The Girl Friend," first presented during the 1920's. They will be supported by 12 dancing chorines from neighboring towns who appear as the famous Tiller Girls of London. They are: Barbara Ayers, Sally Cranton, Anne Cranton, Sandra DiLuca, Gail Perry, Rosalee Lupo, Faye Schulz and Susan Lytle, of Wellesley and Nancy and Ruthann Seymour of Waban. Also appearing in this number is Marilyn Crowley.

With the increasing demand for tickets, comes the announcement from Mrs. Henry T. Patch, chairman of reservations, that tickets will be available for a week beginning November 26 from 10 in the morning until 12 noon in the office of the Hospital Aid at the hospital; at Norman Hall's Book Shop, located at 63 Union Street, Newton Centre, and at the Book Stall, 270 Washington street, Wellesley Hills.

Mrs. George C. Prather, show chairman, has named an additional list of Newton and Wellesley women who are assisting on committees aiding in the production of the revue. Mrs. Theron B. Walker and Mrs. Walter McGill are in charge of tickets for cast members. Mrs. Edward P. Garland of Wellesley will take care of makeup. Mrs. Worthing L. West and Mrs. E. K. Mentzer of Newton Centre are helping with poster distribution. Mrs. T. Stewart Hamilton is serving as wardrobe mistress and Mrs. George M. Williamson and Mrs. Henry F. Keever are handling alterations and fittings on costumes.

Miss Edson, a graduate of the University of Vermont, is now a teacher in Newton. Corp. Bergstrom attended the University of Michigan at Ann Arbor. At present he is stationed at Westover Field, Mass.

A June wedding is planned.

Mr. and Mrs. William D. Webb, Congregational missionaries, left New York yesterday on the Queen Mary for Africa, after a furlough at home.

Christmas Concert at Newton College of the Sacred Heart

The Glee Club of Newton College of the Sacred Heart will present a joint concert of Christmas music with the Glee Club of Providence College Sunday afternoon at 3:30 o'clock. The concert will take place in the Playhouse on the Newton College Campus. After a group of seven Christmas Carols by the combined clubs, Louis Murphy, Tenor soloist of the Providence Club will sing Niles' "I Wonder as I Wander." The Newton Club will then sing "Jesus So Sweet," by Bach, The Coventry Carol, and Niles' "When Jesus Lived in Galilee." The intermission will follow the Christmas Cantata of Bach, sung by both clubs. The second half of the program will be divided into six groups of songs, with Lucien Olivier as Baritone Soloist of the Providence Club singing Massenet's "Vision Fugitive," and Miss Patricia Cloud of Newton singing "The Shepherd's Story" by Dickinson with the Newton Club. Miss Cloud, who has done concert work, is from Wynnewood, Pennsylvania.

There will be no entrance charge and friends of both colleges are invited to be present.

Miss Doreen Joy Hatfull Of England Engaged To Mr. Robert Van Gorder
Mr. and Mrs. Leonard Hatfull of West Wickham, Kent, England, announce the engagement of their daughter, Miss Doreen Joy Hatfull, to Mr. Robert George Van Gorder, son of Dr. and Mrs. George Wilson Van Gorder of Newton Centre.

Miss Hatfull has for the past two years been medical secretary to the Grenfell Mission in Labrador. She is now on the secretarial staff of Union Theological Seminary in New York City.

Mr. Van Gorder served for two years with the armed forces in World War II. He prepared for college at Kimball Union Academy and was graduated from Williams College with the class of 1950, where he was a member of Phi Delta Theta fraternity. Mr. Van Gorder is now in his second year at Union Theological Seminary.

An August wedding is planned.

Murray W. Shlager, son of Mr. and Mrs. Louis Shlager of 21 Prospect park, was inducted into the armed services last week at the Boston Army Base.

CHRISTMAS CLUB, A Corporation 230 Park Avenue, New York 17, N.Y.

Announcing A Special Reduced Subscription Rate to Service Men and Women of only \$1.00 a year

Two things your service man or woman want most of all are frequent letters from loved ones and weekly news of happenings back home.

See that your service man or woman receives BOTH. Write often and fill your letters with the news of family and friends. And, to keep him in touch with all the happenings at home, send him a weekly copy of THE NEWTON GRAPHIC. Then, every mail call will bring him something from home — a welcome copy of the family newspaper, if not a personal letter!

Not only will he enjoy reading its familiar news pages week after week, but he will be thrilled by following his favorite sports teams, columnists, cartoons and all the other popular features — just as he did at home. It's so easy for you to order. Simply send us his or her name, rank and full address with your remittance of only \$1.00 and we'll do the rest.

This Special Offer is for Service Men and Women only!

Behind Scenes in American Business

By REYNOLDS KNIGHT

The pre-Christmas shopping season—traditionally kicked off by last Thursday's turkey day—appears likely to be a good one for the merchant. Storekeepers are looking forward to a gain of 10 percent or more over last year, and many consider this to be a conservative estimate.

This note of optimism, which has grown steadily in the past month, is largely due to very favorable buyer response to special sales, holiday volume and consumer promotions. Also, early Christmas shopping is running considerably higher than average partly influenced by early mailing deadlines for overseas parcels.

The merchants are also encouraged by the fact that the calendar arrangement of Thanksgiving and Christmas this year gives one more shopping day than last year. They also like the fact that the major volume will occur in this week and that only last-minute purchases will be left for the Christmas Eve Monday.

NEW MARKET AREAS—An important side-effect of the nation's defense program will be to create big new marketing areas in critical defense zones where major industries are being developed. A good example is Bucks County, Pennsylvania, where U. S. Steel's new Fairless works will open next summer and a vast in-migration of workers is expected. How vast it will be is anyone's guess but the number will be large. One indication is that the nation's biggest home builder, Levitt and Sons, Inc., is already at work on a three-year construction program of 16,000 homes—5,000 of them to be built in 1952—for sale to industrial workers.

What do new towns of this kind mean to dollar sales in their

areas? A recent survey by Architectural Forum in Levittown, L. I., a postwar community of one-family homes built by the same firm in the New York metropolitan area, offers a yardstick: Each family moving there spent an average of \$1,432 for goods and services in their first year of occupancy. Projecting these figures to the Bucks County Levittown—where family incomes will be about the same—indicates new retail sales there of nearly \$6,000,000 next year, based upon the activities of one building firm alone, and an annual total of nearly \$23,000,000 by the end of 1954.

THINGS TO COME—New for the Christmas trade is a plastic-based "snow" packaged in a pressurized can. Just press a button and it sprays a coating of the "snow" on your tree. . . . An aqueous wax emulsion which, when used as a lubricant for power hack saws and routers, greatly extends the life of these tools has been perfected by the makers of Johnson's Wax. The coolant is non-inflammable and has excellent cooling properties. It is especially effective in extending the life of blades, and it not only reduces the wear of router bits but eliminates much of the burning on routed edges. . . . In use on industrial structures for many years, a harmless substance that repels pigeons is now being made available for homeowners. . . . There's a new type-writer for the blind, designed to operate quietly and efficiently and with special keys for sensitive fingers. . . . A New York firm has come up with a ladies' stocking with a black ankle bracelet and diamond-shaped charm woven in.

JOB SHIFTS—Employment cutbacks in consumer-goods industries over the past year have been proceeding more rapidly than hiring at defense plants, with the result that there has

been a net addition of 150,000 persons seeking new jobs. Trouble is the defense plants want skilled or semi-skilled workers, or at least those with mechanical abilities. Some of those laid off are retail or white-collar workers. Thus we have a paradox of more jobs available than there are skilled candidates in a period when national business activity is at a high rate. This condition illustrates the rather painful adjustments that are under way in a part-military, part-peace economy.

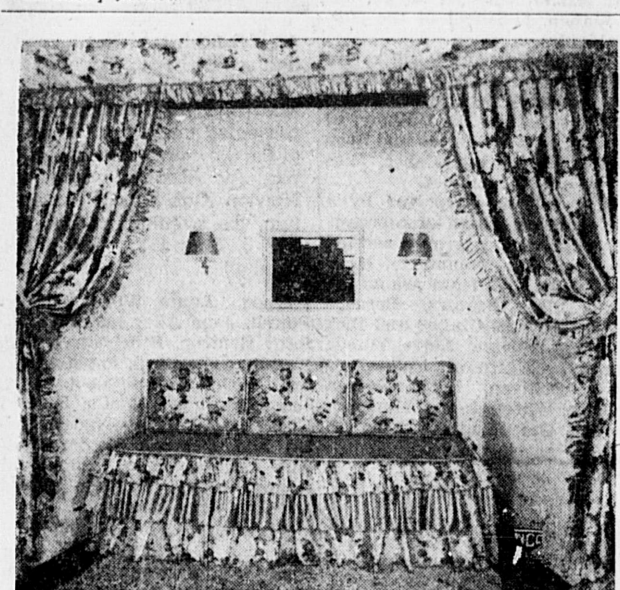

BITS O'BUSINESS—Tennessee Valley Authority is due to hike its electric power rates to big industrial customers about 4 percent next July 1. . . . Coast-to-coast dialing of phone calls was inaugurated last week with a call from Englewood, N. J., to California. . . . For the first time since the end of World War II, rationed Britons will get no Christmas food bonus this year. . . . Prices go up even in Canada—The Bell Telephone Co. of Canada gave increased taxation as the reason for requesting higher rate for most classes of service.

Mrs. Clifford O. Mooney of 69 Highland avenue is president of the Women's Association of the Massachusetts Osteopathic Hospital which held its 15th annual Christmas bazaar at the Copley Plaza Hotel yesterday. This group of women raises money to supplement the needs of the hospital. Their aim now is to build an addition for extra maternity facilities, two extra operating rooms, a new obstetrical unit and 20 additional beds. For this purpose a "Buy a Brick" campaign was inaugurated in the summer and the money raised was presented to Dr. Perrin T. Wilson, president of the board at the close of the bazaar.

Bernard Burke, Newton, is a member of the committee planning the Alumni Dance sponsored by the Boston College Class of 1950.

HIGH FASHION NOTE for fall and winter is the rich look of texture-on-texture. Cotton corduroy uses lavish embroidery to achieve this look—and it's right for day and date—on campus or in town! Left, a McArthur suit tops a plain flared skirt with embroidered, fitted jacket. Debway velvet hat. Greta Platty combines a sleeveless, black velvet sheath date dress with Vermicelli-embroidered corduroy jacket.

AS FRESH AND EXCITINGLY NEW as the first day back to school is this little cotton-decorated alcove or niche that could be arranged in any dormitory or home. The studio couch cover and pillows combine quilted sapphire blue cotton with a fresh new Waverly Glosheen print of documentary type design, to match the draperies. Rug is blue cotton loop.

Newton Centre—Anne Casey and Agnes Casey, both of 41 Everett street, Newton Centre, were recently elected members of the Judiciary Board at the Kathleen Dell School, Boston.

Newton—Mrs. Milton Levy of 58 Green Park, Newton, is serving as Book Fund District chairman of the Newton area of the Greater Boston Chapter of the National Women's Committee of Brandeis University.

Waban—Mr. and Mrs. Henry D. Piper of 47 Agawam road quietly celebrated their 60th wedding anniversary at a family party recently. Both are 82 and enjoy good health. Mr. Piper is treasurer of his own company, the H. D. Piper and Sons, Corp., in Boston, and goes to business daily.

Harold Falkof, 34 Westbourne road, for the third consecutive year has won a seat on the advisory board of the H. D. Lee Company, world's largest manufacturer of union-made work clothes and is attending a special meeting of the board at the home office in Kansas City, Mo., to consult with top company officials on plans for 1952 and an expansion program. Falkof attributes his winning record to the strong demand for top-quality work clothing in this area and is optimistic about business in Massachusetts in 1952.

Mr. Harold B. Gores, superintendent of the Newton public schools, has been assigned by the Washington headquarters of the American Association of School Administrators to organize and conduct a panel discussion on "school boards and their public relations" for the association's national meeting in Boston April 9.

Sallies Will Stage Victory Rally

With \$60,000 in new and additional gifts to be raised in order to reach the overall goal of \$535,000 in its Greater Boston Friendly Annual Appeal, Salvation Army leaders will hold a Victory Rally on Thursday, November 29th, in the Dorothy Quincy Suite of the new John Hancock Building, Boston.

"We have faith," says William A. Nicol, executive director of the Army's Greater Boston appeals for nearly 30 years, "that this urgently needed sum will be forthcoming. The \$60,000 is over and above what we may reasonably expect otherwise. Nevertheless we are going ahead with all plans for this meeting with assurance that it will truly prove to be an occasion for victory."

The local appeal is part of the Metropolitan Division and Boston Districts, where the campaign has been outstandingly successful, Mr. Nicol stated. "In many communities," he said, "the volunteer effort and the response has been almost overwhelming. Their surplus has almost, but not quite, overcome deficiencies where the organization has been handicapped by unavoidable conditions. The volunteer leaders, for whom we have nothing but praise and appreciation, will surely understand when we announce that special Victory Gifts will be welcome in any amount from those who deeply approve the humanitarian work of The Salvation Army."

Local gifts may be mailed or handed to appeal treasurer for Roslindale, Richard E. Chapman at the First National Bank on Belgrade avenue, and for West Roxbury, Gregory C. Prior, First National Bank, Centre street.

What Shall We Eat . . . Party Meat Balls

Party Meat Balls

Hamburg is surely a marvelous meat—not even counting the fact that it is an inexpensive one—the number of ways in which it can be served is myriad. Is there any wonder that it is a popular choice with seasoned cooks and new brides alike?

Whether you are an old hand at the fine art of cooking, or whether you still sample the first bit of your cooking with anxiety, you can't go wrong with any number of dishes using the old standby, ground beef. No need to get into a rut either with plain meat loafs and plain beef patties. A simple way to dress up patties is with plenty of sauteed onion rings. Another way we like is to add fairly good sized chunks of green pepper during the last few minutes of browning—cooling the pepper until it is just tender. Make a gravy using the drippings and serve over meat and peppers.

You can even serve hamburg at a party when you serve **PARTY MEAT BALLS**. They're good with fluffy rice.

You still have time to send your name and address to the New England Dairy and Food Council, 729 Boylston street, Boston 16 and ask to be placed on our mailing list to receive free the monthly Menu Guide and Recipe Sheet.

Party Meat Balls

1 cup fine cracker crumbs or fine dry bread crumbs
3 tablespoons butter
1 11-oz. can condensed cream of mushroom soup
½ cup milk
Trim crusts from bread slices, add milk, and let stand until very

soft; then stir well with fork and add to meat. Add salt, pepper, egg, and sour cream. Mix with fork, then shape very lightly into 12 balls. Roll balls in crumbs, and brown slowly on all sides in butter in skillet. When nicely browned, arrange balls in a 2-qt. casserole. Stir cream of mushroom soup and milk together, pour over balls, and bake uncovered in moderate oven (350°F.) for 30 to 40 minutes. Serve with rice.

Yield: 6 servings.

WHY BRISTOL UPHOLSTERING IS DIFFERENT

- (1) We don't tie springs just 4 or 6 ways—we tie them fully 8 ways and with special twine.
- (2) We don't just glue loose frames—we take out old dowels, replace them with larger and new ones. We add brand new corner blocks.
- (3) We don't tack seams at just the obvious spots—we hand sew seams throughout the piece.
- (4) The seams on the sides and backs aren't blind-tacked—all the seams are hand-sewn.
- (5) We don't use ordinary fibre or excelsior—we use the new, expensive moss filling.
- (6) We don't just repair your cushions—we make brand new cushions, springs and all.
- (7) We don't pat the fabric on carelessly—we make sure the pattern matches perfectly.
- (8) We don't just cut from a pattern—we fit your cover as carefully as a tailor-made suit.

Crusading for Children

In all social work for children there are recurring cases in which "neglect" is one of the causes of the problem situation. It may not be deliberate, willful failure to care properly for the young in the family; on occasion it is actual inability to provide what is generally accepted as the minimum standard required in food, clothing, shelter, and care. Several factors enter into the home situations where neglect is found. Low and often irregular income, large number of children, and a continuing feeling of insecurity are usually present. It's easy enough to dismiss the matter by suggesting a move to a better dwelling and a steady job for the breadwinner, but neither of these is a final solution, and both are in many instances impossible.

The beginner in social work soon finds that among low-income families there are usually marked differences in the nature

of family relationships, methods of child training, standards of nutrition and cleanliness. The grinding pressure of from five to ten hungry stomachs to be filled, backs to be covered, and feet to be shod forces the parent to reduce his ambitions to the level of mere subsistence. He forgets all thought of planning for the future and training for better employment in the shortsighted search for the expedient that will take care of the needs of the moment, after a fashion.

And what about the children? The great pressure for physical survival limits the outlook of every child in the family; his care, food and education have limits that are frozen before he is out of infancy. He does not come to know ambition in terms of the drive for personal betterment and advancement. For him there is little hope of future training for skilled or professional occupations; college or even the most

modest expense is usually a fantasy far beyond his reach. As he grows up, he puts aside all thought of those things which are taken for granted by the children of the more fortunate. Such goals have become submerged in his life by the struggle for subsistence and for the preservation of the family. To him ambition and the drive toward higher skills, toward better education come to appear as luxuries. Such things require a measure of physical security, that sort of security which means knowing where future food and clothing will come from and in what amounts.

A social structure that locks families into that sort of hopeless physical and social environment deadens both the ability and the motivation of its low-income members. It has been shown times on end that people work well and learn rapidly only when they have been trained to strive for increasing rewards; they cannot be driven nor bribed into self-improvement. They must learn early in life to want and to be eager to attain higher status. If they do not, the levels of their cultural and occupational aspira-

tion remain fixed at the subsistence level. "Neglect" is a label ready at hand in any case where there is poverty and hardship. It conjures up visions of deliberate failure by the parent to care for their own, and it invites punishment. But force, whether it be brought to bear by economic pressure or by the law, strikes only at the effects while leaving untouched the causes. The threat of unemployment, like the threat of court action, has little influence in changing the situation of a family that is conditioned to over-present insecurity and lives for today with little hope that tomorrow will take them above the level of mere subsistence.

Those who would help such people and their children must work with tact and understanding in educating them to want for themselves what we would have them get. The motivation must come from within their group; if society seeks to impose it upon them through economic or other pressures, they merely draw their families into a tighter protective circle farther from the reach of those who would help them.

When You Buy Used Home, Check on Points of Safety

When the average family buys a used home, each member has certain all-important things to think about—mother looks for closet space, design of the kitchen, how to arrange her furniture in each room; dad considers the price, inspects the cellar for work shop space, measures the garage for storage; junior looks at the whole project from the standpoint of recreational opportunities, and sis is concerned with the color scheme for her bedroom and how it would look to her teenage friends.

BUT—and it's a big BUT—who thinks of their newly-acquired home from the standpoint of how safe it is for day-to-day living? The answer is usually, "No one," for everyone is so pleased with the new living quarters, so busy with moving and getting settled, that rarely do they check into the hazards to safety that they may have inherited from the former owners.

The Institute for Safer Living of the American Mutual Liability Insurance Company lists twelve separate groups of hazards around the average home, which should be carefully checked in order to insure safety before the family settles down to happy occupancy of its new premises:

1. Inspect, or have inspected, the main fuse box to make sure of two things: first, that the former owner has not left a coin or metal slug behind one of the fuses; second, that all of the fuses are of the proper amperage. None of them should be over 15 amperes unless authorized by a licensed electrician.
2. If your home was built 25 years ago, or longer, have a qualified electrician check over your entire electrical system. Have him get rid of any amateur wiring jobs, and replace any unsafe, out-dated wiring or fixtures.
3. Also have your electrician check outlets and lighting fixtures in every room to make sure that they are in good condition; that pull chains on electrical fixtures are properly insulated and that the position of lighting fixtures affords adequate lighting for stairways. Make sure that the wattage of bulbs is high enough for proper lighting.
4. Have an immediate inspection made of your heating system and make sure that it has proper safety devices such as pressure gauge and safety valve and that they are in working order. Have the furnace cleaned, worn parts replaced. Have your flues and chimneys thoroughly cleaned and made tight.
5. If you have a separate water heater—gas, electric, or solid fuel—it should be carefully inspected for condition. Make certain there is a safety valve in good working condition. All members of the household should be instructed as to the proper and safe use of the water heater.
6. Because stairways are a focal spot for home accidents, it is vital that their condition be checked immediately. Be sure these questions have a "Yes" answer:

- A. Are the stair treads in good condition; is there a hand-rail and if so, is it sturdy and firmly fixed in position?
- B. Are risers of uniform height?
- C. Is there adequate head room over the stairs?
- D. Is the present stair-tread covering in good condition? If not, do you plan to replace it with new, safe materials?
7. The bathroom is a prominent source of accidents, particularly falls, electrical shock, and poisons. Essential to safe use of the bathtub is the use of a hand-grip and soap dish. Non-skid bath mats should be provided. An adequate medicine chest for safe storage of poison, such as iodine, is necessary. Clean out

the medicine chest and safely dispose of medicines and poisons which may have been left from former occupancy.

8. In general, the condition of halls and closets should be checked over for condition of floors, slipperiness, weak-boards, protruding nails, splinters, and obstructions. Also inspect the house, room by room, for any structural defects and conditions of all surfaces. Check supporting members such as beams, sills, and rafters. Check plaster ceilings for cracks and sagging plaster denoting broken keying. Check the condition of any linoleum or other floor covering left in the house to eliminate tripping hazard.

9. The outside of the home and yard should be carefully inspected. Condition of porch steps and the railings should receive the same attention as interior stairs. It is also important to check the yard for improperly covered wells or pits, poison ivy, and trees that may have rotted limbs. Many town and state fire laws require that the inside of all garages be covered with fire-resistant material such as stucco or metal. This is especially important if the garage is attached to the house. Carefully inspect any out-buildings for lurking safety hazards, especially those which may affect playing children.

10. Get rid of all accumulations of rubbish that may have been left by the former owner. Recognize such material as an invitation to fire.

11. It isn't too bad an idea to have your house inspected by experts for the possible presence of termites.

12. Finally, after moving in, be sure to install (a) a safe and handy place for storing first aid supplies—usually the bathroom, (b) a proper place for the safe storage of all tools, particularly those with dangerous cutting edges, (c) a safe place for the storage of matches, household poisons such as lye, insecticides, etc., and a special place for keeping any firearms that you may own. All should be out of reach of children and stored to prevent accidental misuse.

Thousands Visit VFW Christmas Model Gift Home

Nearly 60,000 persons from all parts of the state have visited the VFW Christmas Model Gift Home during the first six weeks of its opening, Martin J. Kennedy, commander of the Suffolk County Council of the Veterans of Foreign Wars, revealed this week.

Located at 67 Hollywood road, in West Roxbury, the \$30,000 Garrison Colonial home—furnished throughout by Jordan Marsh Company and replete with silver, china, and food in the larder—will be given away as the door prize at the Christmas Wonderland Exposition in Commonwealth Armory during Thanksgiving week.

Proceeds from the week-long show, a fairland extravaganza complemented by a gigantic toyland, will benefit the rehabilitation and welfare funds of the Suffolk County Council of the VFW to be used for veterans and their families.

Santa Claus, himself, will act as official host of the holiday spectacle assisted by the titular heads of the fairy kingdom, King Oberon and Queen Titania who will be on hand to greet their wide-eyed public.

Features of the recreational exposition which will give away the West Roxbury model home as a door prize will also include frolicking clowns, animal acts, thrilling rides, exciting games, and holiday gifts.

Recent Deaths

MARY WHALEN
Mrs. Mary (Sullivan) Whalen, 87, of 41 Butts street, Newton Upper Falls, died Monday at her home after a long illness.
Born in County Waterford, Ireland, the daughter of the late John and Mary Sullivan, she had made her home in Newton for over 50 years.

She was the widow of William Whalen and is survived by two daughters, Mrs. Catherine M. Corbett of Newton Upper Falls, with whom she made her home, and Mrs. Ellen E. Ahern of Auburndale; one son, William P. Whalen of Auburndale; 12 grandchildren, among these, Sister Mary Lydia, S.S.J., of St. Thomas Aquinas Convent, Jamaica Plain, and nine great-grandchildren.

The funeral will be held today (Thursday) with a requiem high mass in Mary Immaculate of Lourdes Church, Newton Upper Falls, at 9 o'clock. Burial will be in Calvary Cemetery, Waltham.

ALICE I. MCSTAY
Mrs. Alice I. (Ryan) McStay, 41, of 44 Williams street, Watertown, a former West Newton resident, died Tuesday at her home after a long illness.

Born in Newton, a daughter of Michael and Ann (Manning) Ryan, she had been a resident of Watertown for 20 years. She was educated in the Newton elementary schools and was a graduate of Newton High School.

Surviving are her husband, Patrick C. McStay; two daughters, Mrs. Patricia Silvestri and Miss Maureen McStay, both of Watertown, and three sons, Pvt. Kenneth McStay, U.S.A. of Fitzsimmons General Hospital, Denver, Colo., John, a student at Watertown High School, and Richard, a student at the West Junior High School, Watertown.

She also leaves five sisters, Mrs. John Grainger of West Newton, Mrs. John Brady of Waltham, Mrs. Paul Vahey of West Newton, and Mrs. Abbott Baker and Mrs. Daniel McNeil, both of Watertown, and three brothers, Bernard and Russell Ryan of West Newton, and Harold Ryan of Boston.

The funeral will be held today (Thursday), with a requiem mass at St. Patrick's Church, Watertown, at 9 o'clock. Interment will follow in St. Patrick's Cemetery.

Space Ships and Jets at Central Club

At 6:30 Monday evening Central Club will hold its third meeting of the year. This will be the first meeting held in Central Congregational Church, Newtonville. A varied program is planned revolving around jets, space ships, music, food and good fellowship.

Mr. Robert Cowen, Science editor of the Christian Science Monitor, will be the main attraction. "Space Ships" is the exciting title of his talk. Mr. Cowen is a recent Technology graduate with bachelor's and master's degrees in Meteorology. In addition to his current newspaper work, Bob is continuing his graduate studies at Harvard toward a doctor's degree.

He has recently spoken at the Museum of Science in Boston and is now preparing a series of articles to appear in the Christian Science Monitor after the first of the year.

Many visual aids will be used to help illustrate the ideas presented.

In addition to Mr. Cowen, Central Club is happy to present a 15-minute film, "Jet Propulsion." The film was produced by Walt Disney in color and sound for the General Electric Company. There are many action shots of the "Shooting Star" (P80) whose jet engine and other equipment are described in principle and operation.

Roast beef is the featured

menu for dinner at 6:30 p.m. It looks like a wonderful evening of good food, entertainment, education, relaxation, and friends. Central Club is open to all men interested and welcomes many newcomers each evening. Central Church is located near the intersection of Walnut and Washington streets in Newtonville.

PRESS AIDS CAMPAIGN

Editor, Newton Graphic:
My sincere thanks to The Newton Graphic for your consistent promotion of Metropolitan Boston's United Red Feather Campaign. Without the impetus given this annual appeal by the press, we would indeed be hard put to carry this basic humanitarian message to the people of our community.

Through your columns may I also express my appreciation to all the volunteer workers and those who have generously contributed in the name of the Red Feather. The extra response this year for the USO, to take a touch of home to our service people, wherever they may be, has indeed been heart-warming.

ALAN STEINERT, Chairman
52 United Red Feather Camp'n

Extends Appreciation

Editor, Newton Graphic:
I want to express on behalf of the Newton Community Chest and our Red Feather agencies sincere appreciation to the people of Newton for the generous support they have given us in our United Campaign.

"It was a very real satisfaction to have had the wholehearted and enthusiastic backing of such a large and responsive army of workers during the recent Red Feather Campaign. This army, some 2300 strong, completed large numbers of calls in every division. As evidence of the fact that they did their jobs well, we are able to report that this year's Campaign raised some \$16,000 more than was raised a year ago. As the result of their efforts, our agencies can continue to serve our community. May I extend my personal thanks to every individual who gave so generously of his efforts and energies during the Campaign."

Robert R. Walker

Thousands Took Advantage of X-Ray Survey

During the past summer over seven thousand people took advantage of the free chest X-ray surveys sponsored in local communities by the Norfolk County Health Association. In May 962 residents of Avon were X-rayed. An August survey held in Holbrook resulted in 1163 X-rays, and 5209 Braintree residents were X-rayed in September.

"The success of these programs and many others that we have sponsored throughout the County," said Mrs. Marian Repper, executive secretary of the County TB organization, "is due in large part to the enthusiastic and efficient work of committees of local residents who undertake the task of organizing the surveys. Hundreds of residents who want to rid their communities of tuberculosis join with the committee in the work, with our professional staff acting in an advisory capacity. The National Tuberculosis Association believes that fighting the disease through health education programs and chest X-ray surveys will result in ultimately stamping out this major health menace. To make these programs effective, however, the active participation of local residents is essential."

Miss Elma Perkins, health education director, and Miss Frances Ford, health educator, are aiding the local citizen committees working on X-ray surveys. They are now assisting the Wellesley Board of Health and the County TB Hospital in preparing a chest X-ray survey to be held in Wellesley on October 26 for food handlers and industrial workers.

Walpole people have organized a large volunteer committee to conduct a community-wide survey that will start on January 7, and continue two weeks, closing on January 18.

The County TB Association, Mrs. Repper said, is cooperating with a new health information program in Quincy along with 21 other local, state, and national health organizations.

The new case finding committee of the Norfolk County Health Association met recently with Dr. Richard M. Ash, Quincy Health Commissioner, in regard to the use of the Quincy Health Center's facilities for a new X-ray screening program for Quincy. The finding of "unknown" cases of TB is one of the most vital features of TB control work. Mrs. Repper pointed out, and again this year a large percentage of the proceeds from the annual sale of Christmas Seals, which gets under way next month, will be devoted to chest X-ray surveys in local communities.

Art Exhibition Of Naum Gabo Works at M.I.T.

A retrospective exhibition of the art of Naum Gabo will be on display at the New Gallery of the Charles Hayden Memorial Library of Massachusetts Institute of Technology from October 24 through November 24. The exhibition is open to the public Monday through Friday, 10:00 a.m. to 5:00 p.m., closed Saturdays and Sundays.

Gabo was born in 1890 in Briansk, an industrial area in Central Russia. In 1909, he went to the University at Munich to study for a medical career but soon changed his studies to civil engineering. In 1913 and 1914, he visited his brother, Antoine Pevs-ner, a Cubist painter working in Paris. Gabo went to the galleries and visited the Salon des Independants. In Paris he became acquainted with the art of Leger, Delaunay and Archipenko. With scientific training and artistic environment, Gabo turned to sculpture in 1915. He returned to Russia during the winter of 1916-1917. In 1922, his work was included in an all-Russian exhibition in Berlin. It was there that Katherine Dreier, the pioneer collector of modern work, bought one of his constructions and was the first to bring one of his work to this country.

In 1926, Gabo's work was shown with Pevsner and Theo van Doesburg of the "Stijl" group at the Little Review Gallery in New York City and they were represented in the International Exhibition of Modern Art sponsored by the Societe Anonyme at the Brooklyn Museum. In 1927, Gabo and Pevsner were commissioned by Diaghilev to do the setting of the ballet "La Chatte." Gabo lived in Germany from 1922-1929, and France from 1929-1934 when he moved to England. During these years he exhibited frequently in Paris, London, New York and Chicago. In 1946, Gabo left England for the United States and settled in Connecticut where he now works. In 1948, the Museum of Modern Art in New York held a large exhibition of the art of Gabo and Pevsner.

He is represented in the permanent collections of museums and private collections throughout this country and Europe and has most recently completed a construction for a stairwell of the Baltimore Museum of Art.

Gabo has recently designed two large-scale architectural constructions for the Esso Standard Oil Company at Rockefeller Center in New York. The models of these constructions are included in this exhibition.

The exhibition of the art of Gabo has been made possible by the generosity of the artist, the Addison Gallery of American Art in Andover and the Baltimore Museum of Art.

Lose Weight Without Hunger

Losing one and one-half to two pounds a week on a diet without hunger pangs is good news for the overweight.

Such a diet was developed and has been used in a year's research by Dr. Margaret A. Ohlson and co-workers in the Michigan State College Foods and Nutrition Department. This new theory in dieting is presented in a National Dairy Council film, "Weight Reduction Through Diet," which is being previewed locally this week at the New England Dairy and Food Council in Boston. Local leaders in health, dietetic and medical fields have been invited to attend the previews being given each afternoon.

"In the foreword to the film, Dr. Frederick J. Stare, professor of nutrition, Harvard University, points out that overweight is recognized as one of the major problems in public health. This is the only country where this is true.

The diet differs from the usual one advised for reduction in that a larger breakfast and more fat are allowed. These features are the ones which control the appetite during the day.

The new diet requires the supervision of a physician. Anyone starting to reduce should have a complete physical examination

and the advice of a physician concerning the diet to be used.

A typical daily bill-of-fare would include fruit, a slice of buttered toast, two eggs and three-quarters of a glass of whole milk for breakfast; a large serving of meat, about two-thirds lean and one-third fat, fruit or vegetable and milk for lunch. Dinner would include similar servings of meat and vegetables and fruit and the same amount of milk.

To Meet at Central Church Wednesday

The Women's Association of Central Congregational Church will hold its meeting next Wednesday at 8 p.m., at Central Church, Walnut street, Newtonville.

The program will consist of "The Story of Symbolic Movement With Rhythmic Interpretation." The meeting is open and all are invited.

PHILIP SIMONS, Ronald Burt and Philip Wolfe record success of Junior Red Cross Enrollment Drive on chart at High School.

Junior Red Cross Enrollment Drive Achieving Success

At the conclusion of the Junior Red Cross Enrollment Drive at the High School, only a few spaces remain to be filled in to achieve 100 per cent enrollment of High School students. The novel chart to record progress of the Drive was devised by members of the Junior Red Cross Council. Philip Wolfe, the originator of the idea, Ronald Burt, its moving spirit, and Philip Simons who furnished the mathematical prowess in figuring percentages for each homeroom. The left-hand bar of the cross represents Junior homerooms, the lower bar, Senior, the right-hand, Sophomore, and the top bar, the school as a whole. Each homeroom was given a section of the bar, and as returns came in, the bars were filled in by members of the committee.

The slogan for the Drive was, "Fill These Veins With Life." To carry out the Enrollment Drive, talks were given by members of the Council in each homeroom last week. Notices on bulletin boards and posters throughout the building gave added publicity, as well as notices to be read in each homeroom by teachers and homeroom managers. Enrollment cards were given to each contributor. Receipts were collected by members of the Council each day in "S" period.

Leads Discussion At Convention

Harry Walen, Newton High School administrative assistant, attended the annual convention of the National Council of Teachers of English in Cincinnati during the Thanksgiving recess. He represented the New England Association of Teachers of English.

As editor of the English Leaflet, Mr. Walen led in a panel on what classics should be studied in early high school years. Representatives from 11 other high schools from all over the United States participated in this discussion.

The 1952 meeting will be held in Boston.

Morning with Book At Second Church

Mrs. Marion Rudkin will review the latest in books for both juvenile and adult reading at 10:30 a.m., December 6. Coffee will be served at 10 o'clock preceding the book review.

Would You Raise Your Right Hand For \$100?

Dear Motorist:

Would you raise your right hand for \$100? We're sincere! Picture show that there are about fifty people in Newton and the surrounding area who have made up their minds to buy a new car — and who will do so today.

Now, if we knew who those people were — if they would raise their right hands and if we could get on top of the highest point in town and spot them — you have no idea how much money we could save and pass on to them. Actually, our accountant tells us it costs us \$100 just in advertising and sales expense to locate a person who is really in the market to buy a new car. We think that's a shameful waste of money and we're going to do something about it!

As an experiment, we have chosen you as one of the select people to whom we will present the above check for \$100 to try to determine whether people are really interested in saving this amount of money. This is not a price cut! We are experimenting with a new way of selling that will eliminate the above expense in selling automobiles. Super market food stores are doing it. The newest chain clothing stores are doing it. We think we can do it, too. You come to us instead of us trying to find you by today's wasteful selling methods, and we will pass on to you every cent of our saving.

So, if you are ready to buy a new car now, bring the above check to our salesroom today. Look at our beautiful new Nash Airflites or select Used Cars. Drive any one you like. Get our offer on your present car. Compare our proposition with any deal you may have gotten elsewhere. Then, if you buy — and we're sure you will — we will gladly sign the enclosed check for \$100 for the sales expense you saved us. That's our offer. Could anything be fairer?

If you're really ready to buy, come in today and save yourself what we consider an important amount of money. You can't lose. If you can't possibly come in to our salesroom today, please call us right away at DECATUR 2-2200.

Very truly yours,
EDWARDS MOTOR SALES,
Karl D. Edwards
